HERBALIFE LTD.

**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)**

1. Organization

Herbalife Ltd., a Cayman Islands exempt limited liability company, or Herbalife, was incorporated on April 4, 2002. Herbalife Ltd. (and together with its subsidiaries, the “Company”) is a leading global network marketing company that sells weight management, nutritional supplements, energy, sports & fitness products and personal care products through a network of approximately 2.3 million independent distributors, except in China, where the Company currently sells its products through retail stores, sales representatives, sales employees and licensed business providers. The Company reports revenue in six geographic regions: North America, which consists of the U.S., Canada and Jamaica; Mexico; South and Central America; EMEA, which consists of Europe, the Middle East and Africa; Asia Pacific (excluding China) which consists of Asia, New Zealand and Australia; and China.

2. Significant Accounting Policies

Basis of Presentation

The unaudited interim financial information of the Company has been prepared in accordance with Article 10 of the Securities and Exchange Commission’s, or the SEC, Regulation S-X. Accordingly, it does not include all of the information required by generally accepted accounting principles in the U.S., or U.S. GAAP, for complete financial statements. The condensed consolidated balance sheet at December 31, 2010 was derived from the audited financial statements at that date and does not include all the disclosures required by U.S. GAAP. The Company’s unaudited condensed consolidated financial statements as of March 31, 2011, and for the three months ended March 31, 2011 and 2010, include Herbalife and all of its direct and indirect subsidiaries. In the opinion of management, the accompanying financial information contains all adjustments, consisting of normal recurring adjustments, necessary to present fairly the Company’s unaudited condensed consolidated financial statements as of March 31, 2011, and for the three months ended March 31, 2011 and 2010. These unaudited condensed consolidated financial statements should be read in conjunction with the Company’s Annual Report on Form 10-K for the year ended December 31, 2010, or the 2010 10-K. Operating results for the three months ended March 31, 2011, are not necessarily indicative of the results that may be expected for the year ending December 31, 2011.

Venezuela

In February 2011, Herbalife Venezuela purchased U.S. dollar denominated bonds with a face value of \$20 million U.S. dollars in a bond offering from Petr leos de Venezuela, S.A., a Venezuelan state-owned petroleum company, for 86 million Bolıvars and then immediately sold the bonds for \$15 million U.S. dollars, resulting in an average effective conversion rate of 5.7 Bolıvars per U.S. dollar. The 86 million Bolıvars were previously remeasured at the regulated system rate, or SITME rate, of 5.3 Bolıvars per U.S. dollar and recorded as cash and cash equivalents of \$16.3 million on the Company’s consolidated balance sheet at December 31, 2010. This Bolıvar to U.S. dollar conversion resulted in the Company recording a net pre-tax loss of \$1.3 million U.S. dollars in its condensed consolidated statement of income for the three months ended March 31, 2011.

As of March 31, 2011, Herbalife Venezuela’s net monetary Bolıvar denominated assets and liabilities was approximately \$9.0 million, and included approximately \$13.1 million in Bolıvar denominated cash and cash equivalents and approximately \$4.8 million in U.S. dollar denominated cash. The majority of these Bolıvar denominated assets and liabilities were remeasured at the SITME rate. Although Venezuela is an important market in the Company’s South and Central America Region, Herbalife Venezuela’s net sales represented less than 2% of the Company’s consolidated net sales for both the three months ended March 31, 2011 and 2010 and its total assets represented less than 3% of the Company’s consolidated total assets as of both March 31, 2011 and December 31, 2010.

See the Company’s 2010 10-K for further information on Herbalife Venezuela and Venezuela’s high inflationary economy.

3. Long-Term Debt

Long-term debt consists of the following:

| | March 31, 2011 | December 31, 2010 |
|---|-------------------|----------------------|
| | (In millions) | |
| Borrowings under the prior senior secured credit facility | \$ — | \$ 174.9 |
| Borrowings under the new senior secured revolving credit facility | 180.0 | — |
| Capital leases | 2.6 | 2.9 |
| Other debt | 0.3 | 0.3 |
| Total | 182.9 | 178.1 |
| Less: current portion | 1.7 | 3.1 |
| Long-term portion | <u>\$ 181.2</u> | <u>\$ 175.0</u> |

Interest expense was \$3.3 million and \$2.4 million for the three months ended March 31, 2011 and 2010, respectively. Interest expense for the three months ended March 31, 2011 included a \$0.9 million write-off of unamortized deferred financing costs resulting from the extinguishment of the prior senior secured facility as discussed below.

On March 9, 2011, the Company entered into a \$700.0 million senior secured revolving credit facility, or the New Credit Facility, with a syndicate of financial institutions as lenders and terminated its prior senior secured credit facility, or the Prior Credit Facility, that consisted of a term loan and a revolving credit facility. The New Credit Facility has a five year maturity and expires on March 9, 2016. During March 2011, U.S. dollar borrowings under the New Credit Facility incurred interest at the base rate plus a margin of 0.75% or LIBOR plus a margin of 1.75%. After March 2011, based on the Company's consolidated leverage ratio, U.S. dollar borrowings under the New Credit Facility will bear interest at either LIBOR plus the applicable margin between 1.50% and 2.50% or the base rate plus the applicable margin between 0.50% and 1.50%. The Company, based on its consolidated leverage ratio, will pay a commitment fee between 0.25% and 0.50% per annum on the unused portion of the New Credit Facility. The New Credit Facility also permits the Company to borrow limited amounts in Mexican Peso and Euro currencies based on variable rates. The base rate under the New Credit Facility represents the highest of the Federal Funds Rate plus 0.50%, one-month LIBOR plus 1.00%, and the prime rate offered by Bank of America.

In March 2011, the Company used \$196.0 million in U.S. dollar borrowings under the New Credit Facility to repay all amounts outstanding under the Prior Credit Facility. The Company incurred approximately \$5.5 million of debt issuance costs in connection with the New Credit Facility. These debt issuance costs were recorded as deferred financing costs on the Company's condensed consolidated balance sheet and are being amortized over the term of the New Credit Facility. On March 31, 2011 and December 31, 2010, the weighted average interest rate for borrowings under the New Credit Facility and the Prior Credit Facility was 1.99% and 1.75%, respectively.

The New Credit Facility requires the Company to comply with a leverage ratio and an interest coverage ratio. In addition, the New Credit Facility contains customary covenants, including covenants that limit or restrict the Company's ability to incur liens, incur indebtedness, make investments, dispose of assets, make certain restricted payments, pay dividends, merge or consolidate and enter into certain transactions with affiliates. As of March 31, 2011, the Company was compliant with its debt covenants.

During the three months ended March 31, 2011, the Company borrowed \$235.7 million and \$54.0 million under the New Credit Facility and Prior Credit Facility, respectively, and paid a total of \$55.7 million and \$228.9 million of the New Credit Facility and Prior Credit Facility, respectively. As of March 31, 2011, the U.S. dollar amount outstanding under the New Credit Facility was \$180.0 million. As of December 31, 2010, the amounts outstanding under the Prior Credit Facility, consisting of a term loan and revolving facility, were \$143.9 million and \$31.0 million, respectively. There were no outstanding foreign currency borrowings as of March 31, 2011 under the New Credit Facility.

4. Contingencies

The Company is from time to time engaged in routine litigation. The Company regularly reviews all pending litigation matters in which it is involved and establishes reserves deemed appropriate by management for these litigation matters when a probable loss estimate can be made.

As a marketer of dietary and nutritional supplements and other products that are ingested by consumers or applied to their bodies, the Company has been and is currently subjected to various product liability claims. The effects of these claims to date have not been material to the Company, and the reasonably possible range of exposure on currently existing claims is not material to the Company. The Company believes that it has meritorious defenses to the allegations contained in the lawsuits. The Company currently maintains product liability insurance with an annual deductible of \$10 million.

On April 16, 2007, Herbalife International of America, Inc. filed a Complaint in the United States District Court for the Central District of California against certain former Herbalife distributors who had left the Company to join a competitor. The Complaint alleged breach of contract, misappropriation of trade secrets, intentional interference with prospective economic advantage, intentional interference with contract, unfair competition, constructive trust and fraud and seeks monetary damages, attorney’s fees and injunctive relief (*Herbalife International of America, Inc. v. Robert E. Ford, et al.*). The court entered a Preliminary Injunction against the defendants enjoining them from further use and/or misappropriation of the Company’s trade secrets on December 11, 2007. Defendants appealed the court’s entry of the Preliminary Injunction to the U.S. Court of Appeals for the Ninth Circuit. That court affirmed, in relevant part, the Preliminary Injunction. On December 3, 2007, the defendants filed a counterclaim alleging that the Company had engaged in unfair and deceptive business practices, intentional and negligent interference with prospective economic advantage, false advertising and that the Company was an endless chain scheme in violation of California law and seeking restitution, contract rescission and an injunction. Both sides engaged in discovery and filed cross motions for Summary Judgment. On August 25, 2009, the court granted partial summary judgment for Herbalife on all of defendants’ claims except the claim that the Company is an endless chain scheme which under applicable law is a question of fact that can only be determined at trial. The court denied defendants’ motion for Summary Judgment on Herbalife’s claims for misappropriation of trade secrets and breach of contract. On May 5, 2010, the District Court granted summary judgment for Herbalife on defendants’ endless chain-scheme counterclaim. Herbalife voluntarily dismissed its remaining claims, and on May 14, 2010, the District Court issued a final judgment dismissing all of the parties’ claims. On June 10, 2010 the defendants appealed from that judgment and on June 21, 2010, Herbalife cross-appealed. The parties have reached a settlement of the case which they are in the process of documenting. Herbalife will incur no financial liability in this settlement.

Certain of the Company’s subsidiaries have been subject to tax audits by governmental authorities in their respective countries. In certain of these tax audits, governmental authorities are proposing that significant amounts of additional taxes and related interest and penalties are due. The Company and its tax advisors believe that there are substantial defenses to their allegations that additional taxes are owed, and the Company is vigorously contesting the additional proposed taxes and related charges. On May 7, 2010, the Company received an administrative assessment from the Mexican Tax Administration Service in an amount equivalent to approximately \$96 million, translated at the period ended spot rate, for various items, the majority of which was Value Added Tax allegedly owed on certain of the Company’s products imported into Mexico during the years 2005 and 2006. This assessment is subject to interest and inflationary adjustments. On July 8, 2010, the Company initiated a formal administrative appeal process. In connection with the appeal of the assessment, the Company may be required to post bonds for some or all of the assessed amount. Therefore, in July 2010, the Company entered into agreements with certain insurance companies to allow for the potential issuance of surety bonds in support of its appeal of the assessment. Such surety bonds, if issued, would not affect the availability of the Company’s New Credit Facility. The Company did not record a provision as the Company, based on analysis and guidance from its advisors, does not believe a loss is probable. Further, the Company is currently unable to reasonably estimate a possible loss or range of loss that could result from an unfavorable outcome in respect to this assessment or any additional assessments that may be issued for these or other periods. The Company believes that it has meritorious defenses and is vigorously pursuing the appeal, but final resolution of this matter could take several years.

These matters may take several years to resolve. While the Company believes it has meritorious defenses, it cannot be sure of their ultimate resolution. Although the Company has reserved amounts for certain matters that the Company believes represent the most likely outcome of the resolution of these related disputes, if the Company is incorrect in the assessment, the Company may have to record additional expenses, when it becomes probable that an increased potential liability is warranted.

5. Comprehensive Income

Total comprehensive income consisted of the following:

| | Three Months Ended | |

| | March 31, 2011 | March 31, 2010 |
| | (In millions) | |

| Foreign currency translation adjustment | 14.9 | (5.2) |
| Comprehensive income | <u>\$ 102.8</u> | <u>\$ 48.8</u> |

6. Segment Information

The Company is a network marketing company that sells a wide range of weight management products, nutritional supplements and personal care products within one industry segment as defined under the Financial Accounting Standards Board, or FASB, Accounting Standards Codification, or ASC Topic 280, *Segment Reporting*. The Company's products are manufactured by third party providers and by the Company in its Suzhou, China facility and in its manufacturing facility located in Lake Forest, California, and then are sold to independent distributors who sell Herbalife products to retail consumers or other distributors. Revenues reflect sales of products to distributors based on the distributors' geographic location.

As of March 31, 2011, the Company sold products in 75 countries throughout the world and is organized and managed by geographic regions. The Company aggregates its operating segments, excluding China, into one reporting segment, or the Primary Reporting Segment, as management believes that the Company's operating segments have similar operating characteristics and similar long term operating performance. In making this determination, management believes that the operating segments are similar in the nature of the products sold, the product acquisition process, the types of customers to whom products are sold, the methods used to distribute the products, and the nature of the regulatory environment. China has been identified as a separate reporting segment as it does not meet the criteria for aggregation. The operating information for the Primary Reporting Segment and China, and sales by product line are as follows:

7. Share-Based Compensation

The Company has share-based compensation plans, which are more fully described in Note 9, *Share-based Compensation*, to the Consolidated Financial Statements in the 2010 10-K. During the three months ended March 31, 2011, the Company granted stock awards subject to continued service, consisting of stock units and stock appreciation rights, with vesting terms fully described in the 2010 10-K.

For the three months ended March 31, 2011 and 2010, share-based compensation expense amounted to \$5.6 million and \$5.3 million, respectively. As of March 31, 2011, the total unrecognized compensation cost related to all non-vested stock awards was \$25.6 million and the related weighted-average period over which it is expected to be recognized is approximately 1.5 years.

The following tables summarize the activity under all share-based compensation plans for the three months ended March 31, 2011:

| <u>Stock Options & Stock Appreciation Rights</u> | <u>Awards</u> <u>(In thousands)</u> | <u>Weighted Average Exercise Price</u> | <u>Weighted Average Remaining Contractual Term</u> | <u>Aggregate Intrinsic Value</u> <u>(In millions)</u> |

The weighted-average grant date fair value of stock awards granted during the three months ended March 31, 2011 and 2010 was \$41.74 and \$20.23, respectively. The total intrinsic value of stock awards exercised during the three months ended March 31, 2011 and 2010, was \$16.9 million and \$1.2 million, respectively.

8. Income Taxes

As of March 31, 2011, the total amount of unrecognized tax benefits, related interest and penalties was \$31.4 million, \$5.5 million and \$1.3 million, respectively. During the three months ended March 31, 2011, the Company recorded tax, interest and penalties related to uncertain tax positions of \$1.9 million, \$0.5 million and \$0.1 million respectively. During the three months ended March 31, 2011 the unrecognized tax benefits were reduced by the expiration of the statutes of limitations for tax of \$2.1 million, interest of \$0.6 million and penalties of \$0.1 million which resulted in a year to date net decrease for tax and related interest of \$0.2 million and \$0.1 million, respectively. The unrecognized tax benefits relate primarily to uncertainties from international transfer pricing issues and the deductibility of certain operating expenses in various jurisdictions. If the total amount of unrecognized tax benefits were recognized, \$31.4 million of unrecognized tax benefits, \$5.5 million of interest and \$1.3 million of penalties, would impact the effective tax rate.

During the three months ended March 31, 2011, the Company benefited from the terms of a tax holiday in the People's Republic of China. The tax holiday commenced on January 1, 2008 and will conclude on December 31, 2012. Under the terms of the holiday, the Company was subject to a zero tax rate in China during 2008 and 2009, 11% tax rate in 2010, and is subject to a graduated rate of 12% in 2011. The tax rate will gradually increase to a maximum rate of 25% in 2013.

9. Derivative Instruments and Hedging Activities

Interest Rate Risk Management

The Company engages in an interest rate hedging strategy for which the hedged transactions are forecasted interest payments on the Company's variable rate credit facility. The hedged risk is the variability of forecasted interest rate cash flows, where the hedging strategy involves the purchase of interest rate swaps. For the outstanding cash flow hedges on interest rate exposures at March 31, 2011, the Company is hedging certain of its monthly interest rate exposures over approximately two years and four months.

During August 2009, the Company entered into four interest rate swap agreements with an effective date of December 31, 2009. The agreements collectively provide for the Company to pay interest for less than a four-year period at a weighted average fixed rate of 2.78% on notional amounts aggregating to \$140.0 million while receiving interest for the same period at the one month LIBOR rate on the same notional amounts. These agreements will expire in July 2013. These swaps at inception were designated as cash flow hedges against the variability in the LIBOR interest rate on the Company's prior term loan or against the variability in the LIBOR interest rate on the replacement debt. The Company's prior term loan was terminated in March 2011 and refinanced with the New Credit Facility as discussed further in Note 3, *Long-Term Debt*. The Company's swaps remain effective and continue to be designated as cash flow hedges against the variability in certain LIBOR interest rate borrowings under the New Credit Facility at LIBOR plus 1.50% to 2.50%, thereby now fixing the Company's weighted average effective rate on the notional amounts at 4.28% to 5.28%. There was no hedge ineffectiveness recorded as result of this refinancing event.

The Company formally assesses both at inception and at least quarterly thereafter, whether derivatives used in hedging transactions are effective in offsetting changes in cash flows of the hedged item. As of March 31, 2011, the hedge relationships continued to qualify as effective hedges under FASB ASC Topic 815, *Derivatives and Hedging*, or ASC 815. Consequently, all changes in the fair value of the derivatives are deferred and recorded in other comprehensive income (loss) until the related forecasted transactions are recognized in the consolidated statements of income. The fair value of the interest rate swap agreements are based on third-party bank quotes. At March 31, 2011 and December 31, 2010, the Company recorded the interest rate swaps as liabilities at their fair value of \$5.7 million and \$6.6 million, respectively.

Foreign Currency Instruments

The Company also designates certain foreign currency derivatives, such as certain foreign currency forward and option contracts, as freestanding derivatives for which hedge accounting does not apply. The changes in the fair market value of the derivatives are included in selling, general and administrative expenses in the Company's consolidated statements of income. The Company uses foreign currency forward contracts to hedge foreign-currency-denominated intercompany transactions and to partially mitigate the impact of foreign currency fluctuations. The Company also uses foreign currency option contracts to partially mitigate the impact of foreign currency fluctuations. The fair value of the forward and option contracts are based on third-party bank quotes.

The Company also purchases foreign currency forward contracts in order to hedge forecasted inventory purchases and intercompany management fees that are designated as cash-flow hedges and are subject to foreign currency exposures. The Company applied the hedge accounting rules as required by ASC 815 for these hedges. These contracts allow the Company to sell Euros in exchange for U.S. dollars at specified contract rates. As of March 31, 2011, and December 31, 2010, the aggregate notional amounts of these contracts outstanding were approximately \$21.6 million and \$32.1 million, respectively. At March 31, 2011, the outstanding contracts were expected to mature over the next nine months. The Company's derivative financial instruments are recorded on the consolidated balance sheet at fair value based on third-party bank quotes. Forward contracts are used to hedge forecasted inventory purchases over specific months. Changes in the fair value of these forward contracts, excluding forward points, designated as cash-flow hedges are recorded as a component of accumulated other comprehensive income (loss) within shareholders' equity, and are recognized in cost of sales in the consolidated statement of income during the period which approximates the time the hedged inventory is sold. The Company also hedges forecasted intercompany management fees over specific months. Changes in the fair value of these forward contracts designated as cash flow hedges are recorded as a component of accumulated other comprehensive income (loss) within shareholders' equity, and are recognized in selling, general and administrative expenses in the consolidated statement of income during the period when the hedged item and underlying transaction affect earnings. As of March 31, 2011, the Company recorded liabilities at fair value of \$2.1 million relating to all outstanding foreign currency contracts designated as cash-flow hedges. As of December 31, 2010, the Company recorded assets at fair value of \$0.6 million and liabilities at fair value of \$0.8 million relating to all outstanding foreign currency contracts designated as cash-flow hedges. The Company assesses hedge effectiveness and measures hedge ineffectiveness at least quarterly. During the three months ended March 31, 2011 and 2010, the ineffective portion relating to these hedges was immaterial and the hedges remained effective as of March 31, 2011.

As of March 31, 2011, and December 31, 2010, the majority of the Company's outstanding foreign currency forward contracts had maturity dates of less than nine months with the majority of freestanding derivatives expiring within two months. There were no foreign currency option contracts outstanding as of March 31, 2011, and December 31, 2010. See Part I, Item 3 — *Quantitative and Qualitative Disclosures About Market Risk* in this Quarterly Report on Form 10-Q for foreign currency instruments outstanding as of March 31, 2011.

The Company reports its derivatives at fair value as either assets or liabilities within its condensed consolidated balance sheet. See Note 12, *Fair Value Measurements*, for information on derivative fair values and their condensed consolidated balance sheet location as of March 31, 2011, and December 31, 2010.

10. Shareholders' Equity

Dividends

The declaration of future dividends is subject to the discretion of the Company's board of directors and will depend upon various factors, including its earnings, financial condition, restrictions imposed by its credit agreement, cash requirements, future prospects and other factors deemed relevant by its board of directors. The New Credit Facility entered into on March 9, 2011, permits payments of dividends as long as no default or event of default exists and the consolidated leverage ratio specified in the New Credit Facility is not exceeded.

On February 22, 2011, the Company announced that its board of directors approved a quarterly cash dividend of \$0.25 per common share in an aggregate amount of \$14.8 million that was paid to shareholders on March 22, 2011. The aggregate amount of dividends declared and paid during the three months ended March 31, 2011 and 2010 were \$14.8 million and \$12.1 million, respectively.

Share Repurchases

On April 30, 2009, the Company announced that its board of directors authorized a new program for the Company to repurchase up to \$300 million of Herbalife common shares during the next two years, at such times and prices as determined by the Company's management. On May 3, 2010, the Company's board of directors approved an increase to the share repurchase authorization from \$300 million to \$1 billion. In addition, the Company's board of directors approved the extension of the expiration date of the share repurchase program from April 2011 to December 2014. The Company did not repurchase any common shares in the open market during the three months ended March 31, 2011. As of March 31, 2011, the remaining authorized capacity under the Company's share repurchase program was approximately \$776.7 million.

The aggregate purchase price of any common shares repurchased is reflected as a reduction to shareholders' equity. The Company allocates the purchase price of the repurchased shares as a reduction to retained earnings, common shares and additional paid-in-capital.

The number of shares issued upon vesting or exercise for certain restricted stock units and stock appreciation rights granted, pursuant to the Company's share-based compensation plans, is net of the minimum statutory withholding requirements that the Company pays on behalf of its employees. Although shares withheld are not issued, they are treated as common share repurchases in the Company's condensed consolidated financial statements, as they reduce the number of shares that would have been issued upon vesting.

Stock Split

On February 18, 2011, the Company's board of directors approved a two-for-one split of the Company's common shares, subject to approval by the Company's shareholders at the Company's Annual General Meeting of Shareholders held on April 28, 2011. See Note 14, *Subsequent Events*, for further information on the stock split being approved by the Company's shareholders on April 28, 2011.

11. Earnings Per Share

Basic earnings per share represents net income for the period common shares were outstanding, divided by the weighted average number of common shares outstanding for the period. Diluted earnings per share represents net income divided by the weighted average number of common shares outstanding, inclusive of the effect of dilutive securities such as outstanding stock options, stock appreciation rights, stock units and warrants.

The following are the common share amounts used to compute the basic and diluted earnings per share for each period on a pre-split basis:

| | For the Three Months Ended March 31, | |
|--|---|---------------|
| | 2011 | 2010 |
| | (in thousands) | |
| Weighted average shares used in basic computations | 59,103 | 60,160 |
| Dilutive effect of exercise of equity grants outstanding | 2,684 | 2,319 |
| Dilutive effect of warrants | 121 | 193 |
| Weighted average shares used in diluted computations | <u>61,908</u> | <u>62,672</u> |

There were an aggregate of 0.1 million and 1.8 million of equity grants that were outstanding during the three months ended March 31, 2011 and 2010, respectively, consisting of stock options, stock appreciation rights, and stock units, but were not included in the computation of diluted earnings per share because their effect would be anti-dilutive. See Note 14, *Subsequent Events*, for the computation of the Company's historical net earnings per share on a pro-forma post-split basis.

12. Fair Value Measurements

The Company applies the provisions of FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, or ASC 820, for its financial and non-financial assets and liabilities. ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair value into three broad levels as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

[Table of Contents](#)

Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 inputs are unobservable inputs for the asset or liability.

The Company measures certain assets and liabilities at fair value as discussed throughout the notes to its consolidated financial statements. Foreign exchange currency contracts and interest rate swaps are valued using standard calculations and models. Foreign exchange currency contracts are valued primarily based on inputs such as observable forward rates, spot rates and foreign currency exchange rates at the reporting period ended date. Interest rate swaps are valued primarily based on inputs such as LIBOR and swap yield curves at the reporting period ended date. Assets or liabilities that have recurring measurements and are measured at fair value consisted of only Level 2 derivatives and are shown below at their gross values at March 31, 2011, and December 31, 2010:

Fair Value Measurements at Reporting Date Using

| | Derivative Balance Sheet Location | Significant Other Observable Inputs (Level 2) Fair Value at March 31, 2011 | Significant Other Observable Inputs (Level 2) Fair Value at December 31, 2010 |

| | March 31, 2011 | December 31, 2010 |
|-----------------|---------------------------|------------------------------|
| Raw materials | \$ 17.7 | \$ 13.7 |
| Work in process | 0.8 | 0.6 |
| Finished goods | 165.8 | 168.2 |
| Total | <u>\$ 184.3</u> | <u>\$ 182.5</u> |

Total inventories are presented net of the reserves for obsolete and slow moving inventory of \$10.6 million and \$9.4 million at March 31, 2011 and December 31, 2010, respectively.

14. Subsequent Events

On April 28, 2011, the Company's shareholders approved a 2-for-1 split of the Company's common shares. One additional common share will be distributed to the Company's shareholders on or around May 17, 2011, for each common share held on May 10, 2011. All common shares subject to outstanding equity awards and warrants, as well as the number of common shares reserved for issuance under the Company's equity compensation plans, will be adjusted proportionately.

On May 2, 2011, the Company announced that its board of directors approved a post stock split cash dividend of \$0.20 per common share, payable on June 7, 2011 to shareholders of record as of May 24, 2011.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Overview

We are a global network marketing company that sells weight management products, nutritional supplements, energy, sports & fitness products and personal care products. We pursue our mission of "changing people's lives" by providing a financially rewarding business opportunity to distributors and quality products to distributors and their customers who seek a healthy lifestyle. We are one of the largest network marketing companies in the world with net sales of approximately \$2.7 billion for the year ended December 31, 2010. As of March 31, 2011, we sold our products in 75 countries through a network of approximately 2.3 million independent distributors. In China, we sell our products through retail stores, sales representatives, sales employees and licensed business providers. We believe the quality of our products and the effectiveness of our distribution network, coupled with geographic expansion, have been the primary reasons for our success throughout our 31-year operating history.

Our products are grouped in four principal categories: weight management, targeted nutrition, energy, sports & fitness and Outer Nutrition, along with literature and promotional items. Our products are often sold in programs that are comprised of a series of related products and literature designed to simplify weight management and nutrition for consumers and maximize our distributors' cross-selling opportunities.

Industry-wide factors that affect us and our competitors include the global obesity epidemic and the aging of the worldwide population, which are driving demand for nutrition and wellness-related products along with the global increase in under and unemployment which can affect the recruitment and retention of distributors seeking part time or full time income opportunities.

We remain focused on the opportunities and challenges in retailing of our products, recruiting and retaining distributors, improving distributor productivity, opening new markets, further penetrating existing markets, globalizing successful Distributor Methods of Operation, or DMO, such as Nutrition Clubs and Weight Loss Challenges, introducing new products and globalizing existing products, developing niche market segments and further investing in our infrastructure. Management continues to monitor the Venezuela market and especially the limited ability to repatriate cash.

We report revenue from our six regions:

- North America, which consists of the U.S., Canada and Jamaica;
- Mexico;
- South and Central America;
- EMEA, which consists of Europe, the Middle East and Africa;
- Asia Pacific (excluding China), which consists of Asia, New Zealand and Australia; and
- China.

Volume Points by Geographic Region

A key non-financial measure we focus on is Volume Points on a Royalty Basis, or Volume Points, which is essentially our weighted average measure of product sales volume. Volume Points, which are unaffected by exchange rates or price increases, are used by management as a proxy for sales trends because in general, an increase in Volume Points in a particular geographic region or country indicates an increase in our local currency net sales while a decrease in Volume Points in a particular geographic region or country indicates a decrease in our local currency net sales.

Table of Contents

We assign a Volume Point value to a product when it is first introduced into the market. The specific number of Volume Points assigned to a product is based on a Volume Point to U.S. dollar ratio that we use for the vast majority of new products. If a product is available in different quantities then the various sizes will have different Volume Point values. If a new product is not introduced in or otherwise expected to be sold in the U.S., we will determine the Volume Point value for that product based on a review of various factors in the regions and countries in which we will market the product, including the Volume Point to local currency ratio of existing products in the relevant countries. In general, once assigned, a Volume Point value is consistent in each region and country and does not change from year to year. The reason volume points are used in the manner described above is that the Company uses volume points for distributor qualification and recognition purposes and therefore attempts to keep volume points for a similar or like product consistent on a global basis. However, because Volume Points are a function of value rather than product type or size, they are not a reliable measure for product mix. As an example, an increase in Volume Points in a specific country or region could mean a significant increase in sales of less expensive product or a marginal increase in sales of an expensive product.

Average Active Sales Leaders by Geographic Region

With the continued expansion of daily consumption DMOs in our different markets, we believe the Average Active Sales Leader metric, which represents the monthly average number of sales leaders that place an order from us in a given quarter, is a useful metric. We rely on this metric as an indication of the engagement level of sales leaders in a given region. Changes in the Average Active Sales Leader metric may be indicative of the current momentum in a region as well as the potential for higher annual retention levels and future sales growth through utilization of daily consumption DMOs.

Number of Sales Leaders and Retention Rates by Geographic Region as of Re-qualification Period

Our compensation system requires each sales leader to re-qualify for such status each year, prior to February, in order to maintain their 50% discount on products and be eligible to receive royalty payments. In February of each year, we demote from the rank of sales leader those distributors who did not satisfy the re-qualification requirements during the preceding twelve months. The re-qualification requirement does not apply to new sales leaders (i.e., those who became sales leaders subsequent to the January re-qualification of the prior year).

| Sales Leaders Statistics (Excluding China) | 2011 | 2010 |
|--|----------------|---------|
| | (In thousands) | |
| January 1 total sales leaders | 434.2 | 431.3 |
| January & February new sales leaders | 28.9 | 21.2 |
| Demoted sales leaders (did not re-qualify) | (144.8) | (165.9) |
| Other sales leaders (resigned, etc) | (0.8) | (1.1) |
| End of February total sales leaders | 317.5 | 285.5 |

The distributor statistics below further highlight the calculation for retention.

| Sales Leaders Retention (Excluding China) | 2011 | 2010 |
|--|-----------------------|--------------|
| | (In thousands) | |
| Sales leaders needed to re-qualify | 283.2 | 290.9 |
| Demoted sales leaders (did not re-qualify) | (144.8) | (165.9) |
| Total re-qualified | 138.4 | 125.0 |
| Retention rate | 48.9% | 43.0% |

The table below reflects the number of sales leaders as of February of the year indicated (subsequent to the annual re-qualification date) and sales leader retention rate by year and by region.

| | Number of Sales Leaders | | Sales Leaders Retention Rate | |
|--------------------------------|--------------------------------|-------------|-------------------------------------|-------------|
| | 2011 | 2010 | 2011 | 2010 |
| North America | 72,152 | 64,668 | 48.6% | 43.3% |
| Mexico | 54,526 | 47,068 | 57.9% | 50.4% |
| South & Central America | 50,288 | 51,060 | 47.3% | 34.1% |
| EMEA | 49,696 | 47,080 | 58.6% | 51.9% |
| Asia Pacific (excluding China) | 90,822 | 75,635 | 38.4% | 38.6% |
| Total Sales leaders | 317,484 | 285,511 | 48.9% | 43.0% |
| China Sales Employees | 30,543 | 27,415 | | |
| Worldwide Total Sales Leaders | 348,027 | 312,926 | | |

The number of sales leaders by geographic region as of the quarterly reporting dates will normally be higher than the number of sales leaders by geographic region as of the re-qualification period because sales leaders who do not re-qualify during the relevant twelve-month period will be removed from the rank of sales leader the following February. Since sales leaders purchase most of our products for resale to other distributors and consumers, comparisons of sales leader totals on a year-to-year basis are indicators of our recruitment and retention efforts in different geographic regions.

The value of the average monthly purchase of Herbalife products by our sales leaders has remained relatively constant over time. Consequently, increases in our sales are driven by our retention of sales leaders, our recruitment and retention of distributors and by our distributors' increased adoption of daily consumption DMOs.

We provide distributors with products, support materials, training, special events and a competitive compensation program. If a distributor wants to pursue the Herbalife business opportunity, the distributor is responsible for growing his or her business and personally pays for the sales activities related to attracting new customers and recruiting distributors by hosting events such as Herbalife Opportunity Meetings or Success Training Seminars; by advertising Herbalife's products; by purchasing and using promotional materials such as t-shirts, buttons and caps; by utilizing and paying for direct mail and print material such as brochures, flyers, catalogs, business cards, posters and banners and telephone book listings; by purchasing inventory for sale or use as samples; and by training, mentoring and following up (in person or via the phone or internet) with customers and recruits on how to use Herbalife products and/or pursue the Herbalife business opportunity.

Presentation

"Retail sales" represent the gross sales amounts on our invoices to distributors before distributor allowances, as defined below, and "net sales," which reflect distributor allowances and shipping and handling revenues, represent what we collect and recognize as net sales in our financial statements. We discuss retail sales because of its fundamental role in our compensation systems, internal controls and operations, including its role as the basis upon which distributor discounts, royalties and bonuses are awarded. In addition, it is used as the basis for certain information included in daily and monthly reports reviewed by our management. However, such a measure is not in accordance with U.S. generally accepted accounting principles, or U.S. GAAP. Retail sales should not be considered in isolation from, nor as a substitute for, net sales and other consolidated income or cash flow statement data prepared in accordance with U.S. GAAP, or as a measure of profitability or liquidity. A reconciliation of net sales to retail sales is presented below under "Results of Operations." "Product sales" represent the actual product purchase price paid to us by our distributors, after giving effect to distributor discounts referred to as "distributor allowances," which approximate 50% of retail sales prices. Distributor allowances as a percentage of retail sales may vary by country depending upon regulatory restrictions that limit or otherwise restrict distributor allowances.

Our international operations have provided and will continue to provide a significant portion of our total net sales. As a result, total net sales will continue to be affected by fluctuations in the U.S. dollar against foreign currencies. In order to provide a framework for assessing how our underlying businesses performed excluding the effect of foreign currency fluctuations, in addition to comparing the percent change in net sales from one period to another in U.S. dollars, we also compare the percent change in net sales from one period to another period using “*net sales in local currency*” disclosure. Net sales in local currency is not a U.S. GAAP financial measure. Net sales in local currency removes from net sales in U.S. dollars the impact of changes in exchange rates between the U.S. dollar and the functional currencies of our foreign subsidiaries, by translating the current period net sales into U.S. dollars using the same foreign currency exchange rates that were used to translate the net sales for the previous comparable period. We believe presenting net sales in local currency is useful to investors because it allows a more meaningful comparison of net sales of our foreign operations from period to period. However, net sales in local currency measures should not be considered in isolation or as an alternative to net sales in U.S. dollars measures that reflect current period exchange rates, or to other financial measures calculated and presented in accordance with U.S. GAAP.

Our “*gross profit*” consists of net sales less “*cost of sales*,” which represents our manufacturing costs, the price we pay to our raw material suppliers and manufacturers of our products as well as shipping and handling costs related to product shipments, duties and tariffs, freight expenses relating to shipment of products to distributors and importers and similar expenses.

“*Royalty overrides*” are our most significant expense and consist of:

- royalty overrides and production bonuses which total approximately 15% and 7%, respectively, of the retail sales of weight management, targeted nutrition, energy, sports & fitness, Outer Nutrition and promotional products;
- the Mark Hughes bonus payable to some of our most senior distributors in the aggregate amount of up to 1% of retail sales of weight management, targeted nutrition, energy, sports & fitness, Outer Nutrition products and promotional products; and
- other discretionary incentive cash bonuses to qualifying distributors.

Royalty overrides are generally earned based on retail sales and provide potential earnings to distributors of up to 23% of retail sales or approximately 33% of our net sales. Royalty overrides together with distributor allowances of up to 50% represent the potential earnings to distributors of up to approximately 73% of retail sales. The compensation to distributors is generally for the development, retention and improved productivity of their distributor sales organizations and is paid to several levels of distributors on each sale. Due to restrictions on direct selling in China, our full-time employed sales representatives in China are compensated with wages, bonuses and benefits and our licensed business providers in China are compensated with service fees instead of the distributor allowances and royalty overrides utilized in our traditional marketing program. Because of local country regulatory constraints, we may be required to modify our typical distributor incentive plans as described above. Consequently, the total distributor discount percentage may vary over time. We also offer reduced distributor allowances and pay reduced royalty overrides with respect to certain products worldwide.

Our “*operating margins*” consist of net sales less cost of sales and royalty overrides.

“*Selling, general and administrative expenses*” represent our operating expenses, components of which include labor and benefits, sales events, professional fees, travel and entertainment, distributor marketing, occupancy costs, communication costs, bank fees, depreciation and amortization, foreign exchange gains and losses and other miscellaneous operating expenses.

Most of our sales to distributors outside the United States are made in the respective local currencies. In preparing our financial statements, we translate revenues into U.S. dollars using average exchange rates. Additionally, the majority of our purchases from our suppliers generally are made in U.S. dollars. Consequently, a strengthening of the U.S. dollar versus a foreign currency can have a negative impact on our reported sales and operating margins and can generate transaction losses on intercompany transactions. Throughout the last five years, foreign currency exchange rates have fluctuated significantly. From time to time, we enter into foreign exchange forward and option contracts to partially mitigate our foreign currency exchange risk as discussed in further detail in Part I, Item 3 — *Quantitative and Qualitative Disclosures about Market Risk*.

Summary Financial Results

Net sales for the three months ended March 31, 2011 increased 28.5% to \$795.1 million as compared to \$618.6 million for the three months ended March 31, 2010. In local currency, net sales for the three months ended March 31, 2011 increased 24.7% as compared to the same periods in 2010. The increase in net sales was primarily due to the continued successful adoption and operation of daily consumption DMOs; increased distributor engagement as reflected by record 2011 sales leader retention and an increase in average active sales leaders; branding activities and increased distributor recruiting.

Net income for the three months ended March 31, 2011 increased 68.8% to \$87.6 million, or \$1.41 per diluted share, compared to \$51.9 million, or \$0.83 per diluted share, for the same period in 2010. The increase was primarily due to higher operating margin driven by net sales growth discussed above, partially offset by higher salaries, bonuses and benefits, higher distributor promotion and event costs, higher expenses related to China sales employees and licensed business providers and higher non-income tax expense. In addition, net income for the three months ended March 31, 2010 was also negatively impacted by matters related to Venezuela, as described below.

Net income for the three months ended March 31, 2011 included a \$0.9 million pre-tax (\$0.7 million post-tax) additional interest expense from the write-off of unamortized deferred financing costs resulting from the debt refinancing arrangement in March 2011. See Note 3, *Long Term Debt*, to the Notes to Condensed Consolidated Financial Statements for further information on our debt refinancing.

Net income for the three months ended March 31, 2010 included a \$15.1 million unfavorable impact related to remeasurement of monetary assets and liabilities resulting from Venezuela being designated as a highly inflationary economy beginning January 1, 2010; a \$12.7 million unfavorable impact related to incremental U.S. dollar costs of 2009 imports into Venezuela which were recorded at the unfavorable parallel market exchange rate and were not devalued based on 2010 exchange rates but rather recorded to cost of sales at their historical U.S. dollar costs as products were sold in the first quarter of 2010; a \$3.7 million favorable impact resulting from receipt of U.S. dollars approved by the Venezuelan government's Foreign Exchange Commission, or CADIVI, at the official exchange rate relating to 2009 product importations which were previously registered with CADIVI and were remeasured at the less favorable parallel exchange rate; and a \$14.5 million one-time favorable impact to income taxes related to Venezuela becoming a highly inflationary economy.

Results of Operations

Our results of operations for the periods below are not necessarily indicative of results of operations for future periods, which depend upon numerous factors, including our ability to recruit new distributors and retain existing distributors, open new markets, further penetrate existing markets, introduce new products and programs that will help our distributors increase their retail efforts and develop niche market segments.

The following table sets forth selected results of our operations expressed as a percentage of net sales for the periods indicated:

Changes in net sales are directly associated with the recruiting and retention of our distributor force, retailing of our products, the quality and completeness of our product offerings that the distributor force has to sell and the number of countries in which we operate. Management's role, both in-country and at the region and corporate level, is to provide distributors with a competitive and broad product line, encourage strong teamwork and distributor leadership and offer leading edge business tools and technology services to make doing business with Herbalife simple. Management uses the distributor marketing program coupled with educational and motivational tools and promotions to incentivize distributors to increase recruiting, retention and retailing, which in turn affect net sales. Such tools include Company sponsored sales events such as Extravaganzas, Leadership Development Weekends and World Team Schools where large groups of distributors gather, thus allowing them to network with other distributors, learn recruiting, retention and retailing techniques from our leading distributors and become more familiar with how to market and sell our products and business opportunities. Accordingly, management believes that these development and motivation programs increase the productivity of the sales leader network. The expenses for such programs are included in selling, general and administrative expenses. Sales are driven by several factors, including the number and productivity of distributors and sales leaders who continually build, educate and motivate their respective distribution and sales organizations. We also use event and non-event product promotions to motivate distributors to increase recruiting, retention and retailing activities. These promotions have prizes ranging from qualifying for events to product prizes and vacations. The costs of these promotions are included in selling, general and administrative expenses.

The factors described above have helped distributors increase their business, which in turn helps drive Volume Point growth in our business, and thus, net sales growth. The discussion below of net sales by geographic region further details some of the specific drivers of growth of our business and causes of sales increases and decreases during the three months ended March 31, 2011 and 2010, as well as the unique growth or contraction factors specific to certain geographic regions or major countries. We believe that the correct business foundation, coupled with ongoing training and promotional initiatives, is required to increase recruiting and retention of distributors and retailing of our products. This correct business foundation includes strong country management that works closely with the distributor leadership, actively engaged and unified distributor leadership, a broad product line that appeals to local consumer needs, a favorable regulatory environment, a scalable and stable technology platform and an attractive distributor marketing plan. Initiatives, such as Success Training Seminars, Leadership Development Weekends, Promotional Events and regional Extravaganzas are integral components of developing a highly motivated and educated distributor sales organization that will work toward increasing the recruitment and retention of distributors.

We anticipate that our strategy will continue to include creating and maintaining growth within existing markets, while expanding into new markets. In addition, new ideas and DMOs, are being generated in many of our regional markets and are globalized where applicable, through the combined efforts of distributors, country management or regional and corporate management. While we support a number of different DMOs, one of the more popular DMOs is the daily consumption DMO. Under our traditional DMO, a distributor typically sells to its customers on a somewhat infrequent basis (e.g., monthly) which provides fewer opportunities for interaction with their customers. Under a daily consumption DMO, a distributor interacts with its customers on a more frequent basis which enables the distributor to better educate and advise customers about nutrition and the proper use of the products and helps promote daily usage as well, thereby helping the distributor grow his or her business. Specific examples of DMOs include the Club concept in Mexico, Premium Herbalife Opportunity Meetings in Korea, the Healthy Breakfast concept in Russia, and the Internet/Sampling and Weight Loss Challenge in the U.S. Management's strategy is to review the applicability of expanding successful country initiatives throughout a region, and where appropriate, financially support the globalization of these initiatives.

North America

The North America region reported net sales of \$167.0 million for the three months ended March 31, 2011. Net sales increased \$15.7 million, or 10.4%, for the three months ended March 31, 2011, as compared to the same period in 2010. In local currency, net sales increased 10.3% for the three months ended March 31, 2011, as compared to the same period in 2010. The overall increase in the region was a result of net sales growth in the U.S. of \$15.5 million, or 10.6%, for the three months ended March 31, 2011 as compared to the same period in 2010. We instituted a 3% price increase in the U.S. in early March 2011 which contributed modestly to local currency sales growth.

In the U.S. we continue to see the success of our distributors converting their business focus toward a daily consumption DMO, especially the Nutrition Club DMO, and its extension into Commercial Clubs, along with the continued development of the Weight Loss Challenge DMO. The success of these DMOs have resulted in higher levels of distributor engagement and momentum as reflected by record sales leader retention of 48.3% in 2011 compared to 43.1% in 2010.

Average active sales leaders in the region increased 14.7% for the three months ended March 31, 2011 as compared to the same period in 2010. Average active sales leaders in the U.S. increased 15.0% for the three months ended March 31, 2011 as compared to the same period in 2010. Total sales leaders in the region increased 11.1% as of March 31, 2011 compared to March 31, 2010.

In January 2011, the region hosted a Future President's Team Retreat with approximately 700 attendees. As part of our "city by city" tour, the region also hosted January Spectaculars and Mega Escuelas where there were more than 9,200 attendees in 14 cities.

In March 2011, Herbalife hosted its annual global Herbalife Honors event in Los Angeles, California where President Team members from around the world met and shared best practices, conducted leadership trainings and Herbalife management awarded distributors \$41.3 million in Mark Hughes bonus payments related to 2010 performance.

Mexico

The Mexico region reported net sales of \$103.9 million for the three months ended March 31, 2011. Net sales for the three months ended March 31, 2011 increased \$32.1 million, or 44.7%, as compared to the same period in 2010. In local currency, net sales for the three months ended March 31, 2011 increased 36.5% as compared to the same period in 2010. The fluctuation of foreign currency rates had a favorable impact of \$5.8 million on net sales for the three months ended March 31, 2011.

We believe that the growth in local currency sales is the result of increased distributor engagement as reflected by record 2011 sales leader retention of 57.9% compared to 50.4% in 2010. In addition, since the beginning of 2010 we have significantly expanded our distribution network and product access throughout the country.

Average active sales leaders in Mexico increased 23.2% for the three months ended March 31, 2011 as compared to the same period in 2010. Total sales leaders in Mexico increased 18.9% as of March 31, 2011, compared to March 31, 2010.

In January 2011, the region hosted a Future President's Team Retreat and Future Millionaire Team Retreat with approximately 550 and 1,300 attendees, respectively.

South and Central America

The South and Central America region reported net sales of \$125.3 million for the three months ended March 31, 2011. Net sales increased \$34.0 million, or 37.2%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 28.4% for the three months ended March 31, 2011 as compared to the same period in 2010. The fluctuation of foreign currency rates had a \$8.0 million favorable impact on net sales for the three months ended March 31, 2011. The increase in net sales for the three months ended March 31, 2011 was driven by increases in net sales in all but three countries in the region.

In Brazil, the region's largest market, net sales increased \$24.1 million, or 51.5%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 40.1% for the three months ended March 31, 2011 as compared to the same period in 2010. The increase in local currency net sales was primarily the result of the successful adoption of Nutrition Clubs and other daily consumption DMOs. The fluctuation of foreign currency rates had a \$5.3 million favorable impact on net sales in Brazil for the three months ended March 31, 2011. Sales leader retention in 2011 was a record 46.7% compared to 42.6% in 2010.

Venezuela, the region's second largest market, experienced a net sales increase of \$3.0 million, or 35.0%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 10.3% for the three months ended March 31, 2011 as compared to the same period in 2010. The sales growth in local currency was partially driven by price increases of 8% and 10% in July 2010 and November 2010, respectively. See *Liquidity and Capital Resources — Working Capital and Operating Activities* below for further discussion of currency exchange rate issues in Venezuela. Sales leader retention in 2011 was 42.0% compared to 31.2% in 2010.

Average active sales leaders in the region increased 13.8% for the three months ended March 31, 2011 as compared to the same period in 2010. Total sales leaders in the region increased 0.7% as of March 31, 2011 compared to March 31, 2010.

In February 2011, the region hosted two Extravaganzas in Buenos Aires, Argentina and Bogota, Colombia. Together, the events had over 15,000 attendees.

EMEA

The EMEA region reported net sales of \$153.9 million for the three months ended March 31, 2011. Net sales increased \$23.1 million, or 17.7%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 17.5% for the three months ended March 31, 2011 as compared to the same period in 2010. The fluctuation of foreign currency rates had a favorable impact on net sales of \$0.2 million for the three months ended March 31, 2011. The increase in net sales for the three months ended March 31, 2011 was driven by increases in net sales in Russia, Commonwealth of Independent States, Italy and Ukraine, partially offset by a decrease in France.

Net sales in Italy, our largest market in the region, increased \$2.3 million, or 8.0%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 9.3% for the three months ended March 31, 2011 as compared to the same period in 2010. The increase in net sales was primarily driven by the transition to daily consumption DMOs from the traditional recruiting model. Sales leader retention for 2011 was 58.8% compared to 58.1% in 2010.

Net sales in Russia, our second largest market in the region, increased \$8.9 million, or 94.2%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 90.2% for the three months ended March 31, 2011 as compared to the same period in 2010. The increase in Russia was driven by the ongoing adoption of the Commercial Nutrition Club along with additional sales centers which have increased access to our products. Sales leader retention for 2011 was a record 69.6% compared to 60.4% in 2010.

Net sales in Spain, our third largest market in the region, increased \$1.5 million, or 15.6%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales in Spain increased 17.0% for the three months ended March 31, 2011 as compared to the same period in 2010. The increase in Spain was mainly due to the positive effect of increased distributor engagement and recruitment which was aided by our sponsorship of FC Barcelona. Sales leader retention for 2011 was a record 65.5% compared to 44.8% in 2011.

Net sales in France, our fourth largest market in the region, decreased \$2.5 million, or 27.2%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales in France decreased 26.3% for the three months ended March 31, 2011 as compared to the same period in 2010. The decrease in net sales in France was mainly due to lower recruiting. Sales leader retention in 2011 was 43.5% compared to 36.6% in 2010.

Average active sales leaders in the region increased 12.2% for the three months ended March 31, 2011 as compared to the same period in 2010. Total sales leaders in the region increased 6.0% as of March 31, 2011 compared to March 31, 2010.

In local currency, net sales increased 35.6% for the three months ended March 31, 2011 as compared to the same period in 2010. The fluctuation of foreign currency rates had a favorable impact of \$8.1 million on net sales for the three months ended March 31, 2011. The increase in net sales for the three months ended March 31, 2011 was broad based with all but three countries in the region showing year-over-year net sales growth led by South Korea, India, Malaysia, and Indonesia.

Net sales in South Korea, our largest market in the region, increased \$26.3 million, or 73.7%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 69.9% for the three months ended March 31, 2011 as compared to the same period in 2010. The increase in net sales was primarily driven by the successful adoption and operation of the Nutrition Club DMO, in the form of Commercial Clubs along with the Mega and Premium Herbalife Opportunity Meetings. The fluctuation of foreign currency rates had a favorable impact on net sales of \$1.3 million for the three months ended March 31, 2011 as compared to the same period in 2010. Sales leader retention in 2011 was 38.1% compared to 36.5% in 2010.

Net sales in Taiwan, our second largest market in the region, increased \$0.7 million, or 1.8%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales decreased 6.6% for the three months ended March 31, 2011 as compared to the same period in 2010. The fluctuation of foreign currency rates had a favorable impact on net sales of \$3.1 million for the three months ended March 31, 2011 as compared to the same period in 2010. Sales leader retention in 2011 was 41.0% compared to 43.0% in 2010.

Net sales in India, our third largest market in the region, increased \$16.6 million, or 164.7%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 160.9% for the three months ended March 31, 2011 as compared to the same period in 2010. The increase in net sales for the three months ended March 31, 2011 was primarily driven by the successful adoption of the Nutrition Club DMO. The fluctuation of foreign currency rates had a favorable impact on net sales of \$0.4 million for the three months ended March 31, 2011 as compared to the same period in 2010. Sales leader retention in 2011 was a record 32.9% compared to 31.5% in 2010.

Net sales in Malaysia, our fourth largest market in the region, increased \$5.5 million, or 41.3%, for the three months ended March 31, 2011 as compared to the same period in 2010, reflecting the continued success of the Road Show DMO, which has generated positive distributor momentum and increased recruiting. In local currency, net sales increased 27.7% for the three months ended March 31, 2011 as compared to the same period in 2010. The fluctuation of foreign currency rates had a favorable impact on net sales of \$1.8 million for the three months ended March 31, 2011 as compared to the same period in 2010. Sales leader retention stayed constant in 2011 compared to 2010 at 32.6%.

Net sales in Japan, our fifth largest market in the region, decreased \$0.1 million, or 0.5%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 1.8% for the three months ended March 31, 2011 as compared to the same period in 2010. The fluctuation of foreign currency rates had an unfavorable impact on net sales of \$0.3 million for the three months ended March 31, 2011 as compared to the same period in 2010. Sales leader retention in 2011 was a record 62.7% compared to 52.0% in 2010. The earthquake and resulting tsunami in early March do not appear to have had a significant negative impact on sales following these tragedies. Japan represented approximately 2% of our worldwide sales for the quarter ended March 31, 2011.

Average active sales leaders in the region increased 27.0% for the three months ended March 31, 2011 as compared to the same period in 2010. Total sales leaders in the region increased 22.1% as of March 31, 2011 compared to March 31, 2010.

There were no major events for the region in the first quarter.

China

Net sales in China were \$45.7 million for the three months ended March 31, 2011. Net sales increased \$13.3 million, or 41.0%, for the three months ended March 31, 2011 as compared to the same period in 2010. In local currency, net sales increased 36.3% for the three months ended March 31, 2011 as compared to the same period in 2010. The fluctuation of foreign currency rates had a favorable impact of \$1.6 million on net sales for the three months ended March 31, 2010.

Table of Contents

The current focus in China is to expand the Nutrition Club DMO to enhance the retail focus and thereby increase the emphasis on daily consumption DMOs. We believe that the Nutrition Club concept is slowly starting to gain traction as evidenced by the growth in clubs over the past year. While we believe the Nutrition Club DMO has tremendous potential to expand throughout China and achieve success similar to Taiwan and South Korea, we also realize that the process is still in its early development stage and will most likely build gradually over the next few years.

As of March 31, 2011, we had direct-selling licenses in 16 provinces and we were operating 71 retail stores in 30 provinces in China. The 16 provinces in which we now have direct-selling licenses represent an addressable population of approximately 844 million.

Average active sales leaders in China increased 36.7% for the three months ended March 31, 2011 as compared to the same period in 2010. Total sales leaders in China increased 10.8% as of March 31, 2011 compared to March 31, 2010.

Net sales for all product categories increased for the three months ended March 31, 2011 as compared to the same periods in 2010, mainly due to the factors described in the above discussions of the individual geographic regions.

Gross Profit

Gross profit was \$632.3 million for the three months ended March 31, 2011, as compared to \$478.2 million for the three months ended March 31, 2010. As a percentage of net sales, gross profit for the three months ended March 31, 2011 increased to 79.5%, as compared to 77.3% for the same period in 2010, or a favorable net increase of 220 basis points. 216 basis points of the favorable net increase related to circumstances surrounding Herbalife Venezuela and Venezuela's highly inflationary economy, the circumstances of which are described in great detail throughout our Annual Report on Form 10-K for the fiscal year ended December 31, 2010, or the 2010 10-K. Specifically, the 216 basis point increase resulted from the combination of (i) 206 favorable basis points from recognizing an unfavorable foreign exchange impact of \$12.7 million during the first quarter 2010, relating to the incremental U.S. dollar cost of importing finished goods into Venezuela at the unfavorable parallel market rate rather than the CADIVI official rate, and (ii) 10 favorable basis points from the impact of remeasuring Herbalife Venezuela's Bolivar net sales at the SITME rate during the first quarter 2011, as opposed to being measured at the less favorable old parallel market rate during the first quarter 2010. See *Liquidity and Capital Resources — Working Capital and Operating Activities* below for further discussion on currency exchange rate issues in Venezuela. We believe that at least in the near term we will continue to have the ability to partially mitigate certain cost pressures through improved optimization of our supply chain coupled with select increases in the retail prices of our products.

Royalty Overrides

Royalty overrides were \$264.4 million for the three months ended March 31, 2011, as compared to \$207.3 million for the same period in 2010. Royalty overrides as a percentage of net sales was 33.2% for the three months ended March 31, 2011, as compared to 33.5% for the same period in 2010. Generally, this ratio varies slightly from period to period due to changes in the mix of products and countries because full royalty overrides are not paid on certain products and in certain countries. Compensation to our full-time sales employees and licensed business providers in China is included in selling, general and administrative expenses as opposed to royalty overrides where it is included for all other distributors under our worldwide marketing plan. We anticipate fluctuations in royalty overrides as a percentage of net sales reflecting the growth prospect of our China business relative to that of our worldwide business.

Selling, General and Administrative Expenses

Selling, general and administrative expenses were \$244.5 million for the three months ended March 31, 2011, as compared to \$206.9 million for the same period in 2010. Selling, general and administrative expenses as a percentage of net sales was 30.8% for the three months ended March 31, 2011, as compared to 33.4% for the same period in 2010.

The increase in selling, general and administrative expenses for the three months ended March 31, 2011 included \$16.5 million in higher salaries, bonuses and benefits, excluding China sales employees; higher variable expenses including \$12.1 million in higher distributor promotion and event costs, \$5.6 million in higher expenses related to China sales employees and licensed business providers, \$2.3 million in higher credit card fees and \$5.6 million in higher non-income tax expense; partially offset by lower foreign exchange losses of \$10.3 million mainly due to a \$11.4 million net foreign exchange loss related to Venezuela that was recorded during the three months ended March 31, 2010.

Net Interest Expense

Net interest expense is as follows:

| Net Interest Expense | Three Months Ended | |
|----------------------|-----------------------|-------------------|
| | March 31, 2011 | March 31, 2010 |
| | (Dollars in millions) | |
| Interest expense | 3.3 | 2.4 |
| Interest income | (0.7) | (0.5) |
| Net interest expense | <u>\$ 2.6</u> | <u>\$ 1.9</u> |

The increase in net interest expense for the three months ended March 31, 2011 as compared to the same period in 2010 was primarily due to the write-off of unamortized deferred financing cost related to the extinguishment of our Prior Credit Facility. See *Liquidity and Capital Resources* below for further discussion of the refinancing.

Income Taxes

Income taxes were \$33.2 million for the three month ended March 31, 2011, as compared to \$10.1 million for the same period in 2010. As a percentage of pre-tax income, the effective income tax rate was 27.5% for the three months ended March 31, 2011, as compared to 16.3% for the same period in 2010. The increase in the effective tax rate for the three months ended March 31, 2011, as compared to the same period in 2010, was primarily due to the conversion of Venezuela to a hyperinflationary currency in 2010, for which a \$14.5 million deferred income tax benefit was recorded during the three months ended March 31, 2010, as well as a change in the operating effective rate reflecting changes in the country mix. See Note 12, *Income Taxes*, in the notes to the consolidated financial statements in the 2010 10-K for additional discussion on the income tax impact related to Venezuela becoming a highly inflationary economy.

Subsequent Events

On April 28, 2011, our shareholders approved a 2-for-1 split of our common shares. One additional common share will be distributed to our shareholders on or around May 17, 2011, for each common share held on May 10, 2011.

On May 2, 2011, we announced that our board of directors approved a post stock split cash dividend of \$0.20 per common share, payable on June 7, 2011 to shareholders of record as of May 24, 2011.

Liquidity and Capital Resources

We have historically met our working capital and capital expenditure requirements, including funding for expansion of operations, through net cash flows provided by operating activities. Our principal source of liquidity is our operating cash flows. Variations in sales of our products would directly affect the availability of funds. There are no material contractual restrictions on the ability to transfer and remit funds among our international affiliated companies. However, as discussed below there are foreign currency restrictions in Venezuela. As noted above, we have historically met our funding needs utilizing cash flow from operating activities and we believe we will have sufficient resources to meet debt service obligations in a timely manner. Our existing debt has not resulted from the need to fund our normal operations, but instead has effectively resulted from our share repurchase and dividend activities over recent years, which together, since the inception of these programs in 2007, amounted to approximately \$935.6 million. While a significant net sales decline could potentially affect the availability of funds, many of our largest expenses are purely variable in nature, which we believe protects our funding in all but a dramatic net sales downturn. Further, as discussed in greater detail below, we maintain a revolving credit facility, recently executed on March 9, 2011, which had \$520.0 million of undrawn capacity as of March 31, 2011.

Dividends

The declaration of future dividends is subject to the discretion of our board of directors and will depend upon various factors, including our earnings, financial condition, restrictions imposed by the New Credit Facility, cash requirements, future prospects and other factors deemed relevant by our board of directors. The New Credit Facility permits payments of dividends as long as no default or event of default exists and the consolidated leverage ratio specified in the New Credit Facility is not exceeded.

On February 22, 2011, we announced that our board of directors approved a quarterly cash dividend of \$0.25 per common share in an aggregate amount of \$14.8 million that was paid to shareholders on March 22, 2011. The aggregate amount of dividends declared and paid during the three months ended March 31, 2011 and 2010 were \$14.8 million and \$12.1 million, respectively.

Share Repurchases

On April 30, 2009, we announced that our board of directors authorized a new program for us to repurchase up to \$300 million of Herbalife common shares during the next two years, at such times and prices as determined by management. On May 3, 2010, our board of directors approved an increase to the share repurchase authorization from \$300 million to \$1 billion. In addition, our board of directors approved the extension of the expiration date of the share repurchase program from April 2011 to December 2014. We did not repurchase any common shares in the open market during the three months ended March 31, 2011. As of March 31, 2011, the remaining authorized capacity under our share repurchase program was approximately \$776.7 million.

Stock Split

On February 18, 2011, our Board of Directors approved a two-for-one split of our common shares, subject to approval by our shareholders at our Annual General Meeting of Shareholders held on April 28, 2011. See Note 14, *Subsequent Events*, to the Notes to the Condensed Consolidated Financial Statements for further information on the stock split being approved by our shareholders on April 28, 2011.

Working Capital and Operating Activities

As of March 31, 2011 and December 31, 2010, we had positive working capital of \$210.9 million, and \$124.8 million, respectively. Cash and cash equivalents were \$260.8 million at March 31, 2011 and \$190.6 million at December 31, 2010.

We expect that cash and funds provided from operations and available borrowings under our revolving credit facility will provide sufficient working capital to operate our business, to make expected capital expenditures and to meet foreseeable liquidity requirements, including amounts outstanding under our New Credit Facility, for the next twelve months.

The majority of our purchases from suppliers are generally made in U.S. dollars, while sales to our distributors generally are made in local currencies. Consequently, strengthening of the U.S. dollar versus a foreign currency can have a negative impact on net sales and operating margins and can generate transaction losses on intercompany transactions. For discussion of our foreign exchange contracts and other hedging arrangements, see Part I, Item 3 — *Quantitative and Qualitative Disclosures about Market Risk*.

Venezuela

Currency Restrictions

Currency restrictions enacted by the Venezuelan government in 2003 have become more restrictive and have impacted the ability of our subsidiary in Venezuela, Herbalife Venezuela, to obtain U.S. dollars in exchange for Venezuelan Bolívares, or Bolívares, at the official foreign exchange rates from the Venezuelan government and its foreign exchange commission, CADIVI. The application and approval processes have been intermittently delayed and the timing and ability to obtain U.S. dollars at the official exchange rates remain uncertain. In certain instances, we have made appropriate applications through CADIVI for approval to obtain U.S. dollars so that Herbalife Venezuela can pay for imported products and an annual dividend at the official exchange rate. As an alternative exchange mechanism, we have also participated in certain bond offerings from the Venezuelan government and from Petróleos de Venezuela, S.A. or PDVSA, a Venezuelan state-owned petroleum company, where we effectively purchased bonds with our Bolívares and then sold the bonds for U.S. dollars. In other instances, we used a legal but less favorable parallel market mechanism for currency exchange. In May 2010, this less favorable parallel market was discontinued.

In June 2010, the Venezuelan government introduced additional regulations under a new regulated system, SITME, which is controlled by the Central Bank of Venezuela. SITME provides a mechanism to exchange Bolivars into U.S. dollars through the purchase and sale of U.S. dollar denominated bonds issued in Venezuela. However, SITME is only available in certain limited circumstances. Specifically, SITME can only be used for product purchases and is not available for other matters such as the payment of dividends. Also, SITME can only be used for amounts of up to \$50,000 per day and \$350,000 per month and is generally only available to the extent the applicant has not exchanged and received U.S. dollars via the CADIVI process within the previous 90 days.

In late December 2010, Venezuela announced that the CADIVI official exchange rate of 2.6 Bolivars per U.S. dollar would be eliminated and the CADIVI official exchange of 4.3 Bolivars per U.S. dollar would be used for all essential items and non-essential items beginning January 2011. This devaluation did not have a material impact on our condensed consolidated financial statements. At March 31, 2011, we used the SITME rate of 5.3 Bolivars per U.S. dollar for remeasurement purposes.

In February 2011, Herbalife Venezuela purchased U.S. dollar denominated bonds with a face value of \$20 million U.S. dollars in a bond offering from PDVSA for 86 million Bolivars and then immediately sold the bonds for \$15 million U.S. dollars, resulting in an average effective conversion rate of 5.7 Bolivars per U.S. dollar. The 86 million Bolivars were previously remeasured at the regulated system rate, or SITME rate, of 5.3 Bolivars per U.S. dollar and recorded as cash and cash equivalents of \$16.3 million on our consolidated balance sheet at December 31, 2010. This Bolivar to U.S. dollar conversion resulted in us recording a net pre-tax loss of \$1.3 million U.S. dollars in our condensed consolidated statement of income for the three months ended March 31, 2011.

See the 2010 10-K for further information on Herbalife Venezuela and Venezuela's high inflationary economy.

Consolidation of Herbalife Venezuela

We plan to continue our operation in Venezuela and to import products into Venezuela despite the foreign currency constraints. Herbalife Venezuela will continue to apply for legal exchange mechanisms to convert its Bolivars to U.S. dollars. Despite the currency exchange restrictions in Venezuela, we continue to control Herbalife Venezuela and its operations. The mere existence of the exchange restrictions discussed above does not in and of itself create a presumption that this lack of exchangeability is other-than-temporary, nor does it create a presumption that an entity should deconsolidate its Venezuelan operations. Therefore, we continue to consolidate Herbalife Venezuela in our consolidated financial statements for U.S. GAAP purposes. Substantially all of Herbalife Venezuela's Bolivar denominated assets and liabilities are currently being remeasured at the SITME rate.

Although there are delays in the CADIVI approval process, when applicable, we plan to continue applying to CADIVI to obtain the official rate relating to the importation of our products. In addition, we plan to utilize the SITME market to the extent allowable under current restrictions in order to exchange Bolivars to U.S. dollars. Our ability to access the official exchange rate and the SITME rate could impact what exchange rates will be used for remeasurement purposes in future periods. We continue to assess and monitor the current economic and political environment in Venezuela.

As of March 31, 2011, Herbalife Venezuela's net monetary Bolivar denominated assets and liabilities were approximately \$9.0 million, and included approximately \$13.1 million in Bolivar denominated cash and cash equivalents and approximately \$4.8 million in U.S. dollar denominated cash. The majority of these Bolivar denominated assets and liabilities were remeasured at the regulated SITME rate. Although Venezuela is an important market in our South and Central America Region, Herbalife Venezuela's net sales represented less than 2% of our consolidated net sales for both the three months ended March 31, 2011 and 2010 and its total assets represented less than 3% of our consolidated total assets as of both March 31, 2011 and December 31, 2010.

Contingencies

We are from time to time engaged in routine litigation. We regularly review all pending litigation matters in which we are involved and establish reserves deemed appropriate by management for these litigation matters when a probable loss estimate can be made.

As a marketer of dietary and nutritional supplements and other products that are ingested by consumers or applied to their bodies, we have been and are currently subjected to various product liability claims. The effects of these claims to date have not been material to us, and the reasonably possible range of exposure on currently existing claims is not material to us. We believe that we have meritorious defenses to the allegations contained in the lawsuits. We currently maintain product liability insurance with an annual deductible of \$10 million.

On April 16, 2007, Herbalife International of America, Inc. filed a Complaint in the United States District Court for the Central District of California against certain former Herbalife distributors who had left the Company to join a competitor. The Complaint alleged breach of contract, misappropriation of trade secrets, intentional interference with prospective economic advantage, intentional interference with contract, unfair competition, constructive trust and fraud and seeks monetary damages, attorney's fees and injunctive relief (*Herbalife International of America, Inc. v. Robert E. Ford, et al.*). The court entered a Preliminary Injunction against the defendants enjoining them from further use and/or misappropriation of our trade secrets on December 11, 2007. Defendants appealed the court's entry of the Preliminary Injunction to the U.S. Court of Appeals for the Ninth Circuit. That court affirmed, in relevant part, the Preliminary Injunction. On December 3, 2007, the defendants filed a counterclaim alleging that the Company had engaged in unfair and deceptive business practices, intentional and negligent interference with prospective economic advantage, false advertising and that the Company was an endless chain scheme in violation of California law and seeking restitution, contract rescission and an injunction. Both sides engaged in discovery and filed cross motions for Summary Judgment. On August 25, 2009, the court granted partial summary judgment for Herbalife on all of defendants' claims except the claim that the Company is an endless chain scheme which under applicable law is a question of fact that can only be determined at trial. The court denied defendants' motion for Summary Judgment on Herbalife's claims for misappropriation of trade secrets and breach of contract. On May 5, 2010, the District Court granted summary judgment for Herbalife on defendants' endless chain-scheme counterclaim. Herbalife voluntarily dismissed its remaining claims, and on May 14, 2010, the District Court issued a final judgment dismissing all of the parties' claims. On June 10, 2010 the defendants appealed from that judgment and on June 21, 2010, Herbalife cross-appealed. The parties have reached a settlement of the case which they are in the process of documenting. Herbalife will incur no financial liability in this settlement.

Certain of our subsidiaries have been subject to tax audits by governmental authorities in their respective countries. In certain of these tax audits, governmental authorities are proposing that significant amounts of additional taxes and related interest and penalties are due. We and our tax advisors believe that there are substantial defenses to their allegations that additional taxes are owed, and we are vigorously contesting the additional proposed taxes and related charges. On May 7, 2010, we received an administrative assessment from the Mexican Tax Administration Service in an amount equivalent to approximately \$96 million, translated at the period ended spot rate, for various items, the majority of which was Value Added Tax allegedly owed on certain of the Company's products imported into Mexico during the years 2005 and 2006. This assessment is subject to interest and inflationary adjustments. On July 8, 2010, we initiated a formal administrative appeal process. In connection with the appeal of the assessment, we may be required to post bonds for some or all of the assessed amount. Therefore, in July 2010, we entered into agreements with certain insurance companies to allow for the potential issuance of surety bonds in support of its appeal of the assessment. Such surety bonds, if issued, would not affect the availability of our New Credit Facility. We did not record a provision as we, based on analysis and guidance from our advisors, do not believe a loss is probable. Further, we are currently unable to reasonably estimate a possible loss or range of loss that could result from an unfavorable outcome in respect to this assessment or any additional assessments that may be issued for these or other periods. We believe that we have meritorious defenses and are vigorously pursuing the appeal, but final resolution of this matter could take several years.

These matters may take several years to resolve. While we believe we have meritorious defenses, it cannot be sure of their ultimate resolution. Although we have reserved amounts for certain matters that we believe represent the most likely outcome of the resolution of these related disputes, if we are incorrect in the assessment, we may have to record additional expenses, when it becomes probable that an increased potential liability is warranted.

Critical Accounting Policies

U.S. GAAP requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. We regularly evaluate our estimates and assumptions related to revenue recognition, allowance for product returns, inventory reserves, share-based compensation expense, goodwill and purchased intangible asset valuations, deferred income tax asset valuation allowances, uncertain tax positions, tax contingencies, and other loss contingencies. We base our estimates and assumptions on current facts, historical experience and various other factors that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities and the recording of revenue, costs and expenses. Actual results could differ from those estimates. We consider the following policies to be most critical in understanding the judgments that are involved in preparing the financial statements and the uncertainties that could impact our operating results, financial condition and cash flows.

We are a network marketing company that sells a wide range of weight management products, nutritional supplements, energy, sports & fitness products and personal care products within one industry segment as defined under Financial Accounting Standard Board, or FASB, Accounting Standards Codification, or ASC, Topic 280, *Segment Reporting*. Our products are manufactured by third party providers and manufactured in our Suzhou, China facility, and in our manufacturing facility located in Lake Forest, California, and then are sold to independent distributors who sell Herbalife products to retail consumers or other distributors. As of March 31, 2011, we sold products in 75 countries throughout the world and we are organized and managed by geographic region. We have elected to aggregate our operating segments into one reporting segment, except China, as management believes that our operating segments have similar operating characteristics and similar long term operating performance. In making this determination, management believes that the operating segments are similar in the nature of the products sold, the product acquisition process, the types of customers to whom products are sold, the methods used to distribute the products, and the nature of the regulatory environment.

Revenue is recognized when products are shipped and title and risk of loss passes to the independent distributor or importer or as products are sold in our retail stores in China. Sales are recognized on a net sales basis, which reflects product returns, net of discounts referred to as “distributor allowances”, and amounts billed for shipping and handling costs. We generally receive the net sales price in cash or through credit card payments at the point of sale. Related royalty overrides and allowances for product returns are recorded when revenue is recognized.

Allowances for product returns, primarily in connection with our buyback program, are provided at the time the product is shipped. This accrual is based upon historical return rates for each country and the relevant return pattern, which reflects anticipated returns to be received over a period of up to 12 months following the original sale. Historically, product returns and buybacks have not been significant. Product returns and buybacks were approximately 0.4% of retail sales for both the three months ended March 31, 2011 and 2010.

We record reserves against our inventory to provide for estimated obsolete or unsalable inventory based on assumptions regarding future demand for our products and market conditions. If future demand and market conditions are less favorable than management’s assumptions, additional reserves could be required. Likewise, favorable future demand and market conditions could positively impact future operating results if previously reserved for inventory is sold. We reserved for obsolete and slow moving inventory totaling \$10.6 million and \$9.4 million as of March 31, 2011 and December 31, 2010, respectively.

In accordance with the FASB ASC Topic 360, *Property, Plant and Equipment*, property, plant, and equipment, and purchased intangibles subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount of the asset exceeds the fair value of the asset. Assets to be disposed of would be separately presented in the balance sheet and reported at the lower of the carrying amount or fair value less costs to sell, and are no longer depreciated. The assets and liabilities of a disposed group classified as held for sale would be presented separately in the appropriate asset and liability sections of the balance sheet.

Goodwill and marketing related intangible assets not subject to amortization are tested annually for impairment, and are tested for impairment more frequently if events and circumstances indicate that the asset might be impaired. An impairment loss is recognized to the extent that the carrying amount exceeds the asset’s fair value. In order to estimate the fair value of goodwill, we primarily use the discounted cash flow model, known as the income approach. The determination of impairment is made at the reporting unit level and consists of two steps. First, we determine the fair value of a reporting unit and compare it to its carrying amount. Second, if the carrying amount of a reporting unit exceeds its fair value, an impairment loss is recognized for any excess of the carrying amount of the reporting unit’s goodwill and other intangibles over the implied fair value. The implied fair value of goodwill is determined in a similar manner as how the amount of goodwill recognized in a business combination is determined, in accordance with FASB ASC Topic 805, *Business Combinations*. We would assign the fair value of a reporting unit to all of the assets and liabilities of that reporting unit as if the reporting unit had been acquired in a business combination and the fair value of the reporting unit was the price paid to acquire the reporting unit. The excess of the fair value of a reporting unit over the amounts assigned to its assets and liabilities is the implied fair value of goodwill. As of March 31, 2011, and December 31, 2010, we had goodwill of approximately \$102.9 million for both periods, and marketing related intangible assets of approximately \$310.0 million for both periods. No marketing related intangibles or goodwill impairment was recorded during the three months ended March 31, 2011 and 2010.

Contingencies are accounted for in accordance with the FASB ASC Topic 450, *Contingencies*, or ASC 450. ASC 450 requires that we record an estimated loss from a loss contingency when information available prior to issuance of our financial statements indicates that it is probable that an asset has been impaired or a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. Accounting for contingencies such as legal and income tax matters requires us to use judgment related to both the likelihood of a loss and the estimate of the amount or range of loss. Many of these legal and tax contingencies can take years to be resolved. Generally, as the time period increases over which the uncertainties are resolved, the likelihood of changes to the estimate of the ultimate outcome increases.

Deferred income tax assets have been established for net operating loss carryforwards of certain foreign subsidiaries and have been reduced by a valuation allowance to reflect them at amounts estimated to be ultimately realized. The net operating loss carryforwards expire in varying amounts over a future period of time. Realization of the income tax carryforwards is dependent on generating sufficient taxable income prior to expiration of the carryforwards. Although realization is not assured, we believe it is more likely than not that the net carrying value of the income tax carryforwards will be realized. The amount of the income tax carryforwards that is considered realizable, however, could change if estimates of future taxable income during the carryforward period are adjusted. In the ordinary course of our business, there are many transactions and calculations where the tax law and ultimate tax determination is uncertain. As part of the process of preparing our consolidated financial statements, we are required to estimate our income taxes in each of the jurisdictions in which we operate prior to the completion and filing of tax returns for such periods. This process requires estimating both our geographic mix of income and our uncertain tax positions in each jurisdiction where we operate. These estimates involve complex issues and require us to make judgments about the likely application of the tax law to our situation, as well as with respect to other matters, such as anticipating the positions that we will take on tax returns prior to our actually preparing the returns and the outcomes of disputes with tax authorities. The ultimate resolution of these issues may take extended periods of time due to examinations by tax authorities and statutes of limitations. In addition, changes in our business, including acquisitions, changes in our international corporate structure, changes in the geographic location of business functions or assets, changes in the geographic mix and amount of income, as well as changes in our agreements with tax authorities, valuation allowances, applicable accounting rules, applicable tax laws and regulations, rulings and interpretations thereof, developments in tax audit and other matters, and variations in the estimated and actual level of annual pre-tax income can affect the overall effective income tax rate.

We account for uncertain tax positions in accordance with the FASB ASC Topic 740, *Income Taxes*, or ASC 740, which provides guidance on the determination of how tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under ASC 740, we must recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate resolution.

We account for share-based compensation in accordance with the FASB ASC Topic 718, *Compensation-Stock Compensation*, or ASC 718. Under the fair value recognition provisions of this statement, share-based compensation cost is measured at the grant date based on the value of the award and is recognized as an expense over the vesting period. Determining the fair value of share-based awards at the grant date requires judgment, including estimating our stock price volatility and employee stock award exercise behaviors. Our expected volatility is based upon the historical volatility of our common shares and, due to the limited period of public trading data for our common shares, it is also validated against the volatility of a company peer group. The expected life of awards is based on the simple average of the average vesting period and the life of the award, or the simplified method. As share-based compensation expense recognized in the Statements of Income is based on awards ultimately expected to vest, the amount of expense has been reduced for estimated forfeitures. ASC 718 requires forfeitures to be estimated at the time of grant and revised, if necessary, in subsequent periods if actual forfeitures differ from those estimates. If actual forfeitures differ from estimates, additional expense or reversal of previous expense are recorded. Forfeitures were estimated based on historical experience.

We account for foreign currency transactions in accordance with ASC Topic 830, *Foreign Currency Matters*. In a majority of the countries where we operate, the functional currency is the local currency. Our foreign subsidiaries' asset and liability accounts are translated for consolidated financial reporting purposes into U.S. dollar amounts at year-end exchange rates. Revenue and expense accounts are translated at the average rates during the year. Our foreign exchange translation adjustments are included in accumulated other comprehensive loss on our accompanying consolidated balance sheets. Foreign currency transaction gains and losses and foreign currency remeasurements are included in selling, general and administrative expenses in the accompanying consolidated statements of income.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We are exposed to market risks, which arise during the normal course of business from changes in interest rates and foreign currency exchange rates. On a selected basis, we use derivative financial instruments to manage or hedge these risks. All hedging transactions are authorized and executed pursuant to written guidelines and procedures.

We have adopted FASB ASC Topic 815, *Derivatives and Hedging*, or ASC 815, which established accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging activities. All derivatives, whether designated in hedging relationships or not, are required to be recorded on the balance sheet at fair value. If the derivative is designated as a fair-value hedge, the changes in the fair value of the derivative and the underlying hedged item are recognized concurrently in earnings. If the derivative is designated as a cash-flow hedge, changes in the fair value of the derivative are recorded in other comprehensive income (loss) and are recognized in the consolidated statements of income when the hedged item affects earnings. ASC 815 defines the requirements for designation and documentation of hedging relationships as well as ongoing effectiveness assessments in order to use hedge accounting. For a derivative that does not qualify as a hedge, changes in fair value are recognized concurrently in earnings.

A discussion of our primary market risk exposures and derivatives is presented below.

Foreign Exchange Risk

We transact business globally and are subject to risks associated with changes in foreign exchange rates. Our objective is to minimize the impact to earnings and cash flow fluctuations associated with foreign exchange rate fluctuations. We enter into foreign exchange derivatives in the ordinary course of business primarily to reduce exposure to currency fluctuations attributable to intercompany transactions, translation of local currency revenue, inventory purchases subject to foreign currency exposure, and to partially mitigate the impact of foreign currency rate fluctuations. Due to the recent significant volatility in the foreign exchange market, our current strategy, in general, is to hedge some of the significant exposures on a short-term basis. We will continue to monitor the foreign exchange market and evaluate our hedging strategy accordingly. With the exception of our foreign exchange forward contracts relating to forecasted inventory purchases and intercompany management fees as discussed below in this section, all of our foreign exchange contracts are designated as free standing derivatives for which hedge accounting does not apply. The changes in the fair market value of the derivatives not qualifying as cash flow hedges are included in selling, general and administrative expenses in our consolidated statements of income.

The foreign exchange forward contracts designated as free standing derivatives are used to hedge advances between subsidiaries and to partially mitigate the impact of foreign currency fluctuations. Foreign exchange average rate option contracts are also used to mitigate the impact of foreign currency rate fluctuations. The objective of these contracts is to neutralize the impact of foreign currency movements on the operating results of our subsidiaries. The fair value of forward and option contracts is based on third-party bank quotes.

We also purchase foreign currency forward contracts in order to hedge forecasted inventory purchases and intercompany management fees that are designated as cash-flow hedges and are subject to foreign currency exposures. We applied the hedge accounting rules as required by ASC 815 for these hedges. These contracts allow us to sell Euros in exchange for U.S. dollars at specified contract rates. As of March 31, 2011, and December 31, 2010, the aggregate notional amounts of these contracts outstanding were approximately \$21.6 million and \$32.1 million, respectively. At March 31, 2011, the outstanding contracts were expected to mature over the next nine months. Our derivative financial instruments are recorded on the consolidated balance sheet at fair value based on quoted market rates. For the forecasted inventory purchases, the forward contracts are used to hedge forecasted inventory purchases over specific months. Changes in the fair value of these forward contracts, excluding forward points, designated as cash-flow hedges are recorded as a component of accumulated other comprehensive income (loss) within shareholders' equity, and are recognized in cost of sales in the consolidated statement of income during the period which approximates the time the hedged inventory is sold. We also hedge forecasted intercompany management fees over specific months. Changes in the fair value of these forward contracts designated as cash flow hedges are recorded as a component of accumulated other comprehensive loss within shareholders' equity, and are recognized in selling, general and administrative expenses in the consolidated statement of income in the period when the hedged item and underlying transaction affects earnings. As of March 31, 2011, we recorded liabilities at fair value of \$2.1 million relating to all outstanding foreign currency contracts designated as cash-flow hedges. As of December 31, 2010, we recorded assets at fair value of \$0.6 million and liabilities at fair value of \$0.8 million relating to all outstanding foreign currency contracts designated as cash-flow hedges. We assess hedge effectiveness and measures hedge ineffectiveness at least quarterly. During the three months ended March 31, 2011 and 2010, the ineffective portion relating to these hedges was immaterial and the hedges remained effective as of March 31, 2011.

As of March 31, 2011, and December 31, 2010, the majority of our outstanding foreign currency forward contracts had maturity dates of less than nine months with the majority of freestanding derivatives expiring within two months. There were no foreign currency option contracts outstanding as of March 31, 2011 and December 31, 2010.

Most of our foreign subsidiaries designate their local currencies as their functional currencies. At March 31, 2011 and December 31, 2010, the total amount of our foreign subsidiary cash was \$245.6 million and \$188.2 million, respectively, of which \$21.3 million and \$5.8 million, respectively, was invested in U.S. dollars.

Currency restrictions enacted by the Venezuelan government in 2003 have become more restrictive and have impacted the ability of our subsidiary in Venezuela, or Herbalife Venezuela, to obtain U.S. dollars in exchange for Venezuelan Bolívares, or Bolívares, at the official foreign exchange rates from the Venezuelan government and its foreign exchange commission, CADIVI. The application and approval processes have been intermittently delayed and the timing and ability to obtain U.S. dollars at the official exchange rates remains uncertain. In certain instances, we have made appropriate applications through CADIVI for approval to obtain U.S. dollars so that Herbalife Venezuela can pay for imported products and an annual dividend, at the official exchange rate. As an alternative exchange mechanism, we have also participated in certain bond offerings from the Venezuelan government and from Petróleos de Venezuela, S.A. or PDVSA, a Venezuelan state-owned petroleum company, where we effectively purchased bonds with our Bolívares and then sold the bonds for U.S. dollars. In other instances, we used a legal but less favorable parallel market mechanism for currency exchange. In May 2010, this less favorable parallel market was discontinued.

In June 2010, the Venezuelan government introduced additional regulations under a newly regulated system, SITME, which is controlled by the Central Bank of Venezuela. SITME provides a mechanism to exchange Bolívares into U.S. dollars through the purchase and sale of U.S. dollar denominated bonds issued in Venezuela. However, SITME is only available in certain limited circumstances. Specifically, SITME can only be used for product purchases and it is not available for other matters such as the payment of dividends. Also, SITME can only be used for amounts of up to \$50,000 per day and \$350,000 per month and is generally only available to the extent that the applicant has not exchanged and received U.S. dollars via the CADIVI process within the previous 90 days.

In late December 2010, Venezuela announced that the CADIVI official exchange rate of 2.6 Bolivars per U.S. dollar would be eliminated and the CADIVI official exchange of 4.3 Bolivars per U.S. dollar would be used for all essential items and non-essential items beginning January 2011. This devaluation did not have a material impact on our condensed consolidated financial statements. At March 31, 2011, we used the SITME rate of 5.3 Bolivars per U.S. dollar for remeasurement purposes. See Part I, Item 2 — *Management's Discussion and Analysis of Financial Condition and Results of Operations*, for a further discussion on how the currency restrictions in Venezuela have impacted Herbalife Venezuela's operations and Venezuela's high inflationary economy.

Interest Rate Risk

As of March 31, 2011, \$180 million of borrowings under the New Credit Facility is expected to mature and expire on March 9, 2016. The fair value of our senior secured credit facility approximates the New Credit Facility's carrying value of \$180.0 million as of March 31, 2011 and the Prior Credit Facility's carrying value of \$174.9 million as of December 31, 2010. The New Credit Facility bears, and the Prior Credit Facility bore, a variable interest rate, and on March 31, 2011 and December 31, 2010, the weighted average interest rate of the New Credit Facility and the Prior Credit Facility was 1.99% and 1.75%, respectively.

During August 2009, we entered into four interest rate swap agreements with an effective date of December 31, 2009. The agreements collectively provide for us to pay interest for less than a four-year period at a weighted average fixed rate of 2.78% on notional amounts aggregating to \$140.0 million while receiving interest for the same period at the one month LIBOR rate on the same notional amounts. These agreements will expire in July 2013. These swaps at inception were designated as cash flow hedges against the variability in the LIBOR interest rate on our prior term loan or against the variability in the LIBOR interest rate on the replacement debt. Our prior term loan was terminated in March 2011 and refinanced with the New Credit Facility with a LIBOR interest rate as discussed further in Note 3, *Long-Term Debt*, to the Notes to Condensed Consolidated Financial Statements. Our swaps remain effective and continue to be designated as cash flow hedges against the variability in the LIBOR interest rate on the New Credit Facility at LIBOR plus 1.50% to 2.50%, thereby now fixing our weighted average effective rate on the notional amounts at 4.28% to 5.28%. There was no hedge ineffectiveness recorded as result of this refinancing event.

We formally assess, both at inception and at least quarterly thereafter, whether derivatives used in hedging transactions are effective in offsetting changes in cash flows of the hedged item. As of March 31, 2011, the hedge relationships qualified as effective hedges under the ASC 815. Consequently, all changes in the fair value of the derivatives are deferred and recorded in other comprehensive income (loss) until the related forecasted transactions are recognized in the consolidated statements of income. As of March 31, 2011, and December 31, 2010, the fair value of the interest rate swap agreements are based on third-party bank quotes and we recorded the interest rate swaps as a liability at fair value of \$5.7 million and \$6.6 million, respectively.

Item 4. Controls And Procedures

Evaluation of Disclosure Controls and Procedures. Our management, including our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, or the Exchange Act) as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on such evaluation, our Chief Executive Officer and our Chief Financial Officer have concluded that our disclosure controls and procedures were effective as of March 31, 2011.

Changes in Internal Control over Financial Reporting. There were no changes in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) that occurred during the first quarter ended March 31, 2011 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Item 1A. RISK FACTORS

The worldwide financial and economic “crisis” could negatively impact our access to credit and the sales of our products and could harm our financial condition and operating results.

We are closely monitoring various aspects of the current worldwide financial and economic “crisis” and its potential impact on us, our liquidity, our access to capital, our operations and our overall financial condition. While we have historically met our funding needs utilizing cash flow from operating activities and while we believe we will have sufficient resources to meet current debt service obligations in a timely manner, no assurances can be given that the current overall downturn in the world economy will not significantly adversely impact us and our business operations. We note economic and financial markets are fluid and we cannot ensure that there will not be in the near future a material adverse deterioration in our sales or liquidity.

Our failure to establish and maintain distributor relationships for any reason could negatively impact sales of our products and harm our financial condition and operating results.

We distribute our products exclusively through approximately 2.3 million independent distributors, and we depend upon them directly for substantially all of our sales. To increase our revenue, we must increase the number of, or the productivity of, our distributors. Accordingly, our success depends in significant part upon our ability to recruit, retain and motivate a large base of distributors. The loss of a significant number of distributors for any reason could negatively impact sales of our products and could impair our ability to attract new distributors. In our efforts to attract and retain distributors, we compete with other network marketing organizations, including those in the weight management, dietary and nutritional supplement and personal care and cosmetic product industries. Our operating results could be harmed if our existing and new business opportunities and products do not generate sufficient interest to retain existing distributors and attract new distributors.

Our distributor organization has a high turnover rate, which is a common characteristic found in the direct selling industry. In light of this fact, we have our sales leaders re-qualify annually in order to maintain a more accurate count of their numbers. For the latest twelve month re-qualification period ending January 2011, approximately 49% of our sales leaders re-qualified. Distributors who purchase our product for personal consumption or for short-term income goals may stay with us for several months to one year. Sales leaders who have committed time and effort to build a sales organization will generally stay for longer periods. Distributors have highly variable levels of training, skills and capabilities. The turnover rate of our distributors, and our operating results, can be adversely impacted if we, and our senior distributor leadership, do not provide the necessary mentoring, training and business support tools for new distributors to become successful sales people in a short period of time.

We estimate that, of our approximately 2.3 million independent distributors, we had approximately 368,000 sales leaders as of March 31, 2011. These sales leaders, together with their downline sales organizations, account for substantially all of our revenues. Our distributors, including our sales leaders, may voluntarily terminate their distributor agreements with us at any time. The loss of a group of leading sales leaders, together with their downline sales organizations, or the loss of a significant number of distributors for any reason, could negatively impact sales of our products, impair our ability to attract new distributors and harm our financial condition and operating results.

Since we cannot exert the same level of influence or control over our independent distributors as we could were they our own employees, our distributors could fail to comply with our distributor policies and procedures, which could result in claims against us that could harm our financial condition and operating results.

Excluding our China sales employees, our distributors are independent contractors and, accordingly, we are not in a position to directly provide the same direction, motivation and oversight as we would if distributors were our own employees. As a result, there can be no assurance that our distributors will participate in our marketing strategies or plans, accept our introduction of new products, or comply with our distributor policies and procedures.

Extensive federal, state and local laws regulate our business, products and network marketing program. Because we have expanded into foreign countries, our policies and procedures for our independent distributors differ due to the different legal requirements of each country in which we do business. While we have implemented distributor policies and procedures designed to govern distributor conduct and to protect the goodwill associated with Herbalife trademarks and tradenames, it can be difficult to enforce these policies and procedures because of the large number of distributors and their independent status. Violations by our independent distributors of applicable law or of our policies and procedures in dealing with customers could reflect negatively on our products and operations and harm our business reputation. In addition, it is possible that a court could hold us civilly or criminally accountable based on vicarious liability because of the actions of our independent distributors.

Adverse publicity associated with our products, ingredients or network marketing program, or those of similar companies, could harm our financial condition and operating results.

The size of our distribution force and the results of our operations may be significantly affected by the public's perception of the Company and similar companies. This perception is dependent upon opinions concerning:

- the safety and quality of our products and ingredients;
- the safety and quality of similar products and ingredients distributed by other companies;
- our distributors;
- our network marketing program; and
- the direct selling business generally.

Adverse publicity concerning any actual or purported failure of our Company or our independent distributors to comply with applicable laws and regulations regarding product claims and advertising, good manufacturing practices, the regulation of our network marketing program, the licensing of our products for sale in our target markets or other aspects of our business, whether or not resulting in enforcement actions or the imposition of penalties, could have an adverse effect on the goodwill of our Company and could negatively affect our ability to attract, motivate and retain distributors, which would negatively impact our ability to generate revenue. We cannot ensure that all distributors will comply with applicable legal requirements relating to the advertising, labeling, licensing or distribution of our products.

In addition, our distributors' and consumers' perception of the safety and quality of our products and ingredients as well as similar products and ingredients distributed by other companies can be significantly influenced by media attention, publicized scientific research or findings, widespread product liability claims and other publicity concerning our products or ingredients or similar products and ingredients distributed by other companies. For example, in May 2008 public allegations were made that certain of our products contain excessive amounts of lead thereby triggering disclosure and labeling requirements under California Proposition 65. Following an investigation, these allegations were publicly withdrawn by the allegations initiator. While we have confidence in our products because they fall within FDA suggested guidelines as well as applicable state regulations for the amount of lead that consumers can safely ingest and do not believe they trigger disclosure or labeling requirements under California Proposition 65, negative publicity such as this can disrupt our business. Adverse publicity, whether or not accurate or resulting from consumers' use or misuse of our products, that associates consumption of our products or ingredients or any similar products or ingredients with illness or other adverse effects, questions the benefits of our or similar products or claims that any such products are ineffective, inappropriately labeled or have inaccurate instructions as to their use, could lead to lawsuits or other legal challenges and could negatively impact our reputation, the market demand for our products, or our general business.

From time to time we receive inquiries from government agencies and third parties requesting information concerning our products. We fully cooperate with these inquiries including, when requested, by the submission of detailed technical dossiers addressing product composition, manufacturing, process control, quality assurance, and contaminant testing. We understand that such materials are undergoing review by regulators in certain markets. Further, we periodically respond to requests from regulators for additional information regarding product-specific adverse events. We are confident in the safety of our products when used as directed. However, there can be no assurance that regulators in these or other markets will not take actions that might delay or prevent the introduction of new products, or require the reformulation or the temporary or permanent withdrawal of certain of our existing products from their markets.

Adverse publicity relating to us, our products or our operations, including our network marketing program or the attractiveness or viability of the financial opportunities provided thereby, has had, and could again have, a negative effect on our ability to attract, motivate and retain distributors. In the mid-1980's, our products and marketing program became the subject of regulatory scrutiny in the United States, resulting in large part from claims and representations made about our products by our independent distributors, including impermissible therapeutic claims. The resulting adverse publicity caused a rapid, substantial loss of distributors in the United States and a corresponding reduction in sales beginning in 1985. We expect that negative publicity will, from time to time, continue to negatively impact our business in particular markets.

Our failure to appropriately respond to changing consumer preferences and demand for new products or product enhancements could significantly harm our distributor and customer relationships and product sales and harm our financial condition and operating results.

Our business is subject to changing consumer trends and preferences, especially with respect to weight management products. Our continued success depends in part on our ability to anticipate and respond to these changes, and we may not respond in a timely or commercially appropriate manner to such changes. Furthermore, the nutritional supplement industry is characterized by rapid and frequent changes in demand for products and new product introductions and enhancements. Our failure to accurately predict these trends could negatively impact consumer opinion of our products, which in turn could harm our customer and distributor relationships and cause the loss of sales. The success of our new product offerings and enhancements depends upon a number of factors, including our ability to:

- accurately anticipate customer needs;
- innovate and develop new products or product enhancements that meet these needs;
- successfully commercialize new products or product enhancements in a timely manner;
- price our products competitively;
- manufacture and deliver our products in sufficient volumes and in a timely manner; and
- differentiate our product offerings from those of our competitors.

If we do not introduce new products or make enhancements to meet the changing needs of our customers in a timely manner, some of our products could be rendered obsolete, which could negatively impact our revenues, financial condition and operating results.

Due to the high level of competition in our industry, we might fail to retain our customers and distributors, which would harm our financial condition and operating results.

The business of marketing weight management and nutrition products is highly competitive and sensitive to the introduction of new products or weight management plans, including various prescription drugs, which may rapidly capture a significant share of the market. These market segments include numerous manufacturers, distributors, marketers, retailers and physicians that actively compete for the business of consumers both in the United States and abroad. In addition, we anticipate that we will be subject to increasing competition in the future from sellers that utilize electronic commerce. Some of these competitors have longer operating histories, significantly greater financial, technical, product development, marketing and sales resources, greater name recognition, larger established customer bases and better-developed distribution channels than we do. Our present or future competitors may be able to develop products that are comparable or superior to those we offer, adapt more quickly than we do to new technologies, evolving industry trends and standards or customer requirements, or devote greater resources to the development, promotion and sale of their products than we do. For example, if our competitors develop other diet or weight loss treatments that prove to be more effective than our products, demand for our products could be reduced. Accordingly, we may not be able to compete effectively in our markets and competition may intensify.

We are also subject to significant competition for the recruitment of distributors from other network marketing organizations, including those that market weight management products, dietary and nutritional supplements and personal care products as well as other types of products. We compete for global customers and distributors with regard to weight management, nutritional supplement and personal care products. Our competitors include both direct selling companies such as NuSkin Enterprises, Nature's Sunshine, Altacor/Amway, Melaleuca, Avon Products, Oriflame, Tupperware and Mary Kay, as well as retail establishments such as Weight Watchers, Jenny Craig, General Nutrition Centers, Wal-Mart and retail pharmacies.

In addition, because the industry in which we operate is not particularly capital intensive or otherwise subject to high barriers to entry, it is relatively easy for new competitors to emerge who will compete with us for our distributors and customers. In addition, the fact that our distributors may easily enter and exit our network marketing program contributes to the level of competition that we face. For example, a distributor can enter or exit our network marketing system with relative ease at any time without facing a significant investment or loss of capital because (1) we have a low upfront financial cost to become a Herbalife distributor, (2) we do not require any specific amount of time to work as a distributor, (3) we do not insist on any special training to be a distributor and (4) we do not prohibit a new distributor from working with another company. Our ability to remain competitive therefore depends, in significant part, on our success in recruiting and retaining distributors through an attractive compensation plan, the maintenance of an attractive product portfolio and other incentives. We cannot ensure that our programs for recruitment and retention of distributors will be successful and if they are not, our financial condition and operating results would be harmed.

We are affected by extensive laws, governmental regulations, administrative determinations, court decisions and similar constraints both domestically and abroad, and our failure or our distributors' failure to comply with these constraints could lead to the imposition of significant penalties or claims, which could harm our financial condition and operating results.

In both domestic and foreign markets, the formulation, manufacturing, packaging, labeling, distribution, importation, exportation, licensing, sale and storage of our products are affected by extensive laws, governmental regulations, administrative determinations, court decisions and similar constraints. Such laws, regulations and other constraints may exist at the federal, state or local levels in the United States and at all levels of government in foreign jurisdictions. There can be no assurance that we or our distributors are in compliance with all of these regulations. Our failure or our distributors' failure to comply with these regulations or new regulations could disrupt our distributors' sale of our products, or lead to the imposition of significant penalties or claims and could negatively impact our business. In addition, the adoption of new regulations or changes in the interpretations of existing regulations may result in significant compliance costs or discontinuation of product sales and may negatively impact the marketing of our products, resulting in significant loss of sales revenues.

In April 2006, the FTC issued a notice of proposed rulemaking which, if implemented in its originally proposed form, would have regulated all sellers of "business opportunities" in the United States. As originally proposed this rule would have applied to us and, if adopted in its originally proposed form, could have adversely impacted our U.S. business. On March 18, 2008, the FTC issued a revised proposed rule and, as indicated in the announcement accompanying the proposed rule, the revised proposal does not attempt to cover multilevel marketing companies such as Herbalife. If the revised rule were implemented as it is now proposed, we believe that it would not significantly impact our U.S. business. Based on information currently available, we anticipate that the rule may become final within the year.

The FTC has approved revisions to its Guides Concerning the Use of Endorsements and Testimonials in Advertising, or Guides, which became effective on December 1, 2009. Although the Guides are not binding, they explain how the FTC interprets Section 5 of the FTC Act's prohibition on unfair or deceptive acts or practices. Consequently, the FTC could bring a Section 5 enforcement action based on practices that are inconsistent with the Guides. Under the revised Guides, advertisements that feature a consumer and convey his or her atypical experience with a product or service will be required to clearly disclose the results that consumers can generally expect. In contrast to the 1980 version of the Guides, which allowed advertisers to describe atypical results in a testimonial as long as they included a disclaimer such as "results not typical", the revised Guides no longer contain such a safe harbor. The revised Guides also add new examples to illustrate the long-standing principle that "material connections" between advertisers and endorsers (such as payments or free products), connections that consumers might not expect, must be disclosed. Herbalife has revised its marketing materials to be compliant with the revised Guides. However, it is possible that our use, and that of our independent distributors, of testimonials in the advertising and promotion of our products, including but not limited to our weight management products and of our income opportunity will be significantly impacted and therefore might negatively impact our sales.

Governmental regulations in countries where we plan to commence or expand operations may prevent or delay entry into those markets. In addition, our ability to sustain satisfactory levels of sales in our markets is dependent in significant part on our ability to introduce additional products into such markets. However, governmental regulations in our markets, both domestic and international, can delay or prevent the introduction, or require the reformulation or withdrawal, of certain of our products. Any such regulatory action, whether or not it results in a final determination adverse to us, could create negative publicity, with detrimental effects on the motivation and recruitment of distributors and, consequently, on sales.

The FDA has published its final rule for current good manufacturing practice, or cGMPs, for the manufacture, packing, labeling and holding of dietary supplements distributed in the United States. Herbalife has implemented a comprehensive quality assurance program that is designed to maintain compliance with the cGMPs for dietary supplements manufactured by or on behalf of Herbalife for distribution in the United States. However, if Herbalife should be found not to be in compliance with cGMNPs for the products it self-manufactures it could negatively impact our reputation and ability to sell our products even after any such situation had been rectified. Further, if contract manufacturers whose products bear Herbalife labels fail to comply with the cGMPs, this could negatively impact Herbalife's reputation and ability to sell its products even though Herbalife is not directly liable under the cGMPs for such compliance. In complying with the dietary supplement cGMPs, we have experienced increases in some product costs as a result of the necessary increase in testing of raw ingredients and finished products and this may cause us to seek alternate suppliers.

Our network marketing program could be found to be not in compliance with current or newly adopted laws or regulations in one or more markets, which could prevent us from conducting our business in these markets and harm our financial condition and operating results.

Our network marketing program is subject to a number of federal and state regulations administered by the FTC and various state agencies in the United States as well as regulations on direct selling in foreign markets administered by foreign agencies. We are subject to the risk that, in one or more markets, our network marketing program could be found not to be in compliance with applicable law or regulations. Regulations applicable to network marketing organizations generally are directed at preventing fraudulent or deceptive schemes, often referred to as "pyramid" or "chain sales" schemes, by ensuring that product sales ultimately are made to consumers and that advancement within an organization is based on sales of the organization's products rather than investments in the organization or other non-retail sales-related criteria. The regulatory requirements concerning network marketing programs do not include "bright line" rules and are inherently fact-based and, thus, we are subject to the risk that these laws or regulations or the enforcement or interpretation of these laws and regulations by governmental agencies or courts can change. The failure of our network marketing program to comply with current or newly adopted regulations could negatively impact our business in a particular market or in general.

We are also subject to the risk of private party challenges to the legality of our network marketing program. The multi-level marketing programs of other companies have been successfully challenged in the past and in a current lawsuit allegations have been made challenging the legality of our network marketing program in Belgium. Test Ankoop-Test Achat, a Belgian consumer protection organization, sued Herbalife International Belgium, S.V., or HIB, on August 26, 2004, alleging that HIB violated Article 84 of the Belgian Fair Trade Practices Act by engaging in pyramid selling, *i.e.*, establishing a network of professional or non-professional sales people who hope to make a profit more through the expansion of that network rather than through the sale of products to end-consumers. The plaintiff is seeking a payment of €25,000 (equal to approximately \$35,000 as of March 31, 2011) per purported violation as well as costs of the trial. For the year ended December 31, 2010, our net sales in Belgium were approximately \$16.8 million. The plaintiffs filed their initial brief on September 27, 2005 and on May 9, 2006 we filed a reply brief. On December 9, 2008 plaintiffs filed a responsive brief and on June 24, 2009 we filed a reply brief. An oral hearing was held on November 3, 2010. The Court issued an interim judgment on November 24, 2010 ordering the parties to address a change in the underlying Belgian statute. A hearing scheduled for March 2, 2011 was postponed until May 11, 2011. An adverse judicial determination with respect to our network marketing program, or in proceedings not involving us directly but which challenge the legality of multi-level marketing systems, in Belgium or in any other market in which we operate, could negatively impact our business. We believe that we have meritorious defenses to the suit.

On April 16, 2007 Herbalife International of America, Inc. filed a Complaint in the United States District Court for the Central District of California against certain former Herbalife distributors who had left the Company to join a competitor. The Complaint alleged breach of contract, misappropriation of trade secrets, intentional interference with prospective economic advantage, intentional interference with contract, unfair competition, constructive trust and fraud and seeks monetary damages, attorney's fees and injunctive relief (*Herbalife International of America, Inc. v. Robert E. Ford, et al.*). The court entered a Preliminary Injunction against the defendants enjoining them from further use and/or misappropriation of the Company's trade secrets on December 11, 2007. Defendants appealed the court's entry of the Preliminary Injunction to the U.S. Court of Appeals for the Ninth Circuit. That court affirmed, in relevant part, the Preliminary Injunction. On December 3, 2007 the defendants filed a counterclaim alleging that the Company had engaged in unfair and deceptive business practices, intentional and negligent interference with prospective economic advantage, false advertising and that the Company was an endless chain scheme in violation of California law and seeking restitution, contract rescission and an injunction. Both sides engaged in discovery and filed cross motions for Summary Judgment. On August 25, 2009 the court granted partial summary judgment for Herbalife on all of defendants' claims except the claim that the Company is an endless chain scheme which under applicable law is a question of fact that can only be determined at trial. The court denied defendants' motion for Summary Judgment on Herbalife's claims for misappropriation of trade secrets and breach of contract. On May 5, 2010, the District Court granted summary judgment for Herbalife on defendants' endless chain-scheme counterclaim. Herbalife voluntarily dismissed its remaining claims, and on May 14, 2010 the District Court issued a final judgment dismissing all of the parties' claims. On June 10, 2010 the defendants appealed from that judgment and on June 21, 2010 Herbalife cross-appealed. The parties have reached a settlement of the case which they are in the process of documenting. Herbalife will incur no financial liability in this settlement.

A substantial portion of our business is conducted in foreign markets, exposing us to the risks of trade or foreign exchange restrictions, increased tariffs, foreign currency fluctuations, disruptions or conflicts with our third party importers and similar risks associated with foreign operations.

Approximately 78% of our net sales for the year ended December 31, 2010, were generated outside the United States, exposing our business to risks associated with foreign operations. For example, a foreign government may impose trade or foreign exchange restrictions or increased tariffs, which could negatively impact our operations. We are also exposed to risks associated with foreign currency fluctuations. For instance, purchases from suppliers are generally made in U.S. dollars while sales to distributors are generally made in local currencies. Accordingly, strengthening of the U.S. dollar versus a foreign currency could have a negative impact on us. Although we engage in transactions to protect against risks associated with foreign currency fluctuations, we cannot be certain any hedging activity will effectively reduce our exchange rate exposure. Additionally we may be negatively impacted by conflicts with or disruptions caused or faced by our third party importers, as well as conflicts between such importers and local governments or regulating agencies. Our operations in some markets also may be adversely affected by political, economic and social instability in foreign countries. As we continue to focus on expanding our existing international operations, these and other risks associated with international operations may increase, which could harm our financial condition and operating results.

Currency restrictions enacted by the Venezuelan government in 2003 have become more restrictive and have impacted the ability of our subsidiary in Venezuela, or Herbalife Venezuela, to obtain U.S. dollars in exchange for Venezuelan Bolivars, or Bolivars, at the official foreign exchange rates from the Venezuelan government and its foreign exchange commission, CADIVI. The application and approval processes have been intermittently delayed and the timing and ability to obtain U.S. dollars at the official exchange rates remains uncertain. In certain instances, we have made appropriate applications through CADIVI for approval to obtain U.S. dollars so that Herbalife Venezuela can pay for imported products and an annual dividend, at the official exchange rate. As an alternative exchange mechanism, we have also participated in certain bond offerings from the Venezuelan government and from *Petróleos de Venezuela, S.A.* or PDVSA, a Venezuelan state-owned petroleum company, where we effectively purchased bonds with our Bolivars and then sold the bonds for U.S. dollars. In other instances, we used a lawful but less favorable parallel market mechanism for currency exchange. In May 2010, this less favorable parallel market was discontinued.

In June 2010, the Venezuelan government introduced additional regulations under a newly regulated system, SITME, which is controlled by the Central Bank of Venezuela. SITME provides a mechanism to exchange Bolivars into U.S. dollars through the purchase and sale of U.S. dollar denominated bonds issued in Venezuela. However, SITME is only available in certain limited circumstances. Specifically, SITME can only be used for product purchases and it is not available for other matters such as the payment of dividends. Also, SITME can only be used for amounts of up to \$50,000 per day and \$350,000 per month and is generally only available to the extent that the applicant has not exchanged and received U.S. dollars via the CADIVI process within the previous 90 days. While we currently plan to continue to import products into Venezuela and exchange Bolivars for U.S. dollars based on the exchange mechanisms prescribed by the Venezuelan government, if the current currency restrictions are not lifted or eased, our product supplies in the Venezuelan market may be limited and we may make changes to Herbalife Venezuela's operations each of which could negatively impact our business.

If the foreign currency restrictions in Venezuela intensify or do not improve, we may be required to deconsolidate Herbalife Venezuela for U.S. GAAP purposes and would be subject to the risk of impairment. If any of these events were to occur it could result in a negative impact to our consolidated earnings. See Item 7, *Management's Discussion and Analysis of Financial Condition and Results of Operations*, within our 2010 10-K for a further discussion on Venezuela.

Our expansion in China is subject to general, as well as industry-specific, economic, political and legal developments and risks in China and requires that we utilize a different business model from that which we use elsewhere in the world.

Our expansion of operations into China is subject to risks and uncertainties related to general economic, political and legal developments in China, among other things. The Chinese government exercises significant control over the Chinese economy, including but not limited to controlling capital investments, allocating resources, setting monetary policy, controlling foreign exchange and monitoring foreign exchange rates, implementing and overseeing tax regulations, providing preferential treatment to certain industry segments or companies and issuing necessary licenses to conduct business. Accordingly, any adverse change in the Chinese economy, the Chinese legal system or Chinese governmental, economic or other policies could have a material adverse effect on our business in China and our prospects generally.

In 2005, China published regulations governing direct selling and prohibiting pyramid promotional schemes, and a number of administrative methods and proclamations were issued in 2005 and in 2006. These regulations require us to use a business model different from that which we offer in other markets. To allow us to operate under these regulations, we have created and introduced a model specifically for China. In China, we have Company-operated retail stores that sell through employed sales personnel to customers and preferred customers. We provide training and certification procedures for sales personnel in China. We also have non-employee sales representatives who sell through our retail stores. Our sales representatives are permitted by the terms of our direct selling licenses to sell away from fixed retail locations in the provinces of Jiangsu, Guangdong, Shandong, Zhejiang, Guizhou, Beijing, Fujian, Sichuan, Hubei, Shanxi, Shanghai, Jiangxi, Liaoning, Jilin, Henan, and Chongqing. We have also engaged independent service providers that meet both the requirements to operate their own business under Chinese law as well as the conditions set forth by Herbalife to sell products and provide services to Herbalife customers. These features are not common to the business model we employ elsewhere in the world, and based on the direct selling licenses we have received and the terms of those which we hope to receive in the future to conduct a direct selling enterprise in China, our business model in China will continue in some part to incorporate such features. The direct selling regulations require us to apply for various approvals to conduct a direct selling enterprise in China. The process for obtaining the necessary licenses to conduct a direct selling business is protracted and cumbersome and involves multiple layers of Chinese governmental authorities and numerous governmental employees at each layer. While direct selling licenses are centrally issued, such licenses are generally valid only in the jurisdictions within which related approvals have been obtained. Such approvals are generally awarded on local and provincial bases, and the approval process requires involvement with multiple ministries at each level. Our participation and conduct during the approval process is guided not only by distinct Chinese practices and customs, but is also subject to applicable laws of China and the other jurisdictions in which we operate our business, including the U.S., as well as our internal code of ethics. There is always a risk that in attempting to comply with local customs and practices in China during the application process or otherwise, we will fail to comply with requirements applicable to us in China itself or in other jurisdictions, and any such failure to comply with applicable requirements could prevent us from obtaining the direct selling licenses or related local or provincial approvals. Furthermore, we rely on certain key personnel in China to assist us during the approval process, and the loss of any such key personnel could delay or hinder our ability to obtain licenses or related approvals. For all of the above reasons, there can be no assurance that we will obtain additional direct-selling licenses, or obtain related approvals to expand into any or all of the localities or provinces in China that are important to our business. Our inability to obtain, retain, or renew any or all of the licenses or related approvals that are required for us to operate in China could negatively impact our business.

Additionally, although certain regulations have been published with respect to obtaining such approvals, operating under such approvals and otherwise conducting business in China, other regulations are pending, and there is uncertainty regarding the interpretation and enforcement of Chinese regulations. The regulatory environment in China is evolving, and officials in the Chinese government exercise broad discretion in deciding how to interpret and apply regulations. We cannot be certain that our business model will continue to be deemed by national or local Chinese regulatory authorities to be compliant with any such regulations. The Chinese government rigorously monitors the direct selling market in China, and in the past has taken serious action against companies that the government believed were engaging in activities they regarded to be in violation of applicable law, including shutting down their businesses and imposing substantial fines. As a result, there can be no guarantee that the Chinese government's current or future interpretation and application of the existing and new regulations will not negatively impact our business in China, result in regulatory investigations or lead to fines or penalties against us or our Chinese distributors.

Chinese regulations prevent persons who are not Chinese nationals from engaging in direct selling in China. We cannot guarantee that any of our distributors living outside of China or any of our sales representatives, employed sales personnel or independent service providers in China have not engaged or will not engage in activities that violate our policies in this market, or that violate Chinese law or other applicable law, and therefore result in regulatory action and adverse publicity.

China enacted a labor contract law which took effect January 1, 2008 and on September 18, 2008 an implementing regulation took effect. On October 28, 2010 China enacted a social insurance law that will come into effect on July 1, 2011. We have reviewed and will continue to review our employment contracts and contractual relations with employees in China, which include certain of our employed sales personnel, and have made and will make such changes as we believe to be necessary or appropriate to bring these contracts and contractual relations into compliance with these laws and their implementing regulations. In addition, we continue to monitor the situation to determine how these laws and regulations will be implemented in practice. There is no guarantee that these laws will not adversely impact us, require us to change our treatment of our employed sales personnel, cause us to change our operating plan for China or otherwise have an adverse impact on our business operations in China.

If our operations in China are successful, we may experience rapid growth in China, and there can be no assurances that we will be able to successfully manage rapid expansion of manufacturing operations and a rapidly growing and dynamic sales force. There also can be no assurances that we will not experience difficulties in dealing with or taking employment related actions (such as hiring, terminations and salary administration, including social benefit payments) with respect to our employed sales personnel, particularly given the highly regulated nature of the employment relationship in China. If we are unable to effectively manage such growth and expansion of our retail stores, manufacturing operations or our employed sales personnel, our government relations may be compromised and our operations in China may be harmed.

Our China business model, particularly with regard to sales management responsibilities and remuneration, differs from our traditional business model. There is a risk that such changes and transitions may not be understood by our distributors or employees, may be viewed negatively by our distributors or employees, or may not be correctly utilized by our distributors or employees. If that is the case, our business could be negatively impacted.

If we fail to further penetrate existing markets or successfully expand our business into new markets, then the growth in sales of our products, along with our operating results, could be negatively impacted.

The success of our business is to a large extent contingent on our ability to continue to grow by entering new markets and further penetrating existing markets. Our ability to further penetrate existing markets or to successfully expand our business into additional countries in Eastern Europe, Southeast Asia, South America or elsewhere, to the extent we believe that we have identified attractive geographic expansion opportunities in the future, is subject to numerous factors, many of which are out of our control.

In addition, government regulations in both our domestic and international markets can delay or prevent the introduction, or require the reformulation or withdrawal, of some of our products, which could negatively impact our business, financial condition and results of operations. Also, our ability to increase market penetration in certain countries may be limited by the finite number of persons in a given country inclined to pursue a direct selling business opportunity or consumers willing to purchase Herbalife products. Moreover, our growth will depend upon improved training and other activities that enhance distributor retention in our markets. While we have recently experienced significant growth in certain of our markets, we cannot assure you that such growth levels will continue in the immediate or long term future. Furthermore, our efforts to support growth in such international markets could be hampered to the extent that our infrastructure in such markets is deficient when compared to our more developed markets, such as the U.S. Therefore, we cannot assure you that our general efforts to increase our market penetration and distributor retention in existing markets will be successful. If we are unable to continue to expand into new markets or further penetrate existing markets, our operating results could suffer.

Our contractual obligation to sell our products only through our Herbalife distributor network and to refrain from changing certain aspects of our marketing plan may limit our growth.

We are a party to an agreement with our distributors that provides assurances that we will not sell Herbalife products through any distribution channel other than our network of independent Herbalife distributors. Thus, we are contractually prohibited from expanding our business by selling Herbalife products through other distribution channels that may be available to our competitors, such as over the internet, through wholesale sales, by establishing retail stores or through mail order systems. Since this is an open-ended commitment, there can be no assurance that we will be able to take advantage of innovative new distribution channels that are developed in the future.

In addition, this agreement with our distributors provides that we will not change certain aspects of our marketing plan without the consent of a specified percentage of our distributors. For example, our agreement with our distributors provides that we may increase, but not decrease, the discount percentages available to our distributors for the purchase of products or the applicable royalty override percentages, including roll-ups, and production and other bonus percentages available to our distributors at various qualification levels within our distributor hierarchy. We may not modify the eligibility or qualification criteria for these discounts, royalty overrides and production and other bonuses unless we do so in a manner to make eligibility and/or qualification easier than under the applicable criteria in effect as of the date of the agreement. Our agreement with our distributors further provides that we may not vary the criteria for qualification for each distributor tier within our distributor hierarchy, unless we do so in such a way so as to make qualification easier.

Although we reserved the right to make these changes to our marketing plan without the consent of our distributors in the event that changes are required by applicable law or are necessary in our reasonable business judgment to account for specific local market or currency conditions to achieve a reasonable profit on operations, there can be no assurance that our agreement with our distributors will not restrict our ability to adapt our marketing plan to the evolving requirements of the markets in which we operate. As a result, our growth may be limited.

We depend on the integrity and reliability of our information technology infrastructure, and any related inadequacies may result in substantial interruptions to our business.

Our ability to provide products and services to our distributors depends on the performance and availability of our core transactional systems. We upgraded our back office systems globally to the Oracle Enterprise Suite which is supported by a robust hardware and network infrastructure. The Oracle Enterprise Suite is a scalable and stable solution that provides a solid foundation upon which we are building our next generation Distributor facing Internet toolset. While we continue to invest in our information technology infrastructure, there can be no assurance that there will not be any significant interruptions to such systems or that the systems will be adequate to meet all of our future business needs.

The most important aspect of our information technology infrastructure is the system through which we record and track distributor sales, volume points, royalty overrides, bonuses and other incentives. We have encountered, and may encounter in the future, errors in our software or our enterprise network, or inadequacies in the software and services supplied by our vendors, although to date none of these errors or inadequacies has had a meaningful adverse impact on our business. Any such errors or inadequacies that we may encounter in the future may result in substantial interruptions to our services and may damage our relationships with, or cause us to lose, our distributors if the errors or inadequacies impair our ability to track sales and pay royalty overrides, bonuses and other incentives, which would harm our financial condition and operating results. Such errors may be expensive or difficult to correct in a timely manner, and we may have little or no control over whether any inadequacies in software or services supplied to us by third parties are corrected, if at all.

Since we rely on independent third parties for the manufacture and supply of certain of our products, if these third parties fail to reliably supply products to us at required levels of quality and which are manufactured in compliance with applicable laws, including the dietary supplement cGMPs, then our financial condition and operating results would be harmed.

The majority of our products are manufactured at third party contract manufacturers, with the exception of our products sold in China, which are manufactured in our Suzhou China facility, and certain of our top selling products which are starting to be manufactured in our manufacturing facility located in Lake Forest, California. It is the Company's intention to expand the capacity of this recently acquired manufacturing facility to produce additional products for our North America and international markets. We cannot assure you that our outside contract manufacturers will continue to reliably supply products to us at the levels of quality, or the quantities, we require, and in compliance with applicable laws, including under the FDA's cGMP regulations. While we are not presently aware of any current liquidity issues with our suppliers, we cannot assure you that they will not experience financial hardship as a result of the current global financial crisis.

Our supply contracts generally have a two-year term. Except for force majeure events such as natural disasters and other acts of God, and non-performance by Herbalife, our manufacturers generally cannot unilaterally terminate these contracts. These contracts can generally be extended by us at the end of the relevant time period and we have exercised this right in the past. Globally we have over 40 suppliers of our products. For our major products, we have both primary and secondary suppliers. Our major suppliers include Nature's Bounty (U.S.) and Fine Foods (Italy) for meal replacements, protein powders and nutritional supplements, Valentine Enterprises (U.S.) for meal replacements and protein powders and PharmaChem Labs for teas and *Niteworks*®. Additionally we use contract manufacturers in India, Brazil, Korea, Japan and Germany to support our global business. In the event any of our contract manufacturers were to become unable or unwilling to continue to provide us with products in required volumes and at suitable quality levels, we would be required to identify and obtain acceptable replacement manufacturing sources. There is no assurance that we would be able to obtain alternative manufacturing sources on a timely basis. An extended interruption in the supply of products would result in the loss of sales. In addition, any actual or perceived degradation of product quality as a result of reliance on contract manufacturers may have an adverse effect on sales or result in increased product returns and buybacks. Also, as we experience ingredient and product price pressure in the areas of soy, dairy products, plastics, and transportation reflecting global economic trends, we believe that we have the ability to mitigate some of these cost increases through improved optimization of our supply chain coupled with select increases in the retail prices of our products.

If we fail to protect our trademarks and tradenames, then our ability to compete could be negatively affected, which would harm our financial condition and operating results.

The market for our products depends to a significant extent upon the goodwill associated with our trademark and tradenames. We own, or have licenses to use, the material trademark and trade name rights used in connection with the packaging, marketing and distribution of our products in the markets where those products are sold. Therefore, trademark and trade name protection is important to our business. Although most of our trademarks are registered in the United States and in certain foreign countries in which we operate, we may not be successful in asserting trademark or trade name protection. In addition, the laws of certain foreign countries may not protect our intellectual property rights to the same extent as the laws of the United States. The loss or infringement of our trademarks or tradenames could impair the goodwill associated with our brands and harm our reputation, which would harm our financial condition and operating results.

Unlike in most of the other markets in which we operate, limited protection of intellectual property is available under Chinese law. Accordingly, we face an increased risk in China that unauthorized parties may attempt to copy or otherwise obtain or use our trademarks, copyrights, product formulations or other intellectual property. Further, since Chinese commercial law is relatively undeveloped, we may have limited legal recourse in the event we encounter significant difficulties with intellectual property theft or infringement. As a result, we cannot assure you that we will be able to adequately protect our product formulations or other intellectual property.

We permit the limited use of our trademarks by our independent distributors to assist them in the marketing of our products. It is possible that doing so may increase the risk of unauthorized use or misuse of our trademarks in markets where their registration status differs from that asserted by our independent distributors, or they may be used in association with claims or products in a manner not permitted under applicable laws and regulations. Were this to occur it is possible that this could diminish the value of these marks or otherwise impair our further use of these marks.

If our distributors fail to comply with labeling laws, then our financial condition and operating results would be harmed.

Although the physical labeling of our products is not within the control of our independent distributors, our distributors must nevertheless advertise our products in compliance with the extensive regulations that exist in certain jurisdictions, such as the United States, which considers product advertising to be labeling for regulatory purposes.

Our products are sold principally as foods, dietary supplements and cosmetics and are subject to rigorous FDA and related legal regimens limiting the types of therapeutic claims that can be made for our products. The treatment or cure of disease, for example, is not a permitted claim for these products. While we train our distributors and attempt to monitor our distributors' marketing materials, we cannot ensure that all such materials comply with applicable regulations, including bans on therapeutic claims. If our distributors fail to comply with these restrictions, then we and our distributors could be subjected to claims, financial penalties, mandatory product recalls or relabeling requirements, which could harm our financial condition and operating results. Although we expect that our responsibility for the actions of our independent distributors in such an instance would be dependent on a determination that we either controlled or condoned a noncompliant advertising practice, there can be no assurance that we could not be held vicariously liable for the actions of our independent distributors.

If our intellectual property is not adequate to provide us with a competitive advantage or to prevent competitors from replicating our products, or if we infringe the intellectual property rights of others, then our financial condition and operating results would be harmed.

Our future success and ability to compete depend upon our ability to timely produce innovative products and product enhancements that motivate our distributors and customers, which we attempt to protect under a combination of copyright, trademark and trade secret laws, confidentiality procedures and contractual provisions. However, our products are generally not patented domestically or abroad, and the legal protections afforded by common law and contractual proprietary rights in our products provide only limited protection and may be time-consuming and expensive to enforce and/or maintain. Further, despite our efforts, we may be unable to prevent third parties from infringing upon or misappropriating our proprietary rights or from independently developing non-infringing products that are competitive with, equivalent to and/or superior to our products.

Monitoring infringement and/or misappropriation of intellectual property can be difficult and expensive, and we may not be able to detect every infringement or misappropriation of our proprietary rights. Even if we do detect infringement or misappropriation of our proprietary rights, litigation to enforce these rights could cause us to divert financial and other resources away from our business operations. Further, the laws of some foreign countries do not protect our proprietary rights to the same extent as do the laws of the United States.

Additionally, third parties may claim that products or marks that we have independently developed or which bear certain of our trademarks infringe upon their intellectual property rights and there can be no assurance that one of more of our products or marks will not be found to infringe upon third party intellectual property rights in the future. For example, in a pending action in the U.S. federal courts, the adidas companies have alleged that certain uses of Herbalife's Tri-Leaf device mark upon sports apparel items infringe upon their "Trefoil" mark associated with such goods. They have also alleged that such uses of Herbalife's Tri-Leaf device and certain Herbalife trademark applications constitute a breach of a 1998 agreement between the parties. The trial court has recently granted a partial summary judgment in favor of the adidas companies on its breach of contract claim, but this judgment contains no enforceable provisions directed at Herbalife's conduct, nor does it impose monetary damages on Herbalife. We continue to contest adidas' interpretation of the 1998 agreement and are considering an appeal of the partial summary judgment after trial on the remaining claims. We do not believe that we have breached the 1998 agreement, nor that we are infringing on any third party intellectual property rights. Nevertheless it remains possible that an adverse judgment on one or more outstanding claims might issue, awarding monetary damages and/or injunctive relief to adidas that could limit Herbalife's ability to display its Tri-Leaf mark in connection with certain sports apparel, sports equipment, or sports-related marketing and services.

Since one of our products constitutes a significant portion of our retail sales, significant decreases in consumer demand for this product or our failure to produce a suitable replacement should we cease offering it would harm our financial condition and operating results.

Our Formula 1 meal replacement product constitutes a significant portion of our sales, accounting for approximately 28% of net sales for the fiscal year ended December 31, 2010, and approximately 29% of net sales for the fiscal years ended December 31, 2009 and 2008. If consumer demand for this product decreases significantly or we cease offering this product without a suitable replacement, then our financial condition and operating results would be harmed.

If we lose the services of members of our senior management team, then our financial condition and operating results could be harmed.

We depend on the continued services of our Chairman and Chief Executive Officer, Michael O. Johnson, and our current senior management team as they work closely with the senior distributor leadership to create an environment of inspiration, motivation and entrepreneurial business success. Although we have entered into employment agreements with certain members of our senior management team, and do not believe that any of them are planning to leave or retire in the near term, we cannot assure you that our senior managers will remain with us. The loss or departure of any member of our senior management team could adversely impact our distributor relations and operating results. If any of these executives do not remain with us, our business could suffer. Also, the loss of key personnel, including our regional and country managers, could negatively impact our ability to implement our business strategy, and our continued success will also be dependent on our ability to retain existing, and attract additional, qualified personnel to meet our needs. We currently do not maintain "key person" life insurance with respect to our senior management team.

The covenants in our existing indebtedness limit our discretion with respect to certain business matters, which could limit our ability to pursue certain strategic objectives and in turn harm our financial condition and operating results.

Our credit facility contains financial and operating covenants that restrict our and our subsidiaries' ability to, among other things:

- pay dividends, redeem share capital or capital stock and make other restricted payments and investments;
- incur or guarantee additional debt;
- impose dividend or other distribution restrictions on our subsidiaries;
- create liens on our and our subsidiaries' assets;
- engage in transactions with affiliates; and
- merge, consolidate or sell all or substantially all of our assets and the assets of our subsidiaries.

In addition, our credit facility requires us to meet certain financial ratios and financial conditions. Our ability to comply with these covenants may be affected by events beyond our control, including prevailing economic, financial and industry conditions. Failure to comply with these covenants could result in a default causing all amounts to become due and payable under our credit facility, which is secured by substantially all of our domestic assets, against which the lenders thereunder could proceed to foreclose.

If we do not comply with transfer pricing, customs duties, VAT, and similar regulations, then we may be subjected to additional taxes, duties, interest and penalties in material amounts, which could harm our financial condition and operating results.

As a multinational corporation, in many countries including the United States we are subject to transfer pricing and other tax regulations designed to ensure that our intercompany transactions are consummated at prices that have not been manipulated to produce a desired tax result, that appropriate levels of income are reported as earned by our United States or local entities, and that we are taxed appropriately on such transactions. In addition, our operations are subject to regulations designed to ensure that appropriate levels of customs duties are assessed on the importation of our products. We are currently subject to pending or proposed audits that are at various levels of review, assessment or appeal in a number of jurisdictions involving transfer pricing issues, income taxes, customs duties, value added taxes, withholding taxes, sales and use and other taxes and related interest and penalties in material amounts. For example, we are currently appealing tax assessments in Spain, Brazil, and Mexico. In some circumstances, additional taxes, interest and penalties have been assessed and we will be required to pay the assessments or post surety, in order to challenge the assessments. The imposition of new taxes, even pass-through taxes such as VAT, could have an impact on our perceived product pricing and therefore a potential negative impact on our business. We have reserved in the consolidated financial statements an amount that we believe represents the most likely outcome of the resolution of these disputes, but if we are incorrect in our assessment we may have to pay the full amount asserted which could potentially be material. Ultimate resolution of these matters may take several years, and the outcome is uncertain. If the United States Internal Revenue Service or the taxing authorities of any other jurisdiction were to successfully challenge our transfer pricing practices or our positions regarding the payment of income taxes, customs duties, value added taxes, withholding taxes, sales and use, and other taxes, we could become subject to higher taxes and our revenue and earnings could be adversely affected. On May 7, 2010, we received an administrative assessment from the Mexican Tax Administration Service in an amount equivalent to approximately \$96 million, translated at the period ended spot rate, for various items, the majority of which was VAT allegedly owed on certain of our products imported into Mexico during years 2005 and 2006. This assessment is subject to interest and inflationary adjustments. The Company did not record a provision as the Company, based on analysis and guidance from its advisors, does not believe a loss is probable. Further, we are currently unable to reasonably estimate a possible loss or range of loss that could result from an unfavorable outcome in respect to this assessment or any additional assessments that may be issued for these or other periods. We believe that we have meritorious defenses and are vigorously pursuing the appeal, but final resolution of this matter could take several years. Any adverse outcomes in these matters could have a material impact on our financial condition and operating results.

Changes in tax laws, treaties or regulations, or their interpretation could adversely affect us.

A change in applicable tax laws, treaties or regulations or their interpretation could result in a higher effective tax rate on our worldwide earnings and such change could be significant to our financial results. Tax legislative proposals intending to eliminate some perceived tax advantages of companies that have legal domiciles outside the U.S. but have certain U.S. connections have repeatedly been introduced in the U.S. Congress. If these proposals are enacted, the result would increase our effective tax rate and could have a material adverse effect on the Company's financial condition and results of operations.

We may be held responsible for certain taxes or assessments relating to the activities of our distributors, which could harm our financial condition and operating results.

Our distributors are subject to taxation, and in some instances, legislation or governmental agencies impose an obligation on us to collect taxes, such as value added taxes, and to maintain appropriate records. In addition, we are subject to the risk in some jurisdictions of being responsible for social security and similar taxes with respect to our distributors. In the event that local laws and regulations or the interpretation of local laws and regulations change to require us to treat our independent distributors as employees, or that our distributors are deemed by local regulatory authorities in one or more of the jurisdictions in which we operate to be our employees rather than independent contractors under existing laws and interpretations, we may be held responsible for social security and related taxes in those jurisdictions, plus any related assessments and penalties, which could harm our financial condition and operating results.

We may incur material product liability claims, which could increase our costs and harm our financial condition and operating results.

Our products consist of vitamins, minerals and botanicals and other ingredients that are classified as foods or dietary supplements and are not subject to pre-market regulatory approval in the United States. Our products could contain contaminated substances, and some of our products contain some ingredients that do not have long histories of human consumption. We rely upon published raw material, single ingredient, clinical studies and conduct limited clinical studies on some key products but not all products. Previously unknown adverse reactions resulting from human consumption of these ingredients could occur. As a marketer of dietary and nutritional supplements and other products that are ingested by consumers or applied to their bodies, we have been, and may again be, subjected to various product liability claims, including that the products contain contaminants, the products include inadequate instructions as to their uses, or the products include inadequate warnings concerning side effects and interactions with other substances. It is possible that widespread product liability claims could increase our costs, and adversely affect our revenues and operating income. Moreover, liability claims arising from a serious adverse event may increase our costs through higher insurance premiums and deductibles, and may make it more difficult to secure adequate insurance coverage in the future. In addition, our product liability insurance may fail to cover future product liability claims, thereby requiring us to pay substantial monetary damages and adversely affecting our business. Finally, given the higher level of self-insured retentions that we have accepted under our current product liability insurance policies, which are as high as approximately \$10 million, in certain cases we may be subject to the full amount of liability associated with any injuries, which could be substantial.

Several years ago, a number of states restricted the sale of dietary supplements containing botanical sources of ephedrine alkaloids and on February 6, 2004, the FDA banned the use of such ephedrine alkaloids. Until late 2002, we had sold *Thermojetics*[®] original green herbal tablets, *Thermojetics*[®] green herbal tablets and *Thermojetics*[®] gold herbal tablets, all of which contained ephedrine alkaloids. Accordingly, we run the risk of product liability claims related to the ingestion of ephedrine alkaloids contained in those products. Currently, we have been named as a defendant in product liability lawsuits seeking to link the ingestion of certain of the aforementioned products to subsequent alleged medical problems suffered by plaintiffs. Although we believe that we have meritorious defenses to the allegations contained in these lawsuits, and are vigorously defending these claims, there can be no assurance that we will prevail in our defense of any or all of these matters.

We are subject to, among other things, requirements regarding the effectiveness of internal controls over financial reporting. In connection with these requirements, we conduct regular audits of our business and operations. Our failure to identify or correct deficiencies and areas of weakness in the course of these audits could adversely affect our financial condition and operating results.

We are required to comply with various corporate governance and financial reporting requirements under the Sarbanes-Oxley Act of 2002, as well as new rules and regulations adopted by the SEC, the Public Company Accounting Oversight Board and the New York Stock Exchange. In particular, we are required to include management and auditor reports on the effectiveness of internal controls over financial reporting as part of our annual reports on Form 10-K, pursuant to Section 404 of the Sarbanes-Oxley Act. We expect to continue to spend significant amounts of time and money on compliance with these rules. Our failure to correct any noted weaknesses in internal controls over financial reporting could result in the disclosure of material weaknesses which could have a material adverse effect upon the market value of our stock.

On a regular and on-going basis, we conduct audits through our internal audit department of various aspects of our business and operations. These internal audits are conducted to insure compliance with our policies and to strengthen our operations and related internal controls. The Audit Committee of our Board of Directors regularly reviews the results of these internal audits and, when appropriate, suggests remedial measures and actions to correct noted deficiencies or strengthen areas of weakness. There can be no assurance that these internal audits will uncover all material deficiencies or areas of weakness in our operations or internal controls. If left undetected and uncorrected, such deficiencies and weaknesses could have a material adverse effect on our financial condition and results of operations.

From time to time, the results of these internal audits may necessitate that we conduct further investigations into aspects of our business or operations. In addition, our business practices and operations may periodically be investigated by one or more of the many governmental authorities with jurisdiction over our worldwide operations. In the event that these investigations produce unfavorable results, we may be subjected to fines, penalties or loss of licenses or permits needed to operate in certain jurisdictions, any one of which could have a material adverse effect on our financial condition or operating results.

Holders of our common shares may face difficulties in protecting their interests because we are incorporated under Cayman Islands law.

Our corporate affairs are governed by our amended and restated memorandum and articles of association, by the Companies Law (2010 Revision), or the Companies Law, and the common law of the Cayman Islands. The rights of our shareholders and the fiduciary responsibilities of our directors under Cayman Islands law are not as clearly established as under statutes or judicial precedent in existence in jurisdictions in the United States. Therefore, shareholders may have more difficulty in protecting their interests in the face of actions by our management or board of directors than would shareholders of a corporation incorporated in a jurisdiction in the United States, due to the comparatively less developed nature of Cayman Islands law in this area.

Shareholders of Cayman Islands exempted companies such as Herbalife have no general rights under Cayman Islands law to inspect corporate records and accounts or to obtain copies of lists of our shareholders. Our directors have discretion under our articles of association to determine whether or not, and under what conditions, our corporate records may be inspected by our shareholders, but are not obliged to make them available to our shareholders. This may make it more difficult for you to obtain the information needed to establish any facts necessary for a shareholder motion or to solicit proxies from other shareholders in connection with a proxy contest.

A shareholder can bring a suit personally where its individual rights have been, or are about to be, infringed. Where an action is brought to redress any loss or damage suffered by us, we would be the proper plaintiff, and a shareholder could not ordinarily maintain an action on our behalf, except where it was permitted by the courts of the Cayman Islands to proceed with a derivative action. Our Cayman Islands counsel, Maples and Calder, is not aware of any reported decisions in relation to a derivative action brought in a Cayman Islands court. However, based on English authorities, which would in all likelihood be of persuasive authority in the Cayman Islands, a shareholder may be permitted to bring a claim derivatively on the Company's behalf, where:

- a company is acting or proposing to act illegally or outside the scope of its corporate authority;
- the act complained of, although not acting outside the scope of its corporate authority, could be effected only if authorized by more than a simple majority vote; or
- those who control the company are perpetrating a "fraud on the minority".

Provisions of our articles of association and Cayman Islands corporate law may impede a takeover or make it more difficult for shareholders to change the direction or management of the Company, which could reduce shareholders' opportunity to influence management of the Company.

Our articles of association permit our board of directors to issue preference shares from time to time, with such rights and preferences as they consider appropriate. Our board of directors could authorize the issuance of preference shares with terms and conditions and under circumstances that could have an effect of discouraging a takeover or other transaction.

In addition, our articles of association contain certain other provisions which could have an effect of discouraging a takeover or other transaction or preventing or making it more difficult for shareholders to change the direction or management of our Company, including a classified board, the inability of shareholders to act by written consent, a limitation on the ability of shareholders to call special meetings of shareholders and advance notice provisions. As a result, our shareholders may have less input into the management of our Company than they might otherwise have if these provisions were not included in our articles of association.

Table of Contents

The Cayman Islands have provisions under the Companies Law to facilitate mergers and consolidations between Cayman Islands companies and non-Cayman Islands companies. These provisions, contained within Part XVA of the Companies Law, are broadly similar to the merger provisions as provided for under Delaware Law.

There are however a number of important differences that could impede a takeover. First, the thresholds for approval of the merger plan by shareholders are higher. The thresholds are (a) a shareholder resolution by majority in number representing 75% in value of the shareholders voting together as one class or (b) if the shares to be issued to each shareholder in the consolidated or surviving company are to have the same rights and economic value as the shares held in the constituent company, a special resolution of the shareholders (being 66 2/3% of those present in person or by proxy and voting) voting together as one class.

As it is not expected that the shares would have the same rights and economic value following a takeover by way of merger, it is expected that the first test is the one which would commonly apply. This threshold essentially has three requirements: “a majority in number” of the shareholders of the Company must approve the transaction, such approving majority must hold at least 75% “in value” of all the outstanding shares and the shareholders must vote together as one class.

Additionally, the consent of each holder of a fixed or floating security interest (in essence a documented security interest as opposed to one arising by operation of law) is required to be obtained unless the Grand Court of the Cayman Islands waives such requirement.

The merger provisions contained within Part XVA of the Companies Law do contain shareholder appraisal rights similar to those provided for under Delaware law. Such rights are limited to a merger under Part XVA and do apply to schemes of arrangement as discussed below.

The Companies Law also contains separate statutory provisions that provide for the merger, reconstruction and amalgamation of companies. Those are commonly referred to in the Cayman Islands as “schemes of arrangement.”

The procedural and legal requirements necessary to consummate these transactions are more rigorous and take longer to complete than the procedures typically required to consummate a merger in the United States. Under Cayman Islands law and practice, a scheme of arrangement in relation to a solvent Cayman Islands company must be approved at a shareholders’ meeting by a majority of each class of the company’s shareholders who are present and voting (either in person or by proxy) at such meeting. The shares voted in favor of the scheme of arrangement must also represent at least 75% of the value of each relevant class of the company’s shareholders present and voting at the meeting. The convening of these meetings and the terms of the amalgamation must also be sanctioned by the Grand Court of the Cayman Islands. Although there is no requirement to seek the consent of the creditors of the parties involved in the scheme of arrangement, the Grand Court typically seeks to ensure that the creditors have consented to the transfer of their liabilities to the surviving entity or that the scheme of arrangement does not otherwise materially adversely affect creditors’ interests. Furthermore, the court will only approve a scheme of arrangement if it is satisfied that:

- the statutory provisions as to majority vote have been complied with;
- the shareholders who voted at the meeting in question fairly represent the relevant class of shareholders to which they belong;
- the scheme of arrangement is such as a businessman would reasonably approve; and
- the scheme of arrangement is not one that would more properly be sanctioned under some other provision of the Companies Law.

If the scheme of arrangement is approved, the dissenting shareholder would have no rights comparable to appraisal rights, which would otherwise ordinarily be available to dissenting shareholders of U.S. corporations, providing rights to receive payment in cash for the judicially determined value of the shares.

In addition, if an offer by a third party to purchase shares in us has been approved by the holders of at least 90% of our outstanding shares (not including such a third party) pursuant to an offer within a four-month period of making such an offer, the purchaser may, during the two months following expiration of the four-month period, require the holders of the remaining shares to transfer their shares on the same terms on which the purchaser acquired the first 90% of our outstanding shares. An objection can be made to the Grand Court of the Cayman Islands, but this is unlikely to succeed unless there is evidence of fraud, bad faith, collusion or inequitable treatment of the shareholders.

There is uncertainty as to shareholders' ability to enforce certain foreign civil liabilities in the Cayman Islands.

We are incorporated as an exempted company with limited liability under the laws of the Cayman Islands. A material portion of our assets are located outside of the United States. As a result, it may be difficult for our shareholders to enforce judgments against us or judgments obtained in U.S. courts predicated upon the civil liability provisions of the federal securities laws of the United States or any state of the United States.

We have been advised by our Cayman Islands counsel, Maples and Calder, that although there is no statutory enforcement in the Cayman Islands of judgments obtained in the United States, the courts of the Cayman Islands will — based on the principle that a judgment by a competent foreign court imposes upon the judgment debtor an obligation to pay the sum for which judgment has been given — recognize and enforce a foreign judgment of a court of competent jurisdiction if such judgment is final, for a liquidated sum, not in respect of taxes or a fine or penalty, is not inconsistent with a Cayman Islands judgment in respect of the same matters, and was not obtained in a manner, and is not of a kind, the enforcement of which is contrary to the public policy of the Cayman Islands. There is doubt, however, as to whether the Grand Court of the Cayman Islands will (1) recognize or enforce judgments of U.S. courts predicated upon the civil liability provisions of the federal securities laws of the United States or any state of the United States, or (2) in original actions brought in the Cayman Islands, impose liabilities predicated upon the civil liability provisions of the federal securities laws of the United States or any state of the United States, on the grounds that such provisions are penal in nature.

The Grand Court of the Cayman Islands may stay proceedings if concurrent proceedings are being brought elsewhere.

Item 2. *Unregistered Sales of Equity Securities and Use of Proceeds*

(a) On January 19, 2011, warrants to purchase 242,718 common shares were exercised at an exercise price of \$15.50 per common share. The holder of the warrant elected to use a cashless exercise feature of the warrants resulting in a net issuance of 187,807 common shares. The issuance was exempt from registration under Securities Act of 1933, as amended, in reliance on Section 4(2) as a transaction by an issuer not involving any public offering. No general solicitation or advertising was involved.

(b) None.

(c) Our original share repurchase program announced on April 18, 2007, expired on April 17, 2009 pursuant to its terms. On April 30, 2009, our board of directors authorized a new program to repurchase up to \$300 million of our common shares during the next two years, at such times and prices as determined by management. On May 3, 2010, our board of directors approved an increase to the share repurchase authorization from \$300 million to \$1 billion. In addition, our board of directors approved the extension of the expiration date of the share repurchase program from April 2011 to December 2014. We did not repurchase any common shares in the open market during the three months ended March 31, 2011. As of March 31, 2011, the remaining authorized capacity under the Company's share repurchase program was approximately \$776.7 million.

2005 STOCK INCENTIVE PLAN
STOCK UNIT AWARD AGREEMENT**

This Stock Unit Award Agreement (this "Agreement") is dated as of this ____ day of _____, 2006 (the "Grant Date"), and is between Herbalife Ltd. (the "Company") and _____ ("Participant").

WHEREAS, the Company, by action of the Board and approval of its shareholders established the Herbalife Ltd. 2005 Stock Incentive Plan (the "Plan");

WHEREAS, Participant is employed by the Company or one or more of its Subsidiaries and the Company desires to encourage Participant to own Common Shares for the purposes stated in Section 1 of the Plan;

WHEREAS, Participant and the Company have entered into this Agreement to govern the terms of the Stock Unit Award (as defined below) granted to Participant by the Company.

NOW, THEREFORE, in consideration of the foregoing, the parties hereto agree as follows:

1. Grant.

(a) The Company hereby grants to Participant an Award of _____ Stock Units (the "Award") in accordance with Section 9 of the Plan and subject to the conditions set forth in this Agreement and the Plan (as amended from time to time). Each Stock Unit represents the right to receive one Common Share (as adjusted from time to time pursuant to Section 12 of the Plan) subject to the fulfillment of the vesting and other conditions set forth in this Agreement. By accepting the Award, Participant irrevocably agrees on behalf of Participant and Participant's successors and permitted assigns to all of the terms and conditions of the Award as set forth in or pursuant to this Agreement and the Plan (as such Plan may be amended from time to time).

(b) Except as otherwise defined herein, capitalized terms used herein shall have the meanings set forth in the Plan.

2. Vesting.

(a) Participant's Stock Units and rights in and to the Common Shares subject to the Stock Units shall not be vested as of the Grant Date and shall be forfeitable unless and until otherwise vested pursuant to the terms of this Agreement. Subject to Participant's continued employment with the Company and/or its subsidiaries or affiliates the Award (or as otherwise provided in Paragraph 5) shall become vested in accordance with the following schedule: (i) one-third of the Stock Units subject to the Award shall vest on the date that is thirteen (13) months following the Grant Date, (ii) one-third of the Stock Units subject to the Award shall vest on the second anniversary of the Grant Date, and (iii) the remaining one-third of the Stock Units

subject to the Award shall vest on third anniversary of the Grant Date (each such date a "Vesting Date"). Stock Units that have vested and are no longer subject to forfeiture are referred to herein as "Vested Units." Stock Units that are not vested and remain subject to forfeiture are referred to herein as "Unvested Units."

(b) In the event of a Change of Control, the Committee as constituted immediately before such Change of Control may, in its sole discretion, accelerate the vesting and exercisability of this Award upon such Change of Control or take such other actions as provided in Section 13 of the Plan.

3. Settlement of Restricted Stock Units.

(a) Subject to any deferral pursuant to Paragraph 3(b), each Vested Unit will be settled by the delivery of one Common Share (subject to adjustment under Section 12 of the Plan) to Participant or, in the event of Participant's death, to Participant's estate, heir or beneficiary, following the applicable Vesting Date; provided that the Participant has satisfied all of the tax withholding obligations described in Paragraph 7, and that Participant has completed, signed and returned any documents and taken any additional action that the Company deems appropriate to enable it to accomplish the delivery of the Common Shares.

(b) Subject to the satisfaction all of the tax withholding obligations described in Paragraph 7, Participant may elect to defer the receipt of any Common Shares issuable pursuant to Vested Units by submitting to the Company an election to defer receipt in the forms attached hereto as Exhibit A. In the event Participant intends to defer the receipt of any Common Shares, Participant must submit to the Company a deferral election form within thirty (30) days following the Grant Date. Participant hereby represents that Participant understands the effect of any such deferral under relevant federal, state and local tax laws.

(c) The date upon which Common Shares are to be issued under either Paragraph 3(a) or 3(b) above is referred to as the "Settlement Date." The issuance of the Common Shares hereunder may be effected by the issuance of a stock certificate, recording shares on the stock records of the Company or by crediting shares in an account established on Participant's behalf with a brokerage firm or other custodian, in each case as determined by the Company. Fractional shares will not be issued pursuant to the Award.

(d) Notwithstanding the above, (i) for administrative or other reasons, the Company may from time to time temporarily suspend the issuance of Common Shares in respect of Vested Units, (ii) the Company shall not be obligated to deliver any shares of the Common Stock during any period when the Company determines that the delivery of shares hereunder would violate any federal, state or other applicable laws, (iii) the Company may issue Common Shares hereunder subject to any restrictive legends that, as determined by the Company's counsel, are necessary to comply with securities or other regulatory requirements and (iv) the date on which shares are issued hereunder may include a delay in order to provide the Company such time as it determines appropriate to address tax withholding and other administrative matters.

4. Shareholder Rights. Prior to any issuance of Common Shares in settlement of the Award, no Common Shares will be reserved or earmarked for Participant or Participant's account nor shall Participant have any of the rights of a stockholder with respect to such Common Shares. Except as set forth in Paragraph 5, the Participant will not be entitled to any privileges of ownership of the Common Shares (including, without limitation, any voting rights) underlying Vested Units and/or Unvested Units unless and until Common Shares are actually delivered to Participant hereunder.

5. Dividend Equivalent Rights. From and after the Grant Date and unless and until the Award is forfeited or otherwise transferred back to the Company, Participant will be credited with additional Stock Units having a value equal to dividends declared by the Company, if any, with record dates that occur prior to the settlement of the Award as if the Common Shares underlying the Award had been issued and outstanding, based on the Fair Market Value of a Common Share on the applicable dividend payment date. Any such additional Stock Units shall be considered part of the Award and shall also be credited with additional Stock Units as dividends, if any, are declared, and shall be subject to the same restrictions and conditions as the Stock Units subject to the Award with respect to which they were credited (including, but not limited to, the forfeiture provisions set forth in Paragraph 6). Notwithstanding the foregoing, no such additional Stock Units will be credited with respect to any dividend declared by the Company in connection with which the Award is adjusted pursuant to Section 12 of the Plan.

6. Effect of Termination of Employment. Except as provided in the Plan, upon a termination of Participant's employment with the Company for any reason, the Unvested Units shall be forfeited by Participant and cancelled and surrendered to the Company without payment of any consideration to Participant.

7. Withholding Taxes.

(a) Participant is liable and responsible for all taxes owed in connection with the Award, regardless of any action the Company takes with respect to any tax withholding obligations that arise in connection with the Award. The Company does not make any representation or undertaking regarding the treatment of any tax withholding in connection with the grant, vesting or settlement of the Award or the subsequent sale of Common Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate Participant's tax liability.

(b) Prior to any event in connection with the Award (e.g., vesting or payment in respect of the Award) that the Company determines may result in any domestic or foreign tax withholding obligation, whether national, federal, state or local, including any social tax obligation (the "Tax Withholding Obligation"), Participant is required to arrange for the satisfaction of the amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(c) Unless the Committee provides otherwise, at any time not less than five (5) business days before any Tax Withholding Obligation arises (e.g., a Settlement Date), Participant shall notify the Company of Participant's election to pay Participant's Tax Withholding Obligation by wire transfer, cashier's check or other means permitted by the Company. In such

case, Participant shall satisfy his or her tax withholding obligation by paying to the Company on such date as it shall specify an amount that the Company determines is sufficient to satisfy the expected Tax Withholding Obligation by (i) wire transfer to such account as the Company may direct, (ii) delivery of a cashier's check payable to the Company, Attn: General Counsel, at the Company's principal executive offices, or such other address as the Company may from time to time direct, or (iii) such other means as the Company may establish or permit (including by means of a "same day sale" program developed under Regulation T as promulgated by the Federal Reserve Board to the extent permitted by the Company and applicable law). Participant agrees and acknowledges that prior to the date the Tax Withholding Obligation arises, the Company will be required to estimate the amount of the Tax Withholding Obligation and accordingly may require the amount paid to the Company under this Paragraph 7(c) to be more than the minimum amount that may actually be due and that, if Participant has not delivered payment of a sufficient amount to the Company to satisfy the Tax Withholding Obligation (regardless of whether as a result of the Company underestimating the required payment or Participant failing to timely make the required payment), the additional Tax Withholding Obligation amounts shall be satisfied such other means as the Committee deems appropriate.

8. Securities Law Compliance. Participant understands that the Company is under no obligation to register for resale the Common Shares issued upon exercise of the Award. The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by Participant or other subsequent transfers by Participant of any Common Shares issued as a result of or under this Award, including without limitation (i) restrictions under an insider trading policy, (ii) restrictions that may be necessary in the absence of an effective registration statement under the Securities Act of 1933, as amended, covering the Award and/or the Common Shares underlying the Award and (iii) restrictions as to the use of a specified brokerage firm or other agent for such resales or other transfers. Any sale of the Common Shares must also comply with other applicable laws and regulations governing the sale of such shares.

9. Assignment or Transfer Prohibited. The Award (whether or not vested) may not be assigned or transferred otherwise than by will or by the laws of descent and distribution; provided, however, Participant may assign or transfer the Award to the extent permitted under the Plan, provided that the Award shall be subject to all the terms and condition of the Plan, this Agreement and any other terms required by the Committee as a condition to such transfer. Neither the Award nor any right hereunder shall be subject to attachment, execution or other similar process. In the event of any attempt by Participant to alienate, assign, pledge, hypothecate or otherwise dispose of the Award or any right hereunder, except as provided for herein, or in the event of the levy or any attachment, execution or similar process upon the rights or interests hereby conferred, the Company may terminate the Award by notice to Participant, and the Award shall thereupon become null and void.

10. Committee Authority. Any question concerning the interpretation of this Agreement or the Plan, any adjustments required to be made under this Agreement or the Plan, and any controversy that may arise under this Agreement or the Plan shall be determined by the Committee in its sole and absolute discretion. All decisions by the Committee shall be final and binding.

11. Application of the Plan. The terms of this Agreement are governed by the terms of the Plan, as it exists on the date of hereof and as the Plan is amended from time to time. In the event of any conflict between the provisions of this Agreement and the provisions of the Plan, the terms of the Plan shall control, except as expressly stated otherwise herein. As used herein, the term "Section" generally refers to provisions within the Plan, and the term "Paragraph" refers to provisions of this Agreement.

12. No Right to Continued Employment. Nothing in the Plan, in this Agreement or any other instrument executed pursuant thereto or hereto shall confer upon Participant any right to continued employment with the Company or any of its Subsidiaries or affiliates.

13. Further Assurances. Each party hereto shall cooperate with each other party, shall do and perform or cause to be done and performed all further acts and things, and shall execute and deliver all other agreements, certificates, instruments, and documents as any other party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan.

14. Entire Agreement. This Agreement and the Plan together set forth the entire agreement and understanding between the parties as to the subject matter hereof and supersede all prior oral and written and all contemporaneous or subsequent oral discussions, agreements and understandings of any kind or nature.

15. Successors and Assigns. The provisions of this Agreement will inure to the benefit of, and be binding on, the Company and its successors and assigns and Participant and Participant's legal representatives, heirs, legatees, distributees, assigns and transferees by operation of law, whether or not any such person will have become a party to this Agreement and agreed in writing to join herein and be bound by the terms and conditions hereof.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

(b) In the event of a Change of Control, the Committee as constituted immediately before such Change of Control may, in its sole discretion, accelerate the vesting and exercisability of this Award upon such Change of Control or take such other actions as provided in Section 13 of the Plan.

3. Expiration. The Award shall expire on the tenth (10th) anniversary of the date hereof, provided, however, that the Award may earlier terminate as provided in this Paragraph 3 and/or in Section 13 of the Plan.

(a) Upon termination of Participant's employment with the Company for any reason, that portion of the Award that is not vested and exercisable (after giving effect to any acceleration of vesting pursuant to this Agreement or otherwise) will terminate on the date of such termination of employment.

(b) Upon termination of Participant's employment with the Company, that portion of the Award that is vested and exercisable, will terminate in accordance with the following:

(i) if Participant's employment with the Company is terminated for Cause, the vested and exercisable portion of the Award will terminate on the date of such termination;

(ii) if Participant's employment with the Company is terminated by reason of Participant's death or disability (as such term is defined in Section 22(e) of the Code), the vested and exercisable portion of the Award will terminate on the date that is ninety (90) days immediately following the date of such termination;

(iii) if Participant's employment with the Company is terminated for any reason other than death, disability or Cause, the vested and exercisable portion of the Award will terminate on the date that is thirty (30) days immediately following the date of such termination.

(c) Notwithstanding anything herein to the contrary, if Participant's employment with the Company is terminated for any reason other than a termination by the Company for Cause, and at any time during the thirty-day period following the effective date of such termination of employment Participant is subject to a "trading blackout" or "quiet period" with respect to the Common Shares or if the Company determines, upon the advice of legal counsel, that Participant may not to trade in the Common Shares due to Participant's possession of material non-public information, the Company shall extend the period during which Participant may exercise his then remaining vested portion of this Award until the later of (i) the expiration date of the Award determined pursuant to Paragraph 2(b) and (ii) the date that is thirty days following the first date on which Participant is no longer subject to such restrictions on trading with respect to the Common Shares.

(d) For purposes of this Agreement, the term "Cause" shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time

to time, or if Participant is not party to any such written employment agreement, then the term "Cause" shall mean the occurrence of any of the following acts or circumstances: (i) conviction of a felony, a crime of moral turpitude, dishonesty, breach of trust or unethical business conduct, or any crime involving the Company or any of its Subsidiaries; (ii) willful misconduct, willful or gross neglect, fraud, misappropriation or embezzlement; (iii) performance of Participant's duties in a manner that is detrimental to the Company or any of its Subsidiaries, including, but not limited to that which results in, the severe deterioration of the financial performance of the Company or any of its Subsidiaries; (iv) failure to adhere to the reasonable/lawful directions of the Chief Executive Officer of the Company or the Board, to adhere to the Company's or any Subsidiary's policies or practices or to devote substantially all of Participant's business time and efforts to the business of the Company; (v) breach of any provision of any agreement, including an employment agreement, between Participant and the Company or any of its Subsidiaries, which covers confidentiality or proprietary information or contains nonsolicitation or non-competition provisions; or (vi) breach in any material respect of the terms and provisions of Participant's employment agreement, if any, or any agreement between Participant and the Company or any of its Subsidiaries.

4. Method of Exercise. The Award may be exercised by delivery to the Company (attention: Secretary) of a notice of exercise in the form specified by the Company specifying the number of shares with respect to which the Award is being exercised.

5. Fractional Shares. No fractional shares may be purchased upon any exercise.

6. Compliance With Legal Requirements.

(a) The Award shall not be exercisable and no Common Shares shall be issued or transferred pursuant to this Agreement or the Plan unless and until the Tax Withholding Obligation (as defined below), and all legal requirements applicable to such issuance or transfer have, in the opinion of counsel to the Company, been satisfied. Such legal requirements may include, but are not limited to, (i) registering or qualifying such Common Shares under any state or federal law or under the rules of any stock exchange or trading system, (ii) satisfying any applicable law or rule relating to the transfer of unregistered securities or demonstrating the availability of an exemption from applicable laws, (iii) placing a restricted legend on the Common Shares issued pursuant to the exercise of the Award, or (iv) obtaining the consent or approval of any governmental regulatory body.

(b) Participant understands that the Company is under no obligation to register for resale the Common Shares issued upon exercise of the Award. The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any exercise of the Award and/or any resales by Participant or other subsequent transfers by Participant of any Common Shares issued as a result of the exercise of the Award, including without limitation (i) restrictions under an insider trading policy, (ii) restrictions that may be necessary in the absence of an effective registration statement under the Securities Act of 1933, as amended, covering the Award and/or the Common Shares underlying the Award and (iii) restrictions as to the use of a specified brokerage firm or other agent for exercising the

Award and/or for such resales or other transfers. The sale of the shares underlying the Award must also comply with other applicable laws and regulations governing the sale of such shares.

7. Shareholder Rights. Participant shall not be deemed a shareholder of the Company with respect to any of the Common Shares subject to the Award, except to the extent that such shares shall have been purchased and transferred to Participant.

8. Withholding Taxes.

(a) Participant is liable and responsible for all taxes owed in connection with the Award, regardless of any action the Company takes with respect to any tax withholding obligations that arise in connection with the Award. The Company does not make any representation or undertaking regarding the treatment of any tax withholding in connection with the grant, vesting or settlement of the Award or the subsequent sale of Common Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate Participant's tax liability.

(b) Prior to any event in connection with the Award (e.g., vesting or payment in respect of the Award) that the Company determines may result in any domestic or foreign tax withholding obligation, whether national, federal, state or local, including any social tax obligation (the "Tax Withholding Obligation"), Participant is required to arrange for the satisfaction of the amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(c) Unless the Committee provides otherwise, at any time not less than five (5) business days before any Tax Withholding Obligation arises (e.g., at the time the Award is exercised, in whole or in part), Participant shall notify the Company of Participant's election to pay Participant's Tax Withholding Obligation by wire transfer, cashier's check or other means permitted by the Company. In such case, Participant shall satisfy his or her tax withholding obligation by paying to the Company on such date as it shall specify an amount that the Company determines is sufficient to satisfy the expected Tax Withholding Obligation by (i) wire transfer to such account as the Company may direct, (ii) delivery of a cashier's check payable to the Company, Attn: General Counsel, at the Company's principal executive offices, or such other address as the Company may from time to time direct, or (iii) such other means as the Company may establish or permit (including by means of a "same day sale" program developed under Regulation T as promulgated by the Federal Reserve Board to the extent permitted by the Company and applicable law). Participant agrees and acknowledges that prior to the date the Tax Withholding Obligation arises, the Company will be required to estimate the amount of the Tax Withholding Obligation and accordingly may require the amount paid to the Company under this Paragraph 8(c) to be more than the minimum amount that may actually be due and that, if Participant has not delivered payment of a sufficient amount to the Company to satisfy the Tax Withholding Obligation (regardless of whether as a result of the Company underestimating the required payment or Participant failing to timely make the required payment), the additional Tax Withholding Obligation amounts shall be satisfied such other means as the Committee deems appropriate.

9. Assignment or Transfer Prohibited. The Award may not be assigned or transferred otherwise than by will or by the laws of descent and distribution, and may be exercised during the life of Participant only by Participant or Participant's guardian or legal representative. Neither the Award nor any right hereunder shall be subject to attachment, execution or other similar process. In the event of any attempt by Participant to alienate, assign, pledge, hypothecate or otherwise dispose of the Award or any right hereunder, except as provided for herein, or in the event of the levy or any attachment, execution or similar process upon the rights or interests hereby conferred, the Company may terminate the Award by notice to Participant, and the Award shall thereupon become null and void.

10. Committee Authority. Any question concerning the interpretation of this Agreement or the Plan, any adjustments required to be made under this Agreement or the Plan, and any controversy that may arise under this Agreement or the Plan shall be determined by the Committee in its sole and absolute discretion. All decisions by the Committee shall be final and binding.

11. Application of the Plan. The terms of this Agreement are governed by the terms of the Plan, as it exists on the date of hereof and as the Plan is amended from time to time. In the event of any conflict between the provisions of this Agreement and the provisions of the Plan, the terms of the Plan shall control, except as expressly stated otherwise herein. As used herein, the term "Section" generally refers to provisions within the Plan, and the term "Paragraph" refers to provisions of this Agreement.

12. No Right to Continued Employment. Nothing in the Plan, in this Agreement or any other instrument executed pursuant thereto or hereto shall confer upon Participant any right to continued employment with the Company or any of its subsidiaries or affiliates.

13. Further Assurances. Each party hereto shall cooperate with each other party, shall do and perform or cause to be done and performed all further acts and things, and shall execute and deliver all other agreements, certificates, instruments, and documents as any other party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan.

14. Entire Agreement. This Agreement and the Plan together set forth the entire agreement and understanding between the parties as to the subject matter hereof and supersede all prior oral and written and all contemporaneous or subsequent oral discussions, agreements and understandings of any kind or nature.

15. Successors and Assigns. The provisions of this Agreement will inure to the benefit of, and be binding on, the Company and its successors and assigns and Participant and Participant's legal representatives, heirs, legatees, distributees, assigns and transferees by operation of law, whether or not any such person will have become a party to this Agreement and agreed in writing to join herein and be bound by the terms and conditions hereof.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

STOCK UNIT AWARD AGREEMENT

This Stock Unit Award Agreement (this "Agreement") is dated as of this _____ day of _____, 2006 (the "Grant Date"), and is between Herbalife Ltd. (the "Company") and Michael O. Johnson ("Participant").

WHEREAS, the Company, by action of the Board and approval of its shareholders established the Herbalife Ltd. 2005 Stock Incentive Plan (the "Plan");

WHEREAS, Participant is employed by the Company or one or more of its Subsidiaries and the Company desires to encourage Participant to own Common Shares for the purposes stated in Section 1 of the Plan;

WHEREAS, Participant and the Company have entered into this Agreement to govern the terms of the Stock Unit Award (as defined below) granted to Participant by the Company.

NOW, THEREFORE, in consideration of the foregoing, the parties hereto agree as follows:

1. Grant.

(a) The Company hereby grants to Participant an Award of _____ Stock Units (the "Award") in accordance with Section 9 of the Plan and subject to the conditions set forth in this Agreement and the Plan (as amended from time to time). Each Stock Unit represents the right to receive one Common Share (as adjusted from time to time pursuant to Section 12 of the Plan) subject to the fulfillment of the vesting and other conditions set forth in this Agreement. By accepting the Award, Participant irrevocably agrees on behalf of Participant and Participant's successors and permitted assigns to all of the terms and conditions of the Award as set forth in or pursuant to this Agreement and the Plan (as such Plan may be amended from time to time).

(b) Except as otherwise defined herein, capitalized terms used herein shall have the meanings set forth in the Plan.

2. Vesting.

(a) Participant's Stock Units and rights in and to the Common Shares subject to the Stock Units shall not be vested as of the Grant Date and shall be forfeitable unless and until otherwise vested pursuant to the terms of this Agreement. Subject to Participant's continued employment with the Company and/or its subsidiaries or affiliates the Award (or as otherwise provided in Paragraph 5) shall become vested in accordance with the following schedule: (i) one-third of the Stock Units subject to the Award shall vest on the date that is thirteen (13) months following the Grant Date, (ii) one-third of the Stock Units subject to the Award shall vest on the second anniversary of the Grant Date, and (iii) the remaining one-third of the Stock Units

subject to the Award shall vest on third anniversary of the Grant Date (each such date a "Vesting Date"). Stock Units that have vested and are no longer subject to forfeiture are referred to herein as "Vested Units." Stock Units that are not vested and remain subject to forfeiture are referred to herein as "Unvested Units."

(b) Notwithstanding anything herein or in the Plan to the contrary, upon the occurrence of a Change of Control, the vesting of the Award shall be accelerated such that 50% of the aggregate number of Stock Units subject to the Award (as set forth in Paragraph 1(a) above) shall be or become Vested Units as of immediately prior to the consummation of the Change of Control; and

(c) Notwithstanding anything herein or in the Plan to the contrary:

(i) in the event that, (x) within the 90-day period immediately preceding a Change in Control or (y) at any time following a Change of Control, Participant's employment with the Company and its Subsidiaries (or their respective successors) is terminated for any reason other than by reason of Participant's resignation without Good Reason or a termination for Cause, all Unvested Units shall vest as of the date of such termination of employment;

(ii) in the event that Participant's employment with the Company is terminated by reason of Participant's death or disability (as such term is defined in Section 22(e) of the Code), all Unvested Units shall vest as of the date of such termination of employment.

(d) In addition to the foregoing, subject to Paragraph 7 below, in the event of a Change of Control, the Committee as constituted immediately before such Change of Control may, in its sole discretion, accelerate the vesting and exercisability of this Award upon such Change of Control or take such other actions as provided in Section 13 of the Plan.

(e) For purposes of this Agreement, the term "Cause" shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

(f) For purposes of this Agreement, the term "Good Reason" shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

3. Settlement of Restricted Stock Units.

(a) Subject to any deferral pursuant to Paragraph 3(b), each Vested Unit will be settled by the delivery of one Common Share (subject to adjustment under Section 12 of the Plan) to Participant or, in the event of Participant's death, to Participant's estate, heir or beneficiary, following the applicable Vesting Date; provided that the Participant has satisfied all of the tax withholding obligations described in Paragraph 8, and that Participant has completed, signed and returned any documents and taken any additional action that the Company deems appropriate to enable it to accomplish the delivery of the Common Shares.

(b) Subject to the satisfaction all of the tax withholding obligations described in Paragraph 8, Participant may elect to defer the receipt of any Common Shares issuable pursuant to Vested Units by submitting to the Company an election to defer receipt in the forms attached hereto as Exhibit A. In the event Participant intends to defer the receipt of any Common Shares, Participant must submit to the Company a deferral election form within thirty (30) days following the Grant Date. Participant hereby represents that Participant understands the effect of any such deferral under relevant federal, state and local tax laws. Notwithstanding anything herein to the contrary, the settlement of that portion of the Award that vests on June 30, 2006 may not be deferred.

(c) The date upon which Common Shares are to be issued under either Paragraph 3(a) or 3(b) above is referred to as the "Settlement Date." The issuance of the Common Shares hereunder may be effected by the issuance of a stock certificate, recording shares on the stock records of the Company or by crediting shares in an account established on Participant's behalf with a brokerage firm or other custodian, in each case as determined by the Company. Fractional shares will not be issued pursuant to the Award.

(d) Notwithstanding the above, (i) for administrative or other reasons, the Company may from time to time temporarily suspend the issuance of Common Shares in respect of Vested Units, (ii) the Company shall not be obligated to deliver any shares of the Common Stock during any period when the Company determines that the delivery of shares hereunder would violate any federal, state or other applicable laws, (iii) the Company may issue Common Shares hereunder subject to any restrictive legends that, as determined by the Company's counsel, are necessary to comply with securities or other regulatory requirements and (iv) the date on which shares are issued hereunder may include a delay in order to provide the Company such time as it determines appropriate to address tax withholding and other administrative matters.

4. Shareholder Rights. Prior to any issuance of Common Shares in settlement of the Award, no Common Shares will be reserved or earmarked for Participant or Participant's account nor shall Participant have any of the rights of a stockholder with respect to such Common Shares. Except as set forth in Paragraph 5, the Participant will not be entitled to any privileges of ownership of the Common Shares (including, without limitation, any voting rights) underlying Vested Units and/or Unvested Units unless and until Common Shares are actually delivered to Participant hereunder.

5. Dividend Equivalent Rights. From and after the Grant Date and unless and until the Award is forfeited or otherwise transferred back to the Company, Participant will be credited with additional Stock Units having a value equal to dividends declared by the Company, if any, with record dates that occur prior to the settlement of the Award as if the Common Shares underlying the Award had been issued and outstanding, based on the Fair Market Value of a Common Share on the applicable dividend payment date. Any such additional Stock Units shall be considered part of the Award and shall also be credited with additional Stock Units as dividends, if any, are declared, and shall be subject to the same restrictions and conditions as the Stock Units subject to the Award with respect to which they were credited (including, but not limited to, the forfeiture provisions set forth in Paragraph 6). Notwithstanding the foregoing, no

such additional Stock Units will be credited with respect to any dividend declared by the Company in connection with which the Award is adjusted pursuant to Section 12 of the Plan.

6. Effect of Termination of Employment. Except as provided in this Paragraph 6 or the Plan, upon a termination of Participant's employment with the Company for any reason, the Unvested Units shall be forfeited by Participant and cancelled and surrendered to the Company without payment of any consideration to Participant. Notwithstanding anything herein or in the Plan to the contrary, for purposes of this Paragraph 6, if Participant continues to provide services to the Company or any of its Subsidiaries as a director or consultant after the termination of Participant's full-time employment with the Company, Participant shall not be deemed to have terminated employment with the Company until the termination of Participant's service to the Company and its Subsidiaries in all capacities.

7. Adjustments of Common Shares and Awards.

(a) Subject to Section 12(a) of the Plan, in the event of any change in the outstanding Common Shares by reason of an acquisition, spin-off or reclassification, recapitalization or merger, combination or exchange of Common Shares or other corporate exchange, Change of Control or similar event, the Committee shall adjust appropriately the number or kind of shares or securities subject to the Award and make such other revisions to the Award as it deems are equitably required.

(b) Notwithstanding anything in the Plan to the contrary, with respect to any merger or consolidation of the Company into another corporation, the sale or exchange of all or substantially all of the assets of the Company, a Change of Control or the recapitalization, reclassification, liquidation or dissolution of the Company or any other similar fundamental transaction involving the Company or any of its Subsidiaries (any of the foregoing, a "Qualifying Event"), the Committee shall provide either: (i) that the Award will terminate upon such Qualifying Event, provided that the Award shall be immediately and fully vested immediately prior to the consummation of any such Qualifying Event, and provided further that upon the occurrence of such Qualifying Event, the Award will terminate and be of no further force or effect and no longer be outstanding; (ii) that the Award will remain outstanding after such Qualifying Event, and from and after the consummation of such Qualifying Event, the Award will be cover the kind and amount of securities and/or other property receivable as a result of such Qualifying Event by the holder of a number of Common Shares subject to the Award immediately prior to such Qualifying Event; or (iii) the Award will be cancelled in its entirety and repurchased by the Company at a specific price equal to the Fair Market Value of the Common Shares underlying the Award and that, upon the occurrence of such Qualifying Event, the Award will terminate and be of no further force or effect and no longer be outstanding. In the event of any conflict or inconsistency between the terms and conditions of this Paragraph 7(b) and the terms and conditions of Sections 12(b) and/or 13 of the Plan, the terms and condition of this Paragraph 7(b) shall control. The Committee's election pursuant to this Paragraph 7(b) will be applied in the same manner to all other holders of the Company's awards whose award agreements contain a similar provision. The Committee may only elect the alternatives specified in clauses (i) or (iii) of the first sentence of this Paragraph 7(b) in connection with any Qualifying Event described in clauses (iii)(A) or (iii)(C) of the definition of "Change of Control" (as such term is defined in the Plan).

8. Withholding Taxes.

(a) Participant is liable and responsible for all taxes owed in connection with the Award, regardless of any action the Company takes with respect to any tax withholding obligations that arise in connection with the Award. The Company does not make any representation or undertaking regarding the treatment of any tax withholding in connection with the grant, vesting or settlement of the Award or the subsequent sale of Common Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate Participant's tax liability.

(b) Prior to any event in connection with the Award (e.g., vesting or payment in respect of the Award) that the Company determines may result in any domestic or foreign tax withholding obligation, whether national, federal, state or local, including any social tax obligation (the "Tax Withholding Obligation"), Participant is required to arrange for the satisfaction of the amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(c) Unless the Committee provides otherwise, at any time not less than five (5) business days before any Tax Withholding Obligation arises (e.g., a Settlement Date), Participant shall notify the Company of Participant's election to pay Participant's Tax Withholding Obligation by wire transfer, cashier's check or other means permitted by the Company. In such case, Participant shall satisfy his or her tax withholding obligation by paying to the Company on such date as it shall specify an amount that the Company determines is sufficient to satisfy the expected Tax Withholding Obligation by (i) wire transfer to such account as the Company may direct, (ii) delivery of a cashier's check payable to the Company, Attn: General Counsel, at the Company's principal executive offices, or such other address as the Company may from time to time direct, or (iii) such other means as the Company may establish or permit (including by means of a "same day sale" program developed under Regulation T as promulgated by the Federal Reserve Board to the extent permitted by the Company and applicable law). Participant agrees and acknowledges that prior to the date the Tax Withholding Obligation arises, the Company will be required to estimate the amount of the Tax Withholding Obligation and accordingly may require the amount paid to the Company under this Paragraph 8(c) to be more than the minimum amount that may actually be due and that, if Participant has not delivered payment of a sufficient amount to the Company to satisfy the Tax Withholding Obligation (regardless of whether as a result of the Company underestimating the required payment or Participant failing to timely make the required payment), the additional Tax Withholding Obligation amounts shall be satisfied such other means as the Committee deems appropriate.

9. Securities Law Compliance. Participant understands that the Company is under no obligation to register for resale the Common Shares issued upon exercise of the Award. The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by Participant or other subsequent transfers by Participant of any Common Shares issued as a result of or under this Award, including without limitation (i) restrictions under an insider trading policy, (ii) restrictions that may be necessary in the absence of an effective registration statement under the Securities Act of 1933, as amended, covering the Award and/or the Common Shares underlying the Award and (iii) restrictions as to the use of a specified brokerage firm or other agent for such resales or other transfers. Any sale

of the Common Shares must also comply with other applicable laws and regulations governing the sale of such shares.

10. Assignment or Transfer Prohibited. The Award (whether or not vested) may not be assigned or transferred otherwise than by will or by the laws of descent and distribution; provided, however, Participant may assign or transfer the Award to the extent permitted under the Plan, provided that the Award shall be subject to all the terms and condition of the Plan, this Agreement and any other terms required by the Committee as a condition to such transfer. Neither the Award nor any right hereunder shall be subject to attachment, execution or other similar process. In the event of any attempt by Participant to alienate, assign, pledge, hypothecate or otherwise dispose of the Award or any right hereunder, except as provided for herein, or in the event of the levy or any attachment, execution or similar process upon the rights or interests hereby conferred, the Company may terminate the Award by notice to Participant, and the Award shall thereupon become null and void.

11. Committee Authority. Any question concerning the interpretation of this Agreement or the Plan, any adjustments required to be made under this Agreement or the Plan, and any controversy that may arise under this Agreement or the Plan shall be determined by the Committee in its sole and absolute discretion. All decisions by the Committee shall be final and binding.

The Committee has full and exclusive discretion to interpret and administer this Election. All actions, interpretations and decisions of the Committee are conclusive and binding on all persons, and will be given the maximum possible deference allowed by law.
 7. **Claims Procedure.** Any person who believes he or she is entitled to any payment under this Election may submit a claim in writing to the Company. If the claim is denied (either in full or in part), the claimant will be provided a written notice explaining the specific reasons for the denial and referring to the provisions of the Agreement or the Plan on which the denial is based. The notice will describe any additional information needed to support the claim. The denial notice will be provided within ninety (90) days after the claim is received. If special circumstances require an extension of time (up to 90 days), written notice of the extension will be given within the initial ninety-day period.
 8. **Appeals Procedure.** If a claimant’s claim is denied, the claimant (or his or her authorized representative) may apply in writing to the Company for a review of the decision denying the claim. The claimant (or representative) then has the right to review pertinent documents and to submit issues and comments in writing. The Company will provide written notice of its decision on review within sixty (60) days after it receives a review request. If additional time (up to sixty (60) days) is needed to review the request, the claimant will be given written notice of the reason for the delay. Any claims for benefits under this Election brought in a court of law must be filed in such court before the earlier of ninety (90) days after any appeal pursuant to this Paragraph 8 or one (1) year from the date the claim arose.

2005 STOCK INCENTIVE PLAN**

STOCK APPRECIATION RIGHT AWARD AGREEMENT

STOCK APPRECIATION RIGHT AGREEMENT (this "Agreement") dated as of _____, 2006 (the "Grant Date") between HERBALIFE LTD. (the "Company"), and Michael O. Johnson ("Participant").

WHEREAS, pursuant to the Herbalife Ltd. 2005 Stock Incentive Plan (the "Plan"), the Committee designated under the Plan (or an officer of the Company to who the authority to grant Awards has been delegated), desires to grant to Participant an award of stock appreciation rights; and

WHEREAS, Participant desires to accept such award subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained herein, the Company and Participant, intending to be legally bound, hereby agree as follows:

1. Grant.

(a) The Company hereby grants to the Participant an Award of _____ Stock Appreciation Rights (the "Award") in accordance with Section 8 of the Plan and subject to the terms and conditions set forth herein and in the Plan (each as amended from time to time). Each Stock Appreciation Right represents the right to receive, upon exercise of the Stock Appreciation Right pursuant to this Agreement, from the Company, a payment, paid in Common Shares, par value \$.002 per share, of the Company (the "Common Shares"), equal to (i) the excess of the Fair Market Value, on the date of exercise, of one Common Share (as adjusted from time to time pursuant to Section 12 of the Plan) over the Base Price (as defined below) of the Stock Appreciation Right, divided by (ii) the Fair Market Value, on the date of exercise, of one Common Share, subject to terms and conditions set forth herein and in the Plan (each as amended from time to time).

(b) The "Base Price" for the Stock Appreciation Right shall be \$ _____ per share (subject to adjustment as set forth in Section 12 of the Plan).

(c) Except as otherwise defined herein, capitalized terms used herein shall have the meanings set forth in the Plan.

2. Time for Exercise.

(a) The Award will become vested and exercisable in quarterly 5% increments beginning on the last day of the calendar quarter during which the Grant Date occurs and on the last day of each subsequent calendar quarter until the Award becomes fully exercisable on the last day of the calendar quarter immediately preceding the fifth anniversary of the Grant Date.

(b) Notwithstanding anything herein or in the Plan to the contrary, upon the occurrence of a Change of Control, the vesting of the Award shall be accelerated such that 50% of the aggregate number of Common Shares subject to Award (as set forth in Paragraph 1(a) above) shall be vested and exercisable as of the date of the Change of Control; and

(c) Notwithstanding anything herein or in the Plan to the contrary:

(i) in the event that, (x) within the 90-day period immediately preceding a Change in Control or (y) at any time following a Change of Control, Participant's employment with the Company and its Subsidiaries (or their respective successors) is terminated for any reason other than by reason of Participant's resignation without Good Reason or a termination for Cause, the Award shall become immediately and fully vested and exercisable as of immediately prior to such termination of employment;

(ii) in the event of Participant's death or disability (as such term is defined in Section 22(e) of the Code), the Award shall become immediately and fully vested and exercisable.

(d) In addition to the foregoing, subject to Paragraph 6 below, in the event of a Change of Control, the Committee as constituted immediately before such Change of Control may, in its sole discretion, accelerate the vesting and exercisability of this Award upon such Change of Control or take such other actions as provided in Section 13 of the Plan.

3. Expiration. The Award shall expire on the tenth (10th) anniversary of the date hereof; provided, however, that the Award may earlier terminate as provided in this Paragraph 3 and/or in Section 13 of the Plan.

(a) Upon termination of Participant's employment with the Company for any reason, that portion of the Award that is not vested and exercisable (after giving effect to any acceleration of vesting pursuant to this Agreement or otherwise) will terminate on the date of such termination of employment.

(b) Upon termination of Participant's employment with the Company, that portion of the Award that is vested and exercisable will terminate in accordance with the following:

(i) if Participant's employment with the Company is terminated for Cause, the vested and exercisable portion of the Award will terminate on the date of such termination;

(ii) if Participant's employment with the Company is terminated by reason of Participant's death or disability (as such term is defined in Section 22(e) of the Code), the vested and exercisable portion of the Award will terminate on the date that is one hundred eighty (180) days immediately following the date of such termination;

(iii) if Participant's employment with the Company is terminated by the Company without Cause or by reason of Participant's resignation for Good Reason, the

vested and exercisable portion of the Award will terminate on the date that is the earlier of (A) six months following the expiration of any lock-up agreement to which Participant is subject with respect to the Common Shares subject to this Award and (B) the second anniversary of such termination, but in no event earlier than the expiration of the Standard Exercise Period (as defined below);

(iv) if Participant's employment with the Company is terminated by reason of Participant's resignation without Good Reason, the vested and exercisable portion of the Award will terminate upon the expiration of the Standard Exercise Period (as defined below).

(c) For purposes of this Agreement, the term "Cause" shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

(d) For purposes of this Agreement, the term "Good Reason" shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

(e) For purposes of this Agreement, the term "Standard Exercise Period" shall mean the 30-day period immediately following the termination of Participant's employment with the Company for any reason; provided that, if at the time of such termination the Company is in a "trading black-out" or "quiet period" or subject to a lock-up period other than in connection with its initial public offering, or Participant is otherwise prohibited from selling the Common Shares subject to the Award due to material non-public information or applicable regulation, then the Standard Exercise Period shall be then period that expires thirty (30) days immediately following the expiration of any such restriction.

(f) Notwithstanding anything herein or in the Plan to the contrary, for purposes of this Paragraph 3, if Participant continues to provide services to the Company or any of its Subsidiaries as a director or consultant after the termination of Participant's full-time employment with the Company, Participant shall not be deemed to have terminated employment with the Company until the termination of Participant's service to the Company and its Subsidiaries in all capacities.

4. Method of Exercise. The Award may be exercised by delivery to the Company (attention: Secretary) of a notice of exercise in the form specified by the Company specifying the number of shares with respect to which the Award is being exercised.

5. Fractional Shares. No fractional shares may be purchased upon any exercise.

6. Adjustments of Shares and Awards.

(a) Subject to Section 12(a) of the Plan, in the event of any change in the outstanding Shares by reason of an acquisition, spin-off or reclassification, recapitalization or merger, combination or exchange of Common Shares or other corporate exchange, Change of Control or similar event, the Committee shall adjust appropriately the number or kind of shares or securities subject to the Award and Base Prices related thereto and make such other revisions to the Award as it deems are equitably required.

(b) Notwithstanding anything in the Plan to the contrary, with respect to any merger or consolidation of the Company into another corporation, the sale or exchange of all or substantially all of the assets of the Company, a Change of Control or the recapitalization, reclassification, liquidation or dissolution of the Company or any other similar fundamental transaction involving the Company or any of its Subsidiaries (any of the foregoing, a “Qualifying Event”), the Committee shall provide either: (i) that the Award cannot be exercised after such Qualifying Event, provided that the Award shall be immediately and fully vested immediately prior to the consummation of any such Qualifying Event, and provided further that nothing in this Paragraph 6(b) shall prohibit Participant from exercising any then exercisable portion of the Award (including any portion thereof which will become exercisable by virtue of such Qualifying Event) prior to, or simultaneously with, the occurrence of such Qualifying Event and that, upon the occurrence of such Qualifying Event, the Award will terminate and be of no further force or effect and no longer be outstanding; (ii) that the Award will remain outstanding after such Qualifying Event, and from and after the consummation of such Qualifying Event, the Award will be exercisable for the kind and amount of securities and/or other property receivable as a result of such Qualifying Event by the holder of a number of Common Shares for which the Award could have been exercised immediately prior to such Qualifying Event; or (iii) the Award (including both the exercisable and unexercisable portions thereof) will be cancelled in its entirety and repurchased by the Company at a specific price equal to the excess, if any, of the Fair Market Value of the relevant underlying Common Shares less the applicable Base Price and that, upon the occurrence of such Qualifying Event, the Award will terminate and be of no further force or effect and no longer be outstanding. In the event of any conflict or inconsistency between the terms and conditions of this Paragraph 6(b) and the terms and conditions of Sections 12(b) and/or 13 of the Plan, the terms and condition of this Paragraph 6(b) shall control. The Committee’s election pursuant to this Paragraph 6(b) will be applied in the same manner to all other holders of the Company’s stock options and stock appreciation rights whose award agreements contain a similar provision. The Committee may only elect the alternatives specified in clauses (i) or (iii) of the first sentence of this Paragraph 6(b) in connection with any Qualifying Event described in clauses (iii)(A) or (iii)(C) of the definition of “Change of Control” (as such term is defined in the Plan).

7. Compliance With Legal Requirements.

(a) The Award shall not be exercisable and no Common Shares shall be issued or transferred pursuant to this Agreement or the Plan unless and until the Tax Withholding Obligation (as defined below), and all legal requirements applicable to such issuance or transfer have, in the opinion of counsel to the Company, been satisfied. Such legal requirements may

include, but are not limited to, (i) registering or qualifying such Common Shares under any state or federal law or under the rules of any stock exchange or trading system, (ii) satisfying any applicable law or rule relating to the transfer of unregistered securities or demonstrating the availability of an exemption from applicable laws, (iii) placing a restricted legend on the Common Shares issued pursuant to the exercise of the Award, or (iv) obtaining the consent or approval of any governmental regulatory body.

(b) Participant understands that the Company is under no obligation to register for resale the Common Shares issued upon exercise of the Award. The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any exercise of the Award and/or any resales by Participant or other subsequent transfers by Participant of any Common Shares issued as a result of the exercise of the Award, including without limitation (i) restrictions under an insider trading policy, (ii) restrictions that may be necessary in the absence of an effective registration statement under the Securities Act of 1933, as amended, covering the Award and/or the Common Shares underlying the Award and (iii) restrictions as to the use of a specified brokerage firm or other agent for exercising the Award and/or for such resales or other transfers. The sale of the shares underlying the Award must also comply with other applicable laws and regulations governing the sale of such shares.

8. Shareholder Rights. Participant shall not be deemed a shareholder of the Company with respect to any of the Common Shares subject to the Award, except to the extent that such shares shall have been purchased and transferred to Participant.

9. Withholding Taxes.

(a) Participant is liable and responsible for all taxes owed in connection with the Award, regardless of any action the Company takes with respect to any tax withholding obligations that arise in connection with the Award. The Company does not make any representation or undertaking regarding the treatment of any tax withholding in connection with the grant, vesting or settlement of the Award or the subsequent sale of Common Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate Participant's tax liability.

(b) Prior to any event in connection with the Award (e.g., vesting or payment in respect of the Award) that the Company determines may result in any domestic or foreign tax withholding obligation, whether national, federal, state or local, including any social tax obligation (the "Tax Withholding Obligation"), Participant is required to arrange for the satisfaction of the amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(c) Unless the Committee provides otherwise, at any time not less than five (5) business days before any Tax Withholding Obligation arises (e.g., at the time the Award is exercised, in whole or in part), Participant shall notify the Company of Participant's election to pay Participant's Tax Withholding Obligation by wire transfer, cashier's check or other means permitted by the Company. In such case, Participant shall satisfy his or her tax withholding obligation by paying to the Company on such date as it shall specify an amount that the

Company determines is sufficient to satisfy the expected Tax Withholding Obligation by (i) wire transfer to such account as the Company may direct, (ii) delivery of a cashier's check payable to the Company, Attn: General Counsel, at the Company's principal executive offices, or such other address as the Company may from time to time direct, or (iii) such other means as the Company may establish or permit (including by means of a "same day sale" program developed under Regulation T as promulgated by the Federal Reserve Board to the extent permitted by the Company and applicable law). Participant agrees and acknowledges that prior to the date the Tax Withholding Obligation arises, the Company will be required to estimate the amount of the Tax Withholding Obligation and accordingly may require the amount paid to the Company under this Paragraph 9(c) to be more than the minimum amount that may actually be due and that, if Participant has not delivered payment of a sufficient amount to the Company to satisfy the Tax Withholding Obligation (regardless of whether as a result of the Company underestimating the required payment or Participant failing to timely make the required payment), the additional Tax Withholding Obligation amounts shall be satisfied such other means as the Committee deems appropriate.

10. Assignment or Transfer Prohibited. The Award may not be assigned or transferred otherwise than by will or by the laws of descent and distribution, and may be exercised during the life of Participant only by Participant or Participant's guardian or legal representative. Neither the Award nor any right hereunder shall be subject to attachment, execution or other similar process. In the event of any attempt by Participant to alienate, assign, pledge, hypothecate or otherwise dispose of the Award or any right hereunder, except as provided for herein, or in the event of the levy or any attachment, execution or similar process upon the rights or interests hereby conferred, the Company may terminate the Award by notice to Participant, and the Award shall thereupon become null and void.

11. Committee Authority. Any question concerning the interpretation of this Agreement or the Plan, any adjustments required to be made under this Agreement or the Plan, and any controversy that may arise under this Agreement or the Plan shall be determined by the Committee in its sole and absolute discretion. All decisions by the Committee shall be final and binding.

12. Application of the Plan. The terms of this Agreement are governed by the terms of the Plan, as it exists on the date of hereof and as the Plan is amended from time to time. In the event of any conflict between the provisions of this Agreement and the provisions of the Plan, the terms of the Plan shall control, except as expressly stated otherwise herein. As used herein, the term "Section" generally refers to provisions within the Plan, and the term "Paragraph" refers to provisions of this Agreement.

13. No Right to Continued Employment. Nothing in the Plan, in this Agreement or any other instrument executed pursuant thereto or hereto shall confer upon Participant any right to continued employment with the Company or any of its subsidiaries or affiliates.

14. Further Assurances. Each party hereto shall cooperate with each other party, shall do and perform or cause to be done and performed all further acts and things, and shall execute and deliver all other agreements, certificates, instruments, and documents as any other party hereto

reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan.

15. Entire Agreement. This Agreement and the Plan together set forth the entire agreement and understanding between the parties as to the subject matter hereof and supersede all prior oral and written and all contemporaneous or subsequent oral discussions, agreements and understandings of any kind or nature.

16. Successors and Assigns. The provisions of this Agreement will inure to the benefit of, and be binding on, the Company and its successors and assigns and Participant and Participant's legal representatives, heirs, legatees, distributees, assigns and transferees by operation of law, whether or not any such person will have become a party to this Agreement and agreed in writing to join herein and be bound by the terms and conditions hereof.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

2005 STOCK INCENTIVE PLAN**

STOCK UNIT AWARD AGREEMENT

This Stock Unit Award Agreement (this "Agreement") is dated as of this ___ day of _____, 2006 (the "Grant Date"), and is between Herbalife Ltd. (the "Company") and _____ ("Participant").

WHEREAS, the Company, by action of the Board and approval of its shareholders established the Herbalife Ltd. 2005 Stock Incentive Plan (the "Plan");

WHEREAS, Participant is employed by the Company or one or more of its Subsidiaries and the Company desires to encourage Participant to own Common Shares for the purposes stated in Section 1 of the Plan;

WHEREAS, Participant and the Company have entered into this Agreement to govern the terms of the Stock Unit Award (as defined below) granted to Participant by the Company.

NOW, THEREFORE, in consideration of the foregoing, the parties hereto agree as follows:

1. Grant.

(a) The Company hereby grants to Participant an Award of ___ Stock Units (the "Award") in accordance with Section 9 of the Plan and subject to the conditions set forth in this Agreement and the Plan (as amended from time to time). Each Stock Unit represents the right to receive one Common Share (as adjusted from time to time pursuant to Section 12 of the Plan) subject to the fulfillment of the vesting and other conditions set forth in this Agreement. By accepting the Award, Participant irrevocably agrees on behalf of Participant and Participant's successors and permitted assigns to all of the terms and conditions of the Award as set forth in or pursuant to this Agreement and the Plan (as such Plan may be amended from time to time).

(b) Except as otherwise defined herein, capitalized terms used herein shall have the meanings set forth in the Plan.

2. Vesting.

(a) Participant's Stock Units and rights in and to the Common Shares subject to the Stock Units shall not be vested as of the Grant Date and shall be forfeitable unless and until otherwise vested pursuant to the terms of this Agreement. Subject to Participant's continued employment with the Company and/or its subsidiaries or affiliates the Award (or as otherwise provided in Paragraph 5) shall become vested in accordance with the following schedule: (i) one-third of the Stock Units subject to the Award shall vest on the date that is thirteen (13) months following the Grant Date, (ii) one-third of the Stock Units subject to the Award shall vest on the second anniversary of the Grant Date, and (iii) the remaining one-third of the Stock Units

subject to the Award shall vest on third anniversary of the Grant Date (each such date a "Vesting Date"). Stock Units that have vested and are no longer subject to forfeiture are referred to herein as "Vested Units." Stock Units that are not vested and remain subject to forfeiture are referred to herein as "Unvested Units."

(b) Notwithstanding anything herein or in the Plan to the contrary, upon the occurrence of a Change of Control, the vesting of the Award shall be accelerated such that 50% of the then Unvested Units shall become Vested Units as of immediately prior to the consummation of the Change of Control; and

(c) Notwithstanding anything herein or in the Plan to the contrary:

(i) in the event that, (x) within the 90-day period immediately preceding a Change in Control or (y) at any time following a Change of Control, Participant's employment with the Company and its Subsidiaries (or their respective successors) is terminated for any reason other than by reason of Participant's resignation without Good Reason or a termination for Cause, all Unvested Units shall vest as of the date of such termination of employment;

(ii) except as set forth in Paragraph 2(c)(i), in the event that (A) Participant's employment with the Company and its Subsidiaries (or their respective successors) is terminated for any reason other than by reason of Participant's resignation for any reason or a termination by the Company for Cause and (B) at the time of such termination of employment, Michael O. Johnson is no longer serving as the Chief Executive Officer of the Company, the vesting of the Award shall be accelerated such that 50% of the then Unvested Units shall become Vested Units as of immediately prior to such termination of employment; and

(iii) in the event that Participant's employment with the Company is terminated by reason of Participant's death or disability (as such term is defined in Section 22(e) of the Code), all Unvested Units shall vest as of the date of such termination of employment.

(d) In addition to the foregoing, subject to Paragraph 7 below, in the event of a Change of Control, the Committee as constituted immediately before such Change of Control may, in its sole discretion, accelerate the vesting and exercisability of this Award upon such Change of Control or take such other actions as provided in Section 13 of the Plan.

(e) For purposes of this Agreement, the term "Cause" shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

(f) For purposes of this Agreement, the term "Good Reason" shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

3. Settlement of Restricted Stock Units.

(a) Subject to any deferral pursuant to Paragraph 3(b), each Vested Unit will be settled by the delivery of one Common Share (subject to adjustment under Section 12 of the Plan) to Participant or, in the event of Participant's death, to Participant's estate, heir or beneficiary, following the applicable Vesting Date; provided that the Participant has satisfied all of the tax withholding obligations described in Paragraph 8, and that Participant has completed, signed and returned any documents and taken any additional action that the Company deems appropriate to enable it to accomplish the delivery of the Common Shares.

(b) Subject to the satisfaction all of the tax withholding obligations described in Paragraph 8, Participant may elect to defer the receipt of any Common Shares issuable pursuant to Vested Units by submitting to the Company an election to defer receipt in the forms attached hereto as Exhibit A. In the event Participant intends to defer the receipt of any Common Shares, Participant must submit to the Company a deferral election form within thirty (30) days following the Grant Date. Participant hereby represents that Participant understands the effect of any such deferral under relevant federal, state and local tax laws. Notwithstanding anything herein to the contrary, the settlement of that portion of the Award that vests on June 30, 2006 may not be deferred.

(c) The date upon which Common Shares are to be issued under either Paragraph 3(a) or 3(b) above is referred to as the "Settlement Date." The issuance of the Common Shares hereunder may be effected by the issuance of a stock certificate, recording shares on the stock records of the Company or by crediting shares in an account established on Participant's behalf with a brokerage firm or other custodian, in each case as determined by the Company. Fractional shares will not be issued pursuant to the Award.

(d) Notwithstanding the above, (i) for administrative or other reasons, the Company may from time to time temporarily suspend the issuance of Common Shares in respect of Vested Units, (ii) the Company shall not be obligated to deliver any shares of the Common Stock during any period when the Company determines that the delivery of shares hereunder would violate any federal, state or other applicable laws, (iii) the Company may issue Common Shares hereunder subject to any restrictive legends that, as determined by the Company's counsel, are necessary to comply with securities or other regulatory requirements and (iv) the date on which shares are issued hereunder may include a delay in order to provide the Company such time as it determines appropriate to address tax withholding and other administrative matters.

4. Shareholder Rights. Prior to any issuance of Common Shares in settlement of the Award, no Common Shares will be reserved or earmarked for Participant or Participant's account nor shall Participant have any of the rights of a stockholder with respect to such Common Shares. Except as set forth in Paragraph 5, the Participant will not be entitled to any privileges of ownership of the Common Shares (including, without limitation, any voting rights) underlying Vested Units and/or Unvested Units unless and until Common Shares are actually delivered to Participant hereunder.

5. Dividend Equivalent Rights. From and after the Grant Date and unless and until the Award is forfeited or otherwise transferred back to the Company, Participant will be credited with additional Stock Units having a value equal to dividends declared by the Company, if any, with record dates that occur prior to the settlement of the Award as if the Common Shares underlying the Award had been issued and outstanding, based on the Fair Market Value of a Common Share on the applicable dividend payment date. Any such additional Stock Units shall be considered part of the Award and shall also be credited with additional Stock Units as dividends, if any, are declared, and shall be subject to the same restrictions and conditions as the Stock Units subject to the Award with respect to which they were credited (including, but not limited to, the forfeiture provisions set forth in Paragraph 6). Notwithstanding the foregoing, no such additional Stock Units will be credited with respect to any dividend declared by the Company in connection with which the Award is adjusted pursuant to Section 12 of the Plan.

6. Effect of Termination of Employment. Except as provided in this Paragraph 6 or the Plan, upon a termination of Participant's employment with the Company for any reason, the Unvested Units shall be forfeited by Participant and cancelled and surrendered to the Company without payment of any consideration to Participant. Notwithstanding anything herein to the contrary, upon and following a termination of Participant's employment with the Company by reason of Participant's Retirement (as defined below), the Award shall continue to vest in accordance with the terms of Paragraph 2 and be settled in accordance with Paragraph 3, in each case, as if Participant remained employed by the Company for a period of three years following such Retirement, at which time any then Unvested Units shall be forfeited by Participant and cancelled and surrendered to the Company without payment of any consideration to Participant. For purposes of this Agreement, the term "Retirement" shall mean termination of Participant's employment with the Company and its Subsidiaries if the sum of Participant's age and years of continuous service with the Company and its Subsidiaries is then equal to at least 75.

7. Adjustments of Common Shares and Awards.

(a) Subject to Section 12(a) of the Plan, in the event of any change in the outstanding Common Shares by reason of an acquisition, spin-off or reclassification, recapitalization or merger, combination or exchange of Common Shares or other corporate exchange, Change of Control or similar event, the Committee shall adjust appropriately the number or kind of shares or securities subject to the Award and make such other revisions to the Award as it deems are equitably required.

(b) Notwithstanding anything in the Plan to the contrary, with respect to any merger or consolidation of the Company into another corporation, the sale or exchange of all or substantially all of the assets of the Company, a Change of Control or the recapitalization, reclassification, liquidation or dissolution of the Company or any other similar fundamental transaction involving the Company or any of its Subsidiaries (any of the foregoing, a "Qualifying Event"), the Committee shall provide either: (i) that the Award will terminate upon such Qualifying Event, provided that the Award shall be immediately and fully vested immediately prior to the consummation of any such Qualifying Event, and provided further that upon the occurrence of such Qualifying Event, the Award will terminate and be of no further force or effect and no longer be outstanding; (ii) that the Award will remain outstanding after such Qualifying Event, and from and after the consummation of such Qualifying Event, the Award

will be cover the kind and amount of securities and/or other property receivable as a result of such Qualifying Event by the holder of a number of Common Shares subject to the Award immediately prior to such Qualifying Event; or (iii) the Award will be cancelled in its entirety and repurchased by the Company at a specific price equal to the Fair Market Value of the Common Shares underlying the Award and that, upon the occurrence of such Qualifying Event, the Award will terminate and be of no further force or effect and no longer be outstanding. In the event of any conflict or inconsistency between the terms and conditions of this Paragraph 7(b) and the terms and conditions of Sections 12(b) and/or 13 of the Plan, the terms and condition of this Paragraph 7(b) shall control. The Committee's election pursuant to this Paragraph 7(b) will be applied in the same manner to all other holders of the Company's awards whose award agreements contain a similar provision. The Committee may only elect the alternatives specified in clauses (i) or (iii) of the first sentence of this Paragraph 7(b) in connection with any Qualifying Event described in clauses (iii)(A) or (iii)(C) of the definition of "Change of Control" (as such term is defined in the Plan).

8. Withholding Taxes.

(a) Participant is liable and responsible for all taxes owed in connection with the Award, regardless of any action the Company takes with respect to any tax withholding obligations that arise in connection with the Award. The Company does not make any representation or undertaking regarding the treatment of any tax withholding in connection with the grant, vesting or settlement of the Award or the subsequent sale of Common Shares issuable pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate Participant's tax liability.

(b) Prior to any event in connection with the Award (e.g., vesting or payment in respect of the Award) that the Company determines may result in any domestic or foreign tax withholding obligation, whether national, federal, state or local, including any social tax obligation (the "Tax Withholding Obligation"), Participant is required to arrange for the satisfaction of the amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(c) Unless the Committee provides otherwise, at any time not less than five (5) business days before any Tax Withholding Obligation arises (e.g., a Settlement Date), Participant shall notify the Company of Participant's election to pay Participant's Tax Withholding Obligation by wire transfer, cashier's check or other means permitted by the Company. In such case, Participant shall satisfy his or her tax withholding obligation by paying to the Company on such date as it shall specify an amount that the Company determines is sufficient to satisfy the expected Tax Withholding Obligation by (i) wire transfer to such account as the Company may direct, (ii) delivery of a cashier's check payable to the Company, Attn: General Counsel, at the Company's principal executive offices, or such other address as the Company may from time to time direct, or (iii) such other means as the Company may establish or permit (including by means of a "same day sale" program developed under Regulation T as promulgated by the Federal Reserve Board to the extent permitted by the Company and applicable law). Participant agrees and acknowledges that prior to the date the Tax Withholding Obligation arises, the Company will be required to estimate the amount of the Tax Withholding Obligation and accordingly may require the amount paid to the Company under this Paragraph 8(c) to be more

than the minimum amount that may actually be due and that, if Participant has not delivered payment of a sufficient amount to the Company to satisfy the Tax Withholding Obligation (regardless of whether as a result of the Company underestimating the required payment or Participant failing to timely make the required payment), the additional Tax Withholding Obligation amounts shall be satisfied such other means as the Committee deems appropriate.

9. Securities Law Compliance. Participant understands that the Company is under no obligation to register for resale the Common Shares issued upon exercise of the Award. The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by Participant or other subsequent transfers by Participant of any Common Shares issued as a result of or under this Award, including without limitation (i) restrictions under an insider trading policy, (ii) restrictions that may be necessary in the absence of an effective registration statement under the Securities Act of 1933, as amended, covering the Award and/or the Common Shares underlying the Award and (iii) restrictions as to the use of a specified brokerage firm or other agent for such resales or other transfers. Any sale of the Common Shares must also comply with other applicable laws and regulations governing the sale of such shares.

10. Assignment or Transfer Prohibited. STOCK APPRECIATION RIGHT AWARD AGREEMENT

STOCK APPRECIATION RIGHT AGREEMENT (this "Agreement") dated as of _____, 2006 (the "Grant Date") between HERBALIFE LTD. (the "Company"), and _____ ("Participant").

WHEREAS, pursuant to the Herbalife Ltd. 2005 Stock Incentive Plan (the "Plan"), the Committee designated under the Plan (or an officer of the Company to who the authority to grant Awards has been delegated), desires to grant to Participant an award of stock appreciation rights; and

WHEREAS, Participant desires to accept such award subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained herein, the Company and Participant, intending to be legally bound, hereby agree as follows:

1. Grant.

(a) The Company hereby grants to the Participant an Award of _____ Stock Appreciation Rights (the "Award") in accordance with Section 8 of the Plan and subject to the terms and conditions set forth herein and in the Plan (each as amended from time to time). Each Stock Appreciation Right represents the right to receive, upon exercise of the Stock Appreciation Right pursuant to this Agreement, from the Company, a payment, paid in Common Shares, par value \$.002 per share, of the Company (the "Common Shares"), equal to (i) the excess of the Fair Market Value, on the date of exercise, of one Common Share (as adjusted from time to time pursuant to Section 12 of the Plan) over the Base Price (as defined below) of the Stock Appreciation Right, divided by (ii) the Fair Market Value, on the date of exercise, of one Common Share, subject to terms and conditions set forth herein and in the Plan (each as amended from time to time).

(b) The "Base Price" for the Stock Appreciation Right shall be \$ _____ per share (subject to adjustment as set forth in Section 12 of the Plan).

(c) Except as otherwise defined herein, capitalized terms used herein shall have the meanings set forth in the Plan.

2. Time for Exercise.

(a) The Award will become vested and exercisable in quarterly 5% increments beginning on the last day of the calendar quarter during which the Grant Date occurs and on the last day of each subsequent calendar quarter until the Award becomes fully exercisable on the last day of the calendar quarter immediately preceding the fifth anniversary of the Grant Date.

(b) Notwithstanding anything herein or in the Plan to the contrary, upon the occurrence of a Change of Control, the vesting of the Award shall be accelerated such that 50% of the then unvested portion of the Award shall become vested and exercisable as of the date of the Change of Control; and

(c) Notwithstanding anything herein or in the Plan to the contrary:

(i) in the event that, (x) within the 90-day period immediately preceding a Change in Control or (y) at any time following a Change of Control, Participant's employment with the Company and its Subsidiaries (or their respective successors) is terminated for any reason other than by reason of Participant's resignation without Good Reason or a termination for Cause, the Award shall become immediately and fully vested and exercisable as of immediately prior to such termination of employment;

(ii) except as set forth in Paragraph 2(c)(i), in the event that (A) Participant's employment with the Company and its Subsidiaries (or their respective successors) is terminated for any reason other than by reason of Participant's resignation for any reason or a termination by the Company for Cause (as defined below) and (B) at the time of such termination of employment, Michael O. Johnson is no longer serving as the Chief Executive Officer of the Company, the vesting of the Award shall be accelerated such that 50% of the then unvested portion of the Award shall become vested and exercisable as of immediately prior to such termination of employment; and

(iii) in the event of Participant's death or disability (as such term is defined in Section 22(e) of the Code), the Award shall become immediately and fully vested and exercisable.

(d) In addition to the foregoing, subject to Paragraph 6 below, in the event of a Change of Control, the Committee as constituted immediately before such Change of Control may, in its sole discretion, accelerate the vesting and exercisability of this Award upon such Change of Control or take such other actions as provided in Section 13 of the Plan.

3. Expiration. The Award shall expire on the tenth (10th) anniversary of the date hereof; provided, however, that the Award may earlier terminate as provided in this Paragraph 3 and/or in Section 13 of the Plan.

(a) Upon termination of Participant's employment with the Company for any reason other than by reason of Participant's Retirement (as defined below), that portion of the Award that is not vested and exercisable (after giving effect to any acceleration of vesting pursuant to this Agreement or otherwise) will terminate on the date of such termination of employment.

(b) Upon termination of Participant's employment with the Company by reason of Participant's Retirement (as defined below), the Award shall continue to vest in accordance with the terms of Paragraph 2 as if Participant remained employed by the Company for a period of three years following such retirement, at which time that portion of the Award that is not then vested and exercisable will terminate. For purposes of this Agreement, the term "Retirement"

shall mean termination of Participant's employment with the Company and its Subsidiaries if the sum of Participant's age and years of continuous service with the Company and its Subsidiaries is then equal to at least 75.

(c) Upon termination of Participant's employment with the Company, that portion of the Award that is vested and exercisable, and any portion of the Award that becomes vested and exercisable in accordance with Paragraph 2(b), will terminate in accordance with the following:

(i) if Participant's employment with the Company is terminated for Cause, the vested and exercisable portion of the Award will terminate on the date of such termination;

(ii) if Participant's employment with the Company is terminated by reason of Participant's death or disability (as such term is defined in Section 22(e) of the Code), the vested and exercisable portion of the Award will terminate on the date that is one year immediately following the date of such termination;

(iii) except as set forth in Paragraph 3(c)(iv), if Participant's employment with the Company is terminated by the Company without Cause or by reason of Participant's resignation for Good Reason, the vested and exercisable portion of the Award will terminate on the date that is three years immediately following the date of such termination;

(iv) if Participant's employment with the Company is terminated by reason of Participant's Retirement, the vested and exercisable portion of the Award (including any portion of the Award that becomes vested and exercisable in accordance with Paragraph 2(b)) will terminate on the date that is three years and thirty days immediately following the date of such termination;

(v) except as set forth in Paragraph 3(c)(iv), if Participant's employment with the Company is terminated by reason of Participant's resignation without Good Reason, the vested and exercisable portion of the Award will terminate on the date that is thirty days immediately following the date of such termination.

(d) Notwithstanding anything herein to the contrary, if Participant's employment with the Company is terminated for any reason other than a termination by the Company for Cause, and at any time during the thirty-day period following the effective date of such termination of employment Participant is subject to a "trading blackout" or "quiet period" with respect to the Common Shares or if the Company determines, upon the advice of legal counsel, that Participant may not to trade in the Common Shares due to Participant's possession of material non-public information, the Company shall extend the period during which Participant may exercise his then remaining vested portion of this Award until the later of (i) the expiration date of the Award determined pursuant to Paragraph 3(c) and (ii) the date that is thirty days following the first date on which Participant is no longer subject to such restrictions on trading with respect to the Common Shares.

(e) For purposes of this Agreement, the term “Cause” shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

(f) For purposes of this Agreement, the term “Good Reason” shall have the meaning ascribed to such term in any written employment agreement between Participant and the Company or one or more of its Subsidiaries, as the same may be amended or modified from time to time.

4. Method of Exercise. The Award may be exercised by delivery to the Company (attention: Secretary) of a notice of exercise in the form specified by the Company specifying the number of shares with respect to which the Award is being exercised.

5. Fractional Shares. No fractional shares may be purchased upon any exercise.

6. Adjustments of Shares and Awards.

(a) Subject to Section 12(a) of the Plan, in the event of any change in the outstanding Shares by reason of an acquisition, spin-off or reclassification, recapitalization or merger, combination or exchange of Common Shares or other corporate exchange, Change of Control or similar event, the Committee shall adjust appropriately the number or kind of shares or securities subject to the Award and Base Prices related thereto and make such other revisions to the Award as it deems are equitably required.

(b) Notwithstanding anything in the Plan to the contrary, with respect to any merger or consolidation of the Company into another corporation, the sale or exchange of all or substantially all of the assets of the Company, a Change of Control or the recapitalization, reclassification, liquidation or dissolution of the Company or any other similar fundamental transaction involving the Company or any of its Subsidiaries (any of the foregoing, a “Qualifying Event”), the Committee shall provide either: (i) that the Award cannot be exercised after such Qualifying Event, provided that the Award shall be immediately and fully vested immediately prior to the consummation of any such Qualifying Event, and provided further that nothing in this Paragraph 6(b) shall prohibit Participant from exercising any then exercisable portion of the Award (including any portion thereof which will become exercisable by virtue of such Qualifying Event) prior to, or simultaneously with, the occurrence of such Qualifying Event and that, upon the occurrence of such Qualifying Event, the Award will terminate and be of no further force or effect and no longer be outstanding; (ii) that the Award will remain outstanding after such Qualifying Event, and from and after the consummation of such Qualifying Event, the Award will be exercisable for the kind and amount of securities and/or other property receivable as a result of such Qualifying Event by the holder of a number of Common Shares for which the Award could have been exercised immediately prior to such Qualifying Event; or (iii) the Award (including both the exercisable and unexercisable portions thereof) will be cancelled in its entirety and repurchased by the Company at a specific price equal to the excess, if any, of the Fair Market Value of the relevant underlying Common Shares less the applicable Base Price and that, upon the occurrence of such Qualifying Event, the Award will terminate and be of no

further force or effect and no longer be outstanding. In the event of any conflict or inconsistency between the terms and conditions of this Paragraph 6(b) and the terms and conditions of Sections 12(b) and/or 13 of the Plan, the terms and condition of this Paragraph 6(b) shall control. The Committee's election pursuant to this Paragraph 6(b) will be applied in the same manner to all other holders of the Company's stock options and stock appreciation rights whose award agreements contain a similar provision. The Committee may only elect the alternatives specified in clauses (i) or (iii) of the first sentence of this Paragraph 6(b) in connection with any Qualifying Event described in clauses (iii)(A) or (iii)(C) of the definition of "Change of Control" (as such term is defined in the Plan).

7. Compliance With Legal Requirements.

(a) The Award shall not be exercisable and no Common Shares shall be issued or transferred pursuant to this Agreement or the Plan unless and until the Tax Withholding Obligation (as defined below), and all legal requirements applicable to such issuance or transfer have, in the opinion of counsel to the Company, been satisfied. Such legal requirements may include, but are not limited to, (i) registering or qualifying such Common Shares under any state or federal law or under the rules of any stock exchange or trading system, (ii) satisfying any applicable law or rule relating to the transfer of unregistered securities or demonstrating the availability of an exemption from applicable laws, (iii) placing a restricted legend on the Common Shares issued pursuant to the exercise of the Award, or (iv) obtaining the consent or approval of any governmental regulatory body.

(b) Participant understands that the Company is under no obligation to register for resale the Common Shares issued upon exercise of the Award. The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any exercise of the Award and/or any resales by Participant or other subsequent transfers by Participant of any Common Shares issued as a result of the exercise of the Award, including without limitation (i) restrictions under an insider trading policy, (ii) restrictions that may be necessary in the absence of an effective registration statement under the Securities Act of 1933, as amended, covering the Award and/or the Common Shares underlying the Award and (iii) restrictions as to the use of a specified brokerage firm or other agent for exercising the Award and/or for such resales or other transfers. The sale of the shares underlying the Award must also comply with other applicable laws and regulations governing the sale of such shares.

8. Shareholder Rights. Participant shall not be deemed a shareholder of the Company with respect to any of the Common Shares subject to the Award, except to the extent that such shares shall have been purchased and transferred to Participant.

9. Withholding Taxes.

(a) Participant is liable and responsible for all taxes owed in connection with the Award, regardless of any action the Company takes with respect to any tax withholding obligations that arise in connection with the Award. The Company does not make any representation or undertaking regarding the treatment of any tax withholding in connection with the grant, vesting or settlement of the Award or the subsequent sale of Common Shares issuable

pursuant to the Award. The Company does not commit and is under no obligation to structure the Award to reduce or eliminate Participant's tax liability.

(b) Prior to any event in connection with the Award (e.g., vesting or payment in respect of the Award) that the Company determines may result in any domestic or foreign tax withholding obligation, whether national, federal, state or local, including any social tax obligation (the "Tax Withholding Obligation"), Participant is required to arrange for the satisfaction of the amount of such Tax Withholding Obligation in a manner acceptable to the Company.

(c) Unless the Committee provides otherwise, at any time not less than five (5) business days before any Tax Withholding Obligation arises (e.g., at the time the Award is exercised, in whole or in part), Participant shall notify the Company of Participant's election to pay Participant's Tax Withholding Obligation by wire transfer, cashier's check or other means permitted by the Company. In such case, Participant shall satisfy his or her tax withholding obligation by paying to the Company on such date as it shall specify an amount that the Company determines is sufficient to satisfy the expected Tax Withholding Obligation by (i) wire transfer to such account as the Company may direct, (ii) delivery of a cashier's check payable to the Company, Attn: General Counsel, at the Company's principal executive offices, or such other address as the Company may from time to time direct, or (iii) such other means as the Company may establish or permit (including by means of a "same day sale" program developed under Regulation T as promulgated by the Federal Reserve Board to the extent permitted by the Company and applicable law). Participant agrees and acknowledges that prior to the date the Tax Withholding Obligation arises, the Company will be required to estimate the amount of the Tax Withholding Obligation and accordingly may require the amount paid to the Company under this Paragraph 9(c) to be more than the minimum amount that may actually be due and that, if Participant has not delivered payment of a sufficient amount to the Company to satisfy the Tax Withholding Obligation (regardless of whether as a result of the Company underestimating the required payment or Participant failing to timely make the required payment), the additional Tax Withholding Obligation amounts shall be satisfied such other means as the Committee deems appropriate.

10. Assignment or Transfer Prohibited. The Award may not be assigned or transferred otherwise than by will or by the laws of descent and distribution, and may be exercised during the life of Participant only by Participant or Participant's guardian or legal representative. Neither the Award nor any right hereunder shall be subject to attachment, execution or other similar process. In the event of any attempt by Participant to alienate, assign, pledge, hypothecate or otherwise dispose of the Award or any right hereunder, except as provided for herein, or in the event of the levy or any attachment, execution or similar process upon the rights or interests hereby conferred, the Company may terminate the Award by notice to Participant, and the Award shall thereupon become null and void.

11. Committee Authority. Any question concerning the interpretation of this Agreement or the Plan, any adjustments required to be made under this Agreement or the Plan, and any controversy that may arise under this Agreement or the Plan shall be determined by the

Committee in its sole and absolute discretion. All decisions by the Committee shall be final and binding.

12. Application of the Plan. The terms of this Agreement are governed by the terms of the Plan, as it exists on the date of hereof and as the Plan is amended from time to time. In the event of any conflict between the provisions of this Agreement and the provisions of the Plan, the terms of the Plan shall control, except as expressly stated otherwise herein. As used herein, the term "Section" generally refers to provisions within the Plan, and the term "Paragraph" refers to provisions of this Agreement.

13. No Right to Continued Employment. Nothing in the Plan, in this Agreement or any other instrument executed pursuant thereto or hereto shall confer upon Participant any right to continued employment with the Company or any of its subsidiaries or affiliates.

14. Further Assurances. Each party hereto shall cooperate with each other party, shall do and perform or cause to be done and performed all further acts and things, and shall execute and deliver all other agreements, certificates, instruments, and documents as any other party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan.

15. Entire Agreement. This Agreement and the Plan together set forth the entire agreement and understanding between the parties as to the subject matter hereof and supersede all prior oral and written and all contemporaneous or subsequent oral discussions, agreements and understandings of any kind or nature.

16. Successors and Assigns. The provisions of this Agreement will inure to the benefit of, and be binding on, the Company and its successors and assigns and Participant and Participant's legal representatives, heirs, legatees, distributees, assigns and transferees by operation of law, whether or not any such person will have become a party to this Agreement and agreed in writing to join herein and be bound by the terms and conditions hereof.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount (and currency) of its Applicable Percentage of the applicable Committed Loans, and if no timely notice of a conversion or continuation is provided by the applicable Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation of Committed Loans denominated in a currency other than Dollars, in each case as described in the preceding subsection. In the case of a Committed Borrowing, each Lender shall make the amount of its Committed Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office for the applicable currency not later than 12:00 noon, in the case of any Committed Loan denominated in Dollars, and not later than the Applicable Time specified by the Administrative Agent in the case of any Committed Loan in an Alternative Currency, in each case on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Company or the other applicable Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of such Borrower on the books of Bank of America with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the applicable Borrower; provided, however, that if, on the date the Committed Loan Notice with respect to such Borrowing denominated in Dollars is given by the Company, there are L/C Borrowings outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and, second, shall be made available to the applicable Borrower as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan or a Peso Rate Loan may be continued or converted only on the last day of an Interest Period for such Loan. During the existence of a Default, no Loans may be requested as, converted to or continued as Eurocurrency Rate Loans (whether in Dollars or any Alternative Currency) without the consent of the Required Lenders, and the Required Lenders may demand that any or all of the then outstanding Eurocurrency Rate Loans or Peso Rate Loans denominated in an Alternative Currency be prepaid, or redenominated into Dollars in the amount of the Dollar Equivalent thereof, on the last day of the then current Interest Period with respect thereto.

(d) The Administrative Agent shall promptly notify the Company and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans or Peso Rate Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Company and the Lenders of any change in Bank of America's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Committed Borrowings, all conversions of Committed Loans from one Type to the other, and all continuations of Committed Loans as the same Type, there shall not be more than ten Interest Periods in effect with respect to Committed Loans.

2.03 Letters of Credit. (a) The Letter of Credit Commitment

(i) Subject to the terms and conditions set forth herein, (A) the L/C Issuer agrees, in reliance upon the agreements of the Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or in one or more Alternative Currencies for the account of any Borrower or Subsidiary, and to amend or extend Letters of Credit previously issued by it, in accordance with subsection (b) below, and (2) to honor drawings under the Letters of Credit; and (B) the Lenders severally agree to participate in Letters of Credit issued for the account of any Borrower or Subsidiary and any drawings thereunder; provided that after giving effect to any L/C Credit Extension with respect to any Letter of Credit, (w) the Total Outstandings shall not exceed the Aggregate Commitments, (x) the aggregate Outstanding Amount of the Committed Loans of any Lender, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Commitment, (y) the Outstanding Amount of the L/C Obligations shall not exceed the Letter of Credit Sublimit and (z) the Outstanding Amount of all L/C Obligations denominated in Alternative Currencies shall not exceed \$100,000,000. Each request by a Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by such Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrowers' ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrowers may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof.

(ii) The L/C Issuer shall not issue any Letter of Credit, if:

(A) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless the Required Lenders have approved such expiry date; or

(B) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Lenders have approved such expiry date.

(iii) The L/C Issuer shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is in an initial stated amount less than \$25,000, in the case of a commercial Letter of Credit, or \$100,000, in the case of a standby Letter of Credit;

(D) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars or an Alternative Currency;

(E) the L/C Issuer does not as of the issuance date of such requested Letter of Credit issue Letters of Credit in the requested currency; or

(F) a default of any Lender's obligations to fund under Section 2.03(e) exists or any Lender is at such time a Defaulting Lender hereunder, unless the L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to the L/C Issuer (in its sole discretion) with the Borrowers or such Lender to eliminate the L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.18(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which the L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(iv) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.

(v) The L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) the L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(vi) The L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the applicable Borrower delivered to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of such Borrower. Such Letter of Credit Application must be received by the L/C Issuer and the Administrative Agent not later than 11:00 a.m. at least two Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of the requested Letter of Credit; and (H) such other matters as the L/C Issuer may require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the L/C Issuer may require. Additionally, the applicable Borrower shall furnish to the L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may require.

(ii) Promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the applicable Borrower and, if not, the L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Lender, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not then be satisfied, then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or the applicable Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Applicable Percentage times the amount of such Letter of Credit.

(iii) If the applicable Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the applicable Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Lender or the applicable Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each such case directing the L/C Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the applicable Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the applicable Borrower and the Administrative Agent thereof. In the case of any reimbursement of a drawing under a Letter of Credit denominated in an Alternative Currency, the L/C Issuer shall notify the applicable Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than 3:00 p.m. on the date of any payment by the L/C Issuer under a Letter of Credit, to the extent the relevant Borrower has received notice that such payment is to be made by 8:00 a.m. on such date or, in the event such notice is received after 8:00 a.m. on such date by not later than 12:00 p.m. on the next succeeding Business Day (each such date, an “Honor Date”), the applicable Borrower shall reimburse the L/C Issuer through the Administrative Agent in an amount equal to the Dollar Equivalent of the amount of such drawing and in Dollars. If the applicable Borrower fails to so reimburse the L/C Issuer by such time, the Administrative Agent shall promptly notify each Lender of the Honor Date, the amount of the unreimbursed drawing (expressed in Dollars in the amount of the Dollar Equivalent thereof in the case of a Letter of Credit denominated in an Alternative Currency) (the “Unreimbursed Amount”), and the amount of such Lender’s Applicable Percentage thereof. In such event, the applicable Borrower shall be deemed to have requested a Committed Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Aggregate Commitments and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the L/C Issuer, in Dollars, at the Administrative Agent's Office for Dollar-denominated payments in an amount equal to its Applicable Percentage of the Unreimbursed Amount not later than 10:00 a.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Lender that so makes funds available shall be deemed to have made a Base Rate Committed Loan to the applicable Borrower in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer in Dollars.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Committed Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the applicable Borrower shall be deemed to have incurred from the L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Lender's payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Lender funds its Committed Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Applicable Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Lender's obligation to make Committed Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the L/C Issuer, any Borrower, any Subsidiary or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Committed Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the applicable Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the applicable Borrower to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Committed Loan included in the relevant Committed Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from a Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Applicable Percentage thereof in Dollars and in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Lender shall pay to the Administrative Agent for the account of the L/C Issuer its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the applicable Borrower to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower or any Subsidiary thereof may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to any Borrower or any Subsidiary thereof or in the relevant currency markets generally; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary thereof.

Each Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the L/C Issuer. Each Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of L/C Issuer. Each Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude any Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, a Borrower may have a claim against the L/C Issuer, and the L/C Issuer may be liable to such Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower which such Borrower proves were caused by the L/C Issuer's willful misconduct or gross negligence or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the applicable Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(h) Letter of Credit Fees. Each Borrower shall pay to the Administrative Agent for the account of each Lender in accordance with its Applicable Percentage, in Dollars, a Letter of Credit fee (the "Letter of Credit Fee") for each Letter of Credit issued for its account equal to the Applicable Rate times the Dollar Equivalent of the daily amount available to be drawn under any such Letter of Credit; provided, however, any Letter of Credit Fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance

with the upward adjustments in their respective Applicable Percentages allocable to such Letter of Credit pursuant to Section 2.18(a)(iv), with the balance of such fee, if any, payable to the L/C Issuer for its own account. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. Letter of Credit Fees shall be (i) due and payable on the fifth Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand and (ii) computed on a quarterly basis in arrears. If there is any change in the Applicable Rate during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect. Notwithstanding anything to the contrary contained herein, upon the request of the Required Lenders, while any Event of Default exists, all Letter of Credit Fees shall accrue at the Default Rate.

(i) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer. Each Borrower shall pay directly to the L/C Issuer for its own account, in Dollars, a fronting fee with respect to each Letter of Credit issued for its account, at the rate per annum specified in the Fee Letter, computed on the Dollar Equivalent of the daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the fifth Business Day after the end of each March, June, September and December in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. In addition, each Borrower shall pay directly to the L/C Issuer for its own account, in Dollars, the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit issued for the account of such Borrower as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(j) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(k) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower that requested the issuance of such Letter of Credit shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(l) Letter of Credit Reporting. On a monthly basis, each L/C Issuer shall deliver to the Administrative Agent a complete list of all outstanding Letters of Credit issued by such L/C Issuer.

2.04 Swing Line Loans. (a) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, may in its sole discretion make loans in Dollars (each such loan, a “Swing Line Loan”) to the Company from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Committed Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender’s Commitment; provided, however, that after giving effect to any Swing Line Loan, (i) the Total Outstandings shall not exceed the Aggregate Commitments, and (ii) the aggregate Outstanding Amount of the Committed Loans of any Lender, plus such Lender’s Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender’s Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender’s Commitment, and provided, further, that the Company shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Company may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender’s Applicable Percentage times the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Company’s irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 11:00 a.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$1,000,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Company. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Lender) prior to 12:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 1:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Company at its office by crediting the account of the Company on the books of the Swing Line Lender in Same Day Funds.

(c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Company (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Lender make a Base Rate Committed Loan in an amount equal to such Lender's Applicable Percentage of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Company with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds (and the Administrative Agent may apply Cash Collateral available with respect to the applicable Swing Line Loan) for the account of the Swing Line Lender at the Administrative Agent's Office for Dollar-denominated payments not later than 10:00 a.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Base Rate Committed Loan to the Company in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Committed Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Committed Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Lenders fund its risk participation in the relevant Swing Line Loan and each Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Committed Loan included in the relevant Committed Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender's obligation to make Committed Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Company or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Committed Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Company to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Applicable Percentage thereof in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Lender shall pay to the Swing Line Lender its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Company for interest on the Swing Line Loans. Until each Lender funds its Base Rate Committed Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Company shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

2.05 Prepayments. (a) Any Borrower may, upon notice from the Company to the Administrative Agent, at any time or from time to time voluntarily prepay Committed Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Administrative Agent not later than 8:00 a.m. (A) three Business Days prior to any date of prepayment of Eurocurrency Rate Loans denominated in Dollars, (B) four Business Days (or five, in the case of prepayment of Loans denominated in Special Notice Currencies) prior to any date of prepayment of Eurocurrency Rate Loans denominated in Alternative Currencies or of Peso Rate Loans, and (C) on the date of prepayment of Base Rate Committed Loans; (ii) any prepayment of Eurocurrency Rate Loans denominated in Dollars shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof; (iii) any prepayment of Eurocurrency Rate Loans denominated in Alternative Currencies or of Peso Rate Loans shall be in a minimum principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof; and (iv) any prepayment of Base Rate Committed Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Committed Loans to be prepaid and, if Eurocurrency Rate Loans or Peso Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Company, the applicable Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that not more than two times per fiscal year, such notice, if accompanied by a commitment reduction notice in accordance with Section 2.06, may state that it is conditioned upon the effectiveness of other credit facilities or the incurrance of other Indebtedness, the consummation of a particular Disposition or the occurrence of a Change of Control, in which case such notice may be revoked by the applicable Borrower(s) (by notice to the Administrative Agent on or prior to the specified prepayment date) if such condition is not satisfied. Any prepayment of a Eurocurrency Rate Loan or Peso Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each such prepayment shall be applied to the Committed Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) The Company may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 10:00 a.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of \$1,000,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Company, the Company shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(c) If the Administrative Agent notifies the Company at any time that the Total Outstandings at such time exceed an amount equal to 110% of the Aggregate Commitments then in effect, then, within three Business Days after receipt of such notice, the Borrowers shall prepay Loans and/or any applicant Borrower shall Cash Collateralize the L/C Obligations in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Aggregate Commitments then in effect; provided, however, that, subject to the provisions of Section 2.17(a)(ii), the Company shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(e) unless after the prepayment in full of the Loans the Total Outstandings exceed the Aggregate Commitments then in effect. The Administrative Agent may, at any time and from time to time after the initial deposit of such Cash Collateral, request that additional Cash Collateral be provided in order to protect against the results of further exchange rate fluctuations.

(d) If the Administrative Agent notifies the Company at any time that the Outstanding Amount of all Loans denominated in Alternative Currencies at such time exceeds an amount equal to 110% of the Alternative Currency Sublimit then in effect, then, within three Business Days after receipt of such notice, one or more Borrowers shall prepay its Loans in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Alternative Currency Sublimit then in effect.

2.06 Termination or Reduction of Commitments. (a) The Company may, upon notice to the Administrative Agent, terminate the Aggregate Commitments, or from time to time permanently reduce the Aggregate Commitments; provided that (i) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. five Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof, (iii) the Company shall not terminate or reduce the Aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Outstandings would exceed the Aggregate Commitments, and (iv) if, after giving effect to any reduction of the Aggregate Commitments, the Alternative Currency Sublimit, the Letter of Credit Sublimit, the HIL Sublimit, the Designated Borrower Sublimit or the Swing Line Sublimit exceeds the amount of the Aggregate Commitments, such Sublimit shall be automatically reduced by the amount of such excess. The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction of the Aggregate Commitments. Except as set forth in clause (iv) above, the amount of any such Aggregate Commitment reduction shall not be applied to any Sublimit unless otherwise specified by the Company. Any reduction of the Aggregate Commitments shall be applied to the Commitment of each Lender according to its Applicable Percentage. All fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination. Not more than two times per fiscal year, a notice to reduce the Aggregate Commitments hereunder may state that it is conditioned upon the effectiveness of other credit facilities or the incurrence of other Indebtedness, the consummation of a particular Disposition or the occurrence of a Change of Control, in which case such notice may be revoked by the applicable Borrower(s) (by notice to the Administrative Agent on or prior to the specified commitment reduction date) if such condition is not satisfied.

2.07 Repayment of Loans. Each Borrower shall repay to the Lenders on the Maturity Date the aggregate principal amount of Committed Loans made to such Borrower outstanding on such date. The Company shall repay each Swing Line Loan on the earlier to occur of (i) the date ten Business Days after such Loan is made and (ii) the Maturity Date.

2.08 Interest. Interest shall accrue on the Loans, and each Borrower shall pay interest on its Loans, as follows: (a) Subject to the provisions of subsection (b) below, (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate plus (in the case of a Eurocurrency Rate Loan of any Lender which is lent from a Lending Office in the United Kingdom or a Participating Member State) the Mandatory Cost; (ii) each Peso Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Peso Rate for such Interest Period plus the Applicable Rate; (iii) each Base Rate Committed Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iv) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) (i) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(ii) If any amount (other than principal of any Loan) payable by any Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then upon the request of the Required Lenders, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iii) Upon the request of the Required Lenders, while any Event of Default exists, the Borrowers shall pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iv) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees. In addition to certain fees described in subsections (i) and (j) of Section 2.03:

(a) **Commitment Fee.** The Borrowers shall pay to the Administrative Agent for the account of each Lender in accordance with its Applicable Percentage, a commitment fee in Dollars equal to the Applicable Rate times the actual daily amount by which the Aggregate Commitments exceed the sum of (i) the Outstanding Amount of Committed Loans and (ii) the Outstanding Amount of L/C Obligations, subject to adjustment as provided in Section 2.18. The commitment fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the fifth Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) Other Fees. (i) The Borrowers shall pay to MLPFS and the Administrative Agent for their own respective accounts, in Dollars, fees in the amounts and at the times specified in the Fee Letter. The Company shall pay to JPMorgan for its own account, in Dollars, such fees as shall have been separately agreed upon between the Company and JPMorgan in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(ii) The Borrowers shall pay to the Lenders, in Dollars, such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate. (a) All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), or, in the case of interest in respect of Committed Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) If, as a result of any restatement of or other adjustment to the financial statements of Holdings or for any other reason, Holdings or the Lenders determine that (i) the Consolidated Total Leverage Ratio as calculated by Holdings as of any applicable date was inaccurate and (ii) a proper calculation of the Consolidated Total Leverage Ratio would have resulted in higher pricing for such period, each Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code of the United States, automatically and without further action by the Administrative Agent, any Lender or the L/C Issuer), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This paragraph shall not limit the rights of the Administrative Agent, any Lender or the L/C Issuer, as the case may be, under Section 2.03(c)(iii), 2.03(h) or 2.08(b) or under Article VIII. The Borrowers' obligations under this paragraph shall survive for 90 days following the termination of the Aggregate Commitments and the repayment of all other Obligations hereunder.

2.11 Evidence of Debt. (a) The Credit Extensions made by each Lender to each Borrower shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to each Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of each Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender to a Borrower made through the Administrative Agent, such Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans to such Borrower in addition to such accounts or records. Each Lender may attach schedules to a Note and endorse thereon the date, Type (if applicable), amount, currency and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.12 Payments Generally; Administrative Agent's Clawback. (a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to principal of and interest on Loans denominated in an Alternative Currency, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 12:00 p.m. on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder with respect to principal and interest on Loans denominated in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Alternative Currency and in Same Day Funds not later than the Applicable Time specified by the Administrative Agent on the dates specified herein. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. If, for any reason, any Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative Currency payment amount. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent (i) after 11:00 a.m., in the case of payments in Dollars, or (ii) after the Applicable Time specified by the Administrative Agent in the case of payments in an Alternative Currency, shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by any Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Committed Borrowing of Eurocurrency Rate Loans or Peso Rate Loans (or, in the case of any Committed Borrowing of Base Rate Loans, prior to 9:00 a.m. on the date of such Committed Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Committed Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Committed Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Committed Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to Base Rate Loans. If such Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Committed Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Committed Loan included in such Committed Borrowing. Any payment by such Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from a Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuer hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the L/C Issuer, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Overnight Rate.

A notice of the Administrative Agent to any Lender or Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender to any Borrower as provided in the foregoing provisions of this Article II, and such funds are not made available to such Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Committed Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 10.04(c) are several and not joint. The failure of any Lender to make any Committed Loan, to fund any such participation or to make any payment under Section 10.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Committed Loan, to purchase its participation or to make its payment under Section 10.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Committed Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it, resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Committed Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Committed Loans and subparticipations in L/C Obligations and Swing Line Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Committed Loans and other amounts owing them, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by or on behalf of a Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Committed Loans or subparticipations in L/C Obligations or Swing Line Loans to any assignee or participant, other than to the Company or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

2.14 Designated Borrowers. (a) The Company may at any time, upon not less than ten Business Days' notice from the Company to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), designate any Material Subsidiary of Holdings (an "Applicant Borrower") as a Designated Borrower to receive Loans hereunder by delivering to the Administrative Agent (which shall promptly deliver counterparts thereof to each Lender) a duly executed notice and agreement in substantially the form of Exhibit H (a "Designated Borrower Request and Assumption Agreement"). The parties hereto acknowledge and agree that prior to any Applicant Borrower becoming entitled to utilize the credit facilities provided for herein the Administrative Agent and the Lenders shall have received such supporting resolutions, incumbency certificates, opinions of counsel and other documents or information, in form, content and scope reasonably satisfactory to the Administrative Agent, as may be required by the Administrative Agent or the Required Lenders in their sole discretion, and Notes signed by such new Borrowers to the extent any Lenders so require. If the Administrative Agent and each Lender agrees that an Applicant Borrower shall be entitled to receive Loans hereunder, then promptly following receipt of all such requested resolutions, incumbency certificates, opinions of counsel and other documents or information, the Administrative Agent shall send a notice in substantially the form of Exhibit I (a "Designated Borrower Notice") to the Company and the Lenders specifying the effective date upon which the Applicant Borrower shall constitute a Designated Borrower for purposes hereof, whereupon each of the Lenders agrees to permit such Designated Borrower to receive Loans hereunder, on the terms and conditions set forth herein, and each of the parties agrees that such Designated Borrower otherwise shall be a Borrower for all purposes of this Agreement; provided that no Committed Loan Notice or Letter of Credit Application may be submitted by or on behalf of such Designated Borrower until the date five Business Days after such effective date.

(b) The Obligations of the Company and each Designated Borrower shall be several but not joint in nature.

(c) Each Subsidiary of Holdings that becomes a “Designated Borrower” pursuant to this Section 2.14 hereby irrevocably appoints Holdings as its agent for the giving and receipt of notices. Any notice, demand, consent, acknowledgement, direction, certification or other communication delivered to the Company in accordance with the terms of this Agreement shall be deemed to have been delivered to each Designated Borrower.

(d) The Company may from time to time, upon not less than 15 Business Days’ notice from the Company to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), terminate a Designated Borrower’s status as such, provided that there are no outstanding Loans payable by such Designated Borrower, or other amounts payable by such Designated Borrower on account of any Loans made to it, as of the effective date of such termination. The Administrative Agent will promptly notify the Lenders of any such termination of a Designated Borrower’s status.

2.15 Reserved.

2.16 Release of Collateral Upon Change in Debt Rating. On or after any date (a “Ratings Increase Date”) on which the Debt Rating from S&P shall be BBB- or higher or the Debt Rating from Moody’s shall be Baa3 or higher, then, unless the Debt Rating from S&P is BB or lower or the Debt Rating from Moody’s is Ba2 or lower, upon the request of the Company or Holdings, the Administrative Agent shall promptly release all Liens securing the Collateral and, at the Borrowers’ expense, execute and deliver to each Loan Party such documents as such Loan Party may reasonably request to evidence the release of such Collateral from the assignment and security interest granted under the Collateral Documents.

2.17 Cash Collateral. (a) Certain Credit Support Events

(i) Upon the request of the Administrative Agent or the L/C Issuer (A) if the L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing, or (B) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, each Borrower shall, in each case, immediately Cash Collateralize the then Outstanding Amount of all its L/C Obligations. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent, the L/C Issuer or the Swing Line Lender, each Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.18(a)(iv) and any Cash Collateral provided by the Defaulting Lender) in respect of its L/C Obligations.

(ii) In addition, if the Administrative Agent notifies the Company at any time that the Outstanding Amount of all L/C Obligations at such time exceeds 110% of the Letter of Credit Sublimit then in effect, then, within five Business Days after receipt of such notice, one or more Borrowers shall Cash Collateralize its or their L/C Obligations in an amount equal to the amount by which the Outstanding Amount of all L/C Obligations exceeds the Letter of Credit Sublimit.

(iii) The Administrative Agent may, at any time and from time to time after the initial deposit of Cash Collateral, request that additional Cash Collateral be provided in order to protect against the results of exchange rate fluctuations.

(b) Grant of Security Interest. All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. Each Borrower, and to the extent provided by any Lender, such Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the L/C Issuer and the Lenders (including the Swing Line Lender), and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.17(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrowers or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement (but subject to Section 2.17(d) below), Cash Collateral provided under any of this Section 2.17 or Sections 2.03, 2.04, 2.05, 2.18 or 8.02 in respect of Letters of Credit or Swing Line Loans shall be held and applied to the satisfaction of the specific L/C Obligations, Swing Line Loans, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.06(b)(vi))), (ii) the absence or lapse of the event or circumstance otherwise giving rise to the requirement to provide Cash Collateral hereunder or (iii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the continuance of a Default or Event of Default (and following application as provided in this Section 2.17 may be otherwise applied in accordance with Section 8.03), and (y) the Person providing Cash Collateral and the L/C Issuer or Swing Line Lender, as applicable, may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

2.18 Defaulting Lenders. (a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. A Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuer or Swing Line Lender hereunder; *third*, if so determined by the Administrative Agent or requested by the L/C Issuer or Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; *fourth*, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuer or Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.18(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit Fees as provided in Section 2.03(h).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Commitment of that Defaulting Lender; provided, that, (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Commitment of that non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Committed Loans of that Lender.

(b) Defaulting Lender Cure. If the Borrowers, the Administrative Agent, Swing Line Lender and the L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Committed Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.18(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III. TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes. (a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes. (i) Any and all payments by or on account of any obligation of any Borrower hereunder or under any other Loan Document shall to the extent permitted by applicable Laws be made free and clear of and without reduction or withholding for any Taxes. If, however, applicable Laws require any Borrower or the Administrative Agent to withhold or deduct any Tax, such Tax shall be withheld or deducted in accordance with such Laws as determined by such Borrower or the Administrative Agent, as the case may be, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If any Borrower or the Administrative Agent shall be required by any applicable Laws, including the Code, to withhold or deduct any Taxes, including United States Federal backup withholding and withholding taxes, from any payment, then (A) such Borrower or the Administrative Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Borrower or the Administrative Agent, to the extent required by such Laws, shall timely pay the full amount so withheld or deducted by it to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes or Other Taxes, the sum payable by such Borrower shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, Lender or L/C Issuer, as the case may be, receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by the Borrowers. Without limiting or duplicating the provisions of subsection (a) above, each Borrower shall timely pay any Other Taxes attributable to (i) the Loans made to such Borrower or (ii) payments to the Lenders pursuant to the Loan Documents to the relevant Governmental Authority in accordance with applicable Laws, except regarding Luxembourg registration duties (*droits d'enregistrement*) for any Luxembourg Tax payable due to a registration, submission or filing by the Administrative Agent or a Lender of the Loan Documents where such registration, submission or filing is or was not made during the continuance of an Event of Default and required to maintain or preserve the rights of the Administrative Agent or the Lenders under the Loan Documents.

(c) Tax Indemnifications. (i) Without limiting or duplicating the provisions of subsection (a) or (b) above, each Borrower shall, and does hereby, indemnify the Administrative Agent, each Lender and the L/C Issuer, and shall make payment in respect thereof within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed or asserted on or attributable to any payment by or on account of any obligation of any Loan Party under any Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) withheld or deducted by such Borrower or the Administrative Agent or paid by the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Each Borrower shall also, and does hereby, indemnify the Administrative Agent, and shall make payment in respect thereof within ten days after demand therefor, for any amount which a Lender or the L/C Issuer for any reason fails to pay indefeasibly to the Administrative Agent as required by clause (ii) of this subsection. A certificate as to the amount of any such payment or liability delivered to a Borrower by a Lender or the L/C Issuer (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or the L/C Issuer, shall contain calculations setting forth such payment or liability in reasonable detail and be conclusive absent manifest error.

(ii) Without limiting the provisions of subsection (a) or (b) above, each Lender and the L/C Issuer shall, and does hereby, indemnify each Borrower and the Administrative Agent, and shall make payment in respect thereof within 10 days after demand therefor, against any and all Taxes and any and all related losses, claims, liabilities, penalties, interest and expenses (including the fees, charges and disbursements of any counsel for such Borrower or the Administrative Agent) incurred by or asserted against such Borrower or the Administrative Agent by any Governmental Authority as a result of the failure by such Lender or the L/C Issuer, as the case may be, to deliver, or as a result of the inaccuracy, inadequacy or deficiency of, any documentation required to be delivered by such Lender or the L/C Issuer, as the case may be, to such Borrower or the Administrative Agent pursuant to subsection (c). Each Lender and the L/C Issuer hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender or the L/C Issuer, as the case may be, under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this clause (ii). The agreements in this clause (ii) shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender or the L/C Issuer, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all other Obligations.

(d) Evidence of Payments. Upon request by a Borrower or the Administrative Agent, as the case may be, after any payment of Taxes by such Borrower or by the Administrative Agent to a Governmental Authority as provided in this Section 3.01, such Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to such Borrower, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to such Borrower or the Administrative Agent, as the case may be.

(e) Status of Lenders; Tax Documentation. (i) Each Lender shall deliver to the Company and to the Administrative Agent, at the time or times prescribed by applicable Laws or when reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit the Company or the Administrative Agent, as the case may be, to determine (A) whether or not payments made by the respective Borrowers hereunder or under any other Loan Document are subject to Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of all payments to be made to such Lender by the respective Borrowers pursuant to this Agreement or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdictions.

(ii) Without limiting the generality of the foregoing, with respect to any Borrower that is resident for tax purposes in the United States,

(A) any Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Company and the Administrative Agent executed originals of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable Laws or reasonably requested by the Company on behalf of such Borrower or the Administrative Agent as will enable such Borrower or the Administrative Agent, as the case may be, to determine whether or not such Lender is subject to backup withholding or information reporting requirements; and

(B) each Foreign Lender that is entitled under the Code or any applicable treaty to an exemption from or reduction of withholding tax with respect to payments hereunder or under any other Loan Document shall deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Company on behalf of such Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(I) executed originals of Internal Revenue Service Form W-8BEN (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party and such other documentation as required under the Code,

(II) executed originals of Internal Revenue Service Form W-8ECI (or successor form),

(III) executed originals of Internal Revenue Service Form W-8IMY (or successor form) and all required supporting documentation,

(IV) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of such Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code and (y) executed originals of Internal Revenue Service Form W-8BEN (or successor form), or

(V) executed originals of any other form prescribed by applicable Laws as a basis for claiming exemption from or a reduction in United States Federal withholding tax together with such supplementary documentation as may be prescribed by applicable Laws to permit such Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(iii) Each Lender shall promptly (A) notify the Company and the Administrative Agent of any change in circumstances that would modify or render invalid any claimed exemption or reduction, and (B) take such steps as shall not be materially disadvantageous to it, in the reasonable judgment of such Lender, and as may be reasonably necessary (including the re-designation of its Lending Office) to avoid any requirement of applicable Laws of any jurisdiction that any Borrower or the Administrative Agent make any withholding or deduction for taxes from amounts payable to such Lender. In furtherance of the foregoing, each Lender agrees that if any form or certification previously delivered by it expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent of its legal inability to do so.

(iv) Each of the Borrowers shall promptly deliver to the Administrative Agent or any Lender, as the Administrative Agent or such Lender shall reasonably request, on or prior to the Closing Date (or such later date on which it first becomes a Borrower), and in a timely fashion thereafter, such documents and forms required by any relevant taxing authorities under the Laws of any jurisdiction, duly executed and completed by such Borrower, as are required to be furnished by such Lender or the Administrative Agent under such Laws in connection with any payment by the Administrative Agent or any Lender of Taxes or Other Taxes, or otherwise in connection with the Loan Documents, with respect to such jurisdiction.

(f) Treatment of Certain Refunds Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender or the L/C Issuer, or have any obligation to pay to any Lender or the L/C Issuer, any refund of Taxes withheld or deducted from funds paid for the account of such Lender or the L/C Issuer, as the case may be. If the Administrative Agent, any Lender or the L/C Issuer determines, in its reasonable discretion, that it has received a refund or credit of any Taxes or Other Taxes (whether paid directly to the Lender or the Administrative Agent, as applicable, or applied to reduce another tax liability) as to which it has been indemnified by any Borrower or with respect to which any Borrower has paid additional amounts pursuant to this Section, it shall pay to such Borrower an amount equal to such refund or credit (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses and net of any loss or gain realized in the conversion of such funds from or to another currency incurred by the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that each Borrower, upon the request of the Administrative Agent, such Lender or the L/C Issuer, agrees to repay the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, such Lender or the L/C Issuer in the event the Administrative Agent, such Lender or the L/C Issuer is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Administrative Agent, any Lender or the L/C Issuer to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Borrower or any other Person.

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans (whether denominated in Dollars or an Alternative Currency) or Peso Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate or the Peso Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars or any Alternative Currency in the applicable interbank market, then, on notice thereof by such Lender to the Company through the Administrative Agent, any obligation of such Lender to make or continue Eurocurrency Rate Loans or Peso Rate Loans in the affected currency or currencies or, in the case of Eurocurrency Rate Loans in Dollars, to convert Base Rate Committed Loans to Eurocurrency Rate Loans, shall be suspended until such Lender notifies the Administrative Agent and the Company that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable and such Loans are denominated in Dollars, convert all such Eurocurrency Rate Loans or Peso Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans or Peso Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans or Peso Rate Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates. If the Required Lenders determine that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that (a) deposits (whether in Dollars or an Alternative Currency) are not being offered to banks in the applicable offshore interbank market for such currency for the applicable amount and Interest Period of such Eurocurrency Rate Loan, (b) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan (whether denominated in Dollars or an Alternative Currency), or (c) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Company and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in the affected currency or currencies shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Company may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in the affected currency or currencies or, failing that, will be deemed to have converted such request into a request for a Committed Borrowing of Base Rate Loans in the amount specified therein. For purposes of determining the Peso Rate, (i) in the event the THIE Rate ceases to be quoted, is not known at the time on which the Peso Rate must be determined, or is otherwise not available at such time for any reason, then the "Peso Rate" shall be calculated using the CETES Rate as a substitute interest rate for the THIE rate; and (ii) in the event each of the THIE Rate and the CETES Rate ceases to be quoted, is not known at the time on which the Peso Rate must be determined, or is otherwise not available at such time for any reason, then the "Peso Rate" shall be calculated using the CCP Rate as a substitute interest rate for the THIE Rate and the CETES Rate.

As used in this Section, the following terms shall have the meanings set forth below:

“CETES Rate” means, for any Interest Period with respect to a Peso Rate Loan, the rate equal to the Federal Treasury Certificates Rate for a twenty-eight day period, as published by Banco de Mexico in the Official Daily of the Federation on the most recent date prior to the Business Day on which such Interest Period is to commence.

“CCP Rate” means, for any Interest Period with respect to a Peso Rate Loan, the rate equal to the cost for capturing liabilities denominated in Pesos for a thirty-day period, as published by Banco de Mexico (as the representative rate of Mexican Multiple Banking Institutions) in the Official Daily of the Federation on the Business Day on which such Interest Period is to commence.

3.04 Increased Costs; Reserves on Eurocurrency Rate Loans. (a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except (A) any reserve requirement contemplated by Section 3.04(e) and (B) the requirements of the Bank of England and the Financial Services Authority or the European Central Bank reflected in the Mandatory Cost, other than as set forth below) or the L/C Issuer;

(ii) subject any Lender or the L/C Issuer to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Eurocurrency Rate Loan or Peso Rate Loan made by it, or change the basis of taxation of payments to such Lender or the L/C Issuer in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.01 or any Excluded Tax;

(iii) result in the failure of the Mandatory Cost, as calculated hereunder, to represent the cost to any Lender of complying with the requirements of the Bank of England and/or the Financial Services Authority or the European Central Bank in relation to its making, funding or maintaining Eurocurrency Rate Loans or Peso Rate Loans; or

(iv) impose on any Lender or the L/C Issuer or the London interbank market any other condition, cost or expense affecting this Agreement or Eurocurrency Rate Loans or Peso Rate Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Rate Loan or Peso Rate Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or the L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or the L/C Issuer, the Company will pay (or cause the applicable Borrower to pay) to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the L/C Issuer determines that any Change in Law affecting such Lender or the L/C Issuer or any Lending Office of such Lender or such Lender's or the L/C Issuer's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the L/C Issuer's capital or on the capital of such Lender's or the L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the L/C Issuer's policies and the policies of such Lender's or the L/C Issuer's holding company with respect to capital adequacy), then from time to time the Company will pay (or cause the applicable Borrower to pay) to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or the L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Company shall contain calculations setting forth such payment or liability in reasonable detail and be conclusive absent manifest error. The Company shall pay (or cause the applicable Borrower to pay) such Lender or the L/C Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's or the L/C Issuer's right to demand such compensation, provided that no Borrower shall be required to compensate a Lender or the L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or the L/C Issuer, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Additional Reserve Requirements. The Company shall pay (or cause the applicable Borrower to pay) to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency or Peso funds or deposits (currently known as “Eurocurrency liabilities” or “Peso liabilities”), additional interest on the unpaid principal amount of each Eurocurrency Rate Loan or Peso Loan (as applicable) equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans or Peso Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which in each case shall be due and payable on each date on which interest is payable on such Loan, provided the Company shall have received at least 10 days’ prior notice (with a copy to the Administrative Agent) of such additional interest or costs from such Lender. If a Lender fails to give notice 10 days prior to the relevant Interest Payment Date, such additional interest or costs shall be due and payable 10 days from receipt of such notice.

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Company shall promptly compensate (or cause the applicable Borrower to compensate) such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by any Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Company or the applicable Borrower;

(c) any failure by any Borrower to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency; or

(d) any assignment of a Eurocurrency Rate Loan or Peso Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Company pursuant to Section 10.13;

but excluding any loss of anticipated profits and including any foreign exchange losses and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan, from fees payable to terminate the deposits from which such funds were obtained or from the performance of any foreign exchange contract. The Company shall also pay (or cause the applicable Borrower to pay) any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Company (or the applicable Borrower) to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurocurrency Rate Loan made by it at the Eurocurrency Rate for such Loan and each Peso Rate Loan made by it at the Peso Rate for such Loan by a matching deposit or other borrowing in the offshore interbank market for such currency for a comparable amount and for a comparable period, whether or not such Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders. (a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or any Borrower is required to pay any additional amount to any Lender, the L/C Issuer, or any Governmental Authority for the account of any Lender or the L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender or the L/C Issuer shall, as applicable, use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender or the L/C Issuer, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender or the L/C Issuer, as the case may be, to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or the L/C Issuer, as the case may be. The Company hereby agrees to pay (or to cause the applicable Borrower to pay) all reasonable costs and expenses incurred by any Lender or the L/C Issuer in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Company may replace such Lender in accordance with Section 10.13.

3.07 Survival. All of the Borrowers' obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, and resignation of the Administrative Agent.

ARTICLE IV. CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

4.01 Conditions of Initial Credit Extension. The obligation of the L/C Issuer and each Lender to make its initial Credit Extension hereunder is subject to satisfaction of the following conditions precedent:

(iv) such certificates of resolutions or other action, incumbency certificates and/or other certificates of Responsible Officers of each Loan Party as the Administrative Agent may require evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents to which such Loan Party is a party;

(v) such documents and certifications as the Administrative Agent may reasonably require (but only to the extent such concepts exist under applicable law) to evidence that each Loan Party is duly organized or formed, and that each Borrower and Guarantor (other than Herbalife Taiwan) is validly existing, in good standing and qualified to engage in business in each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification, except to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect;

(vi) favorable opinions of Gibson, Dunn & Crutcher, special counsel to the Loan Parties, in substantially the form of Exhibit J-1, Maples and Calder, special Cayman Islands counsel to the Loan Parties, in substantially the form of Exhibit J-2, of Arendt & Medernach, special Luxembourg counsel to the Loan Parties, in substantially the form of Exhibit J-3, and of Brownstein Hyatt Farber Schreck, LLP, special Nevada counsel to the Loan Parties, in substantially the form of Exhibit J-4, each addressed to the Administrative Agent and each Lender;

(viii) a certificate signed by a Responsible Officer of Holdings certifying (A) that the conditions specified in Sections 4.02(a) and (b) have been satisfied (other than any such conditions as are subject to the judgment or discretion of the Administrative Agent or any Lender), (B) that there has been no event or circumstance since the date of the Audited Financial Statements that has had or could be reasonably expected to have, either individually or in the aggregate, a Material Adverse Effect and (C) a calculation of the Consolidated Total Leverage Ratio as of the last day of the fiscal quarter of the Company most recently ended prior to the Closing Date;

(ix) a duly completed Compliance Certificate as of the last day of the fiscal quarter of the Company ended on December 31, 2010, signed by a Responsible Officer of the Company;

(xi) evidence that the Existing Credit Agreement has been or concurrently with the Closing Date is being terminated and all Liens securing obligations under the Existing Credit Agreement have been, concurrently with the Closing Date are being, or provision being provided therefor to be, released.

(b) Any fees required to be paid on or before the Closing Date shall have been paid.

(c) Unless waived by the Administrative Agent, the Company shall have paid all reasonable and documented fees, charges and disbursements of counsel to the Administrative Agent (directly to such counsel if requested by the Administrative Agent) to the extent invoiced prior to or on the Closing Date, plus such additional amounts of such fees, charges and disbursements as shall constitute its reasonable estimate of such fees, charges and disbursements incurred or to be incurred by it through the closing proceedings (provided that such estimate shall not thereafter preclude a final settling of accounts between the Company and the Administrative Agent).

(d) The Closing Date shall have occurred on or before March 31, 2011.

Without limiting the generality of the provisions of the last paragraph of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

4.02 Conditions to all Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Committed Loans to the other Type, or a continuation of Eurocurrency Rate Loans or Peso Rate Loans) is subject to the following conditions precedent:

(a) The representations and warranties of (i) the Borrowers contained in Article V and (ii) each Loan Party contained in each other Loan Document or in any document furnished at any time under or in connection herewith or therewith, shall be true and correct in all material respects on and as of the date of such Credit Extension, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date, and except that for purposes of this Section 4.02, the representations and warranties contained in subsection (a) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to clause (a) of Section 6.01.

(b) No Default shall exist, or would result from such proposed Credit Extension or the application of the proceeds thereof.

(c) The Administrative Agent and, if applicable, the L/C Issuer or the Swing Line Lender shall have received a Request for Credit Extension in accordance with the requirements hereof.

(d) If the applicable Borrower is a Designated Borrower, then the conditions of Section 2.14 to the designation of such Borrower as a Designated Borrower shall have been met to the satisfaction of the Administrative Agent.

(e) In the case of a Credit Extension to be denominated in an Alternative Currency, there shall not have occurred any change in national or international financial, political or economic conditions or currency exchange rates or exchange controls which in the reasonable opinion of the Administrative Agent, the Required Lenders (in the case of any Loans to be denominated in an Alternative Currency) or the L/C Issuer (in the case of any Letter of Credit to be denominated in an Alternative Currency) would make it impracticable for such Credit Extension to be denominated in the relevant Alternative Currency.

Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Committed Loans to the other Type or a continuation of Eurocurrency Rate Loans or Peso Rate Loans) submitted by the Company shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) have been satisfied on and as of the date of the applicable Credit Extension.

**ARTICLE V.
REPRESENTATIONS AND WARRANTIES**

Except as otherwise provided in Sections 5.12 and 5.18, each Borrower represents and warrants to the Administrative Agent and the Lenders that:

5.02 Authorization; No Contravention. The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is party, have been duly authorized by all necessary corporate or other organizational action, and do not and will not (a) contravene the terms of any of such Person's Organization Documents; (b) conflict with or result in any breach or contravention of or require any payment to be made under (i) any Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries except for conflicts, breaches and payments that could not reasonably be expected to result in a Material Adverse Effect or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject except for conflicts, breaches and payments that could not reasonably be expected to result in a Material Adverse Effect; (c) violate any Law except for violations that could not reasonably be expected to result in a Material Adverse Effect; or (d) result in the creation or imposition of any Lien, except Liens created under the Loan Documents.

5.03 Governmental Authorization; Other Consents. 5.04 Binding Effect. This Agreement has been, and each other Loan Document, when delivered hereunder, will have been, duly executed and delivered by each Loan Party that is party thereto. This Agreement constitutes, and each other Loan Document when so delivered will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, subject to (a) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and (b) the Foreign Obligor Enforceability Exceptions.

5.05 Financial Statements; No Material Adverse Effect. (a) The Audited Financial Statements (i) were prepared in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein; and (ii) fairly present the financial condition of Holdings and its Subsidiaries as of the date thereof and their results of operations for the period covered thereby in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein.

5.10 Insurance. The properties of the Borrowers and their Subsidiaries are insured with financially sound and reputable insurance companies not Affiliates of the Borrowers, in such amounts (after giving effect to any self-insurance), with such deductibles and covering such risks as are customarily carried by companies engaged in similar businesses and owning similar properties in localities where such Borrower or the applicable Subsidiary operates.

Neither any Borrower nor any Subsidiary thereof is party to any tax sharing agreement.

5.12 ERISA Compliance. Each Plan that is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the IRS or an application for such a letter is currently being processed by the IRS with respect thereto and, to the best knowledge of the Company, nothing has occurred which would prevent, or cause the loss of, such qualification, except, in each case, for such determination of disqualification or loss of qualification which could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company and each ERISA Affiliate have made all required contributions to each Plan subject to Section 412 of the Code, and no application for a funding waiver or an extension of any amortization period pursuant to Section 412 of the Code has been made with respect to any Plan, except, in each case, for such failure to contribute or application for waiver as could not reasonably be expected to have a Material Adverse Effect.

No report, financial statement, certificate or other written information (other than projected financial information, and other forward looking information and information of a general economic or industry specific nature), when taken as a whole with all other information, when furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or delivered hereunder or under any other Loan Document (in each case, as modified or supplemented by other information so furnished) contained any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, Holdings represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time; and provided, further that, with respect to any financial statements not constituting projected financial information, Holdings only represents that such financial statements present fairly in all material respects the consolidated financial condition of the applicable Persons as of the dates indicated.

Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrowers or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any of the Borrowers or any of their respective Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or the L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for Borrowers), independent accountants and other experts reasonably selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.06 Resignation of Administrative Agent. The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrowers. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrowers and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such Collateral until such time as a successor Administrative Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Any resignation by Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as L/C Issuer and Swing Line Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swing Line Lender, (b) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

9.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender and the L/C Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Bookrunners, Arrangers, Documentation Agents or Syndication Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or the L/C Issuer hereunder.

9.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations (other than Obligations under Secured Hedge Agreements and Secured Cash Management Agreements) that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Sections 2.03(h) and (i), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, provisional liquidator, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer in any such proceeding.

9.10 Collateral and Guaranty Matters. Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) and the L/C Issuer irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank of Hedge Bank shall have been made) and the expiration or termination of all Letters of Credit (other than Letters of Credit as to which other arrangements satisfactory to the Administrative Agent and the L/C Issuer shall have been made), (ii) that is either sold or to be sold as part of or in connection with any sale, or otherwise transferred (pursuant to an Investment or otherwise), in either event pursuant to a transaction permitted hereunder or under any other Loan Document, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders or (iv) in accordance with Section 2.16;

(b) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(h) or 7.01(k); and

(c) to release any Guarantor from its obligations under its Guaranty if (1) such Person ceases to be a Material Subsidiary as a result of a transaction permitted hereunder or (2) in the case of a Foreign Subsidiary that is a Guarantor hereunder, the Administrative Agent (after consultation with the Borrowers) determines that it would not be commercially reasonable for such Guarantor to remain a Guarantor (taking into account the expense (including taxes), the ability of Borrowers or such Guarantor to obtain any necessary approvals or consents required to be obtained under applicable law (but have not been previously obtained) in connection therewith, and the effectiveness and enforceability thereof under applicable law) or (3) the Guaranties provided by such Guarantor becomes illegal under applicable law and such Guarantor delivers to the Administrative Agent a legal opinion from its counsel to such effect, and no reasonable alternative structure can be devised having substantially the same effect as the issuance of a Guarantee that would not be illegal under applicable law.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10.

9.11 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

ARTICLE X. MISCELLANEOUS

10.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) waive any condition set forth in Section 4.01(a) without the written consent of each Lender;

(b) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender;

(c) postpone any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby;

(d) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iv) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document; provided, however, that only the consent of the Required Lenders shall be necessary (i) to amend the definition of “Default Rate” or to waive any obligation of any Borrower to pay interest or Letter of Credit Fees at the Default Rate or (ii) to amend any financial covenant hereunder (or any defined term used therein) even if the effect of such amendment would be to reduce the rate of interest on any Loan or L/C Borrowing or to reduce any fee payable hereunder;

(e) change Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(f) amend Section 1.06 or the definition of “Alternative Currency” without the written consent of each Lender;

(g) change any provision of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender;

(h) release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(i) release any Borrower from any Guaranty or all or substantially all of the value of the Guaranties without the written consent of each Lender, except to the extent the release of any Guarantor is permitted pursuant to Section 9.10 (in which case such release may be made by the Administrative Agent acting alone);

and, provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the L/C Issuer in addition to the Lenders required above, affect the rights or duties of the L/C Issuer under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; and (iv) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended, and the stated maturity date of any Loan made by any Defaulting Lender may not be extended, without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender and that has been approved by the Required Lenders, the Borrowers may replace such non-consenting Lender in accordance with Section 10.13.

10.02 Notices; Effectiveness; Electronic Communication. (a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to a Borrower, the Administrative Agent, the L/C Issuer or the Swing Line Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02 (provided that any notice delivered to the Company shall be deemed to have been delivered to each Borrower); and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or any Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to any Borrower, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to any Borrower, any Lender, the L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrowers, the Administrative Agent, the L/C Issuer and the Swing Line Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrowers, the Administrative Agent, the L/C Issuer and the Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to any Borrower or its securities for purposes of United States Federal or state securities Laws.

(e) Reliance by Administrative Agent, L/C Issuer and Lenders. The Administrative Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of any Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent, the L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of any Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

10.03 No Waiver; Cumulative Remedies; Enforcement. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided and provided under each other Loan Document are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuer; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the L/C Issuer or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.08 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

10.04 Expenses; Indemnity; Damage Waiver. (a) Costs and Expenses. The Borrowers shall pay (i) all reasonable and documented out of pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and disbursements of counsel for the Administrative Agent), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out of pocket expenses incurred by the L/C Issuer in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out of pocket expenses incurred by the Administrative Agent, any Lender or the L/C Issuer (including the fees, charges and disbursements of any counsel for the Administrative Agent, any Lender or the L/C Issuer), and shall pay all fees and time charges for attorneys who may be employees of the Administrative Agent, any Lender or the L/C Issuer, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Indemnification by the Borrowers. The Borrowers shall, jointly and severally, indemnify the Administrative Agent (and any sub-agent thereof), each Lender and the L/C Issuer, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of any matters addressed in Section 3.01), (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to any Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) Reimbursement by Lenders. To the extent that the Borrowers for any reason fail to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), the L/C Issuer or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the L/C Issuer or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or L/C Issuer in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Law, no Borrower shall assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after demand therefor.

(f) Survival. The agreements in this Section shall survive the resignation of the Administrative Agent, the L/C Issuer and the Swing Line Lender, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

10.05 Payments Set Aside. To the extent that any payment by or on behalf of any Borrower is made to the Administrative Agent, the L/C Issuer or any Lender, or the Administrative Agent, the L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

10.06 Successors and Assigns. (a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (g) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the L/C Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this subsection (b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000 unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrowers otherwise consent (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not apply to the Swing Line Lender's rights and obligations in respect of Swing Line Loans;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i) (B) of this Section and, in addition:

(A) the consent of Holdings (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender;

(C) the consent of the L/C Issuer (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding); and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Borrowers. No Assignment to Certain Persons. No such assignment shall be made (A) to any Borrower or any of the Borrowers' respective Affiliates or Subsidiaries, or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), or (B) to a natural person.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrowers and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, each Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, any Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, Defaulting Lender or a Borrower or any of the Borrowers' Affiliates or Subsidiaries)(each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Administrative Agent, the Lenders and the L/C Issuer shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that affects such Participant. Subject to subsection (e) of this Section, each Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrowers' prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 3.01 unless the Borrowers are notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 3.01(e) as though it were a Lender.

(f) Participant Register. Each Lender that sells a participation in a Loan, acting as an agent of the applicable Borrower solely for purposes of applicable United States federal income tax law and Treasury regulations promulgated thereunder, shall maintain a "book entry" register (as further described in the foregoing Treasury regulations) on which it records the name and address of the applicable Participant and the principal amounts of such Participant's interest in the Loans and Commitments (each such register, a "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and the applicable Lender, Borrower and the Administrative Agent shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as having "ownership of an interest" (as such term is defined the applicable Treasury regulations) in such Loans for all purposes of this Agreement, notwithstanding any notice to the contrary. Upon request by a Borrower, such Lender shall make the Participant Register available to the Borrower.

(g) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note(s), if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Resignation as L/C Issuer or Swing Line Lender after Assignment. Notwithstanding anything to the contrary contained herein, if at any time Bank of America assigns all of its Commitment and Loans pursuant to subsection (b) above, Bank of America may, (i) upon 30 days' notice to the Borrowers and the Lenders, resign as L/C Issuer and/or (ii) upon 30 days' notice to the Borrowers, resign as Swing Line Lender. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Borrowers shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Borrowers to appoint any such successor shall affect the resignation of Bank of America as L/C Issuer or Swing Line Lender, as the case may be. If Bank of America resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Committed Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If Bank of America resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Committed Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

10.07 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent, the Lenders and the L/C Issuer agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or in connection with any pledge or assignment permitted under Section 10.07(g), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to a Borrower and its obligations, (g) with the consent of the Borrowers or (h) to the extent such Information (x) was or becomes publicly available other than as a result of a breach of this Section by such Lender, (y) was or becomes available to the Administrative Agent, any Lender, the L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrowers or (z) was independently developed by the Administrative Agent, such Lender or the L/C Issuer.

For purposes of this Section, "Information" means all information received from the Borrowers or any Subsidiary relating to the Borrowers or any Subsidiary or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or the L/C Issuer on a nonconfidential basis prior to disclosure by the Borrowers or any Subsidiary. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Lenders and the L/C Issuer acknowledges that (a) the Information may include material non-public information concerning the Borrowers or a Subsidiary thereof, as the case may be and (b) it has developed compliance procedures regarding the use of material non-public information.

10.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, the L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the L/C Issuer or any such Affiliate to or for the credit or the account of any Borrower against any and all of the obligations of such Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or the L/C Issuer, irrespective of whether or not such Lender or the L/C Issuer shall have made any demand under this Agreement or any other Loan Document and although such obligations of such Borrower may be contingent or unmatured or are owed to a branch or office of such Lender or the L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.18 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the L/C Issuer or their respective Affiliates may have. Each Lender and the L/C Issuer agrees to notify the Borrowers and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

10.10 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

10.11 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

10.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuer or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

10.13 Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, if any Lender is a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrowers shall have paid (or caused a Designated Borrower to pay) to the Administrative Agent the assignment fee specified in Section 10.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the applicable Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Laws.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

10.14 Governing Law; Jurisdiction; Etc. (a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF.

(b) SUBMISSION TO JURISDICTION. EACH BORROWER IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, ANY LENDER OR THE L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY BORROWER OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH BORROWER IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

10.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Arrangers are arm's-length commercial transactions between such Borrower and its Affiliates, on the one hand, and the Administrative Agent and the Arrangers, on the other hand, (B) such Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) such Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent and each Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for such Borrower or any of its Affiliates, or any other Person and (B) neither the Administrative Agent nor any Arranger has any obligation to such Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of such Borrower and its Affiliates, and neither the Administrative Agent nor any Arranger has any obligation to disclose any of such interests to any Borrower or its Affiliates. To the fullest extent permitted by law, each of the Borrowers hereby waives and releases any claims that it may have against the Administrative Agent and the Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.17 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

10.18 USA PATRIOT Act. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of each Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Borrower in accordance with the Act. Each Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

10.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of each Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from any Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Borrower (or to any other Person who may be entitled thereto under applicable law).

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

Schedule 1.01 — Mandatory Cost Formulae

1. The Mandatory Cost (to the extent applicable) is an addition to the interest rate to compensate Lenders for the cost of compliance with:
 - (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions); or
 - (b) the requirements of the European Central Bank.
2. On the first day of each Interest Period (or as soon as possible thereafter) the Administrative Agent shall calculate, as a percentage rate, a rate (the “Additional Cost Rate”) for each Lender, in accordance with the paragraphs set out below. The Mandatory Cost will be calculated by the Administrative Agent as a weighted average of the Lenders’ Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Loan) and will be expressed as a percentage rate per annum. The Administrative Agent will, at the request of any Borrower or any Lender, deliver to such Borrower or such Lender, as the case may be, a statement setting forth the calculation of any Mandatory Cost.
3. The Additional Cost Rate for any Lender lending from a Lending Office in a Participating Member State will be the percentage notified by that Lender to the Administrative Agent. This percentage will be certified by such Lender in its notice to the Administrative Agent to be its reasonable determination of the cost (expressed as a percentage of such Lender’s participation in all Loans made from such Lending Office) of complying with the minimum reserve requirements of the European Central Bank in respect of Loans made from that Lending Office.
4. The Additional Cost Rate for any Lender lending from a Lending Office in the United Kingdom will be calculated by the Administrative Agent as follows:

(a) in relation to any Loan in Sterling:

$$\frac{AB+C(B-D)+E \times 0.01}{100 - (A+C)} \quad \text{per cent per annum}$$

(b) in relation to any Loan in any currency other than Sterling:

$$\frac{E \times 0.01}{300} \quad \text{per cent per annum}$$

Where:

“A” is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.

“B” is the percentage rate of interest (excluding the Applicable Rate, the Mandatory Cost and any interest charged on overdue amounts pursuant to the first sentence of [Section 2.08\(b\)](#)) and, in the case of interest (other than on overdue amounts) charged at the Default Rate, without counting any increase in interest rate effected by the charging of the Default Rate) payable for the relevant Interest Period of such Loan.

“C” is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.

“D” is the percentage rate per annum payable by the Bank of England to the Administrative Agent on interest bearing Special Deposits.

“E” is designed to compensate Lenders for amounts payable under the Fees Rules and is calculated by the Administrative Agent as being the average of the most recent rates of charge supplied by the Lenders to the Administrative Agent pursuant to [paragraph 7](#) below and expressed in pounds per £1,000,000.

5. For the purposes of this Schedule:

(a) “[Eligible Liabilities](#)” and “[Special Deposits](#)” have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;

(b) “[Fees Rules](#)” means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;

(c) “[Fee Tariffs](#)” means the fee tariffs specified in the Fees Rules under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate); and

(d) “[Sterling](#)” and “[£](#)” mean the lawful currency of the United Kingdom.

(e) “[Tariff Base](#)” has the meaning given to it in, and will be calculated in accordance with, the Fees Rules.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages *i.e.* 5% will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.

7. If requested by the Administrative Agent or any Borrower, each Lender with a Lending Office in the United Kingdom or a Participating Member State shall, as soon as practicable after publication by the Financial Services Authority, supply to the Administrative Agent and Borrowers, the rate of charge payable by such Lender to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by such Lender as being the average of the Fee Tariffs applicable to such Lender for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of such Lender.

8. Each Lender shall supply any information required by the Administrative Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information in writing on or prior to the date on which it becomes a Lender:

(a) the jurisdiction of the Lending Office out of which it is making available its participation in the relevant Loan; and

(b) any other information that the Administrative Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Administrative Agent in writing of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Lender for the purpose of A and C above and the rates of charge of each Lender for the purpose of E above shall be determined by the Administrative Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Administrative Agent to the contrary, each Lender's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a lending office in the same jurisdiction as its Lending Office.
10. The Administrative Agent shall have no liability to any Person if such determination results in an Additional Cost Rate which over- or under-compensates any Lender and shall be entitled to assume that the information provided by any Lender pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.
11. The Administrative Agent shall distribute the additional amounts received as a result of the Mandatory Cost to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender pursuant to paragraphs 3, 7 and 8 above.
12. Any determination by the Administrative Agent pursuant to this Schedule in relation to a formula, the Mandatory Cost, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all parties hereto.
13. The Administrative Agent may from time to time, after consultation with the Borrowers and the Lenders, determine and notify to all parties any amendments which are required to be made to this Schedule in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on all parties hereto.

For avoidance of doubt, Sterling shall not be an Alternative Currency unless and until it shall have been approved as an Alternative Currency pursuant to Section 1.06 of the Agreement.

Schedule 5.06 — Litigation

1. On April 16, 2007, Herbalife International of America, Inc. filed a Complaint in the United States District Court for the Central District of California against certain former Herbalife distributors who had left the Company to join a competitor. The Complaint alleged breach of contract, misappropriation of trade secrets, intentional interference with prospective economic advantage, intentional interference with contract, unfair competition, constructive trust and fraud and seeks monetary damages, attorney's fees and injunctive relief (*Herbalife International of America, Inc. v. Robert E. Ford, et al.*). The court entered a Preliminary Injunction against the defendants enjoining them from further use and/or misappropriation of the Company's trade secrets on December 11, 2007. Defendants appealed the court's entry of the Preliminary Injunction to the U.S. Court of Appeals for the Ninth Circuit. That court affirmed, in relevant part, the Preliminary Injunction. On December 3, 2007, the defendants filed a counterclaim alleging that the Company had engaged in unfair and deceptive business practices, intentional and negligent interference with prospective economic advantage, false advertising and that the Company was an endless chain scheme in violation of California law and seeking restitution, contract rescission and an injunction. Both sides engaged in discovery and filed cross motions for Summary Judgment. On August 25, 2009, the court granted partial summary judgment for Herbalife on all of defendants' claims except the claim that the Company is an endless chain scheme which under applicable law is a question of fact that can only be determined at trial. The court denied defendants' motion for Summary Judgment on Herbalife's claims for misappropriation of trade secrets and breach of contract. On May 5, 2010, the District Court granted summary judgment for Herbalife on defendants' endless chain-scheme counterclaim. Herbalife voluntarily dismissed its remaining claims, and on May 14, 2010, the District Court issued a final judgment dismissing all of the parties' claims. On June 10, 2010 the defendants appealed from that judgment and on June 21, 2010, Herbalife cross-appealed. The Company believes that there is merit to its appeal, and it will prevail upon both its appeal as well as the defendant's appeal.

2. Certain of the Company's subsidiaries have been subject to tax audits by governmental authorities in their respective countries. In certain of these tax audits, governmental authorities are proposing that significant amounts of additional taxes and related interest and penalties are due. The Company and its tax advisors believe that there are substantial defenses to their allegations that additional taxes are owed, and the Company is vigorously contesting the additional proposed taxes and related charges. On May 7, 2010, the Company received an administrative assessment from the Mexican Tax Administration Service in an amount equivalent to approximately \$93 million, translated at the period ended spot rate, for various items, the majority of which was Value Added Tax allegedly owed on certain of the Company's products imported into Mexico during the years 2005 and 2006. This assessment is subject to interest and inflationary adjustments. On July 8, 2010, the Company initiated a formal administrative appeal process. In connection with the appeal of the assessment, the Company may be required to post bonds for some or all of the assessed amount. Therefore, in July 2010, the Company entered into agreements with certain insurance companies to allow for the potential issuance of surety bonds in support of its appeal of the assessment. The Company did not record a provision as the Company, based on analysis and guidance from its advisors, does not believe a loss is probable. Further, the Company is currently unable to reasonably estimate a possible loss or range of loss that could result from an unfavorable outcome in respect to this assessment or any additional assessments that may be issued for these or other periods. The Company believes that it has meritorious defenses and is vigorously pursuing the appeal, but final resolution of this matter could take several years.

These matters may take several years to resolve. While the Company believes it has meritorious defenses, it cannot be sure of their ultimate resolution. Although the Company has reserved amounts for certain matters that the Company believes represent the most likely outcome of the resolution of these related disputes, if the Company is incorrect in the assessment, the Company may have to record additional expenses, when it becomes probable that an increased potential liability is warranted.

SECTION 2.03. Secured Obligations; Continuing Liability. (a) Security for Obligations. This Agreement secures, and the Security Agreement Collateral is collateral security for, the payment and performance in full when due of all the Secured Obligations.

(b) Continuing Liability under Security Agreement Collateral. Notwithstanding anything herein to the contrary, (i) each Pledgor shall remain liable under each of the obligations and agreements included in the Security Agreement Collateral, including any obligations or agreements relating to any Pledged Equity Interests, to perform all of the obligations undertaken by it thereunder, all in accordance with the terms and provisions thereof, and neither Collateral Agent nor any Secured Party shall have any obligation or liability (x) under any of such agreements by reason of this Agreement or any other document relating hereto, or (y) to make any inquiry regarding the nature or sufficiency of any payment received by it, or have any obligation to take any action to collect or enforce any rights under any agreement included in the Security Agreement Collateral, including any agreements relating to any Pledged Equity Interests; (ii) the exercise by Collateral Agent of any of its rights hereunder shall not release any Pledgor from any of its duties or obligations under the contracts and agreements included in the Security Agreement Collateral; and (iii) nothing herein is intended to or shall be a delegation of duties to Collateral Agent or any other Secured Party.

ARTICLE III

PERFECTION; SUPPLEMENTS; FURTHER ASSURANCES; USE OF SECURITY AGREEMENT COLLATERAL

SECTION 3.01. Delivery of Certificated Pledged Equity Interests. All certificates, agreements or instruments representing or evidencing the Pledged Equity Interests, to the extent not previously delivered to Collateral Agent, shall promptly upon receipt thereof by any Pledgor be delivered to and held by or on behalf of Collateral Agent pursuant hereto. All certificated Pledged Equity Interests shall be in suitable form for transfer by delivery or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to Collateral Agent. Collateral Agent shall have the right, at any time upon the occurrence and during the continuance of any Event of Default, to endorse, assign or otherwise transfer to or to register in the name of Collateral Agent or any of its nominees or endorse for negotiation any or all of Pledged Equity Interests, without any indication that such Pledged Equity Interests are subject to the security interest hereunder. In addition, Collateral Agent shall have the right, at any time upon the occurrence and during the continuance of any Event of Default, to exchange certificates representing or evidencing Pledged Equity Interests for certificates of smaller or larger denominations.

SECTION 3.02. Perfection of Uncertificated Pledged Equity Interests. If any Issuer of Pledged Equity Interests is organized in a jurisdiction that does not permit the use of certificates to evidence equity ownership, or if any of the Pledged Equity Interests are at any time not evidenced by certificates of ownership, then each applicable Pledgor shall, to the extent permitted by applicable law, record such pledge on the equityholder register or the books of the Issuer.

SECTION 3.03. Financing Statements and Other Filings. Each Pledgor agrees that at any time and from time to time, at the sole cost and expense of the Pledgors, it will execute and file and refile (in accordance with Section 3.04), or permit Collateral Agent to file and refile, such financing statements, continuation statements and other documents (including this Agreement), in form acceptable to Collateral Agent, in such offices as Collateral Agent may deem necessary or appropriate, wherever required by law to perfect, continue and maintain a valid, enforceable, first-priority security interest in the Security Agreement Collateral as provided herein and to preserve the other rights and interests granted to Collateral Agent hereunder, as against third parties, with respect to any Security Agreement Collateral. The foregoing notwithstanding, so long as no Event of Default has occurred and is continuing, the Pledgors' obligations hereunder to reimburse the Collateral Agent or the other Secured Parties for any filings or recordations contemplated hereby shall be limited to the reimbursement of costs and expenses reasonably incurred in connection with the filing and recordation of UCC financing statements and continuation statements.

SECTION 3.04. Other Actions. To further ensure the attachment, perfection and priority of, and the ability of Collateral Agent to enforce, Collateral Agent's security interest in the Security Agreement Collateral, each Pledgor acknowledges and agrees as follows:

(a) UCC Financing Statements. Each Pledgor hereby irrevocably authorizes Collateral Agent at any time and from time to time to file in any relevant jurisdiction any financing statements (including fixture filings), continuation statements, and amendments thereto that contain the information required by Article 9 of the UCC of each applicable jurisdiction for the filing of any financing statement or amendment, including (i) whether the Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor and (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Security Agreement Collateral relates. The Pledgor agrees to provide such information to Collateral Agent promptly upon request. Such financing statements or amendments may describe the Security Agreement Collateral as "all assets" or "all personal property, whether now owned or hereafter acquired," or in any other manner that Collateral Agent, in its sole discretion, deems necessary, advisable or prudent to ensure the perfection of the security interests granted hereunder. Each Pledgor hereby ratifies its authorization for Collateral Agent to file in any relevant jurisdiction any financing statements or amendments thereto if filed prior to the date hereof.

(b) Commercial Tort Claims. If any Pledgor shall at any time hold or acquire a Commercial Tort Claim relating to any of the Security Agreement Collateral and such Pledgor, in the exercise of its reasonable business judgment, elects to pursue such commercial tort claim, such Pledgor shall contemporaneously with the delivery of financial statements in accordance with Section 6.01(a) or (b) of the Credit Agreement notify Collateral Agent in writing signed by such Pledgor of the brief details thereof and grant to Collateral Agent in such writing a security interest therein and in the Proceeds thereof, all in accordance with this Agreement, with such writing to be in form and substance satisfactory to Collateral Agent.

SECTION 3.05. Supplements; Further Assurances. (a) The Pledgors shall cause each Person that, from time to time after the date hereof, shall be required to pledge any assets to Collateral Agent for the benefit of the Secured Parties pursuant to the provisions of the Credit Agreement, to execute and deliver to Collateral Agent a Joinder Agreement and, upon such execution and delivery, such Person shall constitute a "Guarantor" and a "Pledgor" for all purposes hereunder with the same force and effect as if originally named as a Guarantor and Pledgor herein. The execution and delivery of such Joinder Agreement shall not require the consent of any Pledgor hereunder. The rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor and Pledgor as a party to this Agreement.

(b) Upon obtaining any Pledged Equity Interests of any Person, each Pledgor shall accept the same in trust for the benefit of Collateral Agent and contemporaneously with the delivery of financial statements in accordance with Section 6.01(a) or (b) of the Credit Agreement deliver to Collateral Agent the certificates and other documents required under this Article III in respect of the additional Pledged Equity Interests that is to be pledged pursuant to this Agreement, and confirming the attachment of the Lien hereby created on and in respect of such additional Pledged Equity Interests.

(c) Subject to Section 6.13 of the Credit Agreement, each Pledgor agrees to take such further actions, and to execute and deliver to Collateral Agent such additional assignments, agreements, supplements, powers and instruments, as Collateral Agent may in its reasonable judgment deem necessary or appropriate, to perfect, preserve and protect the security interest in the Security Agreement Collateral as provided herein and the rights and interests granted to Collateral Agent hereunder, to carry into effect the purposes hereof or to better assure and confirm unto Collateral Agent or permit Collateral Agent to exercise and enforce its rights, powers and remedies hereunder with respect to any Security Agreement Collateral. By way of example, such actions may include appearing in and defending any action or proceeding, at Collateral Agent's request, that may affect such Pledgor's title to or Collateral Agent's security interest in all or any part of the Security Agreement Collateral. Upon the reasonable request of Collateral Agent, each Pledgor shall further make, execute, endorse, acknowledge, file or refile or deliver to Collateral Agent from time to time such lists, descriptions and designations of the Security Agreement Collateral, copies of warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, supplements, additional security agreements, conveyances, financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments. If an Event of Default has occurred and is continuing, Collateral Agent may institute and maintain, in its own name or in the name of any Pledgor, such suits and proceedings as Collateral Agent deems necessary or expedient to prevent any impairment of the security interest in or the perfection thereof in the Security Agreement Collateral. All of the foregoing shall be at the sole cost and expense of the Pledgors.

(d) For the avoidance of doubt, the Pledgors and Collateral Agent acknowledge that this Agreement is intended to grant to Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing Lien on the Security Agreement Collateral, and does not constitute a present assignment of ownership rights, a transfer of ownership or title to any Security Agreement Collateral, except as otherwise provided herein following the occurrence and during the continuance of an Event of Default. Unless an Event of Default shall have occurred and be continuing, Collateral Agent agrees from time to time to deliver, upon written request of any Pledgor and at such Pledgor's sole cost and expense (including reasonable expenses of counsel to, among other things, review the effect thereof on Collateral Agent's security interest granted hereunder), any and all instruments, certificates or other documents, in a form reasonably requested by such Pledgor, necessary or appropriate in the reasonable judgment of such Pledgor to enable such Pledgor to continue to exploit, license, use and protect the Security Agreement Collateral in accordance with the terms hereof and of the Credit Agreement.

ARTICLE IV

No effective financing statement or other public notice with respect to all or any part of the Security Agreement Collateral is on file or of record in any public office, except such as have been filed in favor of Collateral Agent pursuant to this Agreement, are permitted by the Credit Agreement, or for which proper termination statements or other release documentation have been (or, in the case of financing statements or other public notices filed in connection with the Existing Credit Agreement, will be) delivered to Collateral Agent for filing. No Person other than Collateral Agent has control or possession of all or any part of the Security Agreement Collateral, except as permitted hereby or by the Credit Agreement.

SECTION 4.02. Organization; Authority; Enforceability. Such Pledgor (a) is duly organized or incorporated and, except prior to the satisfaction of the covenant set forth in Section 6.16 of the Credit Agreement in the case of Herbalife Taiwan, validly existing under the laws of the jurisdiction of its organization or incorporation, (b) has all requisite power and authority enter into this Agreement and to carry out the obligations hereunder, and (c) has duly executed and delivered this Agreement. This Agreement and each other document, statement, or instrument relating hereto, when executed and delivered by such Pledgor, will constitute, a legal, valid and binding obligation of such Pledgor, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 4.03. Authorizations and Approvals. No authorization, approval or other action by, and no notice to or filing with, any Governmental Authority is required for either (i) the pledge or grant by such Pledgor of the Liens purported to be created in favor of Collateral Agent hereunder, or (ii) the exercise by Collateral Agent of any rights or remedies in respect of any Security Agreement Collateral, in each case except for (a) the filings and registrations contemplated under the Collateral Documents, including filings necessary to perfect (or, in the case of equity interests of Foreign Subsidiaries, create or enforce) Liens created under the Loan Documents, and as may be required in connection with the disposition of any Securities Collateral (by laws generally affecting the offering and sale of securities) or by laws pertaining to Intellectual Property, (b) the authorizations, approvals, actions, notices and filings listed on Schedule 5.03 of the Credit Agreement, all of which have been duly obtained, taken, given or made and are in full force and effect, and (c) consents, approvals, registrations, filings or actions the failure of which to obtain or perform could not reasonably be expected to result in a Material Adverse Effect.

SECTION 4.04. Reserved.

SECTION 4.05. Limitation on Liens. Such Pledgor shall, at its own cost and expense, defend title to the Security Agreement Collateral pledged by it hereunder and the security interest therein and Lien thereon granted to Collateral Agent against all claims and demands of all Persons, at its own cost and expense, at any time claiming (except to the extent related to a Permitted Lien) any interest therein adverse to Collateral Agent or any other Secured Party.

SECTION 4.06. Other Financing Statements. So long as any of the Secured Obligations remain unpaid, or the Commitments of the Lenders to make any Loan or to issue any Credit Agreement L/Cs shall not have expired or been sooner terminated, such Pledgor shall not execute, authorize or permit to be filed in any public office any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) or statements relating to any Security Agreement Collateral, except, in each case, financing statements filed or to be filed in respect of and covering the security interests granted by such Pledgor to the holder of Permitted Liens.

SECTION 4.07. Chief Executive Office; Change of Name; Jurisdiction of Organization. (a) As of the Closing Date, such Pledgor's exact legal name, type and jurisdiction of organization or incorporation, federal taxpayer and organizational identification numbers of such Pledgor (if applicable) is set forth in the Perfection Certificate, and its chief executive office is set forth in the Perfection Certificate. Such Pledgor shall not (i) change its corporate name, (ii) change its identity or type of organization or corporate structure, or (iii) change its federal taxpayer identification number or organizational identification number (including by merging with or into any other entity, reorganizing, dissolving, liquidating, reincorporating or incorporating in any other jurisdiction) unless (A) it shall have given Collateral Agent not less than 30 days' prior written notice of its intention so to do, clearly describing such change and providing such other information in connection therewith as Collateral Agent may request, and (B) with respect to such change, such Pledgor shall have taken all action that Collateral Agent deems necessary or desirable to maintain the perfection of the security interest of Collateral Agent for the benefit of the Secured Parties in the Security Agreement Collateral intended to be granted hereby. Each Pledgor agrees to promptly provide Collateral Agent with certified organizational documents reflecting any of the changes described in the preceding sentence.

(b) Such Pledgor agrees to maintain, at its own cost and expense, such complete and accurate records with respect to the Security Agreement Collateral owned by it as is consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which such Pledgor is engaged, but in any event to include complete accounting records as required by the Credit Agreement, and, at such time or times as Collateral Agent may request, promptly to prepare and deliver to Collateral Agent a duly certified schedule or schedules in form and detail satisfactory to Collateral Agent showing in summary form the identity, amount and location of any and all Security Agreement Collateral (except Security Agreement Collateral in the possession or control of Collateral Agent).

SECTION 4.08. Certain Provisions Concerning Securities Collateral. (a) Such Pledgor has delivered to Collateral Agent true, correct and complete copies of its Organization Documents with respect to its organization or domestication in any State or territory of the United States, which are in full force and effect and have not as of the date hereof been amended or modified except as permitted by the Credit Agreement. Such Pledgor shall deliver to Collateral Agent a copy of any notice of default given or received by it under any Organization Document within ten days after such Pledgor gives or receives such notice.

(b) Such Pledgor is not in default in the payment of any portion of any mandatory capital contribution, if any, required to be made under any agreement to which such Pledgor is a party relating to the Pledged Equity Interests pledged by it, and such Pledgor is not in violation of any other provisions of any such agreement to which such Pledgor is a party, or otherwise in default or violation thereunder, except where such default or noncompliance, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. No Securities Collateral pledged by such Pledgor is subject to any defense, offset or counterclaim, nor have any of the foregoing been asserted or alleged against such Pledgor by any Person with respect thereto, and as of the date hereof, there are no certificates, instruments, documents or other writings (other than the Organization Documents and certificates, if any, delivered to Collateral Agent) that evidence any Pledged Equity Interests of such Pledgor.

(c) So long as no Event of Default shall have occurred and be continuing (and the Borrowers and such Pledgor have not received written notice relating to such Event of Default from Collateral Agent):

(i) Such Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Securities Collateral or any part thereof for any purpose not inconsistent with the terms or purposes hereof, the Credit Agreement, or any other Loan Document evidencing the Secured Obligations; *provided* that, such Pledgor shall not in any event exercise such rights in any manner that would reasonably be expected to have a material adverse effect on the value of the Security Agreement Collateral or the Lien and security interest intended to be granted to Collateral Agent hereunder;

(ii) Such Pledgor shall be entitled to receive and retain, and to utilize free and clear of the Lien hereof, any and all Distributions, but only if and to the extent made in accordance with the provisions of the Credit Agreement; *provided* that, any and all such Distributions consisting of rights or interests in the form of certificated securities shall be delivered to Collateral Agent to hold as Security Agreement Collateral and shall, if received by such Pledgor, be received in trust for the benefit of Collateral Agent, be segregated from the other property or funds of such Pledgor and be delivered to Collateral Agent as Security Agreement Collateral in the same form as so received (with any necessary endorsement), in each case as and when required pursuant to Article III hereof; and

(iii) Without further action or formality, Collateral Agent shall be deemed to have granted to such Pledgor all necessary consents relating to voting rights and shall, if necessary, upon written request of such Pledgor and at the sole cost and expense of the Pledgors, from time to time execute and deliver (or cause to be executed and delivered) to such Pledgor all such instruments as such Pledgor may reasonably request to permit such Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to Section 4.08(c)(i) and to receive the Distributions that it is authorized to receive and retain pursuant to Section 4.08(c)(ii).

(d) Upon the occurrence and during the continuance of any Event of Default (and once any Borrower or any Pledgor has received written notice relating to such Event of Default from Collateral Agent):

(i) All rights of such Pledgor to exercise the voting and other consensual rights it would otherwise be entitled to exercise pursuant to Section 4.08(c)(i) without any action or the giving of any notice shall cease, and all such rights shall thereupon become vested in Collateral Agent, which shall thereupon have the sole right to exercise such voting and other consensual rights; and

(ii) All rights of such Pledgor to receive Distributions that it would otherwise be authorized to receive and retain pursuant to Section 4.08(c)(ii) shall cease and all such rights shall thereupon become vested in Collateral Agent, who shall thereupon have the sole right to receive and hold as Security Agreement Collateral such Distributions;

provided that, the rights described in clauses (i) and (ii) above shall revert back to such Pledgor following the cure or waiver of such Event of Default.

(e) Such Pledgor shall, at its sole cost and expense, from time to time execute and deliver to Collateral Agent appropriate instruments as Collateral Agent may request to permit Collateral Agent to exercise the voting and other rights that it may be entitled to exercise pursuant to Section 4.08(d)(i) and to receive all Distributions that it may be entitled to receive under Section 4.08(d)(ii).

(f) All Distributions that are received by such Pledgor contrary to the provisions of Section 4.08(d)(ii) shall be received in trust for the benefit of Collateral Agent, shall be segregated from other funds of such Pledgor and shall promptly be paid over to Collateral Agent as Security Agreement Collateral in the same form as so received (with any necessary endorsement).

SECTION 4.09. Certain Provisions Concerning Intellectual Property. (a) Such Pledgor agrees that it will not, nor will it knowingly permit or authorize any of its licensees to, do any act, or omit to do any act, whereby any issued Patent may become invalidated, dedicated to the public, or unenforceable, and agrees that it shall continue to mark any products covered by a Patent with the relevant Patent Number or indication that such product is subject to a pending Patent application as necessary and sufficient to establish and preserve its maximum rights under applicable patent laws, except where the failure to so mark would not be reasonably likely to result in a Material Adverse Effect.

(b) Such Pledgor (either itself or through its licensees or its sublicensees) will, for each material Trademark, (i) maintain such Trademark in full force free from any claim of abandonment or invalidity for nonuse, (ii) not materially diminish the value of such Trademark or the goodwill associated therewith, (iii) display such Trademark with notice of federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under applicable law, except where the failure to display with such notice would not be reasonably likely to result in a Material Adverse Effect, and (iv) not knowingly use or knowingly permit the use of such Trademark in violation of any third party rights.

(c) Such Pledgor (either itself or through licensees) will, for each work covered by a material Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable copyright laws, except where the failure to include notice would not be reasonably likely to result in a Material Adverse Effect.

(d) Such Pledgor shall notify Collateral Agent promptly if it knows or has reason to know that any Intellectual Property material to such Pledgor's business (whether individually or in the aggregate) may become, or knows of circumstances that would cause any such Intellectual Property to become: (i) abandoned, lost or dedicated to the public; (ii) invalid or unenforceable; or (iii) subject to any adverse determination or development regarding such Pledgor's ownership of any Intellectual Property, its right to register the same, or to keep and maintain the same.

(e) Such Pledgor will take all reasonable steps in the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States, Canada or in any other country, to maintain and pursue each application relating to the Intellectual Property (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and to initiate opposition, interference and cancellation proceedings against third parties, in each case where necessary for the operation of such Pledgor's business as presently conducted and as contemplated by the Credit Agreement.

(f) In the event that such Pledgor knows that any Security Agreement Collateral consisting of Intellectual Property material to the conduct of such Pledgor's business has been or is about to be infringed, misappropriated or diluted by a third party, such Pledgor promptly shall notify Collateral Agent and shall promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, or take such other actions as are appropriate under the circumstances to protect such Security Agreement Collateral, except where the failure to so notify or take such actions would not be reasonably likely to result in a Material Adverse Effect.

(g) Upon the occurrence and during the continuance of an Event of Default, such Pledgor shall use its commercially reasonable efforts to obtain all requisite consents or approvals by the licensor of each License to effect the assignment of all of such Pledgor's right, title and interest thereunder to the Security Agreement Collateral Agent or its designee.

(h) Solely for the purpose of enabling Collateral Agent to exercise its rights and remedies upon the occurrence of an Event of Default, such Pledgor hereby grants to Collateral Agent, to the extent assignable, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Pledgor) to use, license or sublicense any of the Intellectual Property now owned or hereafter acquired by such Pledgor, wherever the same may be located, including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

(i) Except with the prior consent of Collateral Agent or as permitted under the Credit Agreement, such Pledgor shall not execute any financing statement or other document or instrument, and there will not be on file in any public office any effective financing statement or other document or instruments, except financing statements or other documents or instruments filed or to be filed in favor of Collateral Agent or in respect of Permitted Liens, and such Pledgor shall not sell, assign, transfer, license, grant any option in, or create any Lien, claim, security interest or other encumbrance on or with respect to the Intellectual Property, or suffer to exist any effective Lien, claim, security interest or other encumbrance on or with respect to the Intellectual Property, except for the security interest created by and under this Security Agreement and Permitted Liens as otherwise permitted by the Credit Agreement.

(j) It shall hereafter use commercially reasonable efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that would materially impair or prevent the creation of a security interest in, or the assignment of, such Pledgor's rights and interests in any property included within the definitions of any Intellectual Property acquired under such contracts.

SECTION 4.10. Inspection and Verification. Collateral Agent or any representative designated by Collateral Agent shall have the same access and inspection rights as granted to the Administrative Agent by the Borrowers pursuant to Section 6.10 of the Credit Agreement; *provided* that, upon the occurrence and during the continuance of an Event of Default, Collateral Agent and its representatives shall at all times have the right to enter any premises of such Pledgor and inspect any property of such Pledgor where any of the Security Agreement Collateral of such Pledgor is located for the purpose of inspecting the same, observing its use, protecting its interests therein, or otherwise exercising the remedies provided under Article V at any time during normal business hours and without advance notice. For the avoidance of doubt, in respect of Accounts or Security Agreement Collateral in the possession of any third Person, upon the occurrence and during the continuance of an Event of Default, Collateral Agent or any designated representative shall have the right to contact such account debtors or third Persons in possession of such Security Agreement Collateral for verification purposes. Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any other Secured Party.

SECTION 4.11. Payment of Taxes; Contesting Liens; Claims Such Pledgor represents and warrants that all Charges imposed on or assessed against the Security Agreement Collateral have been paid and discharged except to the extent such Charges (a) constitute a Permitted Lien or a Lien not yet due and payable, (b) are being contested in good faith by appropriate proceedings and for which such Pledgor shall have set aside on its books adequate reserves in accordance with GAAP or (c) to the extent that the non-payment thereof could not reasonably be expected to result in a Material Adverse Effect. Notwithstanding the foregoing, such Pledgor may at its own expense contest the validity, amount or applicability of any Charges so long as the contest thereof shall satisfy the Contested Collateral Lien Conditions. Notwithstanding the foregoing provisions of this Section 4.11, no contest of any such obligation may be pursued by such Pledgor if such contest would expose Collateral Agent or any other Secured Party to any possible criminal liability.

SECTION 4.12. Transfers and Other Liens. Such Pledgor shall not sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Security Agreement Collateral pledged by it hereunder except as permitted by the Credit Agreement. Such Pledgor shall not make or permit to be made an assignment for security, pledge or hypothecation of the Security Agreement Collateral or shall grant any other Lien in respect of the Security Agreement Collateral, except as permitted by Section 7.01 of the Credit Agreement.

ARTICLE V

REMEDIES

SECTION 5.01. Remedies. Upon the occurrence and during the continuance of any Event of Default, Collateral Agent may from time to time exercise in respect of the Security Agreement Collateral, in addition to the other rights and remedies provided for herein or otherwise available to it:

- (a) Personally, or by agents or attorneys, immediately take possession of the Security Agreement Collateral or any part thereof, from any Pledgor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter on any Pledgor's premises where any of the Security Agreement Collateral is located, remove such Security Agreement Collateral, remain present at such premises to receive copies of all communications and remittances relating to the Security Agreement Collateral and use in connection with such removal and possession any and all services, supplies, aids and other facilities of any Pledgor;

(b) Demand, sue for, collect or receive any money or property at any time payable or receivable in respect of the Security Agreement Collateral including instructing the obligor or obligors on any agreement, instrument or other obligation constituting part of the Security Agreement Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to Collateral Agent, and in connection with any of the foregoing, compromise, settle, extend the time for payment and make other modifications with respect thereto; *provided* that, in the event that any such payments are made directly to any Pledgor, prior to receipt by any such obligor of such instruction, such Pledgor shall segregate all amounts received pursuant thereto in trust for the benefit of Collateral Agent and shall promptly (but in no event later than one Business Day after receipt thereof) pay such amounts into the Collateral Account;

(c) Sell, assign, grant a license to use or otherwise liquidate, or direct any Pledgor to sell, assign, grant a license to use or otherwise liquidate, any and all investments made in whole or in part with the Security Agreement Collateral or any part thereof, and take possession of the proceeds of any such sale, assignment, license or liquidation;

(d) Take possession of the Security Agreement Collateral or any part thereof by directing any Pledgor in writing to deliver the same to Collateral Agent at any place or places so designated by Collateral Agent, in which event such Pledgor shall at its own expense: (i) forthwith cause the same to be moved to the place or places designated by Collateral Agent and there delivered to Collateral Agent, (ii) store and keep any Security Agreement Collateral so delivered to Collateral Agent at such place or places pending further action by Collateral Agent and (iii) while the Security Agreement Collateral shall be so stored and kept, provide such security and maintenance services as shall be necessary to protect the same and to preserve and maintain them in good condition. Each Pledgor's obligation to deliver the Security Agreement Collateral as contemplated in this Section 5.01(d) is of the essence hereof. Upon application to a court of equity having jurisdiction, Collateral Agent shall be entitled to a decree requiring specific performance by any Pledgor of such obligation;

(e) Withdraw all moneys, instruments, securities and other property in any bank, financial securities, deposit or other account of any Pledgor constituting Security Agreement Collateral for application to the Secured Obligations as provided in Article VIII of the Credit Agreement;

(f) Retain and apply the Distributions to the Secured Obligations as provided in the Credit Agreement;

(g) Exercise any and all rights as beneficial and legal owner of the Security Agreement Collateral, including perfecting assignment of and exercising any and all voting, consensual and other rights and powers with respect to any Security Agreement Collateral; and

(h) All the rights and remedies of a secured party on default under the UCC, and Collateral Agent may also in its sole discretion, without notice except as specified in Section 5.02, sell, assign or grant a license to use the Security Agreement Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and on such other terms as Collateral Agent deems commercially reasonable. Collateral Agent or any other Secured Party or any of their respective Affiliates may be the purchaser, licensee, assignee or recipient of any or all of the Security Agreement Collateral at any such sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Security Agreement Collateral sold, assigned or licensed at such sale, to use and apply any of the Secured Obligations owed to such Person as a credit on account of the purchase price of any Security Agreement Collateral payable by such Person at such sale. Each purchaser, assignee, licensee or recipient at any such sale shall acquire the property sold, assigned or licensed absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay and appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Collateral Agent shall not be obligated to make any sale of Security Agreement Collateral regardless of notice of sale having been given. Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Pledgor hereby waives, to the fullest extent permitted by law, any claims against Collateral Agent arising by reason of the fact that the price at which any Security Agreement Collateral may have been sold, assigned or licensed at such a private sale was less than the price that might have been obtained at a public sale, even if Collateral Agent accepts the first offer received and does not offer such Security Agreement Collateral to more than one offeree.

(i) Upon the written demand of Collateral Agent, each Pledgor shall execute and deliver to Collateral Agent an assignment or assignments of the registered Intellectual Property and such other documents as are necessary or appropriate to carry out the intent and purposes hereof.

SECTION 5.02. Notice of Sale. Each Pledgor acknowledges and agrees that, to the extent notice of sale shall be required by law, ten days' notice to such Pledgor of the time and place of any public sale or of the time after which any private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. No notification need be given to any Pledgor if it has signed, during the occurrence of an Event of Default, a statement renouncing or modifying any right to notification of sale or other intended disposition.

SECTION 5.03. Waiver of Notice and Claims. Each Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with Collateral Agent's taking possession or Collateral Agent's disposition of any of the Security Agreement Collateral, including any and all prior notice and hearing for any prejudgment remedy or remedies and any such right that such Pledgor would otherwise have under law, and each Pledgor hereby further waives, to the fullest extent permitted by applicable law: (a) all damages occasioned by such taking of possession, (b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of Collateral Agent's rights hereunder and (c) all rights of redemption, appraisal, valuation, stay, extension and moratorium now or hereafter in force under any applicable law. Collateral Agent shall not be liable for any incorrect or improper payment made pursuant to this Article V in the absence of gross negligence or willful misconduct. Any sale of, or the grant of options to purchase, or any other realization on, any Security Agreement Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the applicable Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against such Pledgor and against any and all Persons claiming or attempting to claim the Security Agreement Collateral so sold, optioned or realized on, or any part thereof, from, through or under such Pledgor.

SECTION 5.04. Certain Sales of Security Agreement Collateral. Each Pledgor recognizes that, by reason of certain prohibitions contained in the Securities Act, and applicable state securities laws, Collateral Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral, to limit purchasers to Persons who will agree, among other things, to acquire such Securities Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges that any such private sales may be at prices and on terms less favorable to Collateral Agent than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act), and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Securities Collateral for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would agree to do so.

SECTION 5.05. No Waiver; Cumulative Remedies. (a) No failure on the part of Collateral Agent to exercise, no course of dealing with respect to, and no delay on the part of Collateral Agent in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy; nor shall Collateral Agent be required to look first to, enforce or exhaust any other security, collateral or guarantees. The remedies herein provided are cumulative and are not exclusive of any remedies provided by law.

(b) In the event that Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to Collateral Agent, then and in every such case, the Pledgors, Collateral Agent and each other Secured Party shall be restored to their respective former positions and rights hereunder with respect to the Security Agreement Collateral, and all rights, remedies and powers of Collateral Agent and the other Secured Parties shall continue as if no such proceeding had been instituted.

ARTICLE VI

OBLIGATIONS ABSOLUTE; WAIVERS

SECTION 6.01. Liability of the Pledgors Absolute. Each Pledgor agrees that its obligations hereunder are irrevocable, absolute, independent, unconditional, and shall not be affected by any circumstance that constitutes a legal or equitable discharge of a pledgor or surety, except for payment in full of the Secured Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Pledgor agrees as follows:

(a) the obligations of each Pledgor hereunder are independent of the obligations of each other Pledgor and each guarantor of the obligations of the Loan Parties, and separate actions may be brought and prosecuted against such Pledgor whether or not any action is brought against any other Pledgor or guarantor, and whether or not such other Pledgor or guarantor is joined in any such actions;

(b) payment by any Loan Party of a portion of the Secured Obligations shall in no way limit, affect, modify or abridge such Pledgor's grant hereunder securing any portion of the Secured Obligations that has not been paid. By way of example and without limiting the generality of the foregoing, if Collateral Agent is awarded a judgment in any suit brought to enforce any Loan Party's covenant to pay a portion of the Secured Obligations, such judgment shall not be deemed to release such Pledgor from its grant hereunder securing the portion of the Secured Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Pledgor, limit, affect, modify or abridge any other Pledgor's grant hereunder securing the Secured Obligations;

(c) upon such terms as Collateral Agent deems appropriate, without obligation to give notice or demand, without affecting the validity or enforceability hereof, and without giving rise to any reduction, limitation, impairment, discharge or termination of the security interests granted hereunder or such Pledgor's liability hereunder, Collateral Agent may, from time to time, (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place and manner or terms of payment of any of the Secured Obligations in accordance with the terms of the other Loan Documents; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, any of the Secured Obligations or any agreement relating thereto, or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other pledges as security for any of the Secured Obligations, and take and hold security for the payment hereof or any of the Secured Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of any of the Secured Obligations, any guarantees of any of the Secured Obligations, or any other obligation of any Person (including any other Pledgor) with respect to any of the Secured Obligations; (v) enforce and apply any security now or hereafter held by it in respect hereof or any of the Secured Obligations, and direct the order or manner of sale thereof, or exercise any other right or remedy that it may have against any such security, including foreclosure on any such security in accordance with one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is economically reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Pledgor against any other Loan Party, or any security for any of the Secured Obligations; and (vi) exercise any other rights available to it under the Loan Documents; and

(d) this Agreement and such Pledgor's obligations hereunder shall be valid and enforceable, and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of all the Secured Obligations), including the occurrence of any of the following (whether or not such Pledgor shall have had notice or knowledge of any of them): (i) any failure or omission to assert or enforce, any agreement or election not to assert or enforce, or any stay or enjoining by order of any court, by operation of law or otherwise, of the exercise or enforcement of any claim or demand, or any right, power or remedy (whether arising under the Loan Documents, at law, in equity, or otherwise) with respect to the Secured Obligations or any agreement related thereto, or with respect to any other guarantee of or security for the payment of the Secured Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Loan Documents, any agreement or instrument executed pursuant thereto, or any guarantee or other security for the Secured Obligations or any agreement relating thereto at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Loan Documents or from the proceeds of any security for the Secured Obligations, except to the extent such security also serves as collateral for Indebtedness other than the Secured Obligations); (v) consent of Collateral Agent or any other Secured Party to the change, reorganization or termination of the corporate structure or existence of any Loan Party or any Subsidiary thereof, and to any corresponding restructuring of the Secured Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral that secures any of the Secured Obligations; (vii) any defenses, set-offs or counterclaims that any Loan Party may allege or assert against Collateral Agent or any other Secured Party in respect of the Secured Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction, and usury; and (viii) any other act, thing or omission, or delay to do any other act or thing, that in any manner and to any extent may vary such Pledgor's risk as a grantor of security securing the Secured Obligations.

SECTION 6.02. General Waivers. Each Pledgor hereby waives, for the benefit of Collateral Agent and the Secured Parties: (a) all rights to require Collateral Agent or any other Secured Party, as a condition to exercising Collateral Agent's rights hereunder against the Security Agreement Collateral, to (i) proceed against any other Loan Party, any other pledgor (including any other Pledgor) of security securing any of the Secured Obligations, or any other Person, (ii) proceed against or exhaust any security held from any other Loan Party, any such other pledgor or any other Person, (iii) proceed against or have resort to any balance of any Deposit Account or credit on the books of Collateral Agent or any other Secured Party in favor of any other Loan Party or any other Person, or (iv) pursue any other remedy whatsoever in the capacity of secured party; (b) any defense arising by reason of incapacity, lack of authority, or any disability or other defenses of any other Loan Party, including any defense based on or arising from the lack of validity or enforceability of any of the Secured Obligations or any agreement or instrument relating thereto, or by reason of the cessation of the liability of any other Loan Party from any cause other than the payment in full of all the Secured Obligations; (c) any defense based on any statute or rule of law that provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based on errors or omissions by Collateral Agent or any other Secured Party in the administration of any of the Secured Obligations, except behavior that amounts to bad faith, gross negligence or willful misconduct; (e) any principles or provisions of law, statutory or otherwise, that are or may be in conflict with the terms hereof, and any legal or equitable discharge of such Pledgor's obligations hereunder; (f) the benefit of any statute of limitations affecting such Pledgor's counterclaims; (g) promptness, diligence and any requirement that Collateral Agent or any other Secured Party protect, secure, perfect or insure any security interest or Lien or any property subject thereto; (h) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, notices of any renewal, extension or modification of any of the Secured Obligations or any agreement related thereto, notices of any extension of credit to any other Loan party and notices of any of the matters referred to in Section 6.01, and any right to consent to any thereof; and (i) any defenses or benefits that may be derived from or afforded by law that limit the liability of or exonerate pledgors or sureties, or that may conflict with the terms hereof.

SECTION 6.03. California Waivers. For purposes of this Section 6.03 only, references to the "principal" include each Loan Party and references to the "creditor" include each Secured Party. In accordance with Section 2856 of the California Civil Code, each Pledgor waives all rights and defenses (i) available to such Pledgor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses such Pledgor may have by reason of protection afforded to the principal with respect to any of the Secured Obligations, or to any other Person liable for any of the Secured Obligations, in either case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal's Indebtedness or such Person's obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Secured Obligation (or any obligation of any other Person of any of the Secured Obligations), has destroyed such Pledgor's right of subrogation and reimbursement against the principal (or such other Person), by operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Agreement shall be construed as limiting the generality of any of the covenants and waivers set forth in this Section 6.03. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This Section 6.03 is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Agreement or to any of the Secured Obligations.

ARTICLE VII

MISCELLANEOUS

SECTION 7.01. Concerning Collateral Agent. (a) Collateral Agent has been appointed as Collateral Agent pursuant to Article IX of the Credit Agreement. The actions of Collateral Agent hereunder are subject to the provisions of the Credit Agreement. Collateral Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking action (including the release or substitution of the Security Agreement Collateral), in accordance with this Agreement and the Credit Agreement. Collateral Agent may employ agents and attorneys-in-fact in connection herewith. Collateral Agent may resign and a successor Collateral Agent may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as Collateral Agent by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent under this Agreement, and the retiring Collateral Agent shall thereupon be discharged from its duties and obligations under this Agreement. After any retiring Collateral Agent's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was Collateral Agent.

(b) Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Security Agreement Collateral in its possession if such Security Agreement Collateral is accorded treatment substantially equivalent to that which Collateral Agent, in its individual capacity, accords its own property consisting of similar instruments or interests, it being understood that neither Collateral Agent nor any of the Secured Parties shall have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Securities Collateral, whether or not Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters, or (ii) taking any necessary steps to preserve rights against any Person with respect to any Security Agreement Collateral.

(c) Collateral Agent shall be entitled to rely on any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all matters pertaining to this Agreement and its duties hereunder, on advice of counsel selected by it.

(d) With respect to any of its rights and obligations as a Lender, Collateral Agent shall have and may exercise the same rights and powers hereunder. The term "Lenders," "Lender" or any similar terms shall, unless the context clearly otherwise indicates, include Collateral Agent in its individual capacity as a Lender. Collateral Agent may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with such Pledgor or any Affiliate of such Pledgor to the same extent as if Collateral Agent were not acting as Collateral Agent.

(e) If any item of Security Agreement Collateral also constitutes collateral granted to Collateral Agent under any other Collateral Agreement, in the event of any conflict between the provisions hereof and the provisions of such other Collateral Agreement in respect of such collateral, Collateral Agent, in its sole discretion, shall select which provision or provisions shall control.

SECTION 7.02. Collateral Agent May Perform; Collateral Agent Appointed Attorney-in-Fact. If an Event of Default shall have occurred and be continuing, Collateral Agent may (but shall not be obligated to) remedy or cause to be remedied any such breach, and may expend funds for such purpose; *provided* that, Collateral Agent shall in no event be bound to inquire into the validity of any tax, lien, imposition or other obligation that such Pledgor fails to pay or perform as and when required hereby and that such Pledgor does not contest in accordance with the provision of Section 7.01 of the Credit Agreement. Any and all amounts so expended by Collateral Agent shall be paid by the Pledgors in accordance with the provisions of Section 7.03. Neither the provisions of this Section 7.02 nor any action taken by Collateral Agent pursuant to the provisions of this Section 7.02 shall prevent any such failure by any Pledgor to observe any covenant contained in this Agreement nor any breach of warranty from constituting an Event of Default. Each Pledgor hereby appoints Collateral Agent its attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor, or otherwise, from time to time during the continuance of an Event of Default in Collateral Agent's discretion to take any action and to execute any instrument consistent with the terms hereof and the other Loan Documents that Collateral Agent may deem necessary or advisable to accomplish the purposes hereof. The foregoing grant of authority is an irrevocable power of attorney coupled with an interest and such appointment shall be irrevocable for the term hereof. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

SECTION 7.03. Expenses. Each Pledgor will promptly pay to Collateral Agent the amount of any and all costs and expenses, including the reasonable fees and expenses of its counsel and the fees and expenses of any experts and agents, that Collateral Agent may incur in connection with this Agreement, including all costs and expenses relating to (a) any and all filings and other actions taken to ensure the attachment, perfection and priority of, and the ability of Collateral Agent to enforce, Collateral Agent's security interest in the Security Agreement Collateral; (b) any action, suit or other proceeding affecting the Security Agreement Collateral or any part thereof commenced, in which action, suit or proceeding Collateral Agent is made a party or participates or in which the right to use the Security Agreement Collateral or any part thereof is threatened, or in which it becomes necessary in the judgment of Collateral Agent to defend or uphold the Lien hereof (including any action, suit or proceeding to establish or uphold the compliance of the Security Agreement Collateral with any requirements of any Governmental Authority or law); (c) the collection of the Secured Obligations; (d) the enforcement and administration hereof; (e) the custody or preservation of, or the sale of, collection from, or other realization on, any of the Security Agreement Collateral; (f) the exercise or enforcement of any of the rights of Collateral Agent or any Secured Party hereunder; or (g) the failure by any Pledgor to perform or observe any of the provisions hereof. All amounts expended by Collateral Agent and payable by any Pledgor under this Section 7.03 shall be due upon demand therefor (together with interest thereon accruing at the default rate during the period from and including the date on which such funds were so expended to the date of repayment) and shall be part of the Secured Obligations. Each Pledgor's obligations under this Section 7.03 shall survive the termination hereof and the discharge of such Pledgor's other obligations under this Agreement, the Credit Agreement and the other Loan Documents.

SECTION 7.04. Indemnity. (a) Indemnity. Each Pledgor agrees to indemnify, defend and hold harmless Collateral Agent and each of the other Secured Parties, and the officers, directors, employees, agents and Affiliates of Collateral Agent and each of the other Secured Parties (collectively, the "Indemnitees") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs (including settlement costs), expenses or disbursements of any kind or nature whatsoever (including the fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding, commenced or threatened, whether or not such Indemnitee shall be designated a party thereto) that may be imposed on, incurred by, or asserted against that Indemnitee, in any manner relating to or arising out of this Agreement or any other Loan Document (including any misrepresentation by any Pledgor in this Agreement or any other Loan Document) (the "Indemnified Liabilities"); *provided* that, no Pledgor shall have any obligation to an Indemnitee hereunder with respect to Indemnified Liabilities if it has been determined by a final decision of a court of competent jurisdiction that such Indemnified Liabilities arose from the gross negligence or willful misconduct of that Indemnitee. To the extent that the undertaking to indemnify, pay and hold harmless set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, each Pledgor shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them.

(b) Survival. The obligations of the Pledgors contained in this Section 7.04 shall survive the termination hereof and the discharge of the Pledgors' other obligations under this Agreement, the Credit Agreement, any Guaranty, any Secured Hedge Agreement, any Secured Cash Management Agreement and under the other Loan Documents.

(c) Reimbursement. Any amounts paid by any Indemnitee as to which such Indemnitee has the right to reimbursement shall constitute Secured Obligations secured by the Security Agreement Collateral.

SECTION 7.05. Continuing Security Interest: Assignment. This Agreement shall create a continuing security interest in the Security Agreement Collateral and shall (a) remain in full force and effect until the payment in full of all Secured Obligations, (b) be binding on the Pledgors, their respective successors and assigns, and (b) inure, together with the rights and remedies of the Lender hereunder, to the benefit of Collateral Agent and the other Secured Parties and each of their respective permitted successors, transferees and assigns. No other Persons (including any other creditor of any Pledgor) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (b), any Secured Party may assign or otherwise transfer any Secured Obligation held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party, herein or otherwise, subject however, to the provisions of the other Loan Documents and any Secured Hedge Agreement or Secured Cash Management Agreement to which such Secured Party is a party; *provided*, that in the case of any such assignment or transfer of Secured Obligation in connection with any Secured Hedge Agreement or Secured Cash Management Agreement to a Person other than a Hedge Bank or a Cash Management Bank, as the case may be, such obligation shall cease to be a Secured Obligation and such other Person shall not become vested with the benefits in respect thereof granted to the transferring Secured Party.

SECTION 7.06. Termination; Release. Upon payment in full of all the Secured Obligations, or upon any partial release of Security Agreement Collateral in accordance with the other Loan Documents, the security interests granted hereby shall terminate hereunder and of record, and all rights to the Security Agreement Collateral shall revert to the Pledgors, it being understood that in the case any such partial release, the security interests granted hereby shall terminate hereunder and of record only with respect to such Security Agreement Collateral subject to such partial release. Upon any such termination, Collateral Agent shall, at the Pledgors' expense, execute and deliver to the Pledgors such documents, and take such other actions, as the Pledgors reasonably request to evidence such termination.

Notwithstanding anything to the contrary contained herein, in connection with Section 9.10 of the Credit Agreement, Collateral Agent and the other Secured Parties agree to cooperate with each Pledgor with respect to any sale of Security Agreement Collateral permitted by Section 7.05 of the Credit Agreement and under the other Loan Documents and promptly take such action and execute and deliver such instruments and documents necessary to release the Liens and security interests created hereby relating to any of the assets or property affected by any sale of Security Agreement Collateral permitted by Section 7.05 of the Credit Agreement and under the other Loan Documents (including, without limitation, any necessary Uniform Commercial Code amendment, termination or partial termination statement).

SECTION 7.07. Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by any Pledgor therefrom, shall be effective unless the same shall be made in accordance with the terms of the Credit Agreement and unless in writing and signed by Collateral Agent. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by any Pledgor from the terms of any provision hereof shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement or any other document evidencing the Secured Obligations, no notice to or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

SECTION 7.08. Notices. Unless otherwise provided herein or in the Credit Agreement, any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in the Credit Agreement, if to any Pledgor, addressed to it at the address of the Company set forth in the Credit Agreement, and if to Collateral Agent, addressed to it at the address set forth in the Credit Agreement, or in each case at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 7.08.

SECTION 7.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), EXCEPT TO THE EXTENT, IN ACCORDANCE WITH CHOICE-OF-LAW PRINCIPLES, THAT THE PERFECTION OF THE SECURITY INTERESTS GRANTED HEREUNDER, OR REMEDIES HEREUNDER IN RESPECT OF ANY ITEM OR TYPE OF SECURITY AGREEMENT COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.

(b) Each Pledgor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that Collateral Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Pledgor or its properties in the courts of any jurisdiction.

(c) Each Pledgor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in Section 7.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.08. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 7.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.10.

SECTION 7.11. Severability of Provisions. Any provision hereof that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

SECTION 7.12. Execution in Counterparts. This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement.

SECTION 7.13. Business Days. In the event any time period or any date provided in this Agreement ends or falls on a day other than a Business Day, then such time period shall be deemed to end and such date shall be deemed to fall on the next succeeding Business Day, and performance herein may be made on such Business Day, with the same force and effect as if made on such other day.

SECTION 7.14. No Credit for Payment of Taxes or Imposition Each Pledgor shall not be entitled to any credit against the principal, premium (if any), or interest payable under the Credit Agreement, and such Pledgor shall not be entitled to any credit against any other sums that may become payable under the terms thereof or hereof, by reason of the payment of any Tax on the Security Agreement Collateral or any part thereof.

SECTION 7.15. No Claims Against Collateral Agent. Nothing contained in this Agreement shall constitute any consent or request by Collateral Agent, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Security Agreement Collateral or any part thereof, nor as giving any Pledgor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against Collateral Agent in respect thereof or any claim that any Lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the Lien hereof.

SECTION 7.16. No Release Under Agreements; No Liability of Collateral Agent or Secured Parties. Nothing set forth in this Agreement shall relieve the Pledgor from the performance of any term, covenant, condition or agreement on the Pledgor's part to be performed or observed under or in respect of any of the Security Agreement Collateral, or from any liability to any Person under or in respect of any of the Security Agreement Collateral, or shall impose any obligation on Collateral Agent or any other Secured Party to perform or observe any such term, covenant, condition or agreement on the Pledgor's part to be so performed or observed, or shall impose any liability on Collateral Agent or any other Secured Party for any act or omission on the part of the Pledgor relating thereto or for any breach of any Secured Hedge Agreement or Secured Cash Management Agreement, any representation or warranty on the part of the Pledgor contained in this Agreement, the Credit Agreement, the Guaranties or the other Loan Documents, or under or in respect of the Security Agreement Collateral or made in connection herewith or therewith. The obligations of the Pledgor contained in this Section 7.16 shall survive the termination hereof and the discharge of the Pledgor's other obligations under this Agreement, the Credit Agreement, any Guaranty, any Secured Hedge Agreement, any Secured Cash Management Agreement and the other Loan Documents.

SECTION 7.17. Obligations Absolute. Subject to Section 9.10 of the Credit Agreement, all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Pledgor or any other Loan Party;

(b) any lack of validity or enforceability of the Credit Agreement, any Guaranty, any Secured Hedge Agreement, any Secured Cash Management Agreement or any other Loan Document, or any other agreement or instrument relating thereto;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any Guaranty any other Loan Document, any Secured Hedge Agreement, any Secured Cash Management Agreement or any other agreement or instrument relating thereto;

(d) any pledge, exchange, release or nonperfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any Guaranty, for all or any of the Secured Obligations, except to the extent that any such amendment, waiver or consent expressly relieves such Pledgor of any obligations;

(e) any exercise, nonexercise or waiver of any right, remedy, power or privilege under or in respect hereof, the Credit Agreement, any Guaranty, any Secured Hedge Agreement, any Secured Cash Management Agreement or any other Loan Document except as specifically set forth in a waiver granted pursuant to the provisions of Section 5.03; or

(f) any other circumstances that might otherwise constitute a defense available to, or a discharge of, any Pledgor.

SECTION 7.18. Marshaling; Payments Set Aside. Collateral Agent shall not be under any obligation to marshal any assets in favor of any Pledgor or any other Person or against or in payment of any or all of the Secured Obligations.

SECTION 7.19. Release of Pledgors. If any Pledgor is released from its Guaranty in accordance with the provisions of the Credit Agreement and of such Guaranty, then Collateral Agent shall (at the expense of the Borrowers) take all action necessary to release its security interest in that portion of the Security Agreement Collateral owned by such Pledgor, and shall release such Pledgor from its obligations hereunder (other than obligations intended to survive the termination hereof), in each case subject to and in accordance with Section 9.10 of the Credit Agreement.

COMPANY GUARANTY

FOR VALUE RECEIVED, the sufficiency of which is hereby acknowledged, and in consideration of credit and/or financial accommodation heretofore or hereafter from time to time made or granted to HERBALIFE LTD. (“Holdings”), HERBALIFE INTERNATIONAL LUXEMBOURG S.Á.R.L. (“HIL”) and any Designated Borrower (as hereinafter defined) by the Lenders under the Credit Agreement (as hereinafter defined), HERBALIFE INTERNATIONAL, INC. (the “Company”) as the undersigned Guarantor (in such capacity, the “Guarantor”) hereby furnishes its guaranty (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, this “Guaranty”) of the Guaranteed Obligations (as hereinafter defined) on the 9th day of March, 2011, as follows:

1. Guaranty. Reference is made to that certain Credit Agreement, dated as of even date herewith (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, the “Credit Agreement,” the terms defined therein being used herein as therein defined), among the Company, Holdings, HIL (the Company, Holdings, HIL and any Subsidiary of the Company that becomes a borrower under the Credit Agreement (each such Subsidiary, a “Designated Borrower”) are herein referred to as the “Borrowers” and each, a “Borrower”), the Lenders from time to time party thereto, and Bank of America, N.A., as Administrative Agent, L/C Issuer and Swing Line Lender. The Guarantor hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of all Obligations of Holdings and of HIL (collectively the “Guaranteed Obligations”). The accounts or records maintained by the Administrative Agent and each other Secured Party shall be conclusive absent manifest error of the amount of the Guaranteed Obligations. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Guarantor hereunder to pay any amount owing with respect to the Guaranteed Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of the Guarantor under this Guaranty, and the Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

2. No Setoff or Deductions; Taxes; Payments. The Guarantor represents and warrants that it is organized and resident in the United States of America. The Guarantor shall make all payments hereunder without setoff or counterclaim and free and clear of and without deduction for any Taxes unless the Guarantor is compelled by law to make such deduction or withholding. The obligations hereunder shall not be affected by any acts of any Governmental Authority affecting any Borrower or the Guarantor, including but not limited to, any restrictions on the conversion of currency or repatriation or control of funds or any total or partial expropriation of any Borrower’s property, or by economic, political, regulatory or other events in the countries where any Borrower is located. All payments hereunder shall be made to the Administrative Agent, for the account of the respective Secured Parties to which such payment is owed, in the applicable currency at the applicable Administrative Agent’s Office and at the times specified in the Credit Agreement (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank as specified in the applicable Secured Cash Management Agreement or Secured Hedge Agreement).

3. Rights of Lender. The Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Secured Parties may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, the Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of the Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of the Guarantor.

4. Certain Waivers. (a) The Guarantor waives (i) any defense arising by reason of any disability or other defense of any Borrower or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Secured Parties) of the liability of any Borrower; (ii) any defense based on any claim that the Guarantor's obligations exceed or are more burdensome than those of any Borrower; (iii) the benefit of any statute of limitations affecting the Guarantor's liability hereunder; (iv) any right to require any Secured Party to proceed against any Borrower, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in the Secured Parties' power whatsoever; (v) until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (vi) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable Law limiting the liability of or exonerating guarantors or sureties.

The Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

For purposes of this paragraph only, references to the "**principal**" include each of HIL and Holdings and references to the "**creditor**" include each Secured Party. In accordance with Section 2856 of the California Civil Code, the Guarantor waives, until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, all rights and defenses (i) available to the Guarantor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses the Guarantor may have by reason of protection afforded to the principal with respect to any of the Guaranteed Obligations, or to any other guarantor of any of the Guaranteed Obligations with respect to any of such guarantor's obligations under its guarantee, in either case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal's indebtedness or such other guarantor's obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Guaranteed Obligation (or any obligation of any other guarantor of any of the Guaranteed Obligations), has destroyed the Guarantor's right of subrogation and reimbursement against the principal (or such other guarantor) by the operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Guaranty shall be construed as limiting the generality of any of the covenants and waivers set forth in this paragraph. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This paragraph is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty or to any of the Guaranteed Obligations.

5. Obligations Independent. The obligations of the Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against the Guarantor to enforce this Guaranty whether or not any Borrower or any other Person is joined as a party.

6. Subrogation. The Guarantor shall not exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been paid and performed in full and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. If any amounts are paid to the Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank) to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

7. Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations and any other amounts payable under this Guaranty are paid in full in cash and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of any Borrower or the Guarantor or any other guarantor of the Guaranteed Obligations is made, or any Secured Party exercises its right of setoff in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any Secured Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not any Lender is in possession of or has released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantor under this paragraph shall survive termination of this Guaranty.

8. Subordination. The Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrowers owing to the Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrowers to the Guarantor as subrogee of the Secured Parties or resulting from the Guarantor's performance under this Guaranty, to the payment in full in cash of all Guaranteed Obligations. If the Required Lenders so request in writing after the occurrence and during the continuance of an Event of Default (provided that no such request shall be required after the occurrence or during the continuance of an Event of Default under Section 8.01(f) or (g) of the Credit Agreement), any such obligation or indebtedness of the Borrowers to the Guarantor shall be enforced and the proceeds thereof shall be paid over to Administrative Agent on account of the Guaranteed Obligations without affecting in any manner the liability of the Guarantor under the other provisions of the guaranty contained herein.

9. Stay of Acceleration. In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against the Guarantor, any Borrower or any other guarantor of the Guaranteed Obligations under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantor immediately upon demand by the Secured Parties.

10. Expenses. The Guarantor shall pay on demand all out-of-pocket expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the protection or enforcement of any rights of any Lender in any proceeding any Debtor Relief Laws. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

11. Miscellaneous. No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantor. No failure by the Secured Parties to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Administrative Agent and the Guarantor in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by the Guarantor for the benefit of the Secured Parties or any term or provision thereof.

12. Condition of Borrowers. The Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from each Borrower and any other guarantor of the Guaranteed Obligations such information concerning the financial condition, business and operations of such Borrower and any such other guarantor as the Guarantor requires, and that the Secured Parties have no duty, and the Guarantor is not relying on the Secured Parties at any time, to disclose to the Guarantor any information relating to the business, operations or financial condition of any Borrower or any other guarantor of the Guaranteed Obligations (the Guarantor waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

13. Setoff. If and to the extent any payment is then due hereunder and an Event of Default has occurred and is continuing, the Secured Parties may setoff and charge from time to time any amount so due against any or all of the Guarantor's accounts or deposits with each such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Guaranty and although such obligations may be unmatured.

14. Representations and Warranties. The Guarantor represents and warrants that (a) it is duly organized and, if applicable, is in good standing under the Laws of the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction) and has full capacity and right to make and perform this Guaranty, and all necessary authority has been obtained; (b) this Guaranty constitutes its legal, valid and binding obligation enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law; (c) the making and performance of this Guaranty does not and will not violate the provisions of any applicable Law, except for violations that could not reasonably be expected to result in a Material Adverse Effect, and does not and will not result in the breach of or contravention of or require any payment to be made under any Contractual Obligation to which the Guarantor is a party or affecting the Guarantor's properties except for violations and breaches that could not reasonably be expected to result in a Material Adverse Effect; and (d) all consents, approvals, licenses and authorizations of, and filings and registrations with, any Governmental Authority required under applicable Law for the making and performance of this Guaranty have been obtained or made and are in full force and effect, except consents, approvals, registrations, filings or actions the failure of which to obtain or perform could not reasonably be expected to result in a Material Adverse Effect.

15. Indemnification and Survival. Without limitation on any other obligations of the Guarantor or remedies of the Secured Parties under this Guaranty, each Guarantor shall, to the fullest extent permitted by Law, indemnify, defend and save and hold harmless the Secured Parties, and each Related Party of any of the Secured Parties (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or the Guarantor or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Guaranty, any other Loan Document, any Secured Hedge Agreement or Secured Cash Management Agreement or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, (x) in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Guaranty and the other Loan Documents (including in respect of any matters addressed in Section 2) or (y) in the case of the Hedge Banks and Cash Management Banks and their respective Related Parties only, the administration of the Secured Hedge Agreement and Secured Cash Management Agreements to which they are a party, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to any Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (a) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (b) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, Secured Hedge Agreement or Secured Cash Management Agreement, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and the termination of this Guaranty.

16. GOVERNING LAW; Assignment; Jurisdiction; Notices. THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. This Guaranty shall (a) bind the Guarantor and its successors and assigns, provided that the Guarantor may not assign its rights or obligations under this Guaranty without the prior written consent of the Administrative Agent (and any attempted assignment without such consent shall be void), and (b) inure to the benefit of the Secured Parties and their respective successors and assigns and any Secured Party may, without notice to the Guarantor and without affecting the Guarantor's obligations hereunder, assign, sell or grant participations in the Guaranteed Obligations and this Guaranty, in whole or in part, in accordance with the Credit Agreement. The Guarantor hereby irrevocably submits to the non exclusive jurisdiction of the Courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty or any other Loan Document for recognition or enforcement of any judgment, and the Guarantor irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable Law, in such federal court. The Guarantor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Nothing in this Guaranty shall affect any right that the Administrative Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement against the Guarantor or its properties in the courts of any jurisdiction. The Guarantor hereby waives, to the fullest extent permitted by applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement in any court referred to above and the Guarantor hereby waives any defense asserting an inconvenient forum in connection therewith. Service of process in connection with such action or proceeding shall be made in the manner provided for notices below. All notices and other communications (including any service of process) to the Guarantor under this Guaranty shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to the Guarantor at its address set forth below or at such other address in the United States as may be specified by the Guarantor in a written notice delivered to the Administrative Agent at the Administrative Agent's Office.

17. WAIVER OF JURY TRIAL; FINAL AGREEMENT. EACH OF THE GUARANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS GUARANTY, ANY OTHER LOAN DOCUMENT, ANY SECURED HEDGE AGREEMENT OR ANY SECURED CASH MANAGEMENT AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY, THE OTHER LOAN DOCUMENTS, THE SECURED HEDGE AGREEMENTS AND THE SECURED CASH MANAGEMENT AGREEMENTS TO WHICH IT IS A PARTY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. THIS GUARANTY REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

18. Severability. Wherever possible, each provision of this Guaranty will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guaranty is prohibited by or invalid under such law, such provision will be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty. Consistent with the foregoing, and notwithstanding any other provision of this Guaranty to the contrary, in the event that any action or proceeding is brought in whatever form and in whatever forum seeking to invalidate the Guarantor's obligations under this Guaranty under any fraudulent conveyance, fraudulent transfer theory, or similar avoidance theory, whether under state or federal law, the Guarantor, automatically and without any further action being required of the Guarantor or any Secured Party, shall be liable under this Guaranty only for an amount equal to the maximum amount of liability that could have been incurred under applicable law by the Guarantor under any guaranty of the Guaranteed Obligations (or any portion thereof) at the time of the execution and delivery of this Guaranty (or, if such date is determined not to be the appropriate date for determining the enforceability of the Guarantor's obligations hereunder for fraudulent conveyance or transfer (or similar avoidance) purposes, on the date determined to be so appropriate) without rendering such a hypothetical guaranty voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, or any other grounds for avoidance (such highest amount determined hereunder being the Guarantor's "Maximum Guaranty Amount"), and not for any greater amount, as if the stated amount of this Guaranty as to the Guarantor had instead been the Maximum Guaranty Amount. This Section is intended solely to preserve the rights of the Secured Parties under this Guaranty to the maximum extent not subject to avoidance under applicable law, and neither the Guarantor nor any other Person shall have any right or claim under this Section with respect to the limitation described in this Guaranty, except to the extent necessary so that the obligations of the Guarantor under this Guaranty shall not be rendered voidable under applicable law.

19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Guarantor in respect of any such sum due from it to the Administrative Agent or any other Secured Party hereunder shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of the Guaranty and the Credit Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Secured Party, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Secured Party, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the applicable Secured Party from the Guarantor in the Agreement Currency, the Guarantor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Secured Party against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the applicable Secured Party in such currency, such Secured Party agrees to return the amount of any excess to the Guarantor (or to any other Person who may be entitled thereto under applicable Law).

IN WITNESS WHEREOF, the Guarantor has executed and delivered this Guaranty as of the day and year first written above.

HOLDINGS GUARANTY

FOR VALUE RECEIVED, the sufficiency of which is hereby acknowledged, and in consideration of credit and/or financial accommodation heretofore or hereafter from time to time made or granted to HERBALIFE INTERNATIONAL, INC. (the "Company"), HERBALIFE INTERNATIONAL LUXEMBOURG S.Á.R.L. ("HIL") and any Designated Borrower (as hereinafter defined) by the Lenders under the Credit Agreement (as hereinafter defined), HERBALIFE LTD. ("Holdings") as the undersigned Guarantor (in such capacity, the "Guarantor") hereby furnishes its guaranty (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, this "Guaranty") of the Guaranteed Obligations (as hereinafter defined) on the 9th day of March, 2011, as follows:

1. Guaranty. Reference is made to that certain Credit Agreement, dated as of even date herewith (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, the "Credit Agreement;" the terms defined therein being used herein as therein defined), among the Company, Holdings, HIL (the Company, Holdings, HIL and any Subsidiary of the Company that becomes a borrower under the Credit Agreement (each such Subsidiary, a "Designated Borrower") are herein referred to as the "Borrowers" and each, a "Borrower"), the Lenders from time to time party thereto, and Bank of America, N.A., as Administrative Agent, L/C Issuer and Swing Line Lender. The Guarantor hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of all Obligations of the Company and of HIL (collectively the "Guaranteed Obligations"). The accounts or records maintained by the Administrative Agent and each other Secured Party shall be conclusive absent manifest error of the amount of the Guaranteed Obligations. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Guarantor hereunder to pay any amount owing with respect to the Guaranteed Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of the Guarantor under this Guaranty, and the Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

2. No Setoff or Deductions; Taxes; Payments. The Guarantor represents and warrants that it is incorporated and resident in the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction). The Guarantor shall make all payments hereunder without setoff or counterclaim and free and clear of and without deduction for any Taxes unless the Guarantor is compelled by law to make such deduction or withholding. The obligations hereunder shall not be affected by any acts of any Governmental Authority affecting any Borrower or the Guarantor, including but not limited to, any restrictions on the conversion of currency or repatriation or control of funds or any total or partial expropriation of any Borrower's property, or by economic, political, regulatory or other events in the countries where any Borrower is located. All payments hereunder shall be made to the Administrative Agent, for the account of the respective Secured Parties to which such payment is owed, in the applicable currency at the applicable Administrative Agent's Office and at the times specified in the Credit Agreement (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank as specified in the applicable Secured Cash Management Agreement or Secured Hedge Agreement).

3. Rights of Lender. The Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Secured Parties may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, the Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of the Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of the Guarantor.

4. Certain Waivers. (a) The Guarantor waives (i) any defense arising by reason of any disability or other defense of any Borrower or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Secured Parties) of the liability of any Borrower; (ii) any defense based on any claim that the Guarantor's obligations exceed or are more burdensome than those of any Borrower; (iii) the benefit of any statute of limitations affecting the Guarantor's liability hereunder; (iv) any right to require any Secured Party to proceed against any Borrower, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in the Secured Parties' power whatsoever; (v) until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (vi) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable Law limiting the liability of or exonerating guarantors or sureties.

The Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

For purposes of this paragraph only, references to the "**principal**" include each of HIL and Holdings and references to the "**creditor**" include each Secured Party. In accordance with Section 2856 of the California Civil Code, the Guarantor waives, until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, all rights and defenses (i) available to the Guarantor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses the Guarantor may have by reason of protection afforded to the principal with respect to any of the Guaranteed Obligations, or to any other guarantor of any of the Guaranteed Obligations with respect to any of such guarantor's obligations under its guarantee, in either case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal's Indebtedness or such other guarantor's obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Guaranteed Obligation (or any obligation of any other guarantor of any of the Guaranteed Obligations), has destroyed the Guarantor's right of subrogation and reimbursement against the principal (or such other guarantor) by the operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Guaranty shall be construed as limiting the generality of any of the covenants and waivers set forth in this paragraph. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This paragraph is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty or to any of the Guaranteed Obligations.

5. Obligations Independent. The obligations of the Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against the Guarantor to enforce this Guaranty whether or not any Borrower or any other Person is joined as a party.

6. Subrogation. The Guarantor shall not exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been paid and performed in full and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. If any amounts are paid to the Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank) to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

7. Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations and any other amounts payable under this Guaranty are paid in full in cash and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of any Borrower or the Guarantor or any other guarantor of the Guaranteed Obligations is made, or any Secured Party exercises its right of setoff in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any Secured Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not any Lender is in possession of or has released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantor under this paragraph shall survive termination of this Guaranty.

8. Subordination. The Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrowers owing to the Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrowers to the Guarantor as subrogee of the Secured Parties or resulting from the Guarantor's performance under this Guaranty, to the payment in full in cash of all Guaranteed Obligations. If the Required Lenders so request in writing after the occurrence and during the continuance of an Event of Default (provided that no such request shall be required after the occurrence or during the continuance of an Event of Default under Section 8.01(f) or (g) of the Credit Agreement), any such obligation or indebtedness of the Borrowers to the Guarantor shall be enforced and the proceeds thereof shall be paid over to Administrative Agent on account of the Guaranteed Obligations without affecting in any manner the liability of the Guarantor under the other provisions of the guaranty contained herein.

9. Stay of Acceleration. In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against the Guarantor, any Borrower or any other guarantor of the Guaranteed Obligations under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantor immediately upon demand by the Secured Parties.

10. Expenses. The Guarantor shall pay on demand all out-of-pocket expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the protection or enforcement of any rights of any Lender in any proceeding any Debtor Relief Laws. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

11. Miscellaneous. No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantor. No failure by the Secured Parties to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Administrative Agent and the Guarantor in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by the Guarantor for the benefit of the Secured Parties or any term or provision thereof.

12. Condition of Borrowers. The Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from each Borrower and any other guarantor of the Guaranteed Obligations such information concerning the financial condition, business and operations of such Borrower and any such other guarantor as the Guarantor requires, and that the Secured Parties have no duty, and the Guarantor is not relying on the Secured Parties at any time, to disclose to the Guarantor any information relating to the business, operations or financial condition of any Borrower or any other guarantor of the Guaranteed Obligations (the Guarantor waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

13. Setoff. If and to the extent any payment is then due hereunder and an Event of Default has occurred and is continuing, the Secured Parties may setoff and charge from time to time any amount so due against any or all of the Guarantor's accounts or deposits with each such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Guaranty and although such obligations may be unmatured.

14. Representations and Warranties. The Guarantor represents and warrants that (a) it is duly incorporated and, if applicable, is in good standing under the Laws of the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction) and has full capacity and right to make and perform this Guaranty, and all necessary authority has been obtained; (b) this Guaranty constitutes its legal, valid and binding obligation enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law; (c) the making and performance of this Guaranty does not and will not violate the provisions of any applicable Law, except for violations that could not reasonably be expected to result in a Material Adverse Effect, and does not and will not result in the breach of or contravention of or require any payment to be made under any Contractual Obligation to which the Guarantor is a party or affecting the Guarantor's properties except for violations and breaches that could not reasonably be expected to result in a Material Adverse Effect; and (d) all consents, approvals, licenses and authorizations of, and filings and registrations with, any Governmental Authority required under applicable Law for the making and performance of this Guaranty have been obtained or made and are in full force and effect, except (i) notices, filings and the payment of appropriate stamp or other duties in connection with the enforcement of this Guaranty against any Foreign Obligor, if applicable, in their jurisdiction of incorporation or organization and (ii) consents, approvals, registrations, filings or actions the failure of which to obtain or perform could not reasonably be expected to result in a Material Adverse Effect.

15. Indemnification and Survival. Without limitation on any other obligations of the Guarantor or remedies of the Secured Parties under this Guaranty, each Guarantor shall, to the fullest extent permitted by Law, indemnify, defend and save and hold harmless the Secured Parties, and each Related Party of any of the Secured Parties (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or the Guarantor or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Guaranty, any other Loan Document, any Secured Hedge Agreement or Secured Cash Management Agreement or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, (x) in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Guaranty and the other Loan Documents (including in respect of any matters addressed in Section 2) or (y) in the case of the Hedge Banks and Cash Management Banks and their respective Related Parties only, the administration of the Secured Hedge Agreement and Secured Cash Management Agreements to which they are a party, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to any Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (a) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (b) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, Secured Hedge Agreement or Secured Cash Management Agreement, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and the termination of this Guaranty.

16. GOVERNING LAW; Assignment; Jurisdiction; Notices. THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. This Guaranty shall (a) bind the Guarantor and its successors and assigns, provided that the Guarantor may not assign its rights or obligations under this Guaranty without the prior written consent of the Administrative Agent (and any attempted assignment without such consent shall be void), and (b) inure to the benefit of the Secured Parties and their respective successors and assigns and any Secured Party may, without notice to the Guarantor and without affecting the Guarantor's obligations hereunder, assign, sell or grant participations in the Guaranteed Obligations and this Guaranty, in whole or in part, in accordance with the Credit Agreement. The Guarantor hereby irrevocably submits to the non exclusive jurisdiction of the Courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty or any other Loan Document for recognition or enforcement of any judgment, and the Guarantor irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable Law, in such federal court. The Guarantor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Nothing in this Guaranty shall affect any right that the Administrative Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement against the Guarantor or its properties in the courts of any jurisdiction. The Guarantor hereby waives, to the fullest extent permitted by applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement in any court referred to above and the Guarantor hereby waives any defense asserting an inconvenient forum in connection therewith. Service of process in connection with such action or proceeding shall be made in the manner provided for notices below. All notices and other communications (including any service of process) to the Guarantor under this Guaranty shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to the Guarantor at its address set forth below or at such other address in the United States as may be specified by the Guarantor in a written notice delivered to the Administrative Agent at the Administrative Agent's Office.

17. WAIVER OF JURY TRIAL; FINAL AGREEMENT. EACH OF THE GUARANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS GUARANTY, ANY OTHER LOAN DOCUMENT, ANY SECURED HEDGE AGREEMENT OR ANY SECURED CASH MANAGEMENT AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY, THE OTHER LOAN DOCUMENTS, THE SECURED HEDGE AGREEMENTS AND THE SECURED CASH MANAGEMENT AGREEMENTS TO WHICH IT IS A PARTY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. THIS GUARANTY REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

18. Severability. Wherever possible, each provision of this Guaranty will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guaranty is prohibited by or invalid under such law, such provision will be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty. Consistent with the foregoing, and notwithstanding any other provision of this Guaranty to the contrary, in the event that any action or proceeding is brought in whatever form and in whatever forum seeking to invalidate the Guarantor's obligations under this Guaranty under any fraudulent conveyance, fraudulent transfer theory, or similar avoidance theory, whether under state or federal law, the Guarantor, automatically and without any further action being required of the Guarantor or any Secured Party, shall be liable under this Guaranty only for an amount equal to the maximum amount of liability that could have been incurred under applicable law by the Guarantor under any guaranty of the Guaranteed Obligations (or any portion thereof) at the time of the execution and delivery of this Guaranty (or, if such date is determined not to be the appropriate date for determining the enforceability of the Guarantor's obligations hereunder for fraudulent conveyance or transfer (or similar avoidance) purposes, on the date determined to be so appropriate) without rendering such a hypothetical guaranty voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, or any other grounds for avoidance (such highest amount determined hereunder being the Guarantor's "Maximum Guaranty Amount"), and not for any greater amount, as if the stated amount of this Guaranty as to the Guarantor had instead been the Maximum Guaranty Amount. This Section is intended solely to preserve the rights of the Secured Parties under this Guaranty to the maximum extent not subject to avoidance under applicable law, and neither the Guarantor nor any other Person shall have any right or claim under this Section with respect to the limitation described in this Guaranty, except to the extent necessary so that the obligations of the Guarantor under this Guaranty shall not be rendered voidable under applicable law.

19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Guarantor in respect of any such sum due from it to the Administrative Agent or any other Secured Party hereunder shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of the Guaranty and the Credit Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Secured Party, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Secured Party, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the applicable Secured Party from the Guarantor in the Agreement Currency, the Guarantor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Secured Party against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the applicable Secured Party in such currency, such Secured Party agrees to return the amount of any excess to the Guarantor (or to any other Person who may be entitled thereto under applicable Law).

IN WITNESS WHEREOF, the Guarantor has executed and delivered this Guaranty as of the day and year first written above.

HIL GUARANTY

FOR VALUE RECEIVED, the sufficiency of which is hereby acknowledged, and in consideration of credit and/or financial accommodation heretofore or hereafter from time to time made or granted to HERBALIFE INTERNATIONAL, INC. (the "Company"), HERBALIFE LTD. ("Holdings") and any Designated Borrower (as hereinafter defined) by the Lenders under the Credit Agreement (as hereinafter defined), HERBALIFE INTERNATIONAL LUXEMBOURG S.Á.R.L. ("HIL") as the undersigned Guarantor (in such capacity, the "Guarantor") hereby furnishes its guaranty (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, this "Guaranty") of the Guaranteed Obligations (as hereinafter defined) on the 9th day of March, 2011, as follows:

1. Guaranty. Reference is made to that certain Credit Agreement, dated as of even date herewith (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, the "Credit Agreement;" the terms defined therein being used herein as therein defined), among the Company, Holdings, HIL (the Company, Holdings, HIL and any Subsidiary of the Company that becomes a borrower under the Credit Agreement (each such Subsidiary, a "Designated Borrower") are herein referred to as the "Borrowers" and each, a "Borrower"), the Lenders from time to time party thereto, and Bank of America, N.A., as Administrative Agent, L/C Issuer and Swing Line Lender. The Guarantor hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of all Obligations of the Company and of Holdings (collectively the "Guaranteed Obligations"); provided, notwithstanding anything to the contrary contained in this Guaranty, that the maximum amount payable by any Guarantor which is organized under the laws of the Grand-Duchy of Luxembourg under this Guaranty shall be limited, at any time, to an aggregate amount (without duplication) not exceeding the greater sum of (i) ninety-five percent (95%) of such Luxembourg Guarantor's net assets ("capitaux propres") determined in accordance with article 34 of the Luxembourg law of 19 December 2002 on the register of Commerce and Companies, on accounting and on annual accounts of the companies, as shown on the latest financial statements ("comptes annuels") available at the date of this Guaranty and approved by the shareholders of the applicable Guarantor and certified by the statutory or the independent auditor, as the case may be, (ii) ninety-five percent (95%) of such Luxembourg Guarantor's net assets ("capitaux propres") determined in accordance with article 34 of the Luxembourg law of 19 December 2002 on the register of Commerce and Companies, on accounting and on annual accounts of the companies, as shown on the latest financial statements ("comptes annuels") available at the date of the relevant payment hereunder and approved by the shareholders of the applicable Guarantor and certified by the statutory or the independent auditor, as the case may be. No Guaranteed Obligations will extend to include any obligation or liability and no security granted by a Luxembourg Guarantor will secure any Guaranteed Obligations, in each case, if to do so would be unlawful financial assistance in respect of the acquisition of shares in itself under Article 49-6 or would constitute a misuse of corporate assets ("abus des biens sociaux") as defined at Article 171-1 of the Luxembourg Act on commercial companies of 10 August 1915, as amended. The accounts or records maintained by the Administrative Agent and each other Secured Party shall be conclusive absent manifest error of the amount of the Guaranteed Obligations. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Guarantor hereunder to pay any amount owing with respect to the Guaranteed Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of the Guarantor under this Guaranty, and the Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

2. No Setoff or Deductions; Taxes; Payments. The Guarantor represents and warrants that it is organized and resident in the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction). The Guarantor shall make all payments hereunder without setoff or counterclaim and free and clear of and without deduction for any Taxes unless the Guarantor is compelled by law to make such deduction or withholding. The obligations hereunder shall not be affected by any acts of any Governmental Authority affecting any Borrower or the Guarantor, including but not limited to, any restrictions on the conversion of currency or repatriation or control of funds or any total or partial expropriation of any Borrower's property, or by economic, political, regulatory or other events in the countries where any Borrower is located. All payments hereunder shall be made to the Administrative Agent, for the account of the respective Secured Parties to which such payment is owed, in the applicable currency at the applicable Administrative Agent's Office and at the times specified in the Credit Agreement (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank as specified in the applicable Secured Cash Management Agreement or Secured Hedge Agreement).

3. Rights of Lender. The Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Secured Parties may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, the Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of the Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of the Guarantor.

4. Certain Waivers. (a) The Guarantor waives (i) any defense arising by reason of any disability or other defense of any Borrower or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Secured Parties) of the liability of any Borrower; (ii) any defense based on any claim that the Guarantor's obligations exceed or are more burdensome than those of any Borrower; (iii) the benefit of any statute of limitations affecting the Guarantor's liability hereunder; (iv) any right to require any Secured Party to proceed against any Borrower, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in the Secured Parties' power whatsoever; (v) until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (vi) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable Law limiting the liability of or exonerating guarantors or sureties.

The Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

For purposes of this paragraph only, references to the “**principal**” include each of HIL and Holdings and references to the “**creditor**” include each Secured Party. In accordance with Section 2856 of the California Civil Code, the Guarantor waives, until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, all rights and defenses (i) available to the Guarantor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses the Guarantor may have by reason of protection afforded to the principal with respect to any of the Guaranteed Obligations, or to any other guarantor of any of the Guaranteed Obligations with respect to any of such guarantor’s obligations under its guarantee, in either case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal’s Indebtedness or such other guarantor’s obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Guaranteed Obligation (or any obligation of any other guarantor of any of the Guaranteed Obligations), has destroyed the Guarantor’s right of subrogation and reimbursement against the principal (or such other guarantor) by the operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Guaranty shall be construed as limiting the generality of any of the covenants and waivers set forth in this paragraph. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This paragraph is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty or to any of the Guaranteed Obligations.

5. Obligations Independent. The obligations of the Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against the Guarantor to enforce this Guaranty whether or not any Borrower or any other Person is joined as a party.

6. Subrogation. The Guarantor shall not exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been paid and performed in full and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. If any amounts are paid to the Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank) to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

7. Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations and any other amounts payable under this Guaranty are paid in full in cash and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of any Borrower or the Guarantor or any other guarantor of the Guaranteed Obligations is made, or any Secured Party exercises its right of setoff in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any Secured Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not any Lender is in possession of or has released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantor under this paragraph shall survive termination of this Guaranty.

8. Subordination. The Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrowers owing to the Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrowers to the Guarantor as subrogee of the Secured Parties or resulting from the Guarantor's performance under this Guaranty, to the payment in full in cash of all Guaranteed Obligations. If the Required Lenders so request in writing after the occurrence and during the continuance of an Event of Default (provided that no such request shall be required after the occurrence or during the continuance of an Event of Default under Section 8.01(f) or (g) of the Credit Agreement), any such obligation or indebtedness of the Borrowers to the Guarantor shall be enforced and the proceeds thereof shall be paid over to Administrative Agent on account of the Guaranteed Obligations without affecting in any manner the liability of the Guarantor under the other provisions of the guaranty contained herein.

9. Stay of Acceleration. In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against the Guarantor, any Borrower or any other guarantor of the Guaranteed Obligations under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantor immediately upon demand by the Secured Parties.

10. Expenses. The Guarantor shall pay on demand all out-of-pocket expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the, protection or enforcement of any rights of any Lender in any proceeding any Debtor Relief Laws. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

11. Miscellaneous. No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantor. No failure by the Secured Parties to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Administrative Agent and the Guarantor in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by the Guarantor for the benefit of the Secured Parties or any term or provision thereof.

12. Condition of Borrowers. The Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from each Borrower and any other guarantor of the Guaranteed Obligations such information concerning the financial condition, business and operations of such Borrower and any such other guarantor as the Guarantor requires, and that the Secured Parties have no duty, and the Guarantor is not relying on the Secured Parties at any time, to disclose to the Guarantor any information relating to the business, operations or financial condition of any Borrower or any other guarantor of the Guaranteed Obligations (the Guarantor waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

13. Setoff. If and to the extent any payment is then due hereunder and an Event of Default has occurred and is continuing, the Secured Parties may setoff and charge from time to time any amount so due against any or all of the Guarantor's accounts or deposits with each such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Guaranty and although such obligations may be unmaturred.

14. Representations and Warranties. The Guarantor represents and warrants that (a) it is duly organized and, if applicable, is in good standing under the Laws of the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction) and has full capacity and right to make and perform this Guaranty, and all necessary authority has been obtained; (b) this Guaranty constitutes its legal, valid and binding obligation enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and (ii) the Foreign Obligor Enforceability Exceptions, if applicable; (c) the making and performance of this Guaranty does not and will not violate the provisions of any applicable Law, except for violations that could not reasonably be expected to result in a Material Adverse Effect, and does not and will not result in the breach of or contravention of or require any payment to be made under any Contractual Obligation to which the Guarantor is a party or affecting the Guarantor's properties except for violations and breaches that could not reasonably be expected to result in a Material Adverse Effect; and (d) all consents, approvals, licenses and authorizations of, and filings and registrations with, any Governmental Authority required under applicable Law for the making and performance of this Guaranty have been obtained or made and are in full force and effect, except (i) notices, filings and the payment of appropriate stamp or other duties in connection with the enforcement of this Guaranty against any Foreign Obligor, if applicable, in their jurisdiction of organization and (ii) consents, approvals, registrations, filings or actions the failure of which to obtain or perform could not reasonably be expected to result in a Material Adverse Effect.

15. Indemnification and Survival. Without limitation on any other obligations of the Guarantor or remedies of the Secured Parties under this Guaranty, each Guarantor shall, to the fullest extent permitted by Law, indemnify, defend and save and hold harmless the Secured Parties, and each Related Party of any of the Secured Parties (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or the Guarantor or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Guaranty, any other Loan Document, any Secured Hedge Agreement or Secured Cash Management Agreement or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, (x) in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Guaranty and the other Loan Documents (including in respect of any matters addressed in Section 2) or (y) in the case of the Hedge Banks and Cash Management Banks and their respective Related Parties only, the administration of the Secured Hedge Agreement and Secured Cash Management Agreements to which they are a party, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to any Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (a) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (b) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, Secured Hedge Agreement or Secured Cash Management Agreement, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Guaranteed Obligations and the termination of this Guaranty.

16. GOVERNING LAW; Assignment; Jurisdiction; Notices. THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. This Guaranty shall (a) bind the Guarantor and its successors and assigns, provided that the Guarantor may not assign its rights or obligations under this Guaranty without the prior written consent of the Administrative Agent (and any attempted assignment without such consent shall be void), and (b) inure to the benefit of the Secured Parties and their respective successors and assigns and any Secured Party may, without notice to the Guarantor and without affecting the Guarantor's obligations hereunder, assign, sell or grant participations in the Guaranteed Obligations and this Guaranty, in whole or in part, in accordance with the Credit Agreement. The Guarantor hereby irrevocably submits to the non exclusive jurisdiction of the Courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty or any other Loan Document for recognition or enforcement of any judgment, and the Guarantor irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable Law, in such federal court. The Guarantor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Nothing in this Guaranty shall affect any right that the Administrative Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement against the Guarantor or its properties in the courts of any jurisdiction. The Guarantor hereby waives, to the fullest extent permitted by applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement in any court referred to above and the Guarantor hereby waives any defense asserting an inconvenient forum in connection therewith. Service of process in connection with such action or proceeding shall be made in the manner provided for notices below. All notices and other communications (including any service of process) to the Guarantor under this Guaranty shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to the Guarantor at its address set forth below or at such other address in the United States as may be specified by the Guarantor in a written notice delivered to the Administrative Agent at the Administrative Agent's Office.

17. WAIVER OF JURY TRIAL; FINAL AGREEMENT. EACH OF THE GUARANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS GUARANTY, ANY OTHER LOAN DOCUMENT, ANY SECURED HEDGE AGREEMENT OR ANY SECURED CASH MANAGEMENT AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY, THE OTHER LOAN DOCUMENTS, THE SECURED HEDGE AGREEMENTS AND THE SECURED CASH MANAGEMENT AGREEMENTS TO WHICH IT IS A PARTY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. THIS GUARANTY REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

18. Severability. Wherever possible, each provision of this Guaranty will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guaranty is prohibited by or invalid under such law, such provision will be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty. Consistent with the foregoing, and notwithstanding any other provision of this Guaranty to the contrary, in the event that any action or proceeding is brought in whatever form and in whatever forum seeking to invalidate the Guarantor's obligations under this Guaranty under any fraudulent conveyance, fraudulent transfer theory, or similar avoidance theory, whether under state or federal law, the Guarantor, automatically and without any further action being required of the Guarantor or any Secured Party, shall be liable under this Guaranty only for an amount equal to the maximum amount of liability that could have been incurred under applicable law by the Guarantor under any guaranty of the Guaranteed Obligations (or any portion thereof) at the time of the execution and delivery of this Guaranty (or, if such date is determined not to be the appropriate date for determining the enforceability of the Guarantor's obligations hereunder for fraudulent conveyance or transfer (or similar avoidance) purposes, on the date determined to be so appropriate) without rendering such a hypothetical guaranty voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, or any other grounds for avoidance (such highest amount determined hereunder being the Guarantor's "Maximum Guaranty Amount"), and not for any greater amount, as if the stated amount of this Guaranty as to the Guarantor had instead been the Maximum Guaranty Amount. This Section is intended solely to preserve the rights of the Secured Parties under this Guaranty to the maximum extent not subject to avoidance under applicable law, and neither the Guarantor nor any other Person shall have any right or claim under this Section with respect to the limitation described in this Guaranty, except to the extent necessary so that the obligations of the Guarantor under this Guaranty shall not be rendered voidable under applicable law.

19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Guarantor in respect of any such sum due from it to the Administrative Agent or any other Secured Party hereunder shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of the Guaranty and the Credit Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Secured Party, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Secured Party, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the applicable Secured Party from the Guarantor in the Agreement Currency, the Guarantor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Secured Party against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the applicable Secured Party in such currency, such Secured Party agrees to return the amount of any excess to the Guarantor (or to any other Person who may be entitled thereto under applicable Law).

IN WITNESS WHEREOF, the Guarantor has executed and delivered this Guaranty as of the day and year first written above.

DOMESTIC SUBSIDIARY GUARANTY

FOR VALUE RECEIVED, the sufficiency of which is hereby acknowledged, and in consideration of credit and/or financial accommodation heretofore or hereafter from time to time made or granted to HERBALIFE INTERNATIONAL, INC. (the "Company"), HERBALIFE LTD. ("Holdings"), HERBALIFE INTERNATIONAL LUXEMBOURG S.Á.R.L. ("HIL") and any Designated Borrower (as hereinafter defined) by the Lenders under the Credit Agreement (as hereinafter defined), each of the undersigned Guarantors (each, in such capacity, a "Guarantor" and collectively, the "Guarantors") hereby furnishes its guaranty (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, this "Guaranty") of the Guaranteed Obligations (as hereinafter defined) on the 9th day of March, 2011, as follows:

1. Guaranty. Reference is made to that certain Credit Agreement, dated as of even date herewith (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, the "Credit Agreement;" the terms defined therein being used herein as therein defined), among the Company, Holdings, HIL (the Company, Holdings, HIL and any Subsidiary of the Company that becomes a borrower under the Credit Agreement (each such Subsidiary, a "Designated Borrower") are herein referred to as the "Borrowers" and each, a "Borrower"), the Lenders from time to time party thereto, and Bank of America, N.A., as Administrative Agent, L/C Issuer and Swing Line Lender. The Guarantors hereby absolutely and unconditionally (except to the extent otherwise limited in accordance with applicable requirements of Law (including, in the case of Herbalife International Do Brasil Ltda., in connection with any required central bank approval for cash to be sent out of Brazil) or in any other guaranty required by applicable requirements of Law), jointly and severally, guarantee, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of all Obligations (collectively the "Guaranteed Obligations"). The accounts or records maintained by the Administrative Agent and each other Secured Party shall be conclusive absent manifest error of the amount of the Guaranteed Obligations. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of any Guarantor hereunder to pay any amount owing with respect to the Guaranteed Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of the Guarantors under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

2. No Setoff or Deductions; Taxes; Payments. Each Guarantor represents and warrants that it is organized and resident in the United States of America. Each Guarantor shall make all payments hereunder without setoff or counterclaim and free and clear of and without deduction for any Taxes unless such Guarantor is compelled by law to make such deduction or withholding. The obligations hereunder shall not be affected by any acts of any Governmental Authority affecting any Borrower or any Guarantor, including but not limited to, any restrictions on the conversion of currency or repatriation or control of funds or any total or partial expropriation of any Borrower's property, or by economic, political, regulatory or other events in the countries where any Borrower is located. All payments hereunder shall be made to the Administrative Agent, for the account of the respective Secured Parties to which such payment is owed, in the applicable currency at the applicable Administrative Agent's Office and at the times specified in the Credit Agreement (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank as specified in the applicable Secured Cash Management Agreement or Secured Hedge Agreement).

3. Rights of Lender. Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Secured Parties may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

4. Certain Waivers. (a) Each Guarantor waives (i) any defense arising by reason of any disability or other defense of any Borrower or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Secured Parties) of the liability of any Borrower; (ii) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of any Borrower; (iii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder; (iv) any right to require any Secured Party to proceed against any Borrower, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in the Secured Parties' power whatsoever; (v) until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (vi) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable Law limiting the liability of or exonerating guarantors or sureties.

Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

For purposes of this paragraph only, references to the "principal" include each of HIL and Holdings and references to the "creditor" include each Secured Party. In accordance with Section 2856 of the California Civil Code, each Guarantor waives, until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, all rights and defenses (i) available to such Guarantor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses such Guarantor may have by reason of protection afforded to the principal with respect to any of the Guaranteed Obligations, to any other Guarantor or to any other guarantor of any of the Guaranteed Obligations with respect to any of such guarantor's obligations under its guarantee, in any case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal's Indebtedness or such other guarantor's obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Guaranteed Obligation (or any obligation of any other guarantor of any of the Guaranteed Obligations), has destroyed such Guarantor's right of subrogation and reimbursement against the principal (or such other guarantor) by the operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Guaranty shall be construed as limiting the generality of any of the covenants and waivers set forth in this paragraph. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This paragraph is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty or to any of the Guaranteed Obligations.

5. Obligations Independent. The obligations of the Guarantors hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against any Guarantor to enforce this Guaranty whether or not any Borrower, any other Guarantor or any other Person is joined as a party.

6. Subrogation. No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been paid and performed in full and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank) to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

7. Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations and any other amounts payable under this Guaranty are paid in full in cash and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of any Borrower or any Guarantor or any other guarantor of the Guaranteed Obligations is made, or any Secured Party exercises its right of setoff in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any Secured Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not any Lender is in possession of or has released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantors under this paragraph shall survive termination of this Guaranty.

8. Subordination. Each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrowers or any other Guarantor owing to such Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrowers to such Guarantor as subrogee of the Secured Parties or resulting from such Guarantor's performance under this Guaranty, to the payment in full in cash of all Guaranteed Obligations. If the Required Lenders so request in writing after the occurrence and during the continuance of an Event of Default (provided that no such request shall be required after the occurrence or during the continuance of an Event of Default under Section 8.01(f) or (g) of the Credit Agreement), any such obligation or indebtedness of the Borrowers to any Guarantor shall be enforced and the proceeds thereof shall be paid over to Administrative Agent on account of the Guaranteed Obligations without affecting in any manner the liability of the Guarantors under the other provisions of the guaranty contained herein.

9. Stay of Acceleration. In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against any Guarantor, any Borrower or any other guarantor of the Guaranteed Obligations under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantors immediately upon demand by the Secured Parties.

10. Expenses. The Guarantors shall pay on demand all out-of-pocket expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the protection or enforcement of any rights of any Lender in any proceeding any Debtor Relief Laws. The obligations of the Guarantors under this paragraph are joint and several and shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

11. Miscellaneous. No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantors. No failure by the Secured Parties to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Administrative Agent and the Guarantors in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by any Guarantor for the benefit of the Secured Parties or any term or provision thereof.

12. Condition of Borrowers. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from each Borrower, each other Guarantor and any other guarantor of the Guaranteed Obligations such information concerning the financial condition, business and operations of such Borrower, such other Guarantor and any such other guarantor as such Guarantor requires, and that the Secured Parties have no duty, and such Guarantor is not relying on the Secured Parties at any time, to disclose to such Guarantor any information relating to the business, operations or financial condition of any Borrower, any other Guarantor or any other guarantor of the Guaranteed Obligations (the Guarantors waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

13. Setoff. If and to the extent any payment is then due hereunder and an Event of Default has occurred and is continuing, the Secured Parties may setoff and charge from time to time any amount so due against any or all of any Guarantor's accounts or deposits with each such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Guaranty and although such obligations may be unmatured.

14. Representations and Warranties. Each Guarantor represents and warrants that (a) it is duly organized and, if applicable and except prior to the satisfaction of the covenant set forth in Section 6.16 of the Credit Agreement in the case of Herbalife Taiwan, is in good standing under the Laws of the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction) and has full capacity and right to make and perform this Guaranty, and all necessary authority has been obtained; (b) this Guaranty constitutes its legal, valid and binding obligation enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law; (c) the making and performance of this Guaranty does not and will not violate the provisions of any applicable Law, except for violations that could not reasonably be expected to result in a Material Adverse Effect, and does not and will not result in the breach of or contravention of or require any payment to be made under any Contractual Obligation to which such Guarantor is a party or affecting such Guarantor's properties except for violations and breaches that could not reasonably be expected to result in a Material Adverse Effect; and (d) all consents, approvals, licenses and authorizations of, and filings and registrations with, any Governmental Authority required under applicable Law for the making and performance of this Guaranty have been obtained or made and are in full force and effect, except consents, approvals, registrations, filings or actions the failure of which to obtain or perform could not reasonably be expected to result in a Material Adverse Effect.

15. Indemnification and Survival. Without limitation on any other obligations of the Guarantors or remedies of the Secured Parties under this Guaranty, each Guarantor shall, to the fullest extent permitted by Law, indemnify, defend and save and hold harmless the Secured Parties, and each Related Party of any of the Secured Parties (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or any Guarantor or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Guaranty, any other Loan Document, any Secured Hedge Agreement or Secured Cash Management Agreement or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, (x) in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Guaranty and the other Loan Documents (including in respect of any matters addressed in Section 2) or (y) in the case of the Hedge Banks and Cash Management Banks and their respective Related Parties only, the administration of the Secured Hedge Agreement and Secured Cash Management Agreements to which they are a party, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to any Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (a) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (b) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, Secured Hedge Agreement or Secured Cash Management Agreement, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. The obligations of the Guarantors under this paragraph are joint and several and shall survive the payment in full of the Guaranteed Obligations and the termination of this Guaranty.

16. GOVERNING LAW; Assignment; Jurisdiction; Notices. THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. This Guaranty shall (a) bind each Guarantor and its successors and assigns, provided that no Guarantor may assign its rights or obligations under this Guaranty without the prior written consent of the Administrative Agent (and any attempted assignment without such consent shall be void), and (b) inure to the benefit of the Secured Parties and their respective successors and assigns and any Secured Party may, without notice to the Guarantors and without affecting the Guarantors' obligations hereunder, assign, sell or grant participations in the Guaranteed Obligations and this Guaranty, in whole or in part, in accordance with the Credit Agreement. Each Guarantor hereby irrevocably submits to the non exclusive jurisdiction of the Courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty or any other Loan Document for recognition or enforcement of any judgment, and each Guarantor irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable Law, in such federal court. Each Guarantor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Nothing in this Guaranty shall affect any right that the Administrative Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement against such Guarantor or its properties in the courts of any jurisdiction. Each Guarantor hereby waives, to the fullest extent permitted by applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement in any court referred to above and each Guarantor hereby waives any defense asserting an inconvenient forum in connection therewith. Service of process in connection with such action or proceeding shall be made in the manner provided for notices below. All notices and other communications (including any service of process) to the Guarantors under this Guaranty shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to each Guarantor at its address set forth below or at such other address in the United States as may be specified by the applicable Guarantor in a written notice delivered to the Administrative Agent at the Administrative Agent's Office.

17. WAIVER OF JURY TRIAL; FINAL AGREEMENT. EACH GUARANTOR AND THE ADMINISTRATIVE AGENT EACH IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS GUARANTY, ANY OTHER LOAN DOCUMENT, ANY SECURED HEDGE AGREEMENT OR ANY SECURED CASH MANAGEMENT AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY, THE OTHER LOAN DOCUMENTS, THE SECURED HEDGE AGREEMENTS AND THE SECURED CASH MANAGEMENT AGREEMENTS TO WHICH IT IS A PARTY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. THIS GUARANTY REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

18. Severability. Wherever possible, each provision of this Guaranty will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guaranty is prohibited by or invalid under such law, such provision will be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty. Consistent with the foregoing, and notwithstanding any other provision of this Guaranty to the contrary, in the event that any action or proceeding is brought in whatever form and in whatever forum seeking to invalidate any Guarantor's obligations under this Guaranty under any fraudulent conveyance, fraudulent transfer theory, or similar avoidance theory, whether under state or federal law, such Guarantor (the "Affected Guarantor"), automatically and without any further action being required of the Affected Guarantor or any Secured Party, shall be liable under this Guaranty only for an amount equal to the maximum amount of liability that could have been incurred under applicable law by the Affected Guarantor under any guaranty of the Guaranteed Obligations (or any portion thereof) at the time of the execution and delivery of this Guaranty (or, if such date is determined not to be the appropriate date for determining the enforceability of the Affected Guarantor's obligations hereunder for fraudulent conveyance or transfer (or similar avoidance) purposes, on the date determined to be so appropriate) without rendering such a hypothetical guaranty voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, or any other grounds for avoidance (such highest amount determined hereunder being the Affected Guarantor's "Maximum Guaranty Amount"), and not for any greater amount, as if the stated amount of this Guaranty as to the Affected Guarantor had instead been the Maximum Guaranty Amount. This Section is intended solely to preserve the rights of the Secured Parties under this Guaranty to the maximum extent not subject to avoidance under applicable law, and neither the Affected Guarantor nor any other Person shall have any right or claim under this Section with respect to the limitation described in this Guaranty, except to the extent necessary so that the obligations of the Affected Guarantor under this Guaranty shall not be rendered voidable under applicable law. Without limiting the generality of the foregoing, the determination of a Maximum Guaranty Amount for the Affected Guarantor pursuant to the provisions of the second preceding sentence of this Section shall not in any manner reduce or otherwise affect the obligations of any other guarantors of any of the Guaranteed Obligations.

19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Guarantors in respect of any such sum due from it to the Administrative Agent or any other Secured Party hereunder shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of the Guaranty and the Credit Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Secured Party, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Secured Party, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the applicable Secured Party from the applicable Guarantor in the Agreement Currency, the applicable Guarantor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Secured Party against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the applicable Secured Party in such currency, such Secured Party agrees to return the amount of any excess to the applicable Guarantor (or to any other Person who may be entitled thereto under applicable Law).

IN WITNESS WHEREOF, each Guarantor has executed and delivered this Guaranty as of the day and year first written above.

FOREIGN SUBSIDIARY GUARANTY

FOR VALUE RECEIVED, the sufficiency of which is hereby acknowledged, and in consideration of credit and/or financial accommodation heretofore or hereafter from time to time made or granted to HERBALIFE INTERNATIONAL, INC. (the "Company"), HERBALIFE LTD. ("Holdings"), HERBALIFE INTERNATIONAL LUXEMBOURG S.À.R.L. ("HIL") and any Designated Borrower (as hereinafter defined) by the Lenders under the Credit Agreement (as hereinafter defined), each of the undersigned Guarantors, WH Intermediate Holdings Ltd. and WH Luxembourg Holdings S.à r.l., a private limited liability company (société à responsabilité limitée) organized under the laws of the Grand-Duchy of Luxembourg, with its registered office at 18, boulevard Royal L-2449 Luxembourg, Grand-Duchy of Luxembourg, having a share capital of EUR 25,000 and registered with the Luxembourg Register of Commerce and Companies under number B 880.06 (each, in such capacity, a "Guarantor" and collectively, the "Guarantors") hereby furnishes its guaranty (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, this "Guaranty") of the Guaranteed Obligations (as hereinafter defined) on the 9th day of March, 2011, as follows:

1. Guaranty. Reference is made to that certain Credit Agreement, dated as of even date herewith (as amended, restated, extended, supplemented or otherwise modified in writing from time to time, the "Credit Agreement;" the terms defined therein being used herein as therein defined), among the Company, Holdings, HIL (the Company, Holdings, HIL and any Subsidiary of the Company that becomes a borrower under the Credit Agreement (each such Subsidiary, a "Designated Borrower") are herein referred to as the "Borrowers" and each, a "Borrower"), the Lenders from time to time party thereto, and Bank of America, N.A., as Administrative Agent, L/C Issuer and Swing Line Lender. The Guarantors hereby absolutely and unconditionally, jointly and severally, guarantee, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of all Obligations (collectively the "Guaranteed Obligations"); provided, notwithstanding anything to the contrary contained in this Guaranty, that the maximum amount payable by any Guarantor which is organized under the laws of the Grand-Duchy of Luxembourg under this Guaranty shall be limited, at any time, to an aggregate amount (without duplication) not exceeding the greater sum of (i) ninety-five percent (95%) of such Luxembourg Guarantor's net assets ("capitaux propres") determined in accordance with article 34 of the Luxembourg law of 19 December 2002 on the register of Commerce and Companies, on accounting and on annual accounts of the companies, as shown on the latest financial statements ("comptes annuels") available at the date of this Guaranty and approved by the shareholders of the applicable Guarantor and certified by the statutory or the independent auditor, as the case may be, (ii) ninety-five percent (95%) of such Luxembourg Guarantor's net assets ("capitaux propres") determined in accordance with article 34 of the Luxembourg law of 19 December 2002 on the register of Commerce and Companies, on accounting and on annual accounts of the companies, as shown on the latest financial statements ("comptes annuels") available at the date of the relevant payment hereunder and approved by the shareholders of the applicable Guarantor and certified by the statutory or the independent auditor, as the case may be. No Guaranteed Obligations will extend to include any obligation or liability and no security granted by a Luxembourg Guarantor will secure any Guaranteed Obligations, in each case, if to do so would be unlawful financial assistance in respect of the acquisition of shares in itself under Article 49-6 or would constitute a misuse of corporate assets ("abus des biens sociaux") as defined at Article 171-1 of the Luxembourg Act on commercial companies of 10 August 1915, as amended. The accounts or records maintained by the Administrative Agent and each other Secured Party shall be conclusive absent manifest error of the amount of the Guaranteed Obligations. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Guarantor hereunder to pay any amount owing with respect to the Guaranteed Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of the Guarantor under this Guaranty, and the Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

2. No Setoff or Deductions; Taxes; Payments. Each Guarantor represents and warrants that it is incorporated or organized and resident in the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction). Each Guarantor shall make all payments hereunder without setoff or counterclaim and free and clear of and without deduction for any Taxes unless such Guarantor is compelled by law to make such deduction or withholding. The obligations hereunder shall not be affected by any acts of any Governmental Authority affecting any Borrower or any Guarantor, including but not limited to, any restrictions on the conversion of currency or repatriation or control of funds or any total or partial expropriation of any Borrower's property, or by economic, political, regulatory or other events in the countries where any Borrower is located. All payments hereunder shall be made to the Administrative Agent, for the account of the respective Secured Parties to which such payment is owed, in the applicable currency at the applicable Administrative Agent's Office and at the times specified in the Credit Agreement (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank as specified in the applicable Secured Cash Management Agreement or Secured Hedge Agreement).

3. Rights of Lender. Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Secured Parties may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

4. Certain Waivers. (a) Each Guarantor waives (i) any defense arising by reason of any disability or other defense of any Borrower or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of the Secured Parties) of the liability of any Borrower; (ii) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of any Borrower; (iii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder; (iv) any right to require any Secured Party to proceed against any Borrower, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in the Secured Parties' power whatsoever; (v) until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, any benefit of and any right to participate in any security now or hereafter held by the Secured Parties; and (vi) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable Law limiting the liability of or exonerating guarantors or sureties.

Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

For purposes of this paragraph only, references to the “**principal**” include each of HIL and Holdings and references to the “**creditor**” include each Secured Party. In accordance with Section 2856 of the California Civil Code, each Guarantor waives, until the payment in full of the Guaranteed Obligations and termination of the Commitments made under the Credit Agreement, all rights and defenses (i) available to such Guarantor by reason of Sections 2787 through 2855, 2899, and 3433 of the California Civil Code, including all rights or defenses such Guarantor may have by reason of protection afforded to the principal with respect to any of the Guaranteed Obligations, to any other Guarantor or to any other guarantor of any of the Guaranteed Obligations with respect to any of such guarantor’s obligations under its guarantee, in any case in accordance with the antideficiency or other laws of the State of California limiting or discharging the principal’s Indebtedness or such other guarantor’s obligations, including Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure; and (ii) arising out of an election of remedies by the creditor, even though such election, such as a nonjudicial foreclosure with respect to security for any Guaranteed Obligation (or any obligation of any other guarantor of any of the Guaranteed Obligations), has destroyed such Guarantor’s right of subrogation and reimbursement against the principal (or such other guarantor) by the operation of Section 580d of the California Code of Civil Procedure or otherwise. No other provision of this Guaranty shall be construed as limiting the generality of any of the covenants and waivers set forth in this paragraph. As provided below, this Agreement shall be governed by, and shall be construed and enforced in accordance with the laws of the State of New York. This paragraph is included solely out of an abundance of caution, and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty or to any of the Guaranteed Obligations.

5. Obligations Independent. The obligations of the Guarantors hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against any Guarantor to enforce this Guaranty whether or not any Borrower, any other Guarantor or any other Person is joined as a party.

6. Subrogation. No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty have been paid and performed in full and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent (or in the case of obligations arising under any Secured Cash Management Agreement or Secured Hedge Agreement, to the applicable Cash Management Bank or Hedge Bank) to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

7. Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all Guaranteed Obligations and any other amounts payable under this Guaranty are paid in full in cash and any commitments of the Lenders or other Secured Parties with respect to the Guaranteed Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of any Borrower or any Guarantor or any other guarantor of the Guaranteed Obligations is made, or any Secured Party exercises its right of setoff in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any Secured Party in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not any Lender is in possession of or has released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantors under this paragraph shall survive termination of this Guaranty.

8. Subordination. Each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrowers or any other Guarantor owing to such Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrowers to such Guarantor as subrogee of the Secured Parties or resulting from such Guarantor's performance under this Guaranty, to the payment in full in cash of all Guaranteed Obligations. If the Required Lenders so request in writing after the occurrence and during the continuance of an Event of Default (provided that no such request shall be required after the occurrence or during the continuance of an Event of Default under Section 8.01(f) or (g) of the Credit Agreement), any such obligation or indebtedness of the Borrowers to any Guarantor shall be enforced and the proceeds thereof shall be paid over to Administrative Agent on account of the Guaranteed Obligations without affecting in any manner the liability of the Guarantors under the other provisions of the guaranty contained herein.

9. Stay of Acceleration. In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against any Guarantor, any Borrower or any other guarantor of the Guaranteed Obligations under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantors immediately upon demand by the Secured Parties.

10. Expenses. The Guarantors shall pay on demand all out-of-pocket expenses (including attorneys' fees and expenses) in any way relating to the enforcement or protection of the Secured Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the, protection or enforcement of any rights of any Lender in any proceeding any Debtor Relief Laws. The obligations of the Guarantors under this paragraph are joint and several and shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

11. Miscellaneous. No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Administrative Agent and the Guarantors. No failure by the Secured Parties to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Administrative Agent and the Guarantors in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by any Guarantor for the benefit of the Secured Parties or any term or provision thereof.

12. Condition of Borrowers. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from each Borrower, each other Guarantor and any other guarantor of the Guaranteed Obligations such information concerning the financial condition, business and operations of such Borrower, such other Guarantor and any such other guarantor as such Guarantor requires, and that the Secured Parties have no duty, and such Guarantor is not relying on the Secured Parties at any time, to disclose to such Guarantor any information relating to the business, operations or financial condition of any Borrower, any other Guarantor or any other guarantor of the Guaranteed Obligations (the Guarantors waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

13. Setoff. If and to the extent any payment is then due hereunder and an Event of Default has occurred and is continuing, the Secured Parties may setoff and charge from time to time any amount so due against any or all of any Guarantor's accounts or deposits with each such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Guaranty and although such obligations may be unmatured.

14. Representations and Warranties. Each Guarantor represents and warrants that (a) it is duly incorporated or organized and, if applicable and except prior to the satisfaction of the covenant set forth in Section 6.16 of the Credit Agreement in the case of Herbalife Taiwan, is in good standing under the Laws of the jurisdiction of its incorporation or organization (to the extent such concepts are relevant under the laws of the relevant jurisdiction) and has full capacity and right to make and perform this Guaranty, and all necessary authority has been obtained; (b) this Guaranty constitutes its legal, valid and binding obligation enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and (ii) the Foreign Obligor Enforceability Exceptions, if applicable; (c) the making and performance of this Guaranty does not and will not violate the provisions of any applicable Law, except for violations that could not reasonably be expected to result in a Material Adverse Effect, and does not and will not result in the breach of or contravention of or require any payment to be made under any Contractual Obligation to which such Guarantor is a party or affecting such Guarantor's properties except for violations and breaches that could not reasonably be expected to result in a Material Adverse Effect; and (d) all consents, approvals, licenses and authorizations of, and filings and registrations with, any Governmental Authority required under applicable Law for the making and performance of this Guaranty have been obtained or made and are in full force and effect, except (i) notices, filings and the payment of appropriate stamp or other duties in connection with the enforcement of this Guaranty against any Foreign Obligor, if applicable, in their jurisdiction of incorporation or organization and (ii) consents, approvals, registrations, filings or actions the failure of which to obtain or perform could not reasonably be expected to result in a Material Adverse Effect.

15. Indemnification and Survival. Without limitation on any other obligations of the Guarantors or remedies of the Secured Parties under this Guaranty, each Guarantor shall, to the fullest extent permitted by Law, indemnify, defend and save and hold harmless the Secured Parties, and each Related Party of any of the Secured Parties (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or any Guarantor or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Guaranty, any other Loan Document, any Secured Hedge Agreement or Secured Cash Management Agreement or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or (x) in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Guaranty and the other Loan Documents (including in respect of any matters addressed in Section 2) or (y) in the case of the Hedge Banks and Cash Management Banks and their respective Related Parties only, the administration of the Secured Hedge Agreement and Secured Cash Management Agreements to which they are a party, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to any Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (a) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (b) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, Secured Hedge Agreement or Secured Cash Management Agreement, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. The obligations of the Guarantors under this paragraph are joint and several and shall survive the payment in full of the Guaranteed Obligations and the termination of this Guaranty.

16. GOVERNING LAW; Assignment; Jurisdiction; Notices. THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. This Guaranty shall (a) bind each Guarantor and its successors and assigns, provided that no Guarantor may assign its rights or obligations under this Guaranty without the prior written consent of the Administrative Agent (and any attempted assignment without such consent shall be void), and (b) inure to the benefit of the Secured Parties and their respective successors and assigns and any Secured Party may, without notice to the Guarantors and without affecting the Guarantors' obligations hereunder, assign, sell or grant participations in the Guaranteed Obligations and this Guaranty, in whole or in part, in accordance with the Credit Agreement. Each Guarantor hereby irrevocably submits to the non exclusive jurisdiction of the Courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty or any other Loan Document for recognition or enforcement of any judgment, and each Guarantor irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable Law, in such federal court. Each Guarantor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Nothing in this Guaranty shall affect any right that the Administrative Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement against such Guarantor or its properties in the courts of any jurisdiction. Each Guarantor hereby waives, to the fullest extent permitted by applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Guaranty, any other Loan Document, any Secured Hedge Agreement or any Secured Cash Management Agreement in any court referred to above and each Guarantor hereby waives any defense asserting an inconvenient forum in connection therewith. Service of process in connection with such action or proceeding shall be made in the manner provided for notices below. All notices and other communications (including any service of process) to the Guarantors under this Guaranty shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to each Guarantor at its address set forth below or at such other address in the United States as may be specified by the applicable Guarantor in a written notice delivered to the Administrative Agent at the Administrative Agent's Office.

17. WAIVER OF JURY TRIAL; FINAL AGREEMENT. EACH GUARANTOR AND THE ADMINISTRATIVE AGENT EACH IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS GUARANTY, ANY OTHER LOAN DOCUMENT, ANY SECURED HEDGE AGREEMENT OR ANY SECURED CASH MANAGEMENT AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY, THE OTHER LOAN DOCUMENTS, THE SECURED HEDGE AGREEMENTS AND THE SECURED CASH MANAGEMENT AGREEMENTS TO WHICH IT IS A PARTY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. THIS GUARANTY REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

18. Severability. Wherever possible, each provision of this Guaranty will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Guaranty is prohibited by or invalid under such law, such provision will be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Guaranty. Consistent with the foregoing, and notwithstanding any other provision of this Guaranty to the contrary, in the event that any action or proceeding is brought in whatever form and in whatever forum seeking to invalidate any Guarantor's obligations under this Guaranty under any fraudulent conveyance, fraudulent transfer theory, or similar avoidance theory, whether under state or federal law, such Guarantor (the "Affected Guarantor"), automatically and without any further action being required of the Affected Guarantor or any Secured Party, shall be liable under this Guaranty only for an amount equal to the maximum amount of liability that could have been incurred under applicable law by the Affected Guarantor under any guaranty of the Guaranteed Obligations (or any portion thereof) at the time of the execution and delivery of this Guaranty (or, if such date is determined not to be the appropriate date for determining the enforceability of the Affected Guarantor's obligations hereunder for fraudulent conveyance or transfer (or similar avoidance) purposes, on the date determined to be so appropriate) without rendering such a hypothetical guaranty voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, or any other grounds for avoidance (such highest amount determined hereunder being the Affected Guarantor's "Maximum Guaranty Amount"), and not for any greater amount, as if the stated amount of this Guaranty as to the Affected Guarantor had instead been the Maximum Guaranty Amount. This Section is intended solely to preserve the rights of the Secured Parties under this Guaranty to the maximum extent not subject to avoidance under applicable law, and neither the Affected Guarantor nor any other Person shall have any right or claim under this Section with respect to the limitation described in this Guaranty, except to the extent necessary so that the obligations of the Affected Guarantor under this Guaranty shall not be rendered voidable under applicable law. Without limiting the generality of the foregoing, the determination of a Maximum Guaranty Amount for the Affected Guarantor pursuant to the provisions of the second preceding sentence of this Section shall not in any manner reduce or otherwise affect the obligations of any other guarantors of any of the Guaranteed Obligations.

19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Guarantors in respect of any such sum due from it to the Administrative Agent or any other Secured Party hereunder shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of the Guaranty and the Credit Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Secured Party, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Secured Party, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the applicable Secured Party from the applicable Guarantor in the Agreement Currency, the applicable Guarantor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Secured Party against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the applicable Secured Party in such currency, such Secured Party agrees to return the amount of any excess to the applicable Guarantor (or to any other Person who may be entitled thereto under applicable Law).

IN WITNESS WHEREOF, each Guarantor has executed and delivered this Guaranty as of the day and year first written above.

The Lenders listed on Schedule I hereto and the Agent party to the Credit Agreement referred to below (collectively, the "Lender Parties") c/o Bank of America, N.A. as Agent

Re: *Herbalife International, Inc. — Credit Agreement dated as of March 9, 2011*

Ladies and Gentlemen:

We have acted as counsel to Herbalife International, Inc., a Nevada corporation (the "Domestic Borrower"), Herbalife Ltd., a Cayman Islands exempted company with limited liability (the "Cayman Borrower"), and Herbalife International Luxembourg S.à.r.L., a Luxembourg private limited liability company having its registered office at 18, boulevard Royal, L-2449 Luxembourg, having a share capital of EUR 25,000, registered with the Luxembourg trade and companies register under number B 88.006 (the "Luxembourg Borrower"), in connection with the Credit Agreement dated as of March 9, 2011 (the "Credit Agreement") among the Domestic Borrower, the Cayman Borrower, the Luxembourg Borrower, the lenders party thereto (the "Lenders"), and Bank of America, N.A., as Administrative Agent (in such capacity, or in its capacity as collateral agent, as appropriate, the "Agent"). Terms defined in the Credit Agreement and not otherwise defined herein are used herein as therein defined.

In rendering this opinion, we have examined the originals, or copies, certified or otherwise identified to our satisfaction as being true copies, of the following documents and instruments:

(i) the Credit Agreement, including the Exhibits and Schedules thereto;

(ii) the Company Guaranty dated as of March 9, 2011 (the "Company Guaranty") executed by the Domestic Borrower in favor of the Lenders and the other Secured Parties;

(iii) the Holdings Guaranty dated as of March 9, 2011 (the "Holdings Guaranty") executed by the Cayman Borrower in favor of the Lenders and the other Secured Parties;

(iv) the HIL Guaranty dated as of March 9, 2011 (the "HIL Guaranty") executed by the Luxembourg Borrower in favor of the Lenders and the other Secured Parties;

(v) the Domestic Subsidiary Guaranty dated as of March 9, 2011 (the "Domestic Subsidiary Guaranty") executed by Herbalife International of America, Inc., a Nevada corporation (the "HIAI"), Herbalife International Communications, Inc., a California corporation ("HICI"), Herbalife International Do Brasil Ltda, a corporation dually organized under the laws of Brazil and Delaware ("Herbalife Brazil"), Herbalife Korea Co., Ltd., a corporation dually organized under the laws of Korea and Delaware ("Herbalife Korea"), and Herbalife Taiwan, Inc., a California corporation ("Herbalife Taiwan"; and, together with HIAI, HICI, Herbalife Brazil and Herbalife Korea, the "Domestic Subsidiary Guarantors"; and, the Domestic Subsidiary Guarantors, together with the Domestic Borrower, are referred to herein collectively as the "Collateral Grantors"), in favor of the Lenders and the other Secured Parties;

(vi) the Foreign Subsidiary Guaranty dated as of March 9, 2011 (the "Foreign Subsidiary Guaranty") executed by WH Intermediate Holdings Ltd., a Cayman Islands exempted company with limited liability ("WH Intermediate"), and WH Luxembourg Holdings S.á.r.L., a Luxembourg private limited liability company ("WH Luxembourg"; and together with WH Intermediate, the "Foreign Subsidiary Guarantors"), in favor of the Lenders and the other Secured Parties;

(vii) the Security Agreement dated as of March 9, 2011 (the "Security Agreement") among the Collateral Grantors and the Agent;

(ix) the financing statements on Form UCC1 naming each Collateral Grantor listed on Schedule II hereto, as a debtor, and the Agent, as secured party, to be filed in the governmental offices listed on Schedule II hereto (each, a "Financing Statement").

The Credit Agreement, the Company Guaranty, the Holdings Guaranty, the HIL Guaranty, the Domestic Subsidiary Guaranty, the Foreign Subsidiary Guaranty and the Security Agreement are referred to herein collectively as the "Financing Documents." The Financing Documents, other than the Fee Letter, are referred to herein as the "Designated Financing Documents." The Domestic Borrower, the Cayman Borrower, the Luxembourg Borrower, the Domestic Subsidiary Guarantors and the Foreign Subsidiary Guarantors are referred to herein collectively as the "Obligors." The "Specified Obligors" means, collectively, HICI, Herbalife Brazil and Herbalife Korea. Each Collateral Grantor's right, title and interest in the personal property collateral described in the Security Agreement is referred to herein collectively as its "UCC Collateral." The Uniform Commercial Code as enacted and in effect in the States of New York, Delaware and California are referred to herein, respectively, as the "New York UCC," the "Delaware UCC," and the "California UCC." The States of Delaware and California are referred to herein as the "Perfection States," and the New York UCC, the Delaware UCC and the California UCC are each referred to herein as a "UCC." All references to sections or other subparts of the New York UCC include references to the equivalent provisions of the Delaware UCC and the California UCC, unless the context otherwise requires. All terms defined in the New York UCC are used herein as defined therein.

We have assumed without independent investigation that:

(a) The signatures on all documents examined by us are genuine, all individuals executing such documents had all requisite legal capacity and competency and (except in the case of documents signed on behalf of the Specified Obligors) were duly authorized to do so; the documents submitted to us as originals are authentic and the documents submitted to us as certified or reproduction copies conform to the originals;

(b) Each Obligor (other than the Specified Obligors) is a validly existing corporation or other entity in good standing under the laws of its jurisdiction of formation and has all requisite power to execute and deliver each of the Financing Documents to which it is a party and to perform its obligations thereunder; the execution and delivery of such Financing Documents by such Obligor and performance of its obligations thereunder have been duly authorized by all necessary corporate or other action; such Financing Documents have been duly executed and delivered by each such Obligor; and except as specifically addressed in our opinions in Paragraphs 4(i)(B) and 5 below, do not violate any law, regulation, order, judgment or decree applicable to such Obligor;

(c) There are no agreements or understandings between or among any of the parties to the Financing Documents or third parties that would expand, modify or otherwise affect the terms of the Financing Documents or the respective rights or obligations of the parties thereunder or that would modify, release, terminate, subordinate or delay the attachment of the security interest and liens granted thereunder;

(d) To the extent that the ability of the Agent to enforce remedies under the Financing Documents in respect of UCC Collateral comprised of inventory may be affected thereby, each Collateral Grantor is in compliance with the Fair Labor Standards Act (see Citicorp Industrial Credit, Inc. v. Brock, 483 U.S. 27, 107 S.Ct. 2694 (1987)); and

(e) Each Collateral Grantor has, and will have at all times relevant to this opinion, rights in the UCC Collateral within the meaning of Section 9-203(b)(2) of the New York UCC.

We understand that you have received the legal opinions of local counsel in each jurisdiction in which an Obligor (other than the Specified Obligors) is incorporated or otherwise organized, including, without limitation, Nevada, Cayman Islands and Luxembourg counsel, as to certain of the matters referred to in clauses (a) and (b) above relating to such Obligors.

In rendering this opinion, we have made such inquiries and examined, among other things, originals or copies, certified or otherwise identified to our satisfaction, of such records, agreements, certificates, instruments and other documents as we have considered necessary or appropriate for purposes of this opinion. As to certain factual matters, we have relied to the extent we deemed appropriate and without independent investigation upon the representations and warranties of the Obligors in the Financing Documents, certificates of officers of the Obligors, copies of which are attached hereto (collectively, the "Officers' Certificate"), or certificates obtained from public officials and others.

Based upon the foregoing and in reliance thereon, and subject to the qualifications, exceptions, assumptions and limitations herein contained, we are of the opinion that:

1. Each Specified Obligor is a validly existing corporation in good standing under the laws of its state of incorporation and has all requisite corporate power to execute and deliver the Financing Documents to which it is a party and to perform its obligations thereunder.

2. The execution and delivery by each Specified Obligor of the Financing Documents to which it is a party, and the performance of its obligations thereunder, have been duly authorized by all necessary corporate action. Each Financing Document has been duly executed and delivered by each Specified Obligor party thereto.

3. Each Financing Document constitutes a legal, valid and binding obligation of each Obligor party thereto, enforceable against it in accordance with its terms.

4. The execution and delivery by each Obligor of the Financing Documents to which it is a party, and the performance of its obligations thereunder, do not:

(i) violate (A) the certificate or articles of incorporation or bylaws of any Specified Obligor or (B) based solely upon review of the orders, judgments or decrees identified to us in the Officers' Certificate as constituting all orders, judgments or decrees that could reasonably be expected to restrict the ability of the Obligors to consummate the transactions contemplated by the Financing Documents, which are listed on Schedule III hereto (each, a "Governmental Order"), any Governmental Order, or

(ii) based solely upon review of the documents filed as exhibits to the Cayman Borrower's periodic reports under the Securities Exchange Act of 1934, as amended (the "1934 Act") (each, a "Material Contract") result in a material breach of or default under any Material Contract.

5. The execution and delivery by each Obligor of the Financing Documents to which it is a party, and the performance of its obligations thereunder, do not (i) violate, or require any filing with or approval of any governmental authority or regulatory body of the State of New York or the United States of America under, any law or regulation of the State of New York or the United States of America applicable to such Obligor that, in our experience, is generally applicable to transactions in the nature of those contemplated by the Financing Documents or (ii) violate, or require any filing with or approval of any governmental authority or regulatory body of the State of Delaware under the Delaware General Corporation Law, except in each case for filings required for the perfection of Liens.

6. No Obligor is required to register as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

7. Each Collateral Grantor has granted a valid security interest (the “Security Interest”) in favor of the Agent, for the benefit of the secured parties, in the UCC Collateral described in the Security Agreement, securing the performance of the obligations purported to be secured thereby, to the extent a security interest can be created therein under Article 9 of the New York UCC. Upon the filing of the Financing Statements with the governmental offices indicated on Schedule II, the Security Interest in the UCC Collateral of each Collateral Grantor listed on Schedule II will be perfected to the extent security interests therein can be perfected by the filing of UCC1 financing statements under Article 9 of the UCC of the relevant Perfection States.

8. Upon delivery to the Agent in the State of New York of the certificates described on Schedule IV hereto in accordance with the provisions of the Security Agreement (the “Pledged Shares”), the Security Interest of the Agent in the Pledged Shares will be perfected and will be prior in right to all other security interests therein created under Article 9 of the New York UCC.

9. The execution and delivery by each Obligor of the Financing Documents to which it is a party, and the performance of its obligations thereunder, do not result in a breach or violation of Regulation U or X of the Board of Governors of the Federal Reserve System. Regulation T of the Board of Governors of the Federal Reserve System (“Regulation T”) does not apply to any Lender that is not a “creditor” (as defined in Regulation T). Regulation T defines “creditor” as any broker or dealer (as defined in sections 3(a)(4) and 3(a)(5) of the 1934 Act), any member of a national securities exchange, or any person associated with a broker or dealer (as defined in section 3(a)(18) of the 1934 Act), except for business entities controlling or under common control with the creditor.

The foregoing opinions are also subject to the following additional qualifications, exceptions, assumptions and limitations:

A. We render no opinion herein as to matters involving the laws of any jurisdiction other than (i) the State of New York, (ii) the United States of America, (iii) for purposes of Paragraphs 1, 2, 4(i)(A) and 5 above, the Delaware General Corporation Law, (iv) for purposes of our perfection opinion in Paragraph 7 above, the Delaware UCC, (v) for purposes of Paragraphs 1, 2, 4(i)(A) and our perfection opinion in Paragraph 7 above, the State of California. We are not engaged in practice in the State of Delaware; however, we are generally familiar with the Delaware General Corporation Law and the Delaware UCC as currently in effect and have made such inquiries as we consider necessary to render the opinions contained in Paragraphs 1, 2, 4(i)(A), 5 and 7 above. In connection with the foregoing, we call to your attention that Herbalife Korea is dually organized under the laws of Korea and Delaware, that Herbalife Brazil is dually organized under the laws of the Brazil and Delaware, that we render no opinions herein with respect to the laws of Korea or Brazil and that the laws of Korea or Brazil may prescribe actions, in addition to those actions that are necessary under the Delaware General Corporations Law for Herbalife Brazil and Herbalife Korea duly to authorize, execute and deliver the Financing Documents to which it is a party. This opinion is limited to the effect of the present state of the laws of the State of New York, the United States of America and, to the limited extent set forth above, the laws of the States of Delaware and California and the facts as they currently exist. We assume no obligation to revise or supplement this opinion in the event of future changes in such laws or the interpretations thereof or such facts. Except as expressly set forth in Paragraphs 6 and 9 above, we express no opinion regarding the Securities Act of 1933, as amended (the "1933 Act"), or any other federal or state securities laws or regulations.

B. Our opinions in Paragraphs 3, 7 and 8 are subject to (i) the effect of any bankruptcy, insolvency, reorganization, moratorium, arrangement or similar laws affecting the rights and remedies of creditors generally (including, without limitation, the effect of statutory or other laws regarding fraudulent transfers or preferential transfers or distributions by corporations to stockholders) and (ii) general principles of equity, including without limitation concepts of materiality, reasonableness, good faith and fair dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies regardless of whether enforceability is considered in a proceeding in equity or at law.

C. We express no opinion regarding the effectiveness of (i) any waiver (whether or not stated as such) under the Financing Documents of, or any consent thereunder relating to, unknown future rights or the rights of any party thereto existing, or duties owing to it, as a matter of law; (ii) any waiver (whether or not stated as such) contained in the Financing Documents of rights of any party, or duties owing to it, that is broadly or vaguely stated or does not describe the right or duty purportedly waived with reasonable specificity; (iii) provisions relating to indemnification, exculpation or contribution, to the extent such provisions may be held unenforceable as contrary to public policy or federal or state securities laws or due to the negligence or willful misconduct of the indemnified party; (iv) any provision in any Financing Document waiving the right to object to venue in any court; (v) any agreement to submit to the jurisdiction of any Federal Court; (vi) any waiver of the right to jury trial; (vii) the effect on the enforceability of the Company Guaranty, the Holdings Guaranty, the HIL Guaranty or other Financing Documents against, or on the ability of a secured party to realize upon collateral security pledged or granted by, any Obligor or any other "surety" (which could include a co-borrower jointly liable for loans extended to another co-borrower, a hypothecator of property to secure obligations owed by another person or a common creditor that has subordinated obligations owing to it), of any facts or circumstances that would constitute a defense to the obligation of a surety, unless such defense has been waived effectively by such Obligor or other surety; (viii) any provision purporting to establish evidentiary standards; (ix) any provision to the effect that every right or remedy is cumulative and may be exercised in addition to any other right or remedy or that the election of some particular remedy does not preclude recourse to one or more others; (x) (A) any provision that would require payment of any unamortized original issue discount (including any original issue discount effectively created by payment of a fee), or (B) the closing fees payable under the Fee Letter, to the extent they are considered to be fees for the "brokerage, soliciting, driving or procuring of a loan" and exceed 0.50% of the amount thereof in violation of New York General Obligations Law Section 5-531; (xi) in light of the decision in Official Comm. of Unsecured Creditors of Tousey, Inc. v. Citicorp N. Am., Inc. (In re Tousey, Inc.), 422 B.R. 783, 2009 Bankr. LEXIS 4355 (Bankr. S.D. Fla. 2009), any provision pursuant to which a guarantee, joint and several liability, lien or other security interest shall be valid and enforceable to the maximum extent that would not cause such guarantee, joint and several liability, lien or other security interest to be unenforceable as a fraudulent transfer or conveyance or otherwise under applicable law, or any similar "savings" provision; (xii) the availability of damages or other remedies not specified in the Financing Documents in respect of breach of any covenants (other than covenants relating to the payment of principal, interest, indemnities and expenses); or (xiii) any right of setoff to the extent asserted by a participant in the rights of a Lender under the Financing Documents. In addition, we advise you that some of the provisions of the Financing Documents may not be enforceable by a Lender acting individually (as opposed to the Lenders acting through the Agent).

D. We express no opinion as to (i) any waivers or variations of rights of a debtor, including a guarantor, or duties of a secured party under provisions referred to in Section 9-602 of the New York UCC or (ii) any provision in the Security Agreement (A) that may be deemed to permit the Agent or any other person to sell or otherwise foreclose upon any UCC Collateral, or to apply the proceeds thereof, except in compliance with the New York UCC, applicable laws of the United States and other applicable state and local laws, or (B) that may be deemed to impose on the Agent standards for the care of the UCC Collateral in the possession or control of the Agent that would violate Section 9-207 or 9-208 of the New York UCC or to render such standards inapplicable. Without limitation of clause (ii)(A), we express no opinion with respect to any provision to the extent that it authorizes the Agent or the Lenders to purchase UCC Collateral at a private sale, if such UCC Collateral is neither customarily sold in a recognized market nor the subject of widely distributed standard price quotations. We call to your attention that Sections 9-611, 9-612 and 9-613 of the New York UCC include requirements for notice in connection with a private sale or other disposition of UCC Collateral as well as a public sale, unless the UCC Collateral is perishable or threatens to decline speedily in value or is a type customarily sold in a recognized market. We further express no opinion as to any license contained in the Financing Documents to use patents, trademarks or copyrights in connection with an exercise of remedies against UCC Collateral.

E. Our opinion is subject to the effect of Section 552 of the United States Bankruptcy Code (limiting security interests in property acquired after the commencement of a case under the United States Bankruptcy Code). We call to your attention that under the provisions of the New York UCC certain third parties, such as buyers and lessees of goods in the ordinary course of business, licensees of general intangibles (including software) in the ordinary course of business, holders in due course of negotiable instruments, protected purchasers of securities or certain purchasers of security entitlements or financial assets, could acquire an interest in the UCC Collateral free of the security interests of the Agent and the other Secured Parties, even though such security interests are perfected.

F. We express no opinion with respect to (i) the existence, non-existence or value of any UCC Collateral, (ii) any part of the UCC Collateral that is or may be such that a security interest therein is not covered by Article 9 of the New York UCC by virtue of Section 9-109, (iii) the perfection of the Security Interests in any portion of the UCC Collateral, including deposit accounts, goods covered by a certificate of title (such as automobiles), patents, trademarks, copyrights, letter-of-credit rights and money, to the extent that filing of a financing statement is not or may not be sufficient to perfect a security interest therein (whether as a result of requirements for control or possession of such collateral, the applicability of preemptive United States laws or of certificate of title statutes or otherwise) and (iv) except with respect to the Collateral Grantors organized under the laws of the States of California and Delaware, the law governing perfection of security interests by filing under Section 9-301 of the UCC. For purposes of our opinion in Paragraph 7, we have assumed that no Collateral Grantor has filed a certificate of incorporation or any similar document, or otherwise elected to exist, under the laws of any State other than the State of California or Delaware, as the case may be (We note, however, as stated above that each of Herbalife Korea and Herbalife Brazil are dually organized in Delaware and a foreign (non-U.S.) jurisdiction). Without limitation of clause (ii) or (iii) above, we express no opinion with respect to the perfection of any Security Interest in accounts that are obligations of the Federal government, any agency, instrumentality or department thereof or any state or local government or any agency or political subdivision thereof, to the extent that any applicable laws (such as the Federal Assignment of Claims Act) require any actions in addition to the filing of financing statements under the UCC of the relevant Perfection States. In addition, certain remedies otherwise available under the New York UCC in regard to accounts included in the UCC Collateral may not be available with respect to accounts owing by the Federal Government, or a department, agency or instrumentality thereof, or any state or local government or any agency or political subdivision thereof, as to which the procedures specified in such laws have not been completed.

G. We express no opinion with respect to (i) the sufficiency of the descriptions of the UCC Collateral contained in the Security Agreement, in the Financing Statements or in any document prepared in connection therewith, except for the legal adequacy of descriptions of UCC Collateral (A) to the extent that such descriptions consist of the collateral types defined in the New York UCC (other than commercial tort claims) and (B) contained in Financing Statements to the extent such descriptions consist of "all assets" or "all personal property," (ii) the enforceability or perfection of any security interest in the proceeds of any UCC Collateral other than pursuant to Section 9-315 of the New York UCC or the UCC of the relevant Perfection State, (iii) any security interest in consumer goods or commercial tort claims or (iv) perfection (or the law governing perfection) of any security interest in timber to be cut or as-extracted collateral (including oil, gas and other minerals).

The Lender Parties

H. We express no opinion with respect to the priority (and therefore no opinion as to the respective rights of any creditor, encumbrancer or other third party as against the rights of the Agent and the other Secured Parties) of any security interest in the UCC Collateral, except as expressly set forth in Paragraph 8.

I. Perfection of the Security Interests generally will be terminated under the circumstances described in Sections 9-316, 9-507, 9-508 and 9-515 of the New York UCC, unless appropriate action is taken as provided therein. Without limitation, (i) all the financing statements filed must be continued at prescribed intervals by the timely filing of continuation statements and (ii) a new or amended financing statement may be required to be filed to retain any perfected Security Interest in the event any Collateral Grantor changes its name, identity or location (as determined under the New York UCC).

J. We call to your attention that the Material Contracts as well as other general intangibles (including contracts, permits, licenses or certain limited liability company or limited partnership interests) of the Collateral Grantors included in the UCC Collateral (such general intangibles, the "Assigned Contracts") may contain provisions that prohibit the assignment of such Assigned Contracts. Section 9-408 of the New York UCC renders ineffective prohibitions on the attachment of a security interest in the general intangibles of the Collateral Grantors under each Assigned Contract; we believe, therefore, that the grant of a security interest in the Collateral Grantors' respective interests in the Assigned Contracts would not be prevented by such provisions or constitute an actionable breach of any such Assigned Contract, to the extent the New York UCC is applicable thereto. We further call to your attention, however, (i) that certain default remedies may not be available to the Lender Parties and other Secured Parties, and (ii) that restrictions upon the transfer of the Assigned Contracts in connection with the exercise of default remedies by the Agent or the other Secured Parties would not be rendered ineffective pursuant to Section 9-408 of the New York UCC, and therefore any such transfer may constitute a breach of or default under such Assigned Contract or be unenforceable against any counterparty thereto.

K. Our opinions set forth in Paragraphs 3, 7 and 8 are subject to the following qualifications: (i) the Agent may not be entitled to vote the equity interests included in the UCC Collateral (the “Pledged Equity Interests”) or to receive dividends or other distributions directly from the issuer thereof prior to becoming the record holder of the Pledged Equity Interests; (ii) none of the Pledged Equity Interests or any interest therein may be sold or further transferred by the Agent without registration under the 1933 Act, except pursuant to an exemption from registration contained in such Act, and qualification or exemption from qualification under any applicable State securities or Blue Sky laws; and (iii) compliance with the Hart-Scott-Rodino Antitrust Improvements Act of 1976 may be required prior to the exercise of any remedies under the Security Agreement with respect to the Pledged Equity Interests.

L. In connection with our opinions expressed in Paragraphs 7 and 8 above, we call to your attention that the UCC Collateral and the Pledged Shares include equity interests of entities (the “Foreign Equity Interests”) organized under the laws of jurisdictions other than the United States of America or a political subdivision thereof (each, a “Foreign Issuer Jurisdiction”) and that the laws of the Foreign Issuer Jurisdictions may prescribe actions that must be taken to effect a valid and perfected pledge of such Foreign Equity Interests. While the filing of a financing statement is sufficient under the UCC of the relevant Perfection States to perfect a security interest under the relevant UCC in a Collateral Grantor’s interests in the relevant Foreign Equity Interests (to the extent the UCC of the relevant Perfection State is applicable), certain remedies may not be available to the Agent and the other Secured Parties, and such security interests may otherwise be adversely affected, unless the Agent and the Secured Parties undertake the actions required under the laws of the Foreign Issuer Jurisdictions. In addition, to the extent the Foreign Equity Interests constitute Pledged Shares covered by our opinion in Paragraph 8, we have assumed without independent investigation that such Foreign Equity Interests constitute “certificated securities” within the meaning of Section 8-102 of the New York UCC.

M. With reference to our opinion in Paragraph 8 above, we have assumed without independent investigation that (i) the certificates representing the Pledged Shares are indorsed to the Agent or in blank by an effective indorsement (as such term is defined in the New York UCC), and (ii) the Agent will at all times hereafter maintain possession of the certificates representing the Pledged Shares in the State of New York.

The Lender Parties

N. For purposes of our opinion in Paragraph 9, we have assumed without independent investigation that: (i) the representation and warranty of the Obligors set forth in Section 5.14 of the Credit Agreement is and will be true and correct at all relevant times and (ii) no more than an insignificant part of the UCC Collateral consists or will consist of "margin stock" within the meaning of Regulations U or X of the Board of Governors of the Federal Reserve System at all relevant times. Our opinion in Paragraph 9 is subject to (and we express no opinion in respect of) any requirement applicable to the Agent or any Lender or other Secured Party to obtain in good faith a Form FR U-1 or FR G-3 signed by the Obligors. Except as expressly set forth in Paragraph 9, we express no opinion with respect to Regulation T of the Board of Governors of the Federal Reserve System.

O. In rendering our opinions expressed in Paragraph 4 insofar as they require interpretation of Material Contracts, we express no opinion with respect to the compliance by any Obligor with any covenants included in any Material Contract to the extent compliance depends on financial calculations or data.

P. We express no opinion as to the applicability to, or the effect of noncompliance by, any Lender Party or other Secured Party with any state or federal laws applicable to the transactions contemplated by the Financing Documents because of the nature of the business of such Lender Party or other Secured Party.

This opinion is rendered as of the date hereof to the Lender Parties in connection with the Financing Documents and may not be relied upon by any person other than the Lender Parties or by the Lender Parties in any other context. The Lender Parties may not furnish this opinion or copies hereof to any other person except (i) to bank examiners and other regulatory authorities should they so request in connection with their normal examinations, (ii) to the independent auditors and attorneys of the Lender Parties, (iii) pursuant to order or legal process of any court or governmental agency, (iv) in connection with any legal action to which any Lender Party is a party arising out of the transactions contemplated by the Financing Documents, or (v) any potential permitted assignee of or participant in the interest of any Lender Party under the Financing Documents for its information. Notwithstanding the foregoing, parties referred to in clause (v) of the immediately preceding sentence who become Lenders after the date hereof may rely on this opinion as if it were addressed to them (provided that such delivery shall not constitute a re-issue or reaffirmation of this opinion as of any date after the date hereof). This opinion may not be quoted without the prior written consent of this Firm.

Very truly yours,

2 Assumptions

The following opinion is given only as to, and based on, circumstances and matters of fact existing and known to us on the date of this opinion. This opinion only relates to the laws of the Cayman Islands which are in force on the date of this opinion. In giving this opinion we have relied (without further verification) upon the completeness and accuracy of the Secretary's Certificate and the Certificate of Good Standing. We have also relied upon the following assumptions, which we have not independently verified:

- 2.1 The Transaction Documents have been or will be authorised and duly executed and unconditionally delivered by or on behalf of all relevant parties in accordance with all relevant laws (other than, with respect to the Company, the laws of the Cayman Islands).
- 2.2 The Transaction Documents are, or will be, legal, valid, binding and enforceable against all relevant parties in accordance with their terms under New York law and all other relevant laws (other than, with respect to the Company, the laws of the Cayman Islands).
- 2.3 The choice of New York law as the governing law of the Transaction Documents has been made in good faith and would be regarded as a valid and binding selection which will be upheld by the courts of New York and any other relevant jurisdiction (other than the Cayman Islands) as a matter of New York law and all other relevant laws (other than the laws of the Cayman Islands).
- 2.4 Copy documents, conformed copies or drafts of documents provided to us are true and complete copies of, or in the final forms of, the original documents.
- 2.5 All signatures, initials and seals are genuine.
- 2.6 The final execution version of each Transaction Document that is governed by the laws of the Cayman Islands and that has been, or is to be, executed as a deed existed, or will exist, at the moment of execution as a single physical document (whether in counterpart or not) including the entire body of each such document, the signature pages and any annexes and/or schedules thereto.
- 2.7 The power, authority and legal right of all parties under all relevant laws and regulations (other than, with respect to the Company, the laws of the Cayman Islands) to enter into, execute, unconditionally deliver and perform their respective obligations under the Transaction Documents.
- 2.8 There is nothing under any law (other than the law of the Cayman Islands) which would or might affect the opinions hereinafter appearing. Specifically, we have made no independent investigation of the laws of New York.

3 Opinions

Based upon, and subject to, the foregoing assumptions and the qualifications set out below, and having regard to such legal considerations as we deem relevant, we are of the opinion that:

- 3.1 The Company has been duly incorporated as an exempted company with limited liability and is validly existing and in good standing under the laws of the Cayman Islands.
- 3.2 The Company has full power and authority under its Memorandum and Articles of Association to enter into, execute, deliver and perform its obligations under the Transaction Documents.

- 3.3 The execution and delivery of the Transaction Documents and the performance by the Company of its obligations thereunder do not conflict with or result in a breach of any of the terms or provisions of the Memorandum and Articles of Association of the Company or any law, public rule or regulation applicable to the Company in the Cayman Islands currently in force.
- 3.4 The execution, delivery and performance of the Transaction Documents have been authorised by and on behalf of the Company and, assuming the Transaction Documents have been executed and unconditionally delivered by a Director or Officer of the Company, the Transaction Documents have been duly executed and delivered on behalf of the Company and constitute the legal, valid and binding obligations of the Company enforceable in accordance with their terms.
- 3.5 No authorisations, consents, approvals, licences, validations or exemptions are required by law from any governmental authorities or agencies or other official bodies in the Cayman Islands in connection with:
- (a) the creation, execution or delivery of the Transaction Documents by the Company;
 - (b) subject to the payment of the appropriate stamp duty, enforcement or admissibility in evidence of the Transaction Documents against the Company; or
 - (c) the performance by the Company of its obligations under any of the Transaction Documents.
- 3.6 No taxes, fees or charges (other than stamp duty) are payable (either by direct assessment or withholding) to the government or other taxing authority in the Cayman Islands under the laws of the Cayman Islands in respect of:
- (a) the execution or delivery of the Transaction Documents;
 - (b) the enforcement of the Transaction Documents; or
 - (c) payments made under, or pursuant to, the Transaction Documents.
- The Cayman Islands currently have no form of income, corporate or capital gains tax and no estate duty, inheritance tax or gift tax.
- 3.7 The courts of the Cayman Islands will observe and give effect to the choice of New York law as the governing law of the Transaction Documents.
- 3.8 Based solely on our search of the Register of Writs and Other Originating Process (the “**Court Register**”) maintained by the Clerk of the Court of the Grand Court of the Cayman Islands from the date of incorporation of the Company to 7 March 2011 (the “**Litigation Search**”), the Court Register disclosed no writ, originating summons, originating motion, petition, counterclaim nor third party notice (“**Originating Process**”) nor any amended Originating Process pending before the Grand Court of the Cayman Islands, in which the Company is a defendant or respondent.

- 3.9 Although there is no statutory enforcement in the Cayman Islands of judgments obtained in New York, a judgment obtained in such jurisdiction will be recognised and enforced in the courts of the Cayman Islands at common law, without any re-examination of the merits of the underlying dispute, by an action commenced on the foreign judgment debt in the Grand Court of the Cayman Islands, provided such judgment:
- (a) is given by a foreign court of competent jurisdiction;
 - (b) imposes on the judgment debtor a liability to pay a liquidated sum for which the judgment has been given;
 - (c) is final;
 - (d) is not in respect of taxes, a fine or a penalty; and
 - (e) was not obtained in a manner and is not of a kind the enforcement of which is contrary to natural justice or the public policy of the Cayman Islands.
- 3.10 It is not necessary to ensure the legality, validity, enforceability or admissibility in evidence of the Transaction Documents that any document be filed, recorded or enrolled with any governmental authority or agency or any official body in the Cayman Islands.
- 3.11 The Company is not entitled to any immunity under the laws of the Cayman Islands whether characterised as sovereign immunity or otherwise for any legal proceedings in the Cayman Islands to enforce or to collect upon the Transaction Documents.
- 3.12 None of the parties to the Transaction Documents (other than the Company) is or will be treated as resident, domiciled or carrying on or transacting business in the Cayman Islands solely by reason of the negotiation, preparation or execution of the Transaction Documents.

4 Qualifications

The opinions expressed above are subject to the following qualifications:

- 4.1 The term “**enforceable**” as used above means that the obligations assumed by the Company under the Transaction Documents are of a type which the courts of the Cayman Islands will enforce. It does not mean that those obligations will necessarily be enforced in all circumstances in accordance with their terms. In particular:
- (a) enforcement may be limited by bankruptcy, insolvency, liquidation, reorganisation, readjustment of debts or moratorium or other laws of general application relating to or affecting the rights of creditors;
 - (b) enforcement may be limited by general principles of equity. For example, equitable remedies such as specific performance may not be available, inter alia, where damages are considered to be an adequate remedy;
 - (c) some claims may become barred under the statutes of limitation or may be or become subject to defences of set off, counterclaim, estoppel and similar defences;
 - (d) where obligations are to be performed in a jurisdiction outside the Cayman Islands, they may not be enforceable in the Cayman Islands to the extent that performance would be illegal under the laws of that jurisdiction;

- (e) the courts of the Cayman Islands have jurisdiction to give judgment in the currency of the relevant obligation and statutory rates of interest payable upon judgments will vary according to the currency of the judgment. If the Company becomes insolvent and is made subject to a liquidation proceeding, the courts of the Cayman Islands will require all debts to be proved in a common currency, which is likely to be the “functional currency” of the Company determined in accordance with applicable accounting principles. Currency indemnity provisions have not been tested, so far as we are aware, in the courts of the Cayman Islands;
 - (f) arrangements that constitute penalties will not be enforceable;
 - (g) the courts of the Cayman Islands may decline to exercise jurisdiction in relation to substantive proceedings brought under or in relation to the Transaction Documents in matters where they determine that such proceedings may be tried in a more appropriate forum; and
 - (h) we reserve our opinion as to the enforceability of the relevant provisions of the Transaction Documents to the extent that they purport to grant exclusive jurisdiction to the courts of a particular jurisdiction as there may be circumstances in which the courts of the Cayman Islands would accept jurisdiction notwithstanding such provisions.
- 4.2 Applicable court fees will be payable in respect of the enforcement of the Transaction Documents.
- 4.3 Cayman Islands stamp duty may be payable if the original Transaction Documents are brought to or executed in the Cayman Islands.
- 4.4 To maintain the Company in good standing under the laws of the Cayman Islands, annual filing fees must be paid and returns made to the Registrar of Companies.
- 4.5 The Company must make an entry in its Register of Mortgages and Charges in respect of all mortgages and charges created under the Transaction Documents in order to comply with section 54 of the Companies Law (2010 Revision) of the Cayman Islands; failure by the Company to comply with this requirement does not operate to invalidate any mortgage or charge though it may be in the interests of the secured parties that the Company should comply with the statutory requirements.
- 4.6 The obligations of the Company may be subject to restrictions pursuant to United Nations sanctions as implemented under the laws of the Cayman Islands.
- 4.7 A certificate, determination, calculation or designation of any party to the Transaction Documents as to any matter provided therein might be held by a Cayman Islands court not to be conclusive final and binding if, for example, it could be shown to have an unreasonable or arbitrary basis, or in the event of manifest error.
- 4.8 The Litigation Search of the Court Register would not reveal, amongst other things, an Originating Process filed with the Grand Court which, pursuant to the Grand Court Rules or best practice of the Clerk of the Courts’ office, should have been entered in the Court Register but was not in fact entered in the Court Register (properly or at all).

4.9 In principle the courts of the Cayman Islands will award costs and disbursements in litigation in accordance with the relevant contractual provisions but there remains some uncertainty as to the way in which the rules of the Grand Court will be applied in practice. Whilst it is clear that costs incurred prior to judgment can be recovered in accordance with the contract, it is likely that post-judgment costs (to the extent recoverable at all) will be subject to taxation in accordance with Grand Court Rules Order 62.

4.10 We reserve our opinion as to the extent to which the courts of the Cayman Islands would, in the event of any relevant illegality, sever the offending provisions and enforce the remainder of the transaction of which such provisions form a part, notwithstanding any express provisions in this regard.

4.11 We make no comment with regard to the references to foreign statutes in the Transaction Documents.

We express no view as to the commercial terms of the Transaction Documents or whether such terms represent the intentions of the parties and make no comment with regard to the representations that may be made by the Company.

This opinion is addressed to and is for the benefit solely of the addressees and may not be relied upon by, or disclosed to, any other person without our prior written consent.

Yours faithfully

Maples and Calder

Dear Sirs

Herbalife Ltd. (the "Company")

I, Brett Chapman, being General Counsel and Secretary of the Company, am aware that you are being asked to provide a legal opinion (the "**Opinion**") in relation to certain aspects of Cayman Islands law. Capitalised terms used in this certificate have the meaning given to them in the Opinion. I hereby certify that:

- 1 The Memorandum and Articles of Association of the Company as adopted or registered on 1 December 2004 remain in full force and effect and are unamended.
 - 2 The Company has not entered into any mortgages or charges over its property or assets other than those entered in the register of mortgages and charges, or contemplated by the Transaction Documents.
 - 3 The Minutes of the meeting of the board of directors held on February 18, 2011 (the "**Meeting**") at which the Transaction Documents were approved are a true and correct record of the proceedings of the Meeting, which was duly convened and held, and at which a quorum was present throughout and at which each director disclosed his interest (if any), in the manner prescribed in the Articles of Association.
 - 4 The shareholders of the Company have not restricted or limited the powers of the directors in any way. There is no contractual or other prohibition (other than as arising under Cayman Islands law) binding on the Company prohibiting it from entering into and performing its obligations under the Transaction Documents.
 - 5 The resolutions set forth in the Minutes were duly adopted, are in full force and effect at the date hereof and have not been amended, varied or revoked in any respect.
-

6 The directors of the Company at the date of the Meeting and at the date hereof were and are as follows:

Michael O. Johnson
Leroy Barnes, Jr.
Richard Bermingham
Pedro Cardoso
Jeffrey Dunn
Murray Dashe
Lawrence Higby
Colombe Nicholas
John Tartol

- 7 You have been provided with complete and accurate copies of all minutes of meetings or written resolutions or consents of the shareholders and directors (or any committee thereof) of the Company (which were duly convened, passed and/or (as the case may be) signed and delivered in accordance with the Articles of Association of the Company) and the Certificate of Incorporation, Memorandum and Articles of Association (as adopted on incorporation and as subsequently amended) and statutory registers of the Company.
- 8 Prior to, at the time of, and immediately following the execution of the Transaction Documents the Company was, or will be, able to pay its debts as they fell, or fall, due and has entered, or will enter, into the Transaction Documents for proper value and not with an intention to defraud or wilfully defeat an obligation owed to any creditor or with a view to giving a creditor a preference.
- 9 Each director considers the transactions contemplated by the Transaction Documents to be of commercial benefit to the Company and has acted bona fide in the best interests of the Company, and for a proper purpose of the Company, in relation to the transactions which are the subject of the Opinion.
- 10 To the best of my knowledge and belief, having made due inquiry, the Company is not the subject of legal, arbitral, administrative or other proceedings in any jurisdiction. Nor have the directors or shareholders taken any steps to have the Company struck off or placed in liquidation, nor have any steps been taken to wind up the Company. Nor has any receiver been appointed over any of the Company's property or assets.
- 11 The Company is not a central bank, monetary authority or other sovereign entity of any state and is not a subsidiary, direct or indirect, of any sovereign entity or state.

I confirm that you may continue to rely on this certificate as being true and correct on the day that you issue the Opinion unless I shall have previously notified you personally to the contrary.

5. The opinions expressed above are subject to the following qualifications:

(i) Luxembourg legal concepts are expressed in English terms and not in their original French terms. The concepts concerned may not be identical to the concepts described by the same English terms as they exist in the laws of other jurisdictions. This Opinion may, therefore, only be relied on upon the express condition that any issues of the interpretation or liability arising thereunder will be governed by Luxembourg Law and be brought before a court in Luxembourg;

(ii) the opinions set out hereabove are subject to all limitations by reason of national or foreign bankruptcy, insolvency, moratorium, controlled management, suspension of payment, fraudulent conveyance, general settlement of composition with creditors, general settlement with creditors, reorganisation or similar laws affecting the rights of creditors generally;

(iii) we have not been responsible for investigating or verifying the accuracy of the facts (or statements of foreign law) or the reasonableness of any statements of opinion or intention contained in any documents (other than this Opinion), or for verifying that no material facts or provisions have been omitted therefrom;

(iv) where any obligations are to be performed or observed or are based upon a matter arising in a jurisdiction outside the Grand Duchy of Luxembourg, they may not be enforceable under Luxembourg law if and to the extent that such performance or observance would be unlawful, unenforceable, or contrary to public policy or public order under the laws of such jurisdiction;

(v) claims may become barred under the statutory limitation period rules or may be or become subject to defences of set-off or counterclaims;

(vi) actions in Luxembourg courts must be brought in the name of the principal not of an agent of the principal;

- (vii) we express no opinion on the rationale of the underlying transaction;
- (viii) choice of law provisions in the Contractual Documents will be recognised and given effect to by a Luxembourg court except in case of legal fraud or unless such choices of law are meant to circumvent rules of public order of the laws that would have otherwise applied in the absence of such choice of law provisions;
- (ix) a Luxembourg court will refuse to give effect to any particular provisions of a foreign law if, pleaded and proved, its application in the circumstances of the case would either be contrary to the mandatory rules of Luxembourg law or incompatible with Luxembourg international public policy or international public order;
- (x) the registration of the Contractual Documents with the *Administration de l'Enregistrement et des Domaines* in Luxembourg may be required in the case of court proceedings in Luxembourg (if competent) or, in the case that the Contractual Documents must be produced before an official authority, in which case a registration duty would become payable. The courts or authority may, in this context, require that the Contractual Documents be translated into the French or German language;
- (xi) the Non-Registration Certificates do not determine conclusively whether or not the matters referred to therein have occurred or not at the date referred to in such Non-Registration Certificates, in particular due to the lapse between the passing of the actual judicial decisions referred to therein and their recording with the Luxembourg trade and companies register;
- (xii) we express no opinion as to the tax consequences of the entry of the Companies into the Contractual Documents; and
- (xiii) we express no opinion with respect to the enforceability of the Contractual Documents which we have not reviewed in this respect.

6. This Opinion is solely for the benefit of the addressee of this Opinion and for the purposes of the Contractual Documents. It is not to be transmitted to any other person nor is it to be relied upon by any other person verified or for any other purpose quoted or referred to in any public document or filed with any governmental agency or other person without our consent. This Opinion is strictly limited to the matters stated herein and does not extend to, and is not to be read as extending by implication to, any agreement or document referred to in the Contractual Documents or otherwise. This Opinion is given on the basis that it will be governed by and construed in accordance with Luxembourg Law and will be subject to Luxembourg jurisdiction.

Yours faithfully,

(vi) actions in Luxembourg courts must be brought in the name of the principal not of an agent of the principal;

- (vii) we express no opinion on the rationale of the underlying transaction;
- (viii) choice of law provisions in the Contractual Documents will be recognised and given effect to by a Luxembourg court except in case of legal fraud or unless such choices of law are meant to circumvent rules of public order of the laws that would have otherwise applied in the absence of such choice of law provisions;

The courts or authority may, in this context, require that the Contractual Documents be translated into the French or German language;
- (xi) the Non-Registration Certificates do not determine conclusively whether or not the matters referred to therein have occurred or not at the date referred to in such Non-Registration Certificates, in particular due to the lapse between the passing of the actual judicial decisions referred to therein and their recording with the Luxembourg trade and companies register;
- (xii) we express no opinion as to the tax consequences of the entry of the Companies into the Contractual Documents; and
- (xiii) we express no opinion with respect to the enforceability of the Contractual Documents which we have not reviewed in this respect.

6. This Opinion is solely for the benefit of the addressee of this Opinion and for the purposes of the Contractual Documents. We have made such legal and factual examinations and inquiries as we have deemed necessary or appropriate for purposes of this opinion letter. We have been furnished with, and with your consent have relied upon, certificates, including, without limitation, the Certificates, and such assurances of the officers or other representatives of the Nevada Companies, and of public officials, as we have deemed necessary for the purpose of rendering the opinions set forth herein. As to questions of fact material to our opinions, we have also relied upon the statements of fact and the representations and warranties as to factual matters contained in the documents we have examined; however, except as otherwise expressly indicated, we have not been requested to conduct, nor have we undertaken, any independent investigation to verify the content or veracity thereof or to determine the accuracy of any statement, and no inference as to our knowledge of any matters should be drawn from the fact of our representation of the Nevada Companies.

Without limiting the generality of the foregoing, in rendering this opinion letter, we have, with your permission, assumed without independent verification that (i) the obligations of each party set forth in the Loan Documents are its valid and binding obligations, enforceable against such party in accordance with their respective terms; (ii) each natural person executing a document has sufficient legal capacity to do so; (iii) the statements of fact and all representations and warranties set forth in the documents we have examined are true and correct as to factual matters; (iv) all documents that we have examined accurately describe and contain the mutual understanding of the parties thereto and there are no oral or written agreements or understandings, and there is no course of prior dealing between any of the parties, that would in any manner vary or supplement the terms and provisions of such documents, or of the relationships set forth therein, or which would constitute a waiver of any of the provisions thereof by the actions or conduct of the parties or otherwise, or which would have an effect on the opinions rendered herein; (v) all authorizations, approvals, actions, orders, permits and consents from, and notices to or filings with, any governmental authority in a jurisdiction other than the State of Nevada and from, to or with any third party that are necessary in connection with the execution and delivery of the Loan Documents and the performance by each party thereto of its obligations thereunder, have been obtained, taken, received or made, and are in full force and effect; (vi) all documents submitted to us as originals are authentic, the signatures on all documents that we have examined are genuine, and all documents submitted to us as certified, conformed, photostatic, electronic or facsimile copies conform to the original documents; and (vii) all corporate records provided to us by the Nevada Companies and all public records we have reviewed are accurate and complete.

Whenever a statement herein is qualified by the phrase “to our knowledge” or “known to us” or a similar phrase, we have, with your consent, advised you concerning only the conscious awareness of facts in the possession of those attorneys who are currently members of or associated with this firm and who have performed legal services on behalf of the Nevada Companies in connection with the Transactions, and which knowledge we have recognized as being pertinent to the matters set forth herein.

As used herein, all references to (i) “NRS” and sections thereof, or to “statutes,” generally, are to the Nevada Revised Statutes as in effect on the date hereof; (ii) “Applicable Nevada Law” are to those statutes, rules and regulations of the State of Nevada which, in our experience, are customarily applicable both to transactions of the type contemplated by the Loan Documents and to general business entities that are not engaged in regulated business activities; (iii) “Nevada Governmental Authorities” are to the governmental and regulatory authorities, bodies, instrumentalities and agencies and the courts of the State of Nevada, excluding its political subdivisions and local agencies, having jurisdiction over the Nevada Companies; (iv) “Applicable Nevada Order” are to any order, judgment, writ or decree issued by any Nevada Governmental Authority under Applicable Nevada Law known to us, without investigation or inquiry, to be presently in effect and by which any of the Nevada Companies is bound or to which it is subject; and (v) “UCC” and to sections thereof are to the Uniform Commercial Code of the State of Nevada as in effect on the date hereof.

We are qualified to practice law in the State of Nevada. The opinions set forth herein are expressly limited to the effect on the Transactions only of the internal laws of the State of Nevada, and we do not purport to be experts on, or to express any opinion with respect to the applicability thereto or to the effect thereon of, the laws of any other jurisdiction or as to matters of local law or the laws, rules or regulations of local governmental departments or agencies within the State of Nevada. We express no opinion herein concerning, and we assume no responsibility as to laws or judicial decisions related to, or any orders, consents, filings or other authorizations or approvals as may be required by, any federal laws, rules or regulations, including, without limitation, any federal securities laws, rules or regulations, or any state securities or “blue sky” laws, rules or regulations.

Based upon the foregoing, and subject to the qualifications, limitations, exceptions and assumptions set forth herein, we are of the opinion that:

1. Each of the Nevada Companies is duly incorporated, validly existing and in good standing under the laws of the State of Nevada.
 2. Each of the Nevada Companies has the corporate power and authority to execute, deliver and perform its obligations under each of the Loan Documents to which it is a party.
 3. Each of the Nevada Companies has duly authorized the execution and delivery of the Loan Documents to which it is a party, the performance of its obligations thereunder and the consummation of the Transactions. Each of the Nevada Companies has duly executed and delivered each of the Loan Documents to which it is a party.
-

4. The execution and delivery by each of the Nevada Companies of the Loan Documents to which it is a party, the performance by each of the Nevada Companies of its obligations thereunder and the consummation of the Transactions do not contravene or violate (a) the Governing Documents, (b) any Applicable Nevada Law or (c) any Applicable Nevada Order.

5. No authorization, approval, order or consent of, or filing or registration with, any Nevada Governmental Authorities is required under Applicable Nevada Law in connection with the execution and delivery by any of the Nevada Companies of the Loan Documents to which it is a party, or the consummation of the Transactions, except for (a) those obtained or made prior to the date hereof and which are in full force and effect and (b) such filings and recordings as may be required to perfect liens and security interests purported to be granted by the Loan Documents.

6. The Financing Statements are in proper form for filing in the Filing Office. To the extent a valid security interest has been created under New York law by the Security Agreement in favor of the Collateral Agent, for the benefit of the Secured Parties, in the Personal Property Collateral (as defined below), upon the later of the attachment of the security interest and the proper filing of the Financing Statements in the Filing Office, the security interest in that portion of the Security Agreement Collateral (as defined and described in the Security Agreement) that consists of personal property and is described in the Financing Statements (collectively, the "Personal Property Collateral") will be perfected to the extent a security interest in such Personal Property Collateral may be perfected by filing a financing statement in the Filing Office under the provisions of the UCC.

The opinions expressed herein are subject to and limited by the following qualifications, limitations, exceptions and assumptions:

(A) We express no opinion as to:

(i) title to any Personal Property Collateral in which a security interest or lien is granted, the nature or extent of the rights, title or interest of the Nevada Companies in or to any of the Personal Property Collateral, or the priority of any security interest or lien created or purported to be created in or on the Personal Property Collateral by the Security Agreement;

(ii) the creation of any security interest in or lien on any Personal Property Collateral or the perfection of any security interest in or lien on Personal Property Collateral to which Article 9 of the UCC does not apply;

(iii) any provision that purports (a) to continue or reinstate any security interest or lien after all Secured Obligations have been paid in full, or (b) to waive any requirement of Part 6 of Article 9 of the UCC, to the extent the same cannot be waived pursuant to Section 104.9602 of the UCC;

(iv) the perfection of any security interest in or lien on copyrights, patents, trademarks, service marks or other intellectual property, or the proceeds thereof, other than under the UCC;

(v) any security interest in or lien on Personal Property Collateral consisting of claims against any government or governmental agency (including, without limitation, the United States of America or any state thereof or any agency or department of the United States of America or any state thereof); or

(vi) the ability of the Collateral Agent, for the benefit of the Secured Parties, to recover any deficiency following the disposition of the Personal Property Collateral to the extent such remedy is limited by Section 104.9626 of the UCC.

(B) We have assumed that:

(i) with respect to the attachment of the security interest of the Collateral Agent, for the benefit of the Secured Parties, in the Personal Property Collateral, value has been given and the relevant Nevada Company has sufficient rights to grant a security interest therein or the power to transfer rights in such Personal Property Collateral to a secured party;

(ii) the description of the Personal Property Collateral in the Security Agreement is accurate and sufficient for purposes of Section 104.9108 of the UCC, and the Financing Statements will be properly filed and indexed by the Filing Office;

(iii) all recording and filing fees and other governmental fees and charges necessary for the filing of the Financing Statements in the Filing Office will be timely paid; and

(iv) none of the Personal Property Collateral consists or will consist of consumer goods, equipment used in farming operations, farm products, crops, timber, minerals and the like (including, without limitation, oil and gas) or accounts or general intangibles resulting from the sale thereof.

(C) We call your attention to the fact that:

(i) in a transaction of this nature, Section 104.9515 of the UCC requires the filing of continuation statements within six months prior to the expiration of each five-year period following the filing of a financing statement in order to continue its effectiveness;

(ii) in the case of proceeds of the Personal Property Collateral, a perfected security interest therein will become unperfected on the 21st day after the security interest attaches to the proceeds unless the conditions required to maintain such perfection in accordance with Section 104.9315(4) of the UCC are satisfied; and

(iii) in the event of a change of the name of any party, an amendment to the relevant Financing Statement(s) will be required to be filed pursuant to Section 104.9507(3) or 104.9511(2), as applicable, of the UCC.

(D) The opinions contained herein are subject to the effect of bankruptcy, insolvency, reorganization, moratorium, anti-deficiency, and other similar laws now or hereafter in effect relating to or affecting the enforcement of creditors' rights generally, the federal Bankruptcy Code, the Uniform Fraudulent Transfer Act, as codified in Chapter 112 of the NRS, and any other laws, rules and regulations relating to fraudulent conveyances and transfers.
